*****A word from the Top stable in the IWA, VIRUS*****

Well, NWO, it appears that you lucked out this cycle and finally won the BBL League Title, again. Don't get used to that belt, because I can assure you it'll return home where it belongs this cycle, with VIRUS. I can assure you we aren't going anywhere. We continue to put the BBL on the map, winning the IWA World Six-Man titles again, and then winning state wrestling in Montana, and South Carolina. So far in 2017 we have claimed two World Six-Mans, King of the Ring, Stablecade, and those state wrestling titles. That's all in addition to nine league titles, and a ton of other BBL titles and battle royals. We have come in and executed exactly what we said we would. It's not that the rest of the league is bad, but rather that we are that good. So, enjoy your reign as league champion but as I said, don't grow attached!

2017 State Wrestling Champions

Each of the wrestlers shown below received a well-deserved \$100,000 in imaginary earnings! We offer our congratulations to their managers, and our thanks to everyone who participated this year.
