What a Spring coming, get ready for one hell of a ride. We have the IWAR Events starting, getting ready for the BBL only Spring events coming, Beach Brawl is starting to form up.... Great trash talk. Great Wrestlers coming this will be a record year of blood and guts for the most violent league in IWAR.

Ensure you keep the TT coming. You can't qualify for Commissioner titles without TT, and we will have several events coming up that the only way in is to TT. We are going to start watching the rule that if you have a title and don't TT for two consecutive Cycles you will put the title up at the next scheduled show against the top trash talker from each of the last two cycles. – So keep the TT coming

Commissioner Mayem of the WWL is talking Sh1&, BBW is going to put together a group to put those skanks down. If you want to join let me know in TT.

Still working on the Almanac. I am excited to get it published... hopefully in the next couple cycles.

We have great representation in the Johnny B Cup—make sure we bring that championship to the BBL. We have only a few in the Marano Memorial, but we need to bring that championship Back to the BBL

Changes to this years Orthus Cup Tag and The Cerberus 6-Man ---Any Tag that TT's and has a tag score will automatically be entered -- The change this year is if you want a non-traditional team to enter make the request in TT. The tournament will be scored as total STRAT of the team...

We tend to make announcements on Face Book, if you don't do face book, give me an e-mail address or some way to contact you to keep up to date with current happenings. rmpi.rob@gmail.com

Storm Report March 2024

**** Big Bad Beetleborg has called out War Pig and Casanova Lane, The Beetleborg brings tough justice, and just plain goodness to the BBL.**

**** Casanova Lane is just a scummy low life, and the Pig is an obnoxious Bully Rumor has it that Beetleborg may be headed in a new direction as he is afraid of getting a disease from Casanova Lane!**

****Again, I ask who will step up and put the Army of Darkness down. The challenge is out thereRFD, PPA, NME, COT or someone else we will see.**

**** Kyle Larue, what a great guy, took a small beatdown saving a flamingo, looking for my invite to the pool party.**

****My god did you see what those heathens Omega Man and King Mongol did to "Young Dragon" D.B. Lloyd. I certainly hope Dragon has a plan of vengeance!!!**

****So Canadian Man sure is popping his mouth off, maybe a veteran should introduce him to the BBL way!**

****Looks like things are heating up between Dominant Fact and PPA---- what is next!!**

****Also looks like Dominant factor is calling out Kyle Larue and Beetleborg Looks like a goody bad guy type of thing Who would have thought in the BBL?**

**** The Rookie of the year, "Young Dragon" D.B. Lloyd, is making a statement, can Dire wolf put the young man back in his place?**

****Royal Family of Doom is sounding off, they have had bit of bad bit of luck ... me for one am scared to see these guys truly riled up.**

****My God this feud between Duff Doogan and IWA Icon Gilbert Arroyo was epic in the BHL, now these two plan to burn the BBL down ... Both being in COT some of the worst battles are in the same family!!!!**

*****mmmmm Brodie James mmmm ... just remember if you ask me out don't forget your platinum card!***

*****looks like Summer Knights will get their chance to make their mark at The Beach Brawl as Heather Hall gets a shot at QOH and "Sizzling" Cheri Summers gets a chance at the Battle Royal Championship.***

*****Diamond Lil has made a statement, let's see where it leads ... looking forward her battles ahead.***

*****Riot Squad has arrived with a bang, nice to see new blood... um yes let the blood flow!!!!***

*****Happy Birthday Vanity!!! You should have let me know I love a good birthday party!***

*****Looks like the ladies of RFD are in the mood for a fight ... well who will give it to them!!***

*****Oliva Oblivion has turned into one tough cookie as no one seems able to take the Doom Belt from her as she says –who is next.***

*****As far as the rest of Gun Collection sound like a lot of whining***

*****Well Brooke you might have a man (sorta competes in CAW ugh), but well I wonder how much you cost in the back pages of the newspaper!!!***

*****Blackjack Betty talking smack can her underhanded ways keep her a step ahead of Heather Hall?***

*****Can the Island Warriors work their way back to the top of the 6-Man world Looks like NME may have something to say about that.***

*****Lady Swine looks like she is wanting a fight as she called out Diamond Lil, oh and where the Summer Knights porn stars?***

*****The Bloody 11 has turned into one hell of a battle!!***

*****Well until next time keep the Trash Talking coming, and remember an interview with me gets you prime time.***

IWA SURVIVOR

HOSTED BY:
Jeff Roast

ROUND 1 CHALLENGE:

In the first round, each tribe was graded on the total singles strategies of all 10 of its tribe members during the cycle of play. The tribe with the lowest score was eliminated from the IWA Survivor competition and the other 3 tribes advanced to the next round.

