### Thanks for the Title Meat Train

Well, now it looks like there is still life in me yet, for I am not done by a long shot. Just when I am ready to throw in the towel, look what happens – I fight my way back to the BWL League title.

Boy, it came at the right time too, for I was tired of going nowhere. It feels good to get the BWL title after being here for a while, and also to start the new year off with a bang too.

Also, Wildfire went to the PPV and beat up that Monster Meat Train for her Triple Threat title belt. She is one monster of a woman and I hope I don't run into her any time soon. I hurt in places I don't want to think of either, but...(Betty throws the Triple Threat title over her shoulder and speaks) Now I got to find me a hot tub. See you all. (She hops off.)

### Wildfire Betty Red

#### Scene opens

Drusilla Dragon is sitting at a table in the cafeteria with a steaming cup in front of her. On the other side of the table is a figurine of a silver-coloured dragon. It also has a cup before it. Dragon takes a sip from her cup.

Dragon: You haven't touched your tea, Gwynn. Surely it isn't too hot for you. We are dragons, after all. Anyway, you wanted to talk about my first couple of weeks as a wrestler?

She takes another sip as she looks at the figurine. It just sits there, silently.

Dragon: Yeah, I know, it wasn't as successful as we hoped. I only got one win. But what a win it was! Back and forth action! The cheering from the crowd! And then my hard fought victory! It was great! And now that I know how to win, I anticipate the next few weeks are going to go a lot better.

As she talks, a referee walks up to the table. He appears confused at the one-sided conversation, but shrugs and speaks to Drusilla.

Ref: Listen, if you want to have that toy sitting in your corner, okay, that's weird, but there are no rules against it. But if you try to use it as a weapon in a match, that will be an automatic disqualification.

Dragon: What? Gwynn is a friend, not an armament! She would never consent to being used against a foe in honourable combat!

Ref: Uh, yeah, okay.

The young wrestler shakes her head as she watches him walk away.

Dragon: He's a good referee, Gwynn, but between you and me, I think there is something wrong with his mind. Anyway, you still haven't touched your tea. Do you need more sugar for it?

#### Scene ends

Addisyn Killswitch- Penny, just like I said, your agony has just begun. I'm going to make your life hell, a hell you'll learn to accept, a hell you'll have to embrace. This was all just a small portion of my plan. Take your belts, take your confidence, break your soul. It has all just started and next cycle you get another does, we will fight, we will bleed, I'll leave that ring Champion and you broken. It's not going to be a fun time Penny, you bring out the worst in me.

# *QUEEN OF THE RING* **Aria Gunpowder** *REPRESENTING THE GUN COLLECTION*

## ***ALL HAIL THE QUEEN!***

(Backstage at the BWL Arena. Aria Gunpowder is leaning against a stack of equipment cases when she is confronted by Jersey Jenn Grapevine.)

**JJJ:** Well, if it isn't the IWAR Women's Champion...I've been looking for you.

**Aria:** Oh yeah? What do you want?

**JJJ:** Straight to the point, I like that. Let's cut the pleasantries, shall we? You see, Aria, I've been watching you. You're impressive, I'll give you that. But I think I could be better.

**Aria:** Then by all means prove it. You have a shot at my championship if you win the Lethal Lottery tournament.

**JJJ:** Bingo! The Lethal Lottery! The one chance for any wrestler to catapult themselves to super stardom. And guess what? As long as my partner Rudi Groove doesn't let me down, I'll make it to the finals.

**Aria:** Then there's your golden ticket.

**JJJ:** Yeah. And then Jersey Jenn Grapevine will be IWAR Women's champion!

(Jersey Jenn Grapevine walks away smiling signaling the title around her waist.)

The Ebony Beauty,  
Francine Buttafoogli:

Ladies and gentlemen, boys and girls, attention please! This is Francine Buttafoogli, the Ebony Beauty of the Black Widow Wrestling League, and I have something to say. I've been tearing up the ring, leaving a trail of broken bodies and shattered dreams in my wake. I am not just a good girl; I am THE good girl wrestling sensation that you've all been waiting for.

