## Gunpowder Reigns Supreme

Caged Fury 4 turned into a career-defining night for Aria Gunpowder, who walked out draped in gold after sweeping all three of her championship bouts. She opened the event by teaming with Rachel Van Dorn to dethrone the dominant duo of Gina Colada and Brenda “Bring Da” Payne, capturing the IWAR Women’s Tag Team Championships. From there, Aria marched straight into the finals of the Wildfire Betty Red Memorial Tournament, where she battled through a hard-fought war with Payne to become the inaugural Wildfire Champion.

And in the main event, locked inside the steel cage, Aria completed the trifecta, defeating Gina Colada to reclaim the IWAR Women’s Championship for the third time.

A historic night, a legendary performance, and a statement that the Gunpowder Era is far from over.

# Lethal Lottery Begins May Cycle (Bulletin #70)

BWL never slows down when it comes to tournaments, and with the Wildfire Betty Red Memorial Tournament and the Kimberly Cup now in the books, the madness continues. Next cycle marks the return of Lethal Lottery, where fate does the booking and two wrestlers are randomly paired together, forced to coexist as a tag team whether they like it or not.

The stakes are massive. The final team will earn #1 contendership for the IWAR Women's Tag Team Championships, and the winner of the finals will become the #1 contender to the IWAR Women's Championship. One tournament, one chance to rocket up the rankings.

**Triple Threat Title #1 Contender's Match**  
**Veruca Sault vs. Mother Dee**

(Sault darts in first with a sharp calf kick that sends Mother Dee to the canvas.)

**Ava Von Snapp:** “Veruca’s not wasting a second. She knows you don’t let Mother Dee get comfortable.

**Sasha:** Da, but little lion poking bear is still poking bear. Eventually bear gets hungry.

(Sault goes for another calf kick, but it's blocked. Mother Dee lunges forward with a massive palm strike that sends Sault stumbling back into the ropes. Dee follows with a hip toss, arm drag, and a Dropkick square into the jaw of Sault. A pin attempt only gets 1. Mother Dee whips Sault off the ropes, Sault rolls through, pops up, and fires a dropkick to the knee. Dee drops to one side.)

**Ava:** Veruca Sault is cooking tonight!

**Sasha:** Is good strategy. Chop tree at base. But tree still falls on you if you stand too close.

(Mother Dee proves Sasha right, she snatches Sault mid-run and hurls her overhead with a release belly-to-belly suplex that sends Veruca skidding across the canvas. Dee stalks her, slow and merciless. She grabs Sault by the hair, drags her up, and delivers a hellacious lariat that garners a 2 count.)

**Ava:** That’s the kind of shot that rearranges your weekend plans.

**Sasha:** In Russia, we call that ‘good morning.’

(Mother Dee lifts Sault into a fireman’s carry. Sault elbows out, drops behind, and hits a neckbreaker that finally puts Dee flat. The crowd roars. Sault climbs to the second rope. Diving Elbow Drop! Cover!

[1...2...kickout!]

**Ava:** There’s still life flowing their Mother Dee’s veins!!

**Sasha:** Da! She does!

(Veruca Sault wastes no time as she springs off the middle rope with The Lionessault but Mother Dee moves in the nick of time. She bounces off the rope and delivers a running knee. Mother Dee perches Sault back up on her shoulders and drops her with a Death Valley Driver. 1...2...Kickout!)

**Ava:** It's coming down to the wire now.

**Sasha:** Da! Veruca Sault is in trouble!

(Mother Dee rises, furious now. She charges. Sault ducks. Dee hits the corner hard. Sault hits a springboard back elbow to the jaw. Dee staggers. Sault with a tilt-a-whirl DDT!)

**Ava:** She planted her! That’s the opening!

**Sasha:** If she is smart, she climbs. If she is foolish, she taunts. We see which we have.

(Veruca Sault doesn’t hesitate. She scales the ropes in one fluid motion. The crowd rises. LIONESSAULT! She lands flush across Mother Dee’s chest. Hooks the leg. ONE! TWO! THREE!)

**Ava:** “Veruca Sault with a massive win over one of the toughest competitors in the division. That Lionessault was picture-perfect.”

**Sasha:** “Da. Acrobatics with bite. Tonight she is lion who eats bear. But next time? Bear may wake up hungry.”

**Winner and Triple Threat #1 Contender:**  
**Veruca Sault**

**Triple Threat Title #1 Contender Match**  
**Sydney Reinhard vs. Brenda “Bring Da” Payne**

**Ava:** Ladies and gentlemen, buckle up! Sydney Reinhard is already circling like a hawk, and Brenda ‘Bring Da’ Payne looks like she’s ready to turn this ring into a demolition zone.

**Sasha:** Da, Ava... Payne looks like she could break refrigerator in half. Sydney must be careful or she will become Sydney Regret-hard.

(Sydney shoots in low, grabbing Payne's leg and trying to pull her into a single-leg takedown, but Payne widens her stance and blocks it. Sydney transitions instantly, spinning behind Payne and snapping her down with a waist-lock takedown, but Payne plants her hands and powers right back to her feet.)

**Ava:** Reinhard chaining those grapples together beautifully!

**Sasha:** "Da, but Payne stands up like she is lifting nothing heavier than pillow."

(Sydney hits the ropes and comes back with a running hurricanrana, flipping her body around Payne's shoulders, but Payne catches her mid-rotation and counters with a tilt-a-whirl slam, driving Sydney flat onto the canvas. Sydney rolls away, clutching her back, but Payne stalks her, grabbing her by the wrist and yanking her into a short-arm clothesline that flips Sydney inside out.)

**Ava:** Payne nearly took her head clean off!

**Sasha:** Is only a gentle tap. She can hit much harder."

(Sydney scrambles up and fires back with a jumping enzuigiri, her heel cracking against Payne's temple. Payne stumbles, and Sydney capitalizes, hooking Payne's head and snapping her over with a snap DDT that plants Payne face-first. Sydney covers. Only a 1 count! Sydney climbs the turnbuckles and launches into a missile dropkick, both boots slamming into Payne's chest and finally knocking the powerhouse off her feet. Sydney hits the ropes again, building speed, and nails a running knee strike to Payne's jaw. Payne drops to one knee.)

**Ava:** Reinhard has Payne rocked!

**Sasha:** Rocked, da... but not broken.

(Sydney charges for a second knee, Payne explodes upward, scooping Sydney onto her shoulders in a fireman's carry. Sydney elbows desperately, Sydney wriggles free and lands behind her, shoving Payne chest-first into the corner. Sydney rushes in for a corner splash. Payne steps out and catches her AGAIN, this time lifting her straight into a gorilla press overhead.)

**Ava:** How is she lifting her like that at this stage of the match?!

**Sasha:** Payne has endless battery. Is like Soviet tank.

(Payne drops Sydney from the press, catching her on the way down, and snaps her back across her knee with a brutal Backbreaker. Sydney's body bends sharply before she spills to the mat. 1...2....3!)

**Ava:** An absolute showcase of power from Payne tonight!

**Sasha:** Da. Sydney fought with heart... but Payne fought with spine-crushing efficiency.

**Winner & Triple Threat Title #1 Contender:**  
**Brenda "Bring Da" Payne**

**Global Title #1 Contender Match**

**Rachel Yamazaki vs. "Crazy" Jenny Starr**

(Jenny charges first, swinging wild with a looping forearm. Rachel ducks under and snaps her over with a deep Japanese arm drag. Jenny pops up laughing and rushes again—Rachel catches her with a hip toss, then a dropkick that sends Jenny rolling to the ropes.)

