CAGE OF HONOR NEWS BRIEF

A MIKE JOHNSON PROJECT

COH NETWORK- THE ATOMIC AGE V1 12

Ladies and gentlemen, last cycle Cage Of Honor came to the Atomic Age League with hopes of extending the COH Brand into Jade fed and raise the competition level in Jade. After one cycle I've received some feedback and I have to say I believe we are taking a step in the right direction. In some good news, I've had some discussions with the DXL Commissioner and we have an agreement to hold interleague events in 2018. I've also spoken to three representatives of the CZL and they would like to be part of CZL/AAL events in 2018. What I told everyone involved is I'd like to establish champions in AAL first and after that begin to set up future interleague events with AAL, CZL, and DXL. In some big news involving this, there will be a championship linked to this. As of now AAL and CZL have agreed to be part of a tournament to crown a COH Jade Champion, and we're still waiting on confirmation if DXL will be part of this. Still, one cycle in and plenty of progress!

Last cycle we had our first COH America show and we began the America's Cup to determine the first COH American Champion. This cycle we have our second show booked and in Cage Of Honor tradition, each year ending show is titled "Final Battle." Before I go into too much details on Final Battle, let's check out the results from COH America #1.

COH America #1

1. ACT: CM Punk defeated The Truth Paul Pierce
2. ACT: Becker defeated Solomon Crowe
3. ACT: Kamala The Ugandan Giant defeated Mr. Grudge
4. ACT: Anti-Authority Donald Henry defeated Vitamin Z
5. \$50k Scramble: Pillpopper defeated Ghostwalker, Quinn Guzzy, Drake Blade, Masked Robinson 2, Offspring

**Punk, Becker, Kamala, and Henry all continue in the America's Cup Tournament at Final Battle. Winner will become the first COH American Champion and will also be \$200k richer!

**Speaking of money, Pillpopper won the \$50k Scramble. Wonder what he'll use that money for!?!?

As I mentioned, this cycle is AAL's Final Battle. We'll have an eight match card featuring the semifinals of the America's Cup. The opening round of the Tag title tournament, and two additional singles matches. Here's the card-

COH America #2- Final Battle

1. ACT: CM Punk vs Becker
2. ACT: Kamala The Ugandan Giant vs Anti-Authority Donald Henry
3. TT: Waldo Dirtberg, KD Jabroni vs Yardie & Joker Skott

4. TT: Lance & Brett Severance vs Kassius Ohno, Chris Hero
5. TT: Masked Robinson's vs Masked Men
6. TT: Reginald Taylor, Becker vs Droid 9&10
7. Solomon Crow vs The Martyr Markus Payne
8. Mr. Grudge vs Vitamin Z

**Matches 1-2 are the semifinals of the America's Cup

*Matches 3-6 are the opening round of tag title tournament

**The final two matches feature 4 of a roster full of talent that deserves to be on this card. Hopefully we can keep the activity up and possibly see two cards each cycle like most of the other COH leagues!

Around The League

**I've changed my mind regarding the next tournament. Once we are in the finals of the American Championship Tournament, or America's Cup as it's called, we will begin the Battle Of Independence. This tournament will determine the COH American Independent Championship. At first this was going to be the Atomic TV Championship but I've decided to have a championship that I allow interleague defenses. Plus in all honesty, I'm debating changing the leagues name dropping Atomic all together.

**Once the Battle Of Independence begins the following cycle the Tournament of Nightmares is set to begin. Both tournament s will feature 8 wrestlers and both winners will receive \$150k. The tournament of Nightmares winner will become the first COH Nightmare Champion. This is more of a Hardcore themed championship.

**Once we have all champions decided, we'll begin looking into interleague events and possibly starting a tournament to determine the COH Jade Champion. As mentioned ALL and CZL are 100% in, waiting on DXL for their status.