I am here to claim my rightful place at the top of the mountain. I want a shot at the prestigious IWAR or iWGP Women's Championships, and I'm not asking for it—I'm demanding it. I've put in the blood, sweat, and tears to earn my spot in the history books, and now it's time for me to take what's rightfully mine.

So to all the champions out there, watch your backs, because Francine Buttafoogli is coming for you. I will not be denied, I will not be stopped. I am the Ebony Beauty, and I am here to conquer all. Get ready, because the revolution is here, and it starts with me!

Francine Buttafoogli

I'll beat any Champion in BWL

(The arena is filled with boos as Spitfire Jeannie Briggs struts out to the ring, a smirk plastered across her face. She grabs a microphone, soaking in the negative energy from the crowd.)

Spitfire Jeannie Briggs:

Well, well, well... Look at all you pathetic losers out there, booing like the sheep you are. You see, I don't give a damn about your opinion. I'm here for one reason and one reason only – to take what's rightfully mine!

(The boos intensify as Jeannie continues, relishing in the hostility.)

You see, I've been overlooked for far too long in this so-called 'women's division.' I've busted my ass week in and week out, putting on matches that leave your precious little heroes in the dust. But what do I get in return? Nothing but disrespect from the likes of you!

(She pauses, letting the crowd's jeers wash over her.)

But mark my words, I'm done playing nice. I want a shot at the IWAR Women's Championship, and I won't stop until I get it. I don't care who I have to go through – whether it's your precious little darling of a champion or anyone else they throw in my path – I will claw my way to the top, and there's not a damn thing any of you can do to stop me!

(The crowd's boos reach a fever pitch as Jeannie raises her microphone, soaking in the chaos she's caused.)

So keep booing, you insignificant worms! Because when I'm standing tall with that championship around my waist, you'll all be begging to bow down to the true queen of the ring – Spitfire Jeannie Briggs!

Spitfire Jeannie Briggs

*(\*\*Betty goes to answer, but is BLASTED from behind with a steel chair by "The Wicked Spider" Erika Phobia! Erika lays in a few more shots, then places the chair on top of Betty, climbs a nearby stack of equipment cases, and NAILS the Kiss of Death!!! BWL medical staff rush onto the scene...\*\*)*

Rachel Yamazaki speaks:

I've already got some fans in the BWL! **Erika Phobia**, you've been talking about me behind my back for months, but now it's time for you to put your money where your mouth is.

And meanwhile, **Sarah B. Money** followed me here from the NWL like a lost little puppy, but she didn't even wrestle last cycle. I guess she can't keep up with the big girls. Well, Sarah, I still have the Lioness title, and you don't have the skill to take it off me.

On another note, it's great to see **Rachel Van Dorn** here – Rachel, have your people call me. I have a business proposition for you.

## MEAT TRAIN

Scene opens up to the back yard of the Shatterday Compound. Meat Train is seen standing by a barrel, flickering with fire. She's holds photos of someone up in the air with one hand and bay leaves in the other.

"It has been a long road and when it forked, I made my own path. I became IWAR's Woman Wrestler of the year! Did I get there by dominating the whole year? Nah, you see a train always starts out slow. Once it reaches full speed, how do you stop it? You don't! To me there is only one person standing in my way of a repeat...So it is time. Time for me to set Ol' Betty ablaze..."

Meat train holds up a photo of Betty Thanu during her 2022 Woman Wrestler of the year ceremony She folds it in half with the bay leaves and tosses it into the fire. Flames race to the sky! Meat Train is heard laughing as the camera fades.

# Bandida

As the aftermath of Caged Fury 2 unfolds, the scene opens up to the backstage loading dock of the arena... The BWL production crew are hard at work breaking down the ring and production equipment. The camera pans over to a BWL semi-trailer, the back doors open. Sitting on the trailer is BWL newcomer Bandida...she looks into the camera and speaks...