**Ava:** Yamazaki's striking fast and clean!

**Sasha:** Da. She moves like blade. Sharp and quick.

(Jenny fakes a lock-up and dives low, tackling Rachel into a double-leg takedown. She mounts and rains down chaotic forearms. Rachel rolls through, traps Jenny's arm, and transitions into a cross armbreaker attempt, Jenny thrashes free and stomps down hard on Rachel's midsection. Jenny yanks Rachel up by the hair and plants her with a swinging neckbreaker, then follows with a basement dropkick to the side of Rachel's head.)

**Ava:** Jenny Starr is pure chaos in motion!

**Sasha:** Chaos with boots. Very dangerous combination.

(Rachel shakes it off and fires a stiff roundhouse kick to Jenny's ribs. Jenny doubles over, and Rachel hooks her for a snap suplex, rolling through into a second snap suplex, then a third; a full triple-suplex combo that pops the crowd. Jenny staggers up, dazed. Rachel hits the ropes and nails a running knee strike to the jaw, dropping Jenny flat.)

**Ava:** Yamazaki is heating up!

**Sasha:** Da. Jenny looks like she is seeing three Rachels.

(Jenny stumbles to her feet and swings wildly. Rachel ducks, grabs her waist, and launches her with a German suplex, bridging for the pin. Jenny kicks out at two, rolling backward to her feet with that manic grin. Jenny rushes in and hits a jumping knee, then grabs Rachel's head and spikes her with a sit-out facebuster. She covers. Rachel kicks out at two.)

**Ava:** Both women throwing bombs now!

**Sasha:** Da. But Rachel has bigger bomb waiting...

(Jenny drags Rachel up and sets her for her finisher. Rachel slips free, spins behind her, and nails a dragon suplex, folding Jenny in half. Jenny somehow kicks out at two-and-a-half. Rachel slaps the mat, signaling the end. Queen Bee Bomb! 1...2....3!)

**Ava:** Rachel Yamazaki has earned her shot at the Global Title!

**Sasha:** Champion should prepare. Rachel is coming... and she brings the sting.

(The bell rings and Aria Gunpowder starts things off against Gina Colada. Aria wastes no time, blasting Gina with a running shotgun dropkick that sends her tumbling into the corner. Aria follows with a handspring back elbow, smashing Gina against the turnbuckles.)

**Ava:** Aria Gunpowder coming in HOT!

**Sasha:** Da. She explodes like her name says.

(Gina staggers out of the corner, and Aria hits a snapmare followed by a stiff penalty kick to the spine. Aria tags in Rachel van Dorn, who vaults over the ropes with a slingshot senton right onto Gina's chest. Rachel pulls Gina up and hits a Northern Lights suplex, bridging for the pin. Payne storms in and breaks it up with a heavy stomp. Colada breaks away. Gina crawls to her corner and tags in Payne. The powerhouse steps in, and Rachel meets her with a flurry of forearm strikes. Payne absorbs them, grabs Rachel by the throat, and hurls her into the corner with a beal toss that sends Rachel flying across the ring.)

(Payne charges and crushes Rachel with a corner avalanche, then scoops her up into a fallaway slam, tossing her halfway across the canvas.)

**Ava:** Payne is a one-woman wrecking crew!

**Sasha:** Da. She throws people like she is skipping stones.

(Rachel manages to tag Aria, who springboards in with a flying crossbody. Payne catches her. Aria elbows free, drops behind Payne, and hits a springboard enzuigiri that finally staggers the powerhouse. Aria hits the ropes and nails a tilt-a-whirl DDT, planting Payne head-first.)

**Ava:** Gunpowder turning the tide!

**Sasha:** "Da. Even mountain can fall if you hit right spot.

(Gina tags back in, rushing Aria with a running lariat. Aria ducks, spins, and hits a back kick to the gut. Rachel tags herself in, and the challengers whip Gina into the ropes. Gina ducks a double clothesline, rebounds, and hits a double crossbody, taking both challengers down. She scrambles for a pin on Rachel. Rachel kicks out at two. Gina tries to lift Rachel for a Samoan drop, but Rachel slips out and hits a spinning heel kick to the jaw.)

