CHAMPIONSHIP WIN TURNS CARNAGE

Rachel Van Dorn fought hard and defeated Aria Gunpowder to win her second IWAR Women's title. But instead of a fair celebration, guest referee Jersey Jenn Grapevine had other plans. She didn't raise Van Dorn's hand, she attacked her! With help from her crew, Gina Colada and Brenda "Bring Da" Payne, Jenn beat down both Van Dorn and Gunpowder, leaving them in a heap.

Now that the chaos has settled, BWL Commissioner Burna Hama has made it official: At Queen's Web 2, Rachel Van Dorn will defend her championship in a high-stakes triple threat match against both Aria Gunpowder and Jersey Jenn Grapevine! With history and bad blood fueling this fight, who will walk out with the gold?

MOTHER DEE & WILDFIRE SEEK GOLD

Mother Dee and Wildfire Betty Red might have started as an unlikely duo, but at *Where The Boys Aren't 4, they proved they're a force to be reckoned with. Their decisive victory over Delaney Youngblood and Jessie Dragunov has earned them a golden opportunity, a shot at the IWAR Women's Tag-Team Championships against the ever dominant Gina Colada and Brenda "Bring Da" Payne. Dee and Red showcased dominance in their last outing, but the real test comes at Queen's Web 2. Can they keep the momentum rolling and claim the gold, or will Gina and Brenda shut down their Cinderella run before it even truly begins? The stage is set, the stakes are high, and the battle for supremacy is just getting started.

MOTHER DEE WINS GOLD

Rachel van Dorn's Global title reign was ended at Where The Boys Aren't 4 after Mother Dee was victorious in their bout. This is Mother Dee's first singles commissioner title reign in BWL. Congratulations!

QOTR FIRST ROUND TODAY!

It's that time again! The Queen of the Ring tournament begins today! Who's going past the first round? We'll find out!

NEW CONTENDERS

The Triple Threat title division has always been the most competitive with every big event shaking up the rankings and pushing new challengers into title contention. Where The Boys Aren't 4 was no exception, as Veruca Sault and Rachel Yamazaki fought their way into the championship picture, earning their shot at the gold.

VENOMOUS VERBIAGE

LAST CYCLE'S
TRASH TALK

Great trash talking!

Jessie Dragunov & Delaney Youngblood

Delaney Youngblood and Jessie Dragunov boasted about their dominance in the BWL, referencing their victory over IWAR Women's Tag-Team Champs GINA COLADA and BETTY THANU. Dragunov claimed they injured Thanu badly, while Youngblood noted how quickly Colada replaced her with BRENDA PAYNE—only for them to defeat Payne and JENN GRAPEVINE too. They vowed to take the tag titles from Colada and Payne soon but first planned to handle VERUCA SAULT and BANDIDA. Youngblood also highlighted her recent Bellatrix title win over Grapevine, while Dragunov warned singles competitors, especially ARIA GUNPOWDER, that she was coming for gold. They mocked the upcoming PPV, Where the Boys Aren't 4, predicting it would flop.

Rachel van Dorn

Rachel Van Dorn vented on her podcast, frustrated with her dad's ineffective training before switching to the Yamazaki Corporation's brutal sessions. She mocked Jersey Jenny being added as guest referee for her match against Aria Gunpowder, calling it a "make-a-wish" opportunity, and doubted her tag team's chances against Gina Colada and Brenda Payne. Confident as ever, she framed her title defense and clash with Aria as career-defining moments before signing off with her usual sharp-tongued flair.

Zoya Parfenova

Backstage, Gentleman Jarvis nervously approached BWL's newest star, Zoya Parfenova, who dismissed him with dramatic flair before addressing the camera. She introduced herself as "The Extra," replacing the "sniffle-ridden" Aoife, and flippantly referred to Jarvis as her personal assistant. Before slamming the door, the camera briefly caught Aoife in a wig inside the room, sparking confusion before Jarvis quickly shut it.

Aria Gunpowder

Backstage before her title defense, IWAR Women's Champion Aria Gunpowder acknowledged the high stakes of her match against Rachel van Dorn. She admitted to sometimes overthinking but emphasized her deep understanding of Rachel's competitive nature. Recognizing their parallel careers and shared ambition, Aria vowed to fight with everything she had to retain her championship, ending with a respectful but determined, "May the best woman win tonight."

Bandida

Backstage before Where the Boys Aren't 4, Bandida, masked and intense, declared herself ready to prove her dominance in the triple threat match against Betty Red and Huntress. She mocked Betty for taking on too much with her cage match against Mother Dee and warned both challengers they wouldn't leave unscathed. Passionately, she demanded Commissioner Hama grant her a spot at the IWAR Super Show to face Blackjack Betty, vowing to defend her title fiercely and represent the BWL with pride.

Mother Dee

Mother Dee celebrated her hard-earned Black Widow Championship victory, setting her sights on the #1 Contender's Global Title match at Where the Boys Aren't 4. But her focus was razor-sharp on her cage match against Betty Red, relishing the "champion vs. champion" showdown. Later, security interrupted a disturbing scene in her dressing room—where she violently battered a Betty Red hand puppet, shouting at intruders before the puppet whimpered, "Ouch."

Wildfire Betty Red

Wildfire Betty Red confidently declared that her legacy in the BWL was already cemented, with countless victories under her belt. But she promised that her cage match against Mother Dee at Where the Boys Aren't 4 would leave an unforgettable mark—one painted in blood and tears. With a smirk, she admitted that while it wouldn't be for the faint of heart, she'd be enjoying every brutal moment of it.

Bellatrix Von Chaos

Bellatrix Von Chaos delivered a deranged yet electrifying promo, declaring herself a force of nature in the BWL. Between bizarre claims of vomiting prophetic bumblebees and brushing her teeth with thunder, she boasted about breaking reality itself. With chaotic flair, she warned the Black Widow League she was ready to explode into action, ending with a manic invitation: "Let's dance, darlings. Let's detonate."

WHERE THE BOYS AREN'T 4

Live from Roswell, New Mexico | Attendance: 7,523

Von Snapp: Welcome to the most explosive all-women's wrestling event of the year! Where the Boys Aren't 4 is about to take over Roswell, and trust me, the only thing getting abducted tonight is the competition!

Sasha: Da, Ava. And if any aliens try to interfere? Nyet problem. I have experience... wrestling little green men. Though, after last week's date, I think I prefer the aliens.

Ava: Oh, Sasha's bringing the heat and possibly an intergalactic restraining order! Let's get this show started!

MATCH ONE:

Triple Threat Championship #1 Contender's Match

Veruca Sault vs. Charlotte Cresant

The bell rings. A quick tie-up. Veruca immediately muscled Charlotte into the corner. Veruca snaps Charlotte's arm over the top rope, sending her stumbling back. Charlotte shakes it off and fires with a sharp forearm, but Veruca eats the shot and laughs before clubbing Charlotte across the chest!