**Bandida:** La tradición de las cholitas es sagrada y debe ser respetada en todo momento! Ladies of the BWL, listen up! It's time for you to witness the rise of a true Mexican warrior. I am here to embrace the legacy of my culture and show the world the true strength and honor that comes with being Mexican.

You see, I may be young and hungry for success, but I am determined to make a name for myself in this ruthless world of pro wrestling. And what better way to start than by capturing the prestigious Cholitas Championship, a title that represents the resilience and power of our Mexican women.

But mark my words, this championship is only the beginning for me. I am here to accomplish great things, to make history, and to show the world what a true Mexican is capable of. So get ready, because I am coming for all the titles, all the accolades, and all the glory that this industry has to offer.

I am the future of the Black Widow League, and I will stop at nothing to prove that I am the best of the best. So to all my opponents, all my doubters, and all my haters, I say this: bring it on. Because nothing will stand in the way of my destiny. Viva Mexico! Viva la lucha libre! And viva the Cholitas Champion!

*"¡Prepárate para la furia de la Bandida!"*

I want it all and I want it now

[Wildfire Betty Red storms into the wrestling ring, microphone in hand, a fiery glint in her eyes.]

Wildfire Betty Red:

Listen up, you pathetic excuses for competition! The Black Widow League may think they've seen it all, but they haven't witnessed the wrath of Wildfire Betty Red! I'm here to shake things up and claim my rightful place as the most dominant woman in this whole damn industry!

[The crowd erupts in a mix of boos and cheers as Wildfire Betty Red confidently paces back and forth, absorbing their reactions.]

Wildfire Betty Red:

I don't just want a taste of success, I want it all! I want the IWAR Women's Championship and the iWGP Women's Championship strapped securely around my waist, signifying my dominance over every single woman who dares to step foot in that ring!

[She points at the camera, her voice dripping with determination.]

Wildfire Betty Red:

Let me make one thing crystal clear to all the so-called "queens" of wrestling. I will stop at nothing to get what I want. I'll break bones, shatter dreams, and leave a trail of destruction in my wake. The Black Widow League will tremble under my might.

[She smirks wickedly, taking a moment to revel in the crowd's reaction.]

Wildfire Betty Red:

You may call me a bad girl, but I'm the baddest girl you'll ever lay eyes on. I thrive on chaos, and I won't be satisfied until I've torn through every obstacle in my path. I'll make sure the entire world knows that Wildfire Betty Red is the most dangerous force to reckon with in professional wrestling.

[The crowd's boos grow louder, but Wildfire Betty Red pays them no mind.]

Wildfire Betty Red:

So, lace up your boots, ladies! Prepare for the fight of your lives because Wildfire Betty Red is coming for you. I'll leave you beaten, broken, and crying for mercy. And when I stand tall, holding those championship belts high above my head, you'll know that I am the best woman this industry has ever seen!

[She drops the microphone with a resounding thud and exits the ring, leaving the audience in a mix of anticipation and fear for the chaos that's about to unfold.]

Wildfire Betty Red

Outside Meridian General Hospital, an orderly is on his cigarette break. He lights up just as a small, private plane nosedives out of the sky and crashes into the hospital. A huge explosion. Panic ensues as the hospital is engulfed in flames and a single parachuter floats down next to the chaos.

The orderly ducks behind an ambulance as shrapnel rains down. Just then Barb Dwyer appears through the smoke carrying a bouquet of black roses and removing her parachute. She spots the orderly, takes his cigarette and hands him the roses.

“Make sure those get to **Jaeger van Dorn**. Unless he’s dead. Then just give them to **Rachel van Dorn**. Unless she’s dead, too.”

The orderly scrambles away as sirens fill the air. Barb takes a drag off the cigarette and strolls away from the carnage.