**Ava:** Van Dorn with that precision strike!

**Sasha:** Da. She kicks like she is trying to knock down door.

(Aria tags in again, and the challengers set up for the finish. Gina swings wildly. Rachel ducks behind her and hooks her arms from behind in a full nelson. Aria hits the ropes, rebounds, and leaps into a running blockbuster while Rachel simultaneously drives Gina backward with a Dragon Suplex. Van Dorn bridges. Aria cuts off Payne with a dropkick to the knee, sending the powerhouse crashing to the mat before she can break the pin. 1...2....3!)

**Ava:** "They did it! Dorn and Gunpowder just dethroned the long-time champions!"

**Sasha:** "Da. New champions... and very dangerous ones."

### Triple Threat Title Match

#### Lizzy Robin (c) vs. Huntress vs. Enchantress

(The champion's music hits. But Lizzy Robin never appears. Instead, the tron flickers. Static. Then a shaky camera feed from backstage. Lizzy Robin is down on the concrete, clutching her ribs, surrounded by officials. A toppled lighting rig lies beside her, sparks still flickering.)

**Ava:** "Oh my. Lizzy Robin is hurt! That lighting rig must've fallen right on her!"

**Sasha:** "Da... but lighting rigs do not fall by themselves. Someone made this happen."

The crowd buzzes with confusion and anger as medics rush in. Lizzy tries to stand but collapses again, grimacing.

Commissioner Burna Hama appears on stage:  
"Ladies and gentlemen... Lizzy Robin is unable to compete. This match will now be a one-on-one contest between Huntress and Enchantress for the vacant Triple Threat Championship!"

**Ava:** Well, folks! We're guaranteed a new Triple Threat champion tonight!

(The bell rings and Huntress charges immediately, tackling Enchantress into the corner with a double-leg drive. She unloads with rapid shoulder thrusts, then whips Enchantress across the ring and follows with a running clothesline that flips Enchantress inside out. Enchantress suddenly snaps her fingers and throws a handful of glittering powder into the air. Huntress flinches, momentarily blinded. Enchantress uses the opening to smash Huntress face-first into the steel steps, then rolls her back into the ring.)

**Ava:** That enchanted dust again! How is that even legal?!

**Sasha:** Referee did not see. Magic is tricky.

Enchantress climbs the ropes and hits a diving crossbody, hooking the leg. Huntress kicks out at two. Enchantress pulls her up and goes for a snapmare, but Huntress counters, lifting Enchantress into a back suplex that rattles the ring. Huntress follows with a running knee lift, then a spinning neckbreaker, dropping Enchantress hard.

**Ava:** "Huntress is firing on all cylinders!"

(The bell rings and Sarah B. Money comes out swinging, charging Bandida with a burst of speed and catching her with a running knee to the gut. Bandida doubles over, and Sarah immediately follows with a snap DDT, planting the champion face-first.)

**Ava:** Sarah B. Money is trying to cash in early!

**Sasha:** Da. She invests in violence.

(Bandida rolls to her feet, shaking it off. Sarah tries to keep the pressure on with a clothesline, but Bandida ducks, hits the ropes, and comes back with a flying headscissors, flipping Sarah across the ring. Sarah pops up, dazed, and Bandida nails her with a springboard arm drag, sending her tumbling again. Sarah regroups in the corner and lures Bandida in. As Bandida charges, Sarah sidesteps and traps her with a schoolgirl roll-up, feet on the ropes. The ref catches her and stops the count. Sarah throws her hands up innocently. Bandida answers with a dropkick that sends Sarah spilling through the ropes to the floor. Bandida hits the ropes and launches herself with a suicide dive, crashing into Sarah and sending both women into the barricade. The crowd erupts.)