Ava: Veruca isn't even fazed! Look at that sadistic grin!

Sasha: Veruca like predator playing with food. Not good for Charlotte.

Charlotte ducks a clothesline and lands a running dropkick to Veruca's knee. Veruca stumbles, but doesn't fall. Charlotte springs off with a crossbody from the middle rope, but is CAUGHT into a powerslam. Veruca springboards off the rope with the Liones-Sault. 1...2...3!

Ava: Charlotte thought she found an opening, but that one mistake certainly cost her.

Sasha: Charlotte too quick to fly. Veruca too strong!

Winner and #1 Contender: Veruca Sault

Ava: We have our first #1 contender for the Triple Threat title. Let's see who will be our second.

Sasha: Maybe these ladies will have more fight than Charlotte. Pathetic.

Ava: Hey, now. Everyone has bad days.

Sasha: I have seen tumbleweeds put up more fight in Roswell. Even the aliens turned off their probes. Too boring to abduct!

MATCH TWO:
Triple Threat Championship #1 Contender's Match
Bellatrix Von Wolf vs. Rachel Yamazaki

Bellatrix charges right at the bell but Rachel sidesteps and delivers a sharp elbow to the back of the head, sending Bellatrix stumbling into the turnbuckle. Yamazaki sends her hard to the other buckle and delivers a splash followed by a body slam. She covers. 1...kickout.

Ava: Bellatrix isn't going down that easy.

Sasha: Never can tell. Remember Charlotte?

Moments later, Bellatrix fights back with a flurry of clawing strikes and a nasty snap German suplex, roaring as she kips up. She does a top-rope moonsault, but Rachel puts her knees up, and rolls her up. 1..2..3!

Ava: ...and we have another contender! We now know that both Veruca Sault and Rachel Yamazaki will face the Triple Threat champion at our next big event, Queen's Web 2!

Sasha: Bellatrix Von Wolf? More like Bellatrix Von House Cat. Tonight, ze fought like lost puppy. No bite, no bark, just whimper. Even Big Bad Wolf would blush from shame.

Winner and #1 Contender: Rachel Yamazaki

Ava: We're already two matches in and I gotta say, Veruca Sault and Rachel Yamazaki certainly brought it tonight. They weren't wasting any time.

Sasha: In Russia, we have saying: 'Wrestlers not paid by hour only by results.' Is math. Veruca and Yamazaki? Gets paycheck. The others....nothing!

Ava: Well, wait just a minute Sasha, all these ladies get paid. We don't want anyone to think otherwise.

Sasha: Relax, Ava. Of course they get paid. Just not overtime. Unless we count Bellatrix's nap mid-match as compensated rest.

Ava: We're moving on. Let's find out who will be the next contender for the Global title! This was certainly not an easy match to qualify for as all these seven women had to win the cycle's battle royal in order to get here!

MATCH THREE:
Global Championship #1 Contender Match
Mother Dee vs. Brenda "Bring Da" Payne vs. Charlotte Cresant vs. Sarah B. Money vs. Veruca Sault vs.
Aria Gunpowder vs. Rachel van Dorn

Rachel van Dorn immediately tries to play puppetmaster, sliding in to break up pins and cheap-shooting anyone who gains momentum. Mother Dee slides out and watches from ringside. Sarah B. Money nearly rolls up Veruca Sault after a Double Knee Backbreaker, but Rachel yanks Sarah out by her hair!

Sasha: Rachel's playing this like a chess match except the board is on fire and everyone's flipping the table! I love it!

Ava: Chess? More like cheating!

Brenda Bring Da" Payne and Aria Gunpowder brawl to the floor, trading stiff forearms until Brenda levels Aria with a Spinebuster onto the concrete floor! Sarah B. Money flies off with an Asai Moonsault crashing onto Payne! Meanwhile, Mother Dee watches all the action unfold. She has yet got involved.

Ava: Mother Dee has a plan it would seem.

Sasha: Mother Dee does not rush. Mother Dee does not panic. Mother Dee has plan, and plan is always same: wait for idiots to finish killing each other, then collect prize.

Ava: Okay, like a grandma stealing the bingo pot.

Sasha: Da! Now you get it. Except here, 'bingo' is someone's jaw getting shattered. And the pot? Is championship match.

Charlotte Cresant rallies with a flurry of dropkicks, taking down Veruca and Sarah, then ducks Rachel's lariat only to eat a Springboard Cutter from Sarah! 1... 2... Rachel pulls Sarah off and nails her with a Sit-Out Powerbomb. 1...2....Payne breaks it up. Aria Gunpowder returns and her and Payne crash to the outside. Everyone is out on their feet EXCEPT Mother Dee as she stands in the center of the ring. Charlotte is the first to rise and is destroyed with The "B" Slap! 1..2...3.

Ava: Sasha, you called it. Mother Dee played this match like a grandmaster. She let everyone else burn themselves out, then swooped in and took out Charlotte Cresant with one vicious slap!

Sasha: Of course. While wolves tear at each other, she watched. Waited. Then? One strike. Done.

Ava: But now she's got Rachel van Dorn tonight for the Global Title. You think her patience will work against a calculating champion? Is Rachel in trouble tonight?

Sasha: I am saying Rachel should hope Mother Dee's doesn't pull out that slap again. Because one 'B' Slap put Charlotte to sleep. One to Rachel? Might put title on new shelf.

Winner and #1 Contender: Mother Dee

A promo airs hyping up the debut of a new BWL wrestler by the name of Zoya Parfenova.

MATCH FOUR:

Cage Match

Wildfire Betty Red vs. Mother Dee

Ava: Sasha, we've got a clash of generations in this steel cage. Wildfire Betty Red, the battle-tested Grand Slam Champion, a woman who's blazed trails in BWL for years against Mother Dee, the rookie phenom who just EARNED her #1 Contendership earlier tonight!

Sasha: Betty has gold, glory, scars...everything but time. Mother Dee? She has hunger. And tonight? She smells blood in the air.

Ava: Mother Dee still getting her feet wet, but tonight inside this cage, the plan she had in the Global title #1 contender's match is out the window. She can't just watch from ringside.

Sasha: Da! Walls keep the pain inside. And we get front row seats.

The cage lowers down over the ring as the crowd cheers. Moments later, Wildfire Betty Red and Mother Dee stand in opposite corners. The cage door is looked by a referee at ringside. Both begin removing the turnbuckle pads. The bell sounds and both women go on the attack, neither giving an inch. Back and forth action full of heavy hits, strikes, and slams. Mother Dee fires back with a flurry of elbows, staggering Wildfire before whipping her face-first into the cage! The crowd erupts as Wildfire's returns with a face full of blood!

Ava: BLOOD ALREADY! And Mother Dee is just getting STARTED!

Sasha: First one to bleed is not always first one to lose. Sometimes? Is warning.