*Rachel is sitting in the hospital room in Meridian, visiting her dad and scrolling through her phone, checking her email and social media. (Part II - right after Caged Fury 2)*

“Just got done checking on my dad, the doctors are saying that he is going to be okay, but I’m still glad that I left right away. I needed a break from all that crazy stuff with **Barb Dwyer** for a bit. She said her usual crazy stuff in my stream last time, but I don’t see her anywhere, not like she could get here that fast, she isn’t a private jet-flying kind of lady. So I see that there are some new announcements from the BWL office and the new commissioner **Burna Hama**.”

*A nurse walks by and tries to check on Rachel as if she is a patient*

“No, I’m fine. It’s just a black eye, and no it wasn’t a domestic thing, I fight for a living, thanks for checking on me though. Are you fn kidding me? I have to fight on the opposing team of **Barb** in the Lethal Lottery. **Khaosyn** is my partner? Well, I hope she is ready, I mean, there is a chance Barb and I don’t even get to the match, but I hope we do well. I’ll give it a shot. No offense **Kijia**, but not sure that this is gonna work out.”

“Speaking of Tag teams, how about **Betty Thanu** screwing me over in my title match against **Gina Colada**? Your tag partner calling for the bell when I didn’t tap? It takes a lot to be the worst judge ever from Moscow, but you did it! I’ll get my chance to get even on this tour, since my new representation secured the bag and got me title matches against you two. But I did notice a bunch of newcomers here, mostly NPCs, but my match in Boulder against **Drusilla Dragon** went almost half an hour, and I was pretty impressed. Plus that blue and silver hair sticks out. Let me know if you want to be on my stream some time. Same goes for **Sarah B. Money**, you seem like my kind of woman, I know you and **Rachel Yamazaki** don’t get along, but that reminds me.... What the...”

*All of the sudden a loud crash is heard and Rachel drops her phone. The phone points towards the ceiling and chaos can be heard as people are screaming. An explosion can be heard and the feed cuts out.*

Penny Punk- What a very interesting time this has all become. Addisyn, you haha, you I should have known. I should have see all this coming. The hate, the animosity, the jealousy, yup that's all it boils down to with you really, you're jealous because I'm

simply what you strive to be and unfortunately, I'm something you can just never really equal. Anyone can win a match but the longevity, the legacy, are things you'll never be able to grasp. Next cycle you and I have a Fight Without Honor in a steel cage, pinfall or submission only. It's a match that shortens careers, changes lives and it will be a night you'll never forget. It'll be the night I become a two-time Action Wrestling Women's Champion.

And then there was Ziggy, you miss simply could've had things easy. That DZL Women's Championship reign could have lasted a while. Instead, I end it next cycle and take back what's rightfully mine. You had the whole world in your hand, well at least the DZL Women's division. Now as your World comes crumbling down next cycle at least you'll have me standing above you, someone to look up to, to emulate.

But Gina now I end with you. Keep your friends close and your enemies closer right, right. You and I both know we're not done Gina. There's money to be made, the story continues, and this next chapter has potential to be a spicy one. Are we about to become Tag Team Champions Gina, I can see it and I know you can as well. The irony, the surprise but still this is a tragedy in the end right... right.

# “THE SUPREME” CORT JUSTICE

A PROUD MEMBER OF THE LITIGATORS

Is it any surprise that I won my match against Cinderella Frankenstein? Was it also any surprise that Joya Pyro didn't have the guts to step in the ring with me? She's been absent for months. I knew she wouldn't have the courage to face me.

Now I set my sights on the Triple Threat title. I'll be facing **“The Spider” Erika Phobia** and brand new champion **Wildfire Betty Red**.

**Erika**, let me tell you what I do with spiders. I smash them with the bottom of my shoe. So get ready for me to walk all over you.

**Betty**, congrats on your title win. It's too bad you'll be the shortest reigning Triple Threat champion of all time. You're going to experience the Summary Reversal and I'm going to take your title back to the Supreme Court with me.