**As I mentioned, I'm a big tournament guy and have two others we'll look to begin probably around the 4th cycle of 2018. First one up is the Deadly Duo Tournament, featuring 16 wrestlers randomly paired into tag teams. Those 8 teams battle it out till we hit the finals. The winning team splits \$200k then the following cycle faces off for a contract to face the COH American Champion at a future event and an additional \$100k. Each team goes back into a pool so there will be no repeat teams.

**Another tournament will be the Survival Of The Fittest. This will be a 16 man tournament with a \$250k prize and the winner will also win a contract to face the American Champion.

**So each year the tournament order should go: American Independence, Tournament Of Nightmares, Deadly Duo, Survival Of The Fittest, Americas Cup.

Other than that, that will wrap it up for this cycle. As I mentioned, I'm straight forward, book my shows and if I have news I mention it. I will say I'm working on a few talent acquisitions for the league. I've also been asked about the potential of a Women's Division. I'm open to the idea as long as that doesn't bring a flood of 20 or so Kardashians. But again other than that, I'd like to wish everyone luck this cycle and until next cycle, I'll see you all in the bulletins!

Imagimania XXXII: Signed in Blood

IWA wrestlers came from far and wide to compete in this event benefitting the Autism Society of America, and raised an incredible \$429 for the cause! The fans loved the action, the representatives from the charity loved the support, and we loved knowing that we have such selfless athletes as part of our organization. There were definitely no losers that night.

At the end of the show, our “Above and Beyond” donors stepped in the ring and boosted the total by \$154! Those ASA guardian angels were Jerry Anderson of Michigan (who contributed not only the initial idea, but also cash and three of his own wrestlers’ contracts), Randall Angel of Louisiana, Jimmy Dabbs of North Carolina, **Jordan Drake** of Louisiana, Jerald Horton of Oregon, David Lewis of New York, Kenneth Plasse of Alabama, Chris Stevens of Texas, Joe Tusa of Pennsylvania, and Keith “The Devil” Voss of Austria.

Inspired by your generosity, we topped up the donation to an even \$600 — you guys were already the heroes, so we decided to provide the zeroes.

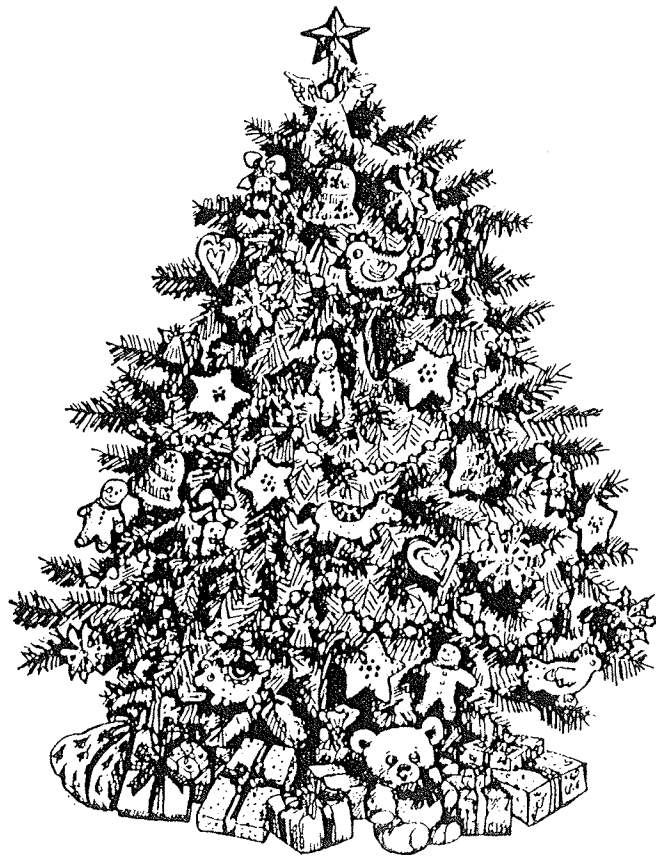

And now, we proudly present the imaginary wrestlers and their managers who made a very real difference in the world:
