TRIPLE CROWN CHAMPIONSHIP:

"The Samoan Nightmare" Manuia © vs. Rich "Corinthian" Leather

In a brutal, hard-hitting battle for the Triple Crown Championship, "The Samoan Nightmare" Manuia came into the ring like an unstoppable force—stoic, storm-eyed, and seemingly untouchable. But Rich "Corinthian" Leather brought something rare: a plan. Leather took punishment like a sinner on Sunday, but kept chopping the big man down, targeting the leg with surgical kicks and precision strikes. Manuia roared back late, but as he climbed the ropes for his signature splash, Leather sprang to life—leaping up, grabbing him mid-motion, and slamming him down with the Final Statement powerbomb. One! Two! Three! The crowd gasped as Rich Leather pulled off the shock of the season, stealing the title and the moment. Before Manuia could even sit up, the arena lights dimmed and a bolt of digital lightning cracked across the jumbotron—announcing:

The Cowboys

Matt Matlock Ty Whoppetty Johnny Gaines

*[The screen fades up from black. We hear the low wail of a coyote, wind blowing across a dusty plain under a full Texas moon. A campfire crackles in the distance. Three silhouettes on horseback ride slow and steady down a moonlit ridge, stopping at the crest as the steel strings of a slide guitar hum in the background. Cut to a close-up: **Cowboy Johnny Gaines**, flanked by **Cowboy Ty Whoppetty** and **Cowboy Matt Matlock**, stands with a solemn gaze, dust on his boots and truth in his voice.]*

Cowboy Johnny Gaines: “Out here on the lone prairie, a man don’t get by with tricks, shortcuts, or empty promises. You ride straight. You fight clean. And when the dust settles, your name’s only as strong as your handshake.”

*[**Ty Whoppetty** resting his boot on a fence rail, adjusting his hat low over his brow.]*

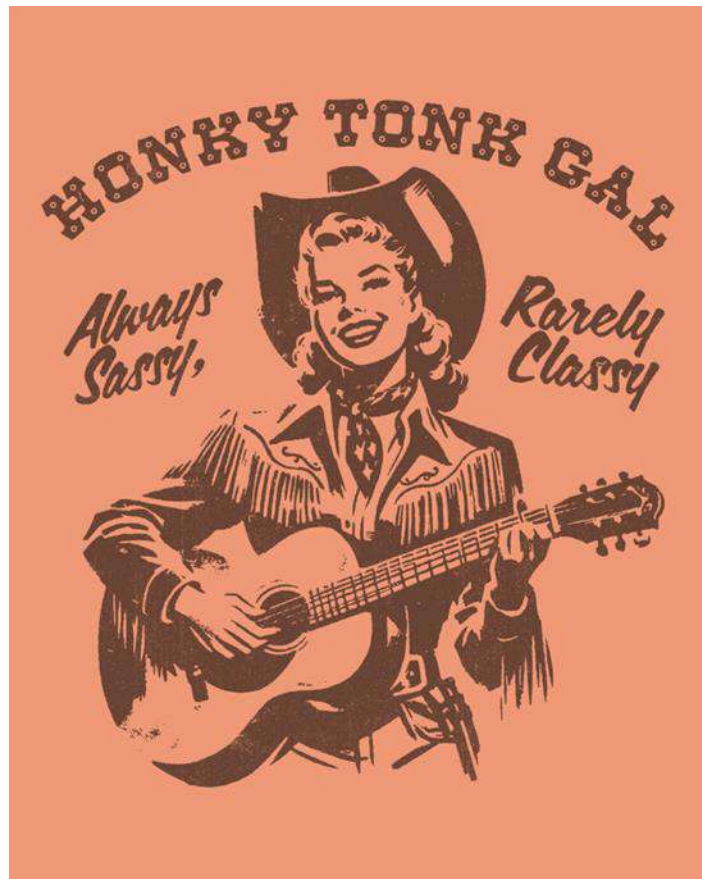

Cowboy Ty Whoppetty: “We ain’t here for barroom brawls or back-alley ambushes. We’re ridin’ into the Bounty Hunter League to do one thing and

one thing only—get it done the Cowboy way. No blindsides. No cowbells. Just grit, guts, and God’s honest grind.”

[Matt Matlock, smile wide as the Texas sky.]

Cowboy Matt Matlock: “See, folks been talkin’ about the Undisputed Iron Crown Tag Team Championship... and some of ‘em think they’ve already picked their winners. But lemme tell you somethin’—when the three of us saddle up, it ain’t just another ride. It’s a stampede. We’re comin’ through with the force of a Texas twister, and we ain’t lookin’ to place—we’re lookin’ to make history. Bang bang. The **Cowboys** have arrived.”

[Camera pulls back as the three cowboys walk away from the fence, kicking dust into the firelight, the howl of coyotes echoing once more.]

WHOOO ASS INC PRESENTS

Former IWAR World Champion
2021 IWAR Superstar of the Year
Summer Series 5 Runner up
December 2021 Rookie Brawl Winner

Mic Ferrari: Greetings Bounty Hunter League. I hope this promo finds you all well. I watched the show last cycle and I had to admit that while I was entertained it left me scratching my head and in need of asking a few questions. Now I understand that a lot of you are probably asking why I am even here. I am a wrestler under contract to the BRL. The IWAR Network and a completely different fed all together and you would be absolutely right. However, you see I figured out a long time ago in this business that you cant have the money without the power and you cant achieve power without the money and while money is something I have never had a shortage of. The power was the one thing that always slipped through my fingers. So I had an epiphany one day and began scouring the independent circuits and the small markets all over this great country looking for specific talent that could come into places like this and make a difference.

So Whoop Ass Inc was formed and I began my quest for IWA dominance. Now it is true that I need a little help on my journey and so I partnered with the fantastic gentleman in SOS and I have achieved nothing but success since then. Which brings me to my current head scratching moment.

The Welcome Wagon with Ranger Troy is an absolute embarrassment to this once great league. Seriously...we needed another Western Themed league? The answer is no. What we needed was more talent. You can put all the makeup you want on a pig and at the end of the day, Its still a pig. Lets focus on the talent and worry less about a stupid theme.

You put out your top 5 and neither of the leagues last 2 IRON FED CHAMPS are in it and the men who are in it haven't done anything lately to even warrant a top 5 ranking with the exception of Hughes who is SOS

I will give you another cycle to see the error of your ways and realize that all the talent you have in this place is from SOS and for the love of god will somebody shut Cowboy Howdy and his brokeback buddies up. Ooooooooo we wear dusters and cowboy hats. We are cool. Not even if you were 10. I guess if we have to be my boys will have zero issues being the outlaws because the cowboys look ridiculous and there is this new thing now called soap. Try using it and maybe you can take one these fat girls home with you for a nice little roll in the mud.

Whoop Ass Inc have been dominating and that isn't going to change anytime soon so get used to it. Lets see if we can make it 3 straight Iron Fed Championships. What do you say boys?