Wildfire retaliates with a vicious headbutt, splitting Mother Dee's eyebrow open. Blood trickles down Betty's face as she staggers but doesn't fall. Mother Dee wipes the blood from her eyes, SMILES, and BLASTS Wildfire with a backfist! Then throws Wildfire face first into the exposed turnbuckle. Metal to skull!

Ava: MOTHER DEE IS LAUGHING THROUGH THE BLOOD! THIS IS INSANE!

Sasha: That lady is wild...and I am here for it!

Mother Dee drags Wildfire to the cage wall and RAMS her face into the steel over and over. Wildfire's nose is clearly broken, her face a mask of crimson, flowing like a faucet. Mother Dee goes leave out of the door of the cage, but stops. She turns and looks down at the bloody mess that has become Wildfire Betty Red. As Mother Dee is about to turn around, Wildfire sits up on her knees and gives Mother Dee the middle finger. Mother Dee closes the cage door behind her and delivers a massive BOOT right between Wildfire's eyes. Wildfire takes all off it but rolls over laughing.

Ava: Both of these women are clinically insane! They're laughing while getting turned into ground meat!

Sasha: In Russia, we call this Tuesday night at family dinner. Also, is not insanity, is passion. Very loud, very bloody passion.

Ava: That's one way to put it!

Sasha: Da. Other way is 'someone call ambulance'... but where is fun in that?

Minutes later, Wildfire attempts to climb over the cage. Mother Dee climbs along with her and the two trade punches, palm strikes, and headbutts as they sit on the cage's edge with blood splattering. Each strike sways the cage. Mother Dee gains the upper hand, yanking Wildfire's hair to pull her close BUT WILDFIRE SPITS BLOOD IN HER EYES!

Ava: SHE BLINDS HER WITH HER OWN BLOOD!

Wildfire grabs Mother Dee by the neck and both stand to their feet, balancing on the edge. Wildfire says something wicked into Mother Dee's ear with a sickening smile and launches her off. Mother Dee crashes hard down on the mat, motionless.

Ava: Wildfire just has to climb out now and she has this match won. WHY IS SHE HESITATING?!?

Sasha: Because, Ava... in Russia, we say: 'Why take stairs when you can fly?'

Wildfire takes a deep breath and taunts to the crowd. At no point during this bout has the crowd ever sat down and they erupt even louder, anticipating the unpredictability of Wildfire. She turns around and for a moment it looks like maybe she had a change of heart and is thinking about climbing down, but instead she LAUNCHES HERSELF OFF WITH A MOONSAULT!

Ava: OH....MY...GOD!!!! WILDFIRE BETTY RED JUST CHOSE VIOLENCE INSTEAD OF VICTORY!

Wildfire collapses onto Mother Dee, both women barely conscious after their brutal war. The referee drops to his knees beside them and starts the count:

One...Wildfire's arm twitches, her face pressed against the mat.

Two...Mother Dee's fingers curl weakly, but she can't move.

Three!

The bell rings. Wildfire Betty Red has survived but neither woman looks like a winner right now. Just two warriors who left everything in that cage.

Ava: WHAT. A. MATCH.

Sasha: Da. Masterclass in stubbornness.

Ava: That might be the most accurate thing you've ever said.

Sasha: I know. Is rare. Celebrate with me. (Offers Ava the vodka bottle.)

Ava: Thanks but I'll pass.

Winner: Wildfire Betty Red (but at what cost?)

The 2025 Queen of the Ring tournament promo airs showcasing past champions—Wildfire Betty Red (2019, 2021), Barb Dwyer (2020), Gina Colada (2022), and two-time reigning queen Aria Gunpowder (2023-2024)—before highlighting this year's first-round matches featuring hungry newcomers and established stars all vying for the crown, leaving fans to wonder who will seize the throne this year.

BACKSTAGE: Jersey Jenn Grapevine, alongside her 5* Stablemates Gina Colada and Brenda "Bring Da" Payne, is standing with BWL Interviewer Janet Canet.

Janet Canet: Tonight you are the guest referee in the main event as Aria Gunpowder defends the IWAR Women's Championship against Rachel van Dorn. Tell me, will you call this match down the middle?

Jersey Jenn: Oh, Janet. Sweet, naïve Janet. See, I'm a professional. And professionals? They enforce the rules...as they see fit. But hey if both ladies play nice? Maybe nobody gets... accidentally blinded by a title belt. Or mysteriously knocked out. So yeah, Janet. It'll be fair...ish. Long as nobody makes me not wanna be.

Several staff members and officials are in the ring helping both Wildfire Betty Red and Mother Dee. Two stretchers are brought down by the medical staff, but both women refuse to use it. Wildfire Betty Red stumbles and motions for a microphone.

Wildfire Betty Red: Mother Dee, you are a very tough fighter. You gave everything in this cage match, and I had to use everything I had to beat you and I don't care to do that again. You are a worthy challenger. So how's about this? We shake hands and call it a truce and team-up and become #1 contenders shot....TONIGHT!

Mother Dee slowly rises, her face a mask of crimson, hair plastered with sweat and blood. The crowd holds its breath as she steadies herself against the ropes—then, with gritted teeth, reaches out and clasps Wildfire Betty Red's hand in a moment of hard-earned respect.

Ava: Good god. I don't even know how these two women are standing right now?

Sasha: In Russia, we have saying: 'When bones break, you use hate as crutches.'

The canvas has to be removed due to all of the blood loss from both Wildfire Betty Red and Mother Dee.

MATCH FIVE:

Tag-Team Title #1 Contenders Match

Wildfire Betty Red & Mother Dee vs. Jessie Dragnov & Delaney Youngblood

Ava: This is unbelievable. After the carnage we just saw out of that Cage Match, these two women can't be in any shape to compete.

Sasha: If they want to compete, let them compete!

The BWL Commissioner Burna Hama comes out on stage.

Burna Hama: Here's the deal. You both know that you have title matches later tonight, so you signed up for that, knowing that you both may not leave the same after the cage match. So if you both want to fight in a #1 contender's tag-team match, so be it!

Delaney and Jessie hit the ring and they bring the fight in a hurry. Jessie throws out Wildfire and hit a SPIKED PILEDRIVER on Mother Dee. Jessie goes for the pin. 1...2....KICKOUT!

Ava: NO WAY! NO GODDAMN WAY! MOTHER DEE JUST KICKED OUT OF A DOUBLE PILEDRIVER! THIS WOMAN IS NOT HUMAN!

Sasha: When Death comes for Mother Dee? She puts HIM in submission hold.

Ava: I DON'T KNOW WHAT THAT MEANS BUT IT SOUNDS ACCURATE!