The Golden Heroes cruised to a 1st place finish with 8 of its members earning strategy stars and finishing with a 496.1 avg. The Silversteppers finished 2nd with 494.7 after overcoming the early obstacle of a botched strategy from Justice Washington; their efforts were helped by a 501 from War Pig. The Master Batting Skeletons squeaked by in 3rd with a 493.4 thanks in large to a 500 & 499 from Yard Bird Warrior & Miss Americana out of the RDL. A 500 from Demi Lovestone just wasn't enough for the Jalapeno Hotties. Their overall score was an average of 493.1 and they found themselves eliminated.

ROUND 2 CHALLENGE:

This round's challenge involves head to head tag team matches! Each tribe will be randomly split into 5 tag teams. Then, each team will face off against a team from each of the other tribes in an interleague tag team match. There are 15 tag team matches in total with each tribe competing in 10 of them.

Tribes earn 3 points for each win and 1 point for each draw. The standings at the end of the round will be determined by how many points each tribe earns. If two more tribes have the same number of points, then each tribe's average tag team strategy will be used as the primary tiebreaker. If there is still a tie, then each tribe's average singles strategy will then be used to break the tie.

ROUND 2 ELIMINATION:

Six wrestlers will be eliminated this round:

The first four wrestlers eliminated will be the two tag teams with the lowest strategy totals from the losing tribe. If there is a tie for this, then the combined average singles strategies will be used to break the tie. The secondary tiebreaker will be the combined point spreads from their tag team matches. The third tiebreaker will be their singles scores from Round 1.

The 5th/6th wrestlers eliminated will be the two wrestlers with the lowest singles strategy from the second place tribe. If there is a tie for this, then the first tiebreaker used will be the wrestlers' tag team strategies from this round. The second tiebreaker used will be the point spreads from their tag team matches. The third tiebreaker will be their singles scores from Round 1.

ROUND 2 IMMUNITY:

Any wrestler in this competition can help their own cause this cycle by earning individual immunity not only for them, but for their tag team partner as well! The wrestler from each tribe that obtains the best battle royal finish in their league battle royal this cycle earns immunity for their tag team.

The battle royal finish will be measured from the top, meaning that the order goes from winner to 2nd place to 3rd place, etc. all the way to last place. The tiebreaker used, if necessary, will be the number of entrants in that wrestler's battle royal. The second tiebreaker used will be singles strategy from this round. The third tiebreaker used will be singles strategy from Round 1.

SUMMER KNIGHTS

FEATURING "SIZZLING" CHERI SUMMERS

"Sizzling" Cheri Summers is standing backstage in the locker room area. She is surrounded by her partners, "Vivacious" Valerie Phoenix & "Heartbreak" Heather Hall.

"Here we go again, headed to the Trough. And, who do I have in front of me this time? It's this winch by the name of Vanity and in – what is this – a Birthday Party match? I have absolutely no clue what that type of match is, but just like anything else that's been thrown at me, I'm here for it. But, can I be honest for just a moment? I don't really care about Vanity, nor do I care about this Birthday Party match. There's only one thing on my mind right now and that's the BBW Battle Royal Championship."

"First, I fought my way through a trio of tough gals in Demi Lovestone, Olivia Oblivion, and Lady Swine. Then, I disposed of Kupua. And, now there's absolutely nothing standing in between myself and Samantha Kane. Our dance with destiny is right around the corner and when we do lock up, it's going to be epic and extraordinary. There is no doubt about it. Just like there is also no doubt that when the dust settles and the smoke clears, the Summers Knights will have taken yet another step towards our rightful place atop the Blood Bath Women's League.

With that, Cheri takes her exit from the room followed closely behind by Phoenix & Hall as the show transitions to a commercial break.

ROYAL FAMILY OF DOOM

Masked Fangirl: "Ooh, I'm nervous!"

Eclipse: "Yet, it shouldn't be so."

Vanity: "Yeah, don't be nervous! Be excited that I'm gonna let you do my nails later."

Masked Fangirl: *gasp*

Queen Angela: "Perhaps we should focus on what happens in the ring. We have no reason to be happy right now."

Samantha Kane: "Yeah. We have REASON to be PISSED OFF."

