See Johnny the thing that bothers me about you is simple you. Your shtick, your persona, the dreadful stench that is Catfish John Boi. This cycle I wanted to meet you in the ring, look you Eye to eye and see what Johnny is all about but guess what. Yes John Boi guess what, I'm not going to, nope not yet. No see that would be too easy, that would be to Iron of me. No I'm going to Gold this one out and make it last a few cycles, let the intrigue or maybe the annoyance grow. So think about junior, think about me as I dwell the glory of making the life you lead miserable. Until tomorrow nut sack, a bid you farewell for now.

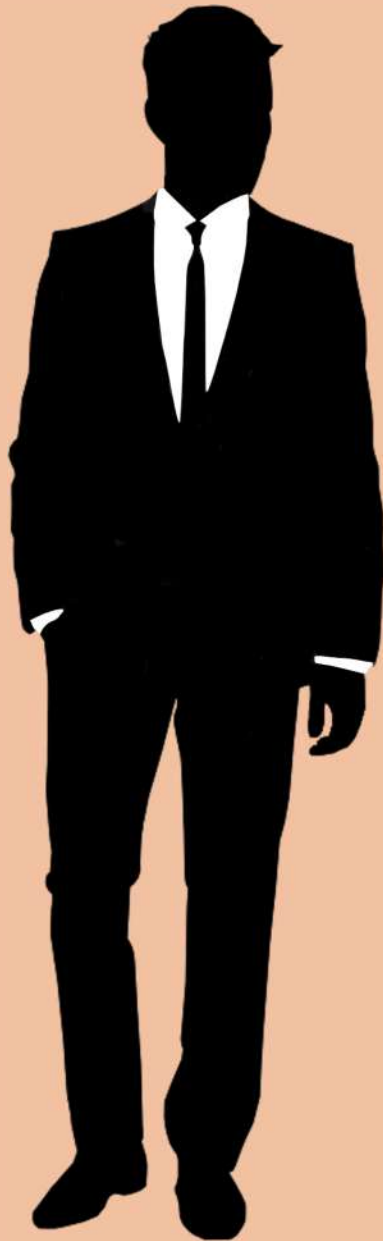

BOUNTY HUNTER LEAGUE

COMMISSIONER REPORT
W/ K-DIGGA

BOUNTY HUNTER LEAGUE

Welcome to another BHL Commissioner Report. I just want to take a moment to thank and congratulate each and every one of you for helping us to complete the impossible. Together, we brought the Bounty Hunter League from the pits of obscurity and elevated it back not only into the IWA's Top-10 leagues, but our efforts were strong enough to also win the best average strat and claim the 10 free matches! Don't forget to use those matches THIS cycle!

Congratulations also go out to Roderick Hughes for becoming the league's first Pit Fight Champion. 5 free scrub matches will be signed on his behalf as well as to the winner of this cycle's Hunt, the Generic Machine.

Finally, everything with PWI is underway, including the first contest which is IWA Survivor '24. Good luck to those involved and let's continue making the BHL great!

PIT FIGHT CHAMPION

"Public Enemy #1"

Roderick Hughes

BHL EVENTS

Two out of every three cycles there will be a hunt that is open to the entire league. The target for each hunt will be announced the cycle prior. To participate in the hunt, you will simply sign a match against the target. The wrestler that defeats the target by the most points will collect the bounty, which consists of: 5 scrub matches + a shot at the BHL Pit Fight Title.

Every third cycle, there will not be a hunt. Instead, there will be a triple threat match for the BHL Pit Fight Championship (which occurs inside of the BHL Pit). The winner of that match will win the title + that cycle's bounty.

THE HUNT

LAST CYCLE'S TARGET WAS:

Giraffe

Last cycle, Generic Machine defeated Giraffe by 81 points to win the Hunt. I will sign 5 free scrub matches for him and he will join the winner of this cycle's Hunt in a Triple Threat Match to compete for the Pit Fight Championship!

THE PIT

PIT FIGHT TITLE MATCH:

"Public Enemy #1" Roderick Hughes d. "Righteous" Justice Washington to become the first-ever BHL Pit Fight Champion!

CYCLE #67 TARGET:

Southeast Champ
(Regional 510)

CYCLE #68 TARGET:

There is no Hunt this cycle in lieu of the title fight

All you have to do is sign a match against this cycle's target and mark your match with (Hunt). Whenever the target is a bottom scrub, then if you are using the \$7, \$12, or \$13 BHL match deals, then you already have a wrestler facing him. In that case, simply send a note to the IWA asking them to mark this particular match with (the Hunt).

ROUND 1 CHALLENGE:

In the first round, each tribe was graded on the total singles strategies of all 10 of its tribe members during the cycle of play. The tribe with the lowest score was eliminated from the IWA Survivor competition and the other 3 tribes advanced to the next round.

The Master Batting Skeletons squeaked by in 3rd with a 493.4 thanks in large to a 500 & 499 from Yard Bird Warrior & Miss Americana out of the RDL. SURVIVOR

ROUND 2 CHALLENGE:

This round's challenge involves head to head tag team matches! Each tribe will be randomly split into 5 tag teams. Then, each team will face off against a team from each of the other tribes in an interleague tag team match. There are 15 tag team matches in total with each tribe competing in 10 of them.

Tribes earn 3 points for each win and 1 point for each draw. The standings at the end of the round will be determined by how many points each tribe earns. If two more tribes have the same number of points, then each tribe's average tag team strategy will be used as the primary tiebreaker. If there is still a tie, then each tribe's average singles strategy will then be used to break the tie.

ROUND 2 ELIMINATION:

Six wrestlers will be eliminated this round:

The first four wrestlers eliminated will be the two tag teams with the lowest strategy totals from the losing tribe. If there is a tie for this, then the combined average singles strategies will be used to break the tie. The secondary tiebreaker will be the combined point spreads from their tag team matches. The third tiebreaker will be their singles scores from Round 1.

The 5th/6th wrestlers eliminated will be the two wrestlers with the lowest singles strategy from the second place tribe. If there is a tie for this, then the first tiebreaker used will be the wrestlers' tag team strategies from this round. The second tiebreaker used will be the point spreads from their tag team matches. The third tiebreaker will be their singles scores from Round 1.

ROUND 2 IMMUNITY:

Any wrestler in this competition can help their own cause this cycle by earning individual immunity not only for them, but for their tag team partner as well! The wrestler from each tribe that obtains the best battle royal finish in their league battle royal this cycle earns immunity for their tag team.

The battle royal finish will be measured from the top, meaning that the order goes from winner to 2nd place to 3rd place, etc. all the way to last place. The tiebreaker used, if necessary, will be the number of entrants in that wrestler's battle royal. The second tiebreaker used will be singles strategy from this round. The third tiebreaker used will be singles strategy from Round 1.