Jessie and Delaney continue to tag in and out, double teaming Mother Dee. There's not much fight in Mother Dee, but she keeps getting her shoulder up with every attempted pinfall. Finally, Mother Dee finds an opening and drops Jessie with an Enziguri and makes the much needed tag to Wildfire, who comes into the ring wielding clotheslines like fire. Wildfire hits a DDT on Jessie and ducks a kick from Delaney and slams her with a Powerslam. 1...2...kickout. Mother Dee returns into the ring and hit a double flapjack on Jessie. She rolls out of the ring. They center on Delaney.

Ava: Wildfire Betty Red and Mother Dee are looking like a well-oiled machine!

Delaney stands up in the center and refuses to go down without a fight. She tries to punch her way out, but Mother Dee hits The "B" Slap followed by Wildfire Spike. Delaney goes down hard to the mat. 1....2...3!

Ava: With dried blood on their face, we have new contenders for the IWAR Tag-Team Titles! But we still have to see who will leave as the champions tonight. Delaney Youngblood and Rachel van Dorn have a golden opportunity still to come against the champions of Gina Colada and Brenda "Bring Da" Payne!

Winners: Wildfire Betty Red & Mother Dee

MATCH SIX:

IWAR Women's Tag-Team Championship Match

Gina Colada & Brenda "Bring Da" Payne (c) vs. Rachel van Dorn & Delaney Youngblood

Ava: Talk about an unlikely pairing of Rachel van Dorn, the reigning Global Champion, teaming up with the unpredictable Delaney Youngblood thanks to the Lethal Lottery! Can they dethrone the dominant champs, Gina Colada & Brenda 'Bring Da' Payne?

Sasha Rachel and Delaney together is like mixing bleach and ammonia. Explosive! But mostly for themselves.

Gina & Brenda waste no time, isolating Delaney early with brutal double-team offense. Gina guillotines Delaney's neck over the top rope and turns into a Spinebuster from Brenda. 1...2...Rachel breaks up the pinfall.

Ava: The champs are in perfect sync! Delaney's getting tossed around like a tourist in a hurricane!

Sasha: It's no vacation. It's punishment.

Rachel finally gets the hot tag and storms in, unloading on Gina with stiff strikes and kicks dropping her with them all. Rachel sits her up for the VanDorninator but Brenda clubs her in the back. Gina regains her composure. Brenda picks Rachel up on her shoulders as Gina scales to the top rope. Just moments before coming off, Delaney jumps on the apron and throws Gina flying onto the barricade. Rachel counters from Brenda's shoulders into a sunset flip. 1...2...kickout!

Ava: Just one more second and we would have had new Tag-Team champions!

Sasha: Match can end in one second... but pain lasts much longer. Just ask Gina Colada after this one.

Rachel and Delaney pick up Brenda. Rachel grabs her for a Suplex, but Delaney has other ideas as she grabs too. There's some confusion between the two! Rachel gets frustrated and pushes Delaney. "I got this! Move out of the way!" Rachel screams. "No, you get out of my way!" Delaney replies.

Ava: Oh no. Delaney and Rachel are at each other's throats! This makeshift team is imploding at the worst possible moment!

Sasha: Ah, teamwork. Nothing brings people together like mutual hatred.

Ava: They're too busy fighting each other to notice. BRENDA'S BACK UP! LOOK OUT—

BOOM! Brenda absolutely DESTROYS Rachel with a LARIAT. Rachel's head nearly detaches as she folds like a lawn chair!

Ava: GOOD GOD, RACHEL JUST GOT DELETED! BRENDA PAYNE WITH THE MOST VICIOUS LARIAT!

Rachel rolls out of the ring as Gina slides in on the other side and drops Delaney with her finishing move, That Time of the Match, and hooks the leg with a huge smile on her face. 1...2...3.

Ava: Sasha, let's talk about these dominant IWAR Tag Team Champions Gina Colada and Brenda 'Bring Da' Payne. They just dismantled Rachel van Dorn and Delaney Youngblood like it was another day at the office!

Sasha Da. Gina brings the pain, Brenda brings the Payne...and together? They bring problems for entire division.

Ava: I mean, look at their chemistry! Gina's vicious precision, Brenda's raw power, they're a perfect storm. Who in the Black Widow League even stands a chance against them?

Sasha: Maybe they hold belts until retirement...like Betty Thanu.

Ava: You're saying they're unbeatable?

Sasha: I am saying if you want to take titles from them? Bring army. Bring lawyer. Or bring bodybag.

**Winners and Still IWAR Women's Tag-Team Champions:
Gina Colada & Brenda "Bring Da" Payne**

**MATCH SEVEN:
Triple Threat Championship Match
Bandida (c) vs. Huntress vs. Wildfire Betty Red**

Ava: The Triple Threat Championship is on the line in this explosive bout, and all three women here have a legitimate claim to the gold! Bandida's been a fighting champion, Huntress is a relentless predator, and Wildfire Betty Red? She's a Grand Slam Champion looking to add one more title to her legacy!

Sasha: Bandida is quick, Huntress is vicious, but Betty? She is pure fire.

Ava: You're right. I still cannot believe Wildfire Betty Red won the cage match and then right after it, declared her and Mother Dee as a team and won the #1 contenders match for the Tag-Team titles. What a night for Wildfire!

Sasha: Da! And night not over yet!

Huntress immediately goes for Bandida, targeting the champion with a running big boot to the chest! Bandida goes down in a heap, rolling out of the ring. Wildfire and Huntress brawl with Wildfire getting the best of Huntress with several slams. Bandida returns with a springboard crossbody on Wildfire for a quick 2 count. Huntress tries to pull Bandida off, but Bandida shows her quickness and drops Huntress with a Hurricanrana into another 2 count. Wildfire breaks up the pin with a stiff boot to Bandida's face.

Ava: This is absolute bedlam! No one can keep control for long!

Sasha: Control? Is Triple Threat. Only chaos here.

Bandida back on the outside. She pulls Wildfire out of the ring. They brawl at ringside. Huntress goes out of the other side and runs around the ring and SPEARS Wildfire, almost completely out of her boots! This gives time for Bandida to return to the ring and fly through the ropes with a suicide dive onto Huntress, knocking her over the announce table. Bandida puts Huntress on the announce table. Bandida motions for the turnbuckle.

Ava: Bandida has something HUGE in mind!

Sasha: A champion knows how to fight. How to keep title.

Bandida scales the turnbuckle and taunts to the crowd. They erupt in cheers. Wildfire comes up on the apron and shoves her off. Bandida flips and GOES THROUGH the announce table. It shatters beneath her. Huntress manages to escape just in time. Huntress returns to the ring as does Wildfire, who wildly swings with a clothesline. Huntress ducks and wraps in a Dragon Sleeper in the center of the ring. Wildfire begins to fade.

Ava: Huntress has Wildfire Betty Red locked in! Wildfire's fading fast!"

Sasha: This is danger moment. Even fire can be smothered.