Masked Matriarch: "I ALWAYS have reason for happiness with my Masked Prince in my heart. ... Still, I really would rather have a title to go with him."

Eclipse: "Quite right. And we shall make that very dream a reality."

*[The camera zooms in on **Diamond Lil**, standing tall in the ring, her eyes blazing with intensity as she addresses her opponent, **Lady Swine**, who is known for her brash attitude and penchant for trash-talking.]*

Diamond Lil: "Oh, **Lady Swine**, you just couldn't resist, could you? You had to open that big mouth of yours and spew your insults like they actually mean something. But let me tell you something, sweetheart, words are cheap. Actions, on the other hand, speak volumes. And tonight, you're going to learn that the hard way. You want to throw shade at me? Fine. But be prepared to pay the price, because that price is your precious East Coast Championship. You see, I'm not just some rookie you can push around. I'm **Diamond Lil**, and I didn't claw my way up the ranks just to be underestimated by the likes of you. You call me a rookie? Well, let me remind you, rookies have a hunger, a fire burning inside them that can't be extinguished. And that fire is going to consume you tonight, **Lady Swine**. I'm going to tear you apart limb by limb, and when I'm done, you'll be begging for mercy. So, bring your best, because I'm ready for anything you throw at me. But just know this, when the dust settles and the smoke clears, it'll be me standing tall with that championship around my waist. And you, well, you'll just be another footnote in my rise to the top."

*[**Diamond Lil** throws down the mic with a defiant smirk, ready to prove herself in the ring.]*

*[The crowd's excitement reaches a crescendo as **Samantha Storm**, the announcer, steps into the spotlight, her voice resonating throughout the arena.]*

Samantha Storm: Ladies and gentlemen, welcome to the most electrifying spectacle in sports entertainment! Tonight, we have a special treat for you as we introduce a rising star in the Blood Bath Women's League. Hailing from the land of dragons and valleys, from the vibrant city of Cardiff, Wales, she is a force to be reckoned with, a warrior of unmatched determination and skill!

*[The audience erupts into cheers as the spotlight shifts to **Gale Claymore**, who steps onto the stage with confidence, her Welsh heritage evident in her demeanor.]*

Gale Claymore: *(Speaking with a Welsh accent, her voice carrying a mix of pride and determination)* Thank you, **Samantha Storm**, for

that electrifying introduction! Tonight marks the beginning of a new chapter in the Blood Bath Women's League, and I am honored to stand before this incredible crowd as a representative of Cardiff, Wales!

*[The audience's cheers intensify as **Gale's** words resonate with them, her Welsh pride shining through.]*

Gale Claymore: To my opponents, whether it be **Swinezilla**, **Nia Wrax**, or anyone else who dares to step into this ring, know that I bring the spirit of my homeland with me. I am fueled by the fiery passion of Wales, and I will fight with all my heart to emerge victorious!

*[With a determined gaze, **Gale** addresses the crowd, her Welsh mannerisms adding a unique flair to her presence as she prepares to leave her mark on the Blood Bath Women's League.]*

BAILEY BUCKSHOT

REPRESENTING THE GUN COLLECTION

A little birdie told me that there's supposed to be a newcomer headed to BBW by the name Gale Claymore. Interesting. You see, I've been around this business for a minute and I'm all welcoming in new guests. So Gale Claymore, if you would like to stay on my good side, here's some advice, don't cross me.

But here's the thing...even though I don't even know you...I can tell that I don't even like you...

DELILAH DEATH

Representing The Gun Collection

One moment you're here.

The next you're gone.

It's funny...

Sometimes.

DEATH.

JUNKYARD JENNY

REPRESENTING THE GUN COLLECTION

I have something to get off my chest. Here's the deal. I find comfort in two places – the squared circle and any old junkyard. Pile of cars, trash, I'm happy.

But I don't find happiness when I am in the junkyard and I hear cackling in the distance, especially when it's girls here in BBW, thinking it's funny to laugh at my expense. I've heard it all before. Girls thinking they're better than me, wanna talk behind my back...**Queen Vixen Red, Lady Natasha Blackheart**, I heard you. Wanna talk? Let's fight!

