American OUTLAW

League Report - Cycle #256 - September 2024

Presented by CageMatchCoalition

"Well, howdy there, Partner! I recon I should introduce myself ta ya'll! Why, my name is Luthor, **Luthor Banks!** I'm not from these here parts, but I am from the new **Cage Match Coalition** and I will be the new commissioner of this here, American Outlaw League! This first report will be just a sample of what's to come as It'll take me a cycle to get acclimated to what's going on around here, the who's who and what nots!

I would like to institute a point system, but I feel it's a little late in the year for that so there will be a point system starting in January! In the meantime, ya'll will get ranked according to titles, ect.

AOL Commissioner's Championships are being created! We are working hard here at the Coalition to come up with some rootin'-tootin' good names! We will have an AOL Heavyweight Champion, A secondary Championship, a Tag-Team Championship and 6man Championship! Tournaments start next cycle!

You wonderin' 'bout PPV's? Don'tcha worry none! We will have 1 before the end of the year to crown all of our champions! I think what I'll call it is "**Gold Rush**"! Can't think of anything more fitting!

I'm hoping to see some trash talk now that you have something else to play for! I love the old school IWA where trash talking was a must for most of us. Just because you are trying to hit the IWA report, don't mean you can't have some fun along the way! What better way to brag about your accomplishments?

The Cage Match Coalition was formed to, possibly, help leagues garner some attention, gain managers, raise activity, bring back trash talk and make the game fun again! Now I am about to tell ya'll something nobody else even knows yet! We will have head to head PPV's against another Bronze league. There will be an InterLeague World Champion, Secondary Champion, Interleague World Tag & Six Man Champions! I'll let their commissioner tell 'em before I spill the beans! This is going to be so fun Ya'll!"