The crowd rises as Wildfire's legs buckle. Huntress wraps her legs around Wildfire and pulls back. Wildfire has nowhere to go! The crowd begins chanting "WILDFIRE" and slowly but surely Wildfire comes to. Her face completely flushed. She stands to her feet. Huntress can't believe it. Wildfire uses all her energy and throws Huntress face first into the turnbuckle. Huntress comes back out of the corner frustrated and goes for a spear on the exhausted Wildfire, but is kicked in the face and hit with the Wildfire Spike. 1...2....3!

Sasha: DA! THAT IS HOW LEGEND DOES IT!

Ava: WILDFIRE BETTY RED HAS DONE IT! THE GRAND SLAM CHAMPION ADDS ANOTHER TITLE TO HER COLLECTION!

Sasha: You can beat her down, you can choke her out...but fire? Fire always rises.

Ava: What a moment! The veteran proves once again why she's one of the greatest to ever step in a BWL ring!

Sasha: To Wildfire Betty Red, still burning down the competition after all these years.

Winner and NEW Triple Threat Champion: Wildfire Betty Red

MATCH EIGHT:
Global Championship Match
Rachel van Dorn (c) vs. Mother Dee

Ava: It's time for a match we've been waiting for all night. Can Mother Dee carry on the necessary momentum?

Sasha: Da! She fell just short in the cage match, but she's 2-1 right now. Can she even the score?

The two circle each other. Right before the bell sounds music plays over the PA system as IWAR Women's Champion Aria Gunpowder comes down the ramp and joins Ava Von Snapp and the Russian Vixen Sasha on commentary.

Ava: Well, this is a surprise! Aria Gunpowder is joining us at ringside...and from the looks of things, Rachel van Dorn does not look happy about it!

Sasha: Good. Anger makes reckless. And reckless? Makes the main event very interesting later.

Aria: (waves at Rachel) Don't mind me, Rachel. Just here to watch you lose in person.

Mother Dee immediately capitalizes on Rachel's distraction, clubbing her across the back and taking control early. Sends Rachel off the ropes with a back elbow across the mouth. What looked like a tooth flew out of Rachel's mouth. A quick one count. Moments later, Rachel finds an opening and sends Mother Dee down to the mat with a bulldog for a quick pinfall attempt.

Ava: So, tell me, Aria. What really brings you out? Scouting or scolding?

Aria (sweetly, smirking): Relax, everyone. I just wanted to watch my good friend Rachel in action. What's wrong with supporting a friend.

Sasha: In Russia, we have saying: 'With friends like you, who needs enemies?'

Aria: Sasha! That's hurtful.

Sasha: Da. Like knife.

Aria being at the commentator's desk does exactly what it was designed to do making Rachel lose focus. Every time she is on top in the match, she sees Aria smiling and waving, and it distracts her just enough for Mother Dee to get back on the attack. Mid-match, Rachel gains momentum and sends Dee crashing to the floor. Rachel comes off the top rope with a dive. The action unfolds right in front of the announce table!

Aria (standing up, holding her IWAR Women's Championship high with a smirk): Look at you, Rachel. Playing champion with that participation trophy while the real gold is right here. Go ahead. Keep pretending. Run around with your Global title, tell yourself it means something. But deep down? You know this (taps her IWAR belt mockingly) is the only championship that matters. The one you'll never hold.

Rachel's eyes locked onto the title, her face twisting with rage.

Aria: Aww, don't be jealous, friend. Maybe if you beg, I'll let you touch it after the match—

—CRACK!—

Rachel OBLITERATES Aria with a right hand so vicious it sends all of Aria's small bodied frame FLYING over the commentary table!

Sasha: Ah. Now they understand each other.

Ava: SOMEONE CHECK IF ARIA STILL HAS HER TEETH!

Mother Dee exploits the chaos. She grabs Rachel by the neck and throws her back into the ring. Mother Dee looks back at Aria Gunpowder laid out behind the announce table and laughs. Mother Dee slides into the ring. Rachel charges but Mother Dee sidesteps, roll-up! 1... 2... 3!

Ava: MOTHER DEE HAS DONE THE UNTHINKABLE! SHE JUST DETHRONED RACHEL VAN DORN IN HER FIRST TITLE SHOT! THE ROOKIE PHENOM IS NOW THE GLOBAL CHAMPION!

Winner and NEW Global Champion: Mother Dee

A promo airs, building anticipation for the IWAR Supershow. Explosive highlights flash across the screen, showcasing the star-studded lineup. The spotlight shines on the colossal 5-on-5 Survivor Series showdown between BWL and BBW, where rivals Aria Gunpowder and Rachel van Dorn must unite to lead their team of Sarah B. Money, Veruca Sault, and Brenda "Bring Da" Payne against BBW's dominant force: Blackjack Betty, Olivia Oblivion, Queen Vixen, Samantha Kane, and Morgana Le Faye.

Can these fierce competitors set aside their differences, or will chaos tear them apart? The battle lines are drawn. Who will survive?

MATCH NINE:
IWAR Women's Championship Match
Aria Gunpowder (c) vs. Rachel van Dorn

Ava: We have arrived at the MAIN EVENT of the evening and it doesn't get any bigger than this! The IWAR Women's World Championship is on the line as Aria Gunpowder defends against her most bitter rival, Rachel van Dorn with the notoriously unpredictable Jersey Jenn Grapevine as your guest referee!

Sasha: One will leave with gold. One will leave with nothing.

Ava: And Jersey Jenn Grapevine?

Sasha: She will leave with satisfaction.

Aria and Rachel stand in opposite corners. Jenn is in the center with a smile on her face. She has a fitted referee shirt on. The bell sounds. They square up with a strong lockup. Both not giving an inch. The crowd chants "GUN-POW-DER!" "RVD!" They lockup again and Rachel backs up Aria in the corner, but Aria counters at the last moment. Jenn gets involved and backs Rachel up. Aria waves at Rachel behind Jenn's back. Rachel breaks through and goes to attack Aria, but Aria slides through the ropes and goes to ringside.

Ava: Aria Gunpowder wants NO part of Rachel's fury early! The champion bails to the floor, trying to regroup but Rachel's not letting her escape!

Sasha: Smart move by Aria. Why stand and fight when you can run and survive?

Rachel tries to go out of the ring, but Jenn gets in her way. Rachel sidesteps through her and go to ringside, giving chase to the champion. Aria returns to the ring, Aria tries to take her down with a clothesline. Rachel ducks and delivers her own clothesline followed by another and then a dropkick. She goes for a cover but Jenn isn't in position.

Ava: Jersey Jenn wasn't able to get down there in time.

Sasha: She'll have plenty of time to make things right.

