“ONE”

A crowd of APL fans has gathered around the rear entrance and parking area of the arena. A black BMW X7 pulls into the lot and parks. A few minutes later, a tall, well-built yet slender man emerges from the car. His shoulder length dark hair looks freshly showered, and his face is adorned with a thick beard. He makes a B-line for the entrance hauling a large duffel bag and barely glancing at the crowd before disappearing into the building.

There's lots of cheers, and some of the chatter can be overheard...

“From Lone Wolf?”

“Isn’t he retired?”

“Who?!”

“Why’s he here?”

“The One Wolf!”

“He’s a Hall of Famer!”

“Is he coming to APL?”

“The Lone One!”

ENIGMA

25 minutes later, a silver Audi A8 glides into the lot pulling right up near the entrance. A man wearing a lightweight hoodie steps out from the back seat. He looks to be in tremendous physical shape, but his face is difficult to see under the hood. He's carrying a gym bag, and finally looks up and waves to the fans on both sides of the entrance. He enters the arena as the car drives off.

Many don't know what to make of him, but others realize...

“Who is he?”

“Lone Wolf World Champion!”

“Can’t see his face.”

“2021 Rookie of the Year!”

“He’s deaf?”

“Tim Clark Memorial!”

“No one really knows.”

“2021 Tag-Team of the Year!”

“With ONE?”

“Vanished after Lone Wolf.”

WAR PARTY

*[Camera opens on a simple gym. No pyro, no flashing lights — just sweat, steel, and silence. **Blackfoot Chief** adjusts his wrist tape as **Nakota Big Sky** paces behind him, eyes locked on the floor like he's measuring the distance between opponents and the mat. The two stop, turn to the camera. **Chief** speaks first, voice low and even like a drumbeat before battle.]*

Blackfoot Chief: This tournament means something. Not just because it's for the Cup... but because it's in *Timothy Clark's* name. And if you're walking into that ring thinking it's just another bracket, just another payday — you don't belong in there with us. We're not here to dance, and we're not here to joke. We are **War Party**. We

were built in the cold, raised in the storm, and trained for this. We've fought brothers before. **Dixon**, **Snowflake**, it doesn't matter what names on the back of your jacket — we're breaking the man standing in it.

Nakota Big Sky: We don't talk about greatness — we test for it. Pressure makes a lot of teams fold. Makes 'em second-guess their holds, their timing, their heart. Us? Pressure makes us sharper. Tighter. Meaner. We step in that ring, we make you carry our weight. Make you feel every second of the match until your lungs burn and your legs don't want to stand. And when you're begging for the bell — that's when we finish it.

Blackfoot Chief: It's not about who we face. **Riley and the Sock**? Sure. They're next. And they'll fall just like the rest. Because we're not walking into this tournament to participate. We're walking in to win it.

Nakota Big Sky (*quietly*): So that **War Party** lifts the Cup... and the whole world knows we earned it. When the dust settles, and the final bell rings... the last word echoing through that arena will be: Niita'piiwa. **War Party** stands victorious

[They stare into the camera for a beat. No yelling, no poses. Just that cold, unshakable confidence of two men who have already seen the war — and already decided how it ends. Fade to black.]

THE ONGOING ZANY ADVENTURES OF: JAKE'S SPECIAL SOCK

Jake Duval sits rather perplexed. He's bewildered at the unholy emergence of his meant to be secret friend Sea man Wiggles, who came to make his presence known last cycle. Jake tries to stuff the sock in a drawer but that does not stop what the love sailor has to say to the man who created him.

Wiggles: "Jake I thought we made this perfectly clear last cycle in the APL. You created me meathead!!! I am the progeny of old peanut butter smells, and frustrations with a myriad of lost under the bleachers games of Touchy Feely, and your anger with failing to outdo COT over KOTR among other things you just aren't very good at. It's just sad I tell you, sad!!!"

Jake shakes with anger and repressed sexual tension.

Jake: "That's not true!!!!!! I am the second coming of Keiran Culkin!!! All the babes can't keep their hands off of me..."

Wiggles shakes his head once again.

"Those games of Touchy Feely under the bleachers are kind of a crime you know. Think of me as the white cat meme that's always right. The pussy who is a champion of truth."

Jake yells out...

I Jake: "That's not the kind of p*ssy I need!!!!!! "

Seaman Wiggles: "You're telling me. What's its been since your last good time, a few eeks or months??? Oh and majors in the IWA or KOTR don't count."

Jakes sinks his head into his hands and starts to sob.

Wiggles seems to feel bad and leans down to whisper something to Jake.

Wiggles: "There there Jakey. I'm not a heartless goop depository of love, I'm not!!! Now let's go get n ice cream and make you feel better. Maybe you can make a deposit in me later when you have some inspiration later."

Jake: "You promise?????"

Seaman Wiggles: "Yes, I promise. It will help you forget how secretly jealous you are of COT or Mark Duchaine."

Jake: "Sock, you truly are my best friend..."

A beach in northern Manitoba on the shore of Hudson's Bay:

Snowflake Billy: "It's a balmy -30 degrees celsius, and after a busy winter of clearing ice and snow from the highways, it's nice to be able to relax a bit."

Snowflake Willy: "We love summers here on the shore of Hudson's Bay, and we love beating people up. Which is exactly what we'll do during the **Timothy Clark Memorial Tag Team Tournament**."

Snowflake Billy: "Look at some of the names involved..**The Dixon brothers, War Party...**"

Snowflake Willy: "...tough competition for sure, but deep down, we know we're ready. Guys, we're up for anything."

Snowflake Billy cracks knuckles and stares down the camera, nodding slowly

Snowflake Billy: "Are you?"

GETTING Lit

**“Deathmatch Queen”

Lee Litroom

Lee Litroom and Kyra Thictolm are walking around backstage after the Battle Royal in LA

Lee: "I won \$40,000! We won the Tag team titles too! I think that means we get \$100,000!"

Kyra: *Sighing* "That tournament starts later this summer. You know I'll tag with you to win, but I'm only in the Action Packed league to try land some movie roles and expand my brand."

Lee: "I saw there was a casting call about being on a calendar. It was somewhere in the valley."

Kyra: "Lee, that's a shoot for, nevermind. Didn't you say you had some college debts to pay off? You could use your winnings to do that - isn't Southern University of Malibu Adjacent nearby?"

Lee: "I never attended SUCMA, I still have to pay off my Community College I didn't finish. I would like to sing down that way and buy a T-shirt - Go Cocks! Wait, I can see if **Carter Matthews** will be able to help me get into a University- I should be able to, since I already have four years of community college experience - way more than most people who start there."

Kyra: "I don't think that is how that, nevermind."

Lee: "Well if you are too busy, I can try to win the Six-man titles with some of the other teams. I bet that all those teams could use a former IWA World Six-man Champion on their team!"

Kyra: "Yeah, why don't I arrange for you to chill with some of them, that'll keep you busy, I mean, Yeah, you can help them win more titles."