OLIVIA OBLIVION

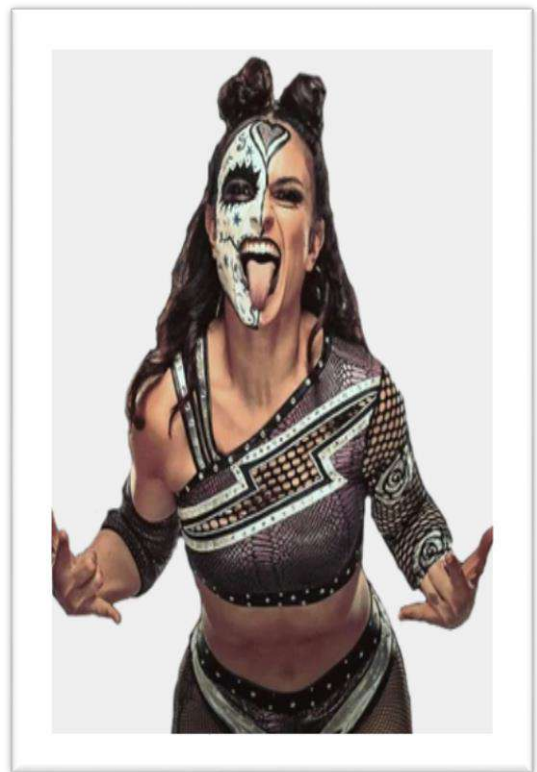

Representing The Gun Collection

Here we are and I am still your TV Doom Champion. There's been some heavy challengers that came my way, and yet, I always find a way to win.

**So again, I'm going to ask:
Who's next?**

**Who will step up and face
Oblivion?**

**Eclipse and "Beautiful"
Becky Hall put up a damn
good fight, but in the end,
it was my hand that was raised.**

GEMMA GUNSMOKE

REPRESENTING THE GUN COLLECTION

Sometimes I get a little ahead of myself. I've been that way all my life. When things start working out well and going the way I want it to go, there's a wrench thrown into the plans.

It happens.

So the first few tours here in BBW things were coming to me. Wins and championships were heading my way. And perhaps, just maybe, I was finding it a little too easy.

That was my problem, truthfully. I should have just kept doing what I was doing, but I got a little cocky. Hey, I'm human. I saw the prize of that League Championship, and I thought, hey I'm ready. Reality struck. I'm not ready just yet, but the keyword is YET. I'll be there shortly.

LOVESTONES

Monthly
March edition

March

Dear Diary,

So I was hoping that Winter would have carried over to March, alas it was not to be there is always next month or is it this month whatever. I'm sure that Montana believes in me. I've come along way from the bottom feeder when I first joined this dump.

Why do you think I'm only allowed a shot at a title here and there. Nothing really concrete, do you think

Montana believes in me, I would do anything for her!

Riley Lovestone

MONTANA LOVESTONE

with

Izzy Rhodes

Izzy: What brings you to the BBW?

Montana: Too the point my dear, Hammerlock Hank had always been kind to me. Through the painstaking bullshit I went though in the CAW, the awfulness of the Trough. Then there was when I was alone. I had an entire year to think things through. Now I plan on making a mark in the BBW.

Izzy: You were one of Jerrad Syn's prote....

Montana: You need to stop right there. I did sign with Syn and Rothchild, but the only thing I got from them was the drive to run the greatest collaboration of women in the BBW.

Izzy: How can a basic bytch like you ever hope to run a faction anything close to what Syn and Rothchild did.

Montana: How.....Leopard Print!

What's next for Grizzly

Grizelda: It is truly hard to stomach losing my belt. Having parted with it so abruptly left me with a big gaping hole. The right thing to do would be to mourn my loss, but no dammit. I will dust off my tights and steal a new one. I will look for a new scratch and dent model like, Queen Vixen Red. Or we look right at the top to the main skank Marrisa Wrestlfest. Whichever, I need some new bling.

A means to an end.

Clover: It was a long road to a clean recovery. I am no longer on OnlyFans, so if you want to get your kicks look elsewhere, I'm a clean woman. Now with Gizelda by my side, we are on our way back to Tag Champions.

A full-body photograph of a woman with a muscular build, posing against a grey, textured wall. She is wearing a black, ribbed, halter-neck bikini top and black fishnet bottoms with a red waistband. Her hair is styled in two long, dark braids that hang down her sides. She has a serious expression and is looking directly at the camera. Her right hand is resting on her hip, and her left hand is resting on her waist.

Demi

Demi Lovestone: I leave you with this all you halfwitted knuckle draggers. Love is being spread all throughout the BBW. Montana has appointed me Cupid and with my arrows I will strike the heart of each and everyone of the women in the BBW. With that said I will see you all on the Front page. Let's see what March brings. Later Bytches.....

Too be continued.....