The match continues with Rachel taking Aria down at every turn. Aria finds an opening as she is seated in the corner, kicking at Rachel's knee. Rachel goes down in anguish. Aria locks in a half crab, but Rachel makes it to the ropes. Aria pulls her back and tries to reapply it, but Rachel cradles her. 1...2...kickout. Both women back on their feet, Rachel sends Aria over the ropes with a clothesline. Jenn goes to the outside to check on Aria. Jenn throws up the apron skirt and retrieves a kendo stick and hands it to Aria. "Take it and do what you want, I won't look," says Jenn.

Ava: Did Jersey Jenn just try to HAND Aria a kendo stick?! That's outright corruption! But wait...Aria THROWS IT DOWN! She wants no part of that!

Sasha: Hah! Even Aria has standards. Or perhaps... she just wants to beat Rachel her way.

Rachel charges in with a RUNNING BOOT—but Aria CATCHES IT! She spins around and delivers a back elbow. Goes for a pinfall. Gets two. Aria goes back after the left knee. Rachel fights back up and sends Aria through the ropes. Rachel has a noticeable limp now. Rachel follows, as does Guest Referee Jenn. Jenn hands Rachel a wrench from underneath the ring. "Use this on her," says Jenn.

Ava: Oh come ON! Now Jenn's trying to slip Rachel a WRENCH?! What kind of back-alley referee is this?!"

Sasha: Jenn playing both sides now so she always comes out on top!

Ava: RACHEL WANTS NO PART OF THIS! She didn't come here to win dirty, she came to beat Aria FAIR AND SQUARE!

Sasha: Pride is good shield... until Aria's boot kicks it into your teeth.

Rachel throws the wrench down. Charges Aria, but Aria moves suddenly and Rachel hits the steel steps. Aria grabs her and tosses her over the barricade into the crowd. The two brawl in the audience. Jenn following. Jenn hands Aria a trash can to use. Aria throws it down, Rachel returns with a kick to the face. The two head up the risers. They punch back and forth. Rachel attempts for a Suplex on the edge of the risers. Aria fights out of it. Turns it around and locks in her finisher. The crowd erupts in unison. Aria delivers Gunpowder n' Lead off the risers THROUGH A TABLE!

Ava: GOOD GOD ALMIGHTY! ARIA JUST MURDERED RACHEL! SHE DROVE HER STRAIGHT TO HELL THROUGH THAT TABLE OFF THE RISERS! SOMEONE CALL THE CORONER!

Sasha: DA! THIS is why Aria is champion! To Aria Gunpowder, may her reign be long, and her enemies ... very, very broken.

The crowd is on their feet. Both ladies start to stir after several moments. Both are practically crawling to the ring. They both slide into the ring, exhausted. Jenn grabs the IWAR Women's Title and slides it into the ring. Jenn yells: "USE IT OR LOSE IT!" Aria and Rachel stare at each other, then at the title. They grab it, tugging back and forth. Jenn is bouncing with joy over the ordeal. They both stop and CRACKS the title across Jenn's skull! Jenn crumbles and falls out of the ring.

Ava: KARMA JUST CAME TO JERSEY JENN GRAPEVINE!

Sasha: Jenn rolls away like drunken bear. Maybe now she learns: play with fire, get burned.

Ava: NO SYMPATHY FOR YOU, JENN! YOU MADE YOUR BED.

Aria finds herself holding the IWAR Women's Title as Rachel stumbles back, dazed. Aria turns and SMASHES it across Rachel's face!

Ava: WHAT THE HELL, ARIA! NOT THIS WAY! YOU'RE BETTER THAN THIS!

Sasha: Oh, Ava. Dis is the way.

Aria hesitates for a split-second, then dives for the pin. NO REFEREE! The audience counts along. ONE...TWO...THREE...But it's unofficial. A new referee runs down the ramp and slides into position. 1...2....KICKOUT!

Ava: RACHEL VAN DORN REFUSES TO DIE!

Sasha: No matter how many times you hit her... she comes back angrier.

The match continues. The crowd is electric. Suddenly, Jenn recovers from on the outside, seeing the new referee calling the match. She storms in, dazed, shouting at the referee. The referee holds his ground, refusing to be bullied. Jenn goes to slap the referee, but the referee blocks it, and SLAPS Jenn! Jenn falls out of the ring! Aria and Rachel are in disbelief. As Aria is trying to process it, Rachel rolls her up as the referee counts the pin. 1...2...Aria kicks out....NO! She's just a half second too late. The referee's hand slaps the mat three!

Ava: RACHEL VAN DORN HAS DONE IT! SHE'S DONE IT AGAIN! SHE IS NOW A 2-TIME IWAR WOMEN'S CHAMPION! RACHEL VAN DORN OVERCAME EVERY OBSTACLE TO STAND HERE AS CHAMPION!

Sasha: In Russia, we say: 'Even broken clock is right twice a day... but Rachel? She just made Aria's time run OUT!

Ava: I don't even know what that means, but I LOVE IT!

Sasha: It means pop champagne, darling.

Ava: Respect goes a long way here in BWL!

Sasha: After war, even enemy's water tastes sweet.' But do not drink too much...

Winner and NEW IWAR Women's Champion: Rachel van Dorn

Rachel stands up and is handed the IWAR Women's Title. She takes to the turnbuckle and taunts with it. Pyro goes off. Quick highlights play over the screen. Aria is sitting up, still in absolute disbelief. Rachel steps down from the turnbuckle and reaches down, offering Aria her hand. For a moment, the audience isn't sure what's about to happen. Then, Aria takes her hand. Rachel pulls her up. The two stand together with Aria holding up Rachel's hand. SUDDENLY, Jersey Jenn Grapevine attacks Rachel from behind. Aria goes on the attack. Gina Colada and Brenda "Bring Da" Payne hit the ring and start mauling Aria and Rachel. Jenn picks up the IWAR Women's title and admires it, then smashes Aria with it first. Rachel is dragged up with Gina and Brenda on both sides, and she cracks it against Rachel's skull. Jenn holds up the title.

Ava: Well, you can throw all the respect out the window now! Jersey Jenn Grapevine is scum!

Sasha: Scum? No, Ava. Jenn is like Russian winter. Harsh and unpredictable.

The camera fades to black on 5* Stable holding up championships – Gina Colada and Brenda "Bring Da" Payne with their IWAR Women's Tag-Team titles and Jersey Jenn Grapevine in the center holding up Rachel van Dorn's IWAR Women's Title.

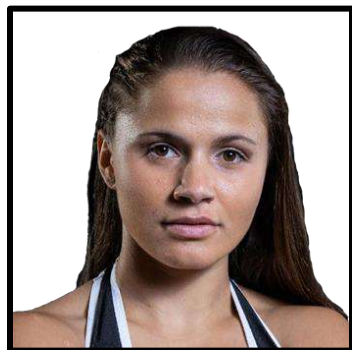

Will Jersey Jenn Grapevine walk out of the triple threat match at Queen's Web with her first IWAR Women's Title? We'll find out at Dog Days 2025!

