LONE WOLF WRESTLING

Our Mania cycle is here as we present Night of Infamy this cycle but before I get to that we have big news coming from last cycles action. Mac Diesel is the first Action Wrestling Jade Champion after successfully winning the tournament last cycle. I know I control Action Jade but it is good to see someone from LWL come out the winner and be the first champion. After that win, Diesel ventured off to DZL where he defeated Thunder Kidd to become the new RISE Wrestling World Champion. This one I have a plan for , and I do plan on making the RISE Wrestling World Championship relevant again. Diesel will defend the championship and will go on a tour of the IWA, starting in iron in two cycles. Then Steel, Gold, etc. With the Action Jade Championship, I feel ZZL deserves the first crack, so I'll reach out and see what we can get set up.

As for this cycle, Night Of Infamy kicks off the Lone Wolf Championship tournament. We also have an Action Wrestling Television Championship match, so let's check out the card.

Lone Wolf Wrestling #11- Night of Infamy

1. LWC- Scorpion v Muskrat Joe
2. LWC- Happy Anderson v Labrokus LaMaximus
3. LWC- The Mask v Insignigicant Reject
4. LWC- Mac Diesel v Dim Lee Litroom
5. LWC- Carter Matthews PHD v Arsenal
6. LWC- Disdainful Teaching Assistant v Mordecai
7. Action Wrestling Television Championship- The Mask [c] v Labrokus LaMaximus

**matches 1-6 are rd1 of the Lone Wolf Championship tournament

**We have our Mystery Vortex rematch with Mask v Labrokus. Last cycle LaMaximus took down the Mask, will history repeat itself? The Mask has held the Television Championship 7 cycles now with this match being his 4th defense.

Next cycle we will have a Super Series, which we will be inviting 4 members of ZZL to Participate in. Winner will receive a Lone Wolf Television title shot.

Super Series

1. Dim Lee Litroom v ZZL Ulysses Deadeye
2. ZZL Colossal Machine v Happy Anderson
3. ZZL Shaq The Cyborg Atlas v Arsenal
4. Muskrat Joe v ZZL Don Kelly

Again, this will be starting next cycle

I mentioned the IRSE World Championship would be defended in iron first. I've reached out to HWL and should have their representative by next cycle. The plan to make this interesting will be to defend in Iron and that winner defend in Steel. The following cycle we will do Gold into Diamond. The Diamond winner will have a cycle break and then go to Bronze for the next defense ending with Jade. I will award that winner $100,000 i-cash for their troubles

We might be seeing some WEW action coming up soon. I've been in talks to get some interleague action going on between LWL-WEW, I actually feel like we are a couple cycles away from that.

Other than that, good luck to everyone booked on Night Of Infamy. Until next cycle…

Lone Wolf Wrestling Champion- VACANT

Lone Wolf Television Champion- Carter Matthews PHD

RISE Wrestling world Champion- LWL Mac Diesel

Action Wrestling Jade Champion- LWL Mac Diesel

Scene Opens

Insignificant Reject is sitting on a bench in a locker room. Draped over his lap is a title belt. He is looking at it and scratching his chin.

Reject: This is kinda curious. No matter what you do here, you seem to end up with one of these. You can't seem to get rid of them. I swear that if I took this and pitched it into a lake, another one would be under my pillow when I woke up the next morning.

He holds it up and starts turning it, examining it.

Reject: You can use it as a paper weight. You could use it to impress ladies. Well, other people could, people with, what do ya call it, appeal. Also, you could use it for...

He suddenly slams it violently into the floor. The loud metallic bang startles several nearby people. Reject slowly looks into the camera with an expressionless stare.

Reject: Squashing bugs. Ones with big tails.

Scene Ends

Mac Diesel- Last cycle my conquest for gold went exactly as planned. I stand before you as the first Action Wrestling Jade Champion and the new RISE Wrestling World Champion. I'm going to bring the prestige to this championship. I'm going to make the Action Wrestling Jade Championship mean something, so ZZL, get your best ready because I want someone from you to fight first.

“Wow what a debut! I just started and I already am a double champion! Who has two thumbs and two titles? This guy! Hopefully I can keep up the great work here, but with my nine credits in community college this semester, I might be a little too busy to practice more wrestling. Anyway, I probably don’t need to practice since I have these titless. I did learn a spreadsheet thing in CIS 101 last week, so I can get better at spreadsheeting. Anyway, I might not make it to class **Dr. Matthews** and **Teaching Assistant**, my eyes hurt from looking at the eclipse - **Lee Litroom**

Happy Anderson

I am a happy guy because all the fans come to see me

I am the most popular wrestler in LWL history.

I am always the main event.

The mask and mac diesl should be happy to be teaming with me.

Apple pie and milkshakes make me happy

The LWL revolves around me and that makes me happy.

Labrokus Maximus

You only remove your mask to see the light of day. Yet you speak nothing but lies. For it is I, The Arsenal, who is the true face of fear here in the LWL and have been for far longer than you. Yes, you are a dominant force among all of the true Lone Wolves. Do not let yourself go soft as so many others have done. You must keep proving yourself every cycle. No exceptions!!

The Scorpion

My fans keep asking me why I don't have the LWL League strap around my waist yet. Well, let me tell ya bub, it's coming.

I don't see anybody in the league that can keep me from my destiny.