Jessie Dragunov

Jessie Dragunov: "Not gonna lie, it's taking us a minute to click. Got two big wins then two big losses. Once all the **Where the Boys Aren't** stuff is behind us, you're gonna see where we're at, and it's gonna redefine the **Black Widow League**."

Delaney Youngblood: "Ralph Waldo Emerson said, 'What lies behind us and what lies before us are tiny matters compared to what lies within us.' And they'll all know soon enough just what lies within us."

Jessie Dragunov: "So, I know you've had to work with her, but **RACHEL VAN DORN** is not a nice person. Guess she doesn't know, good things come in small packages. And fake things come with bleach blonde hair and a boob job."

Delaney Youngblood: "They can also bring internet fame and influencer status. She should find an actual partner and face us in the ring. We'll see what she can do outside her controlled environment."

Jessie Dragunov: "Queen of the Ring is coming up. Looks like you got an easy first rounder in **SARAH B. MONEY** while I drew **GINA COLADO** as my first opponent."

Delaney Youngblood: "She's solid, but you can take her. I also noticed that **ARIA GUNPOWDER** is in the mix. I knew she wasn't really **Queen of the Ring**."

Jessie Dragunov: "What was it you said last week... 'Confidence is quiet, insecurity is loud.' There's your perfect example. Looks like our time is up, so we'll see you fans at the next event."

THE GOLDEN GIRL GINA COLADA

Ah don't ask for much around here, but was it so much to ask that the folks who repped us at the IWAR Super Show could have shown up? Ah did mah part and took out some dumb broad who goes by **Blackjack Betty** and Team BBW replaced her with some Soviet stiff. It was right there for our team to win, so what happened? **Rachel Van Dorn?** **Aria Gunpowder?** **Veruca Sault?** **Sarah B. Money?** My 5* stable mate and co-holder of the IWAR Women's Tag Team titles, **Brenda Payne** can't do it all! She needed help from one of you bums, but instead you let her, me and the entire BWL down! Y'all may have forgotten to have pride in the BWL, but Brenda and me sure didn't. We retained our championship at **Where the Boys Aren't 3? 5? 17?** Honestly, it feels like we've had these belts since they were started... oh wait, we have! That's because we are the best tandem in the BWL and the rest of you are only the best at being jealous.

Oh and while Ah may not have won the Great T.I.T.S. Ladder match and that hag **Betty Red** did, Ah did enjoy that **He-Man Hoven** chose that **Rachel Yamazaki** to be his valet for the next year. Ha Ha Ha! I guess there was a silver lining.

Before Ah go, Ah wanted to thank **Lizzie Robin** for showing up and laying down because she recognized that the Golden Girl is not to be messed with. Let that be a lesson to the rest of the BWL. Ah'm on the way to the top and you do not want to get in my way!

Momma Says

NEXT UP:

Bandida,
Jessie Dragunov,
Brenda Payne,
Beatrix Van Chaos,
Delaney Youngblood,
and
Jersey Jenn Grapevine

Wow! The titles just keep coming for momma. It is my honor to be your **BWL Global Champion** and the longest running with 5X as the **Sin City champion** in BWL (This has not been verified by the record books but it has to be right with 5X.) Not a title yet but I am, with **Wildfire Betty Red**, ½ of the #1 contenders to the **IWAR Tag-Team Titles**.

Now Wildfire Betty Red and I do not always see eye to eye but after our brutal tag match and then burying the hatchet for the tag match we surprised ourselves. We are both very independent and mostly singles wrestlers but we have shown that if needed we can team up and do some damage.

BWL your on notice!

The challenges do not stop in the BWL. The cross over **Venom & Vengeance** PPV will be interesting. At that PPV I have a Chain Match against **Queen Vixen Red**. What is the deal with all these woman wrestlers named Red? Also, the **Queen of the Ring** tournament is going on and **Bandida** is first up for me. A thorn in missed but one I hope to remove during this tournament.

QUEEN OF THE RING **Aria Gunpowder** *REPRESENTING THE GUN COLLECTION*

(Moments after returning backstage after Where The Boys Aren't 4. Case Walker finds her for an interview.)

Case Walker: Aria Gunpowder, spare a moment? Tonight, not only did you leave empty handed, it now appears Jersey Jenn Grapevine has positioned herself into the IWAR Women's Title picture.

Aria Gunpowder: Yeah. I wouldn't use the word 'position' more like 'weasel' but whatever the case may be, yeah, she's about to find herself

in a world of pain. The 5* Stable has been a thorn in my side, and Rachel's side, for a long time. So it's due time she gets what she wants, right?

Case Walker: And what exactly would that infer?

Aria Gunpowder: She should get a title match with Rachel van Dorn....and ME. Let's make it a triple threat match. She wants to get all up in our business making herself the guest referee. Then I think it's all fair and good. At the next big event here in BWL, Queen's Web 2, let's make it official.

(Aria Gunpowder is shown going into the office of BWL Commissioner, Burna Hama.)

Case Walker: Well, folks. Looks like Aria Gunpowder is going straight to the boss to get that match signed.

Bandida

After a disappointing loss to Wildfire Betty Red at "Where the Boys Aren't 4" Bandida finds herself sitting alone in the dimly lit locker room area, the sharp taste of tequila mingling with the bitterness of defeat. Her head spun, not just from the alcohol but from the weight of losing the Triple Threat Championship. The cheers of the crowd that once ignited her spirit now felt like echoes after a bitter defeat.... reminders of what she had lost.

Bandida: How could this happen?

The reality of her situation pressed down on her like a weight she couldn't lift. Taking a deep breath, she pushes the locker room door open. Outside in the hallway the BWL staff are hard at work cleaning up and putting away the production equipment. Commissioner Hama is seen in the distance conversing with BWL Commentator Ava Von Snapp. Bandida spots the commissioner and runs over and shouts....

Bandida: Aquí! I belong on team BWL! Soy el futuro de la BWL!

Hama: Bandida! I'm sorry! But the match has already been signed! But you will get your opportunity to face Blackjack Betty! I made sure of it! Not to mention it will be in a Mexican death match!

Bandida: Ese no es el punto!

Hama: Bandida please! You're drunk! I understand you just lost your championship! But you will earn your way back, your too talented not to!

In a sudden burst of anger, Bandida delivers a swift sucker punch to Ava, catching her completely off guard, her body hitting the concrete floor with a thud. Commissioner Hama immediately falls backwards in shock.

Hama: Security!

Bandida leans over and grabs a steel chair. She raises the chair high into the air and with one swift motion, "CRACK!" the chair slams down into Ava's mid section! She raises the chair again, but before she could bring it down, security personnel rush in.... They swiftly surround Bandida, grabbing her arms to restrain her!

Bandida: Déjame ir! Ella merece esto!

The scene fades away As Bandida is escorted away by security, her shouts fill the air, with a mixture of frustration and defiance!

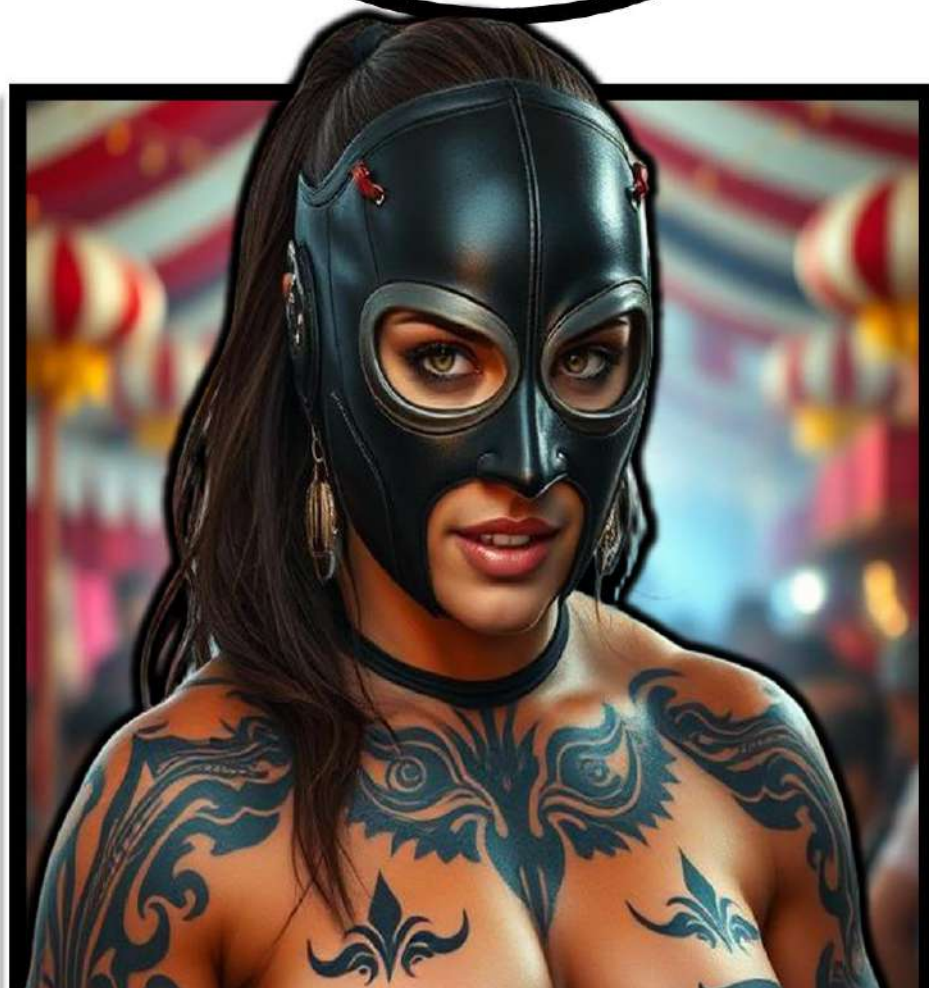

"¡Prepárate para la furia de la Bandida!"

BWL's newest wrestler **Zoya Perfanova** and veteran BWL wrestler, **Aoife Oshaughnessy** are seen laying in a bloody mess backstage. Gentleman Jarvis and a masked woman stand to the side laughing.

Gentleman Jarvis: Ladies! Next time show the gentleman a little respect and this won't happen! Black Widow League, there has been a change to the program! And her name is the Iron Sheika! Coming to our great nation from Iran! She is going to take over the BWL and the IWAR Network! But don't take my word for it, watch the Iron Sheika completely dominate in and out of the ring! Hell, she just beat up two of my clients and didn't even break a sweat! Under the mask and all the tattoos, this woman is pure wrestling! A true student of the game! She will make every woman here tap out or pass out! And when she wins, she will wave the flag of her country proudly in the ring for fans to cheer and acknowledge her power! BWL, ladies and gentlemen, I proudly present to you, The Iron Sheika!

Iron Sheika: BWL! I come to this country for one thing only! I am here to break every woman in half with my version of the Camel Clutch! **Golden Girl Gina Colada**, I spit at you! Ptuhhhhh! You disgust me! Just like these two wimps! I will break you in half! I am the Iron Sheika! Colada sucks! BWL I am Iron Sheika!

Gentleman Jarvis: There you have it folks. The Iron Sheika is here to break every woman on the roster in half with her version of the Camel Clutch! Time to watch her fight!

COMING  SOON

Rachel Van Dorn

We join Rachel van Dorn's press conference in progress after winning the **IWAR Women's title** at *Where the Boys Aren't 4*

"... besides the challengers in the BWL, I'm co- captaining the BWL team with **Aria Gunpowder** against team **BBW**. I know they are the (quote fingers) *hardcore* league, but I held my own in their Queen of the Deathmatch tournament, and for real, idk if there is really anyone to intimidated by? **Blackjack Betty, Olivia Oblivion, Queen Vixen, Samantha Kane, & Morgana Le Faye** are all pretty mid - that's why they all wrestle so many more matches than us in the BWL - I can show up a few times and make way more money, not to mention the podcast money. I feel like they think they are better at hardcore wrestling because their faces are all jacked up and ugly? Anyway, I am confident in our team. We'll see after the event if any of them get my attention for **Venom & Vengeance**. That's enough of a free ad for those big backs. Let's get back to some BWL Questions."

Reporter: "You've already spoke about **Aria**, but what about **Jersey Jenny Grapevine**? Her, Gina, & Brenda attacked you after the match, and she has recently been seen with your..."

RvD: "Look, Jersey Jenny will get hers when we meet in the first round of the Queen of the Ring. Let's stick to the wrestling questions - like how I **FINALLY** beat **Aria Gunpowder** in the big one to be one of the only **TWO** time **IWAR** champions - or about the **IWAR Super Show..**"

*A tussle is heard in the back, when Rachel looks up and it's her dad **Jaeger van Dorn** with **Jersey Jenny Grapevine** draped onto his side, laughing and approaching the podium*

RvD: "B**** why did you bring him here? Dad are you okay? **Jenny** what the..."

Jersey Jenny Grapevine: "Oh I'm sorry Rachel, I just thought that daddy might want to see his little girl win a title. I said I'd make him cannolis later and that convinced him to come out, but I feel like the Cannolis aren't the only thing that's getting..."

Rachel leaps over the interview table and jumps on Jenny. The roll around, knocking over cameras & chairs as they fight. Jaeger appears in a daze, confused by the altercation. Eventually security separates the two of them, Jenny grins as she walks off with Jaeger, Rachel is seething!

RvD: "You want this title so bad b****? You got it! Bring your sl** *** to **Queens Web**! You want a title match, you got it! If you lose, you have to leave Jaeger alone!"