**Ava:** Bandida putting her body on the line!

**Sasha:** Da. Champion must risk everything to stay champion."

Sasha: Da. She is rolling like tumbleweed in desert.

(Sarah tries to stand. Bandida grabs her arm, spins under, and traps her in a rolling crucifix pin, flipping Sarah over and over before locking her shoulders down tight. The crowd counts along. 1...2...3!)

Ava: What a brilliant rolling pin combination! Bandida retains in style!

Sasha: Da. Sarah B. Money tried to cash out... but Bandida kept the vault locked.

### **Wildfire Title Match**

### **Brenda "Bring Da" Payne vs. Aria Gunpowder**

(The bell rings and Brenda Payne storms across the ring like a freight train, fury written all over her face. She swings a massive lariat at Aria Gunpowder, Aria ducks under and fires back with a rapid-fire combo of kicks to Payne's thigh, ribs, and shoulder.)

Ava: Payne is still fuming after losing the tag titles earlier tonight! She wants to crush Aria!

Sasha: Da. She is angry like volcano. But Aria... she is spark that can make volcano explode.

(Payne absorbs the kicks and shoves Aria halfway across the ring with a single palm strike. Aria rolls through, hits the ropes, and rebounds with a springboard dropkick that finally knocks Payne off her feet. Payne slams the mat in frustration and rises with a roar. Aria tries to keep her distance, peppering Payne with shoot kicks to the legs. Payne catches one, yanks Aria in, and lifts her into a spinebuster that rattles the canvas. Payne drags Aria up and whips her into the corner. She charges for a corner avalanche, Aria slips out and Payne crashes chest-first into the turnbuckles. Aria leaps onto Payne's back, flips over her shoulder, and hits a sunset flip powerbomb.

Payne kicks out with authority, sending Aria rolling backward.

Ava: A move like that, and yet, Brenda "Bring Da" Payne kicks out!

Sasha: Da! Payne is so strong, in my country we say she could wrestle a Siberian bear... and the bear would file complaint to management.

Payne rises and grabs Aria by the throat, lifting her for a chokebomb. Aria counters mid-air with a flying armbar, wrenching Payne's arm back. Payne powers out, deadlifting Aria off the mat and slamming her into the turnbuckles to break the hold.

Ava: Payne's raw strength is unreal!

Sasha: Da. She lifts Aria like she grocery bag!

Aria staggers out of the corner. Payne delivers a lariat across the neck. 1...2...Kickout! Payne backs into the corner, and sizes Aria up again. Payne charges, Aria ducks, and delivers Gunpowder n' Lead out of nowhere! 1...2...3!

Ava: She did it! Aria Gunpowder is the FIRST-EVER Wildfire Champion!

Sasha: Da. Wildfire Betty Red would be proud. Aria fought with fire... and she burned Payne's fury to ashes.

### **Winner and NEW Wildfire Champion: Aria Gunpowder**

### **IWAR Women's Title Cage Match**

### **Gina Colada (c) vs. Aria Gunpowder**

(Aria is still clutching her brand-new Wildfire Championship, breathing hard, sweat dripping, when Gina Colada's music hits. The crowd is buzzing, two title matches back-to-back. But before Aria can even turn toward the ramp Brenda "Bring Da" Payne blindsides her from behind. A massive forearm to the back of the neck sends Aria crashing to the floor. Payne stomps her down, furious, relentless, shouting at her for "stealing" the Wildfire title earlier.)

Ava: "Oh come on! Aria just went through a war!"

Sasha: Da. In my country, we say do not poke the bear. Aria poked Payne twice tonight.

(As Payne continues to maul Aria, the steel cage starts descending from the rafters. The crowd roars in shock as Payne keeps stomping Aria inside the shrinking space. Gina Colada finally appears on the stage; slow, smug, taking her time, adjusting her gear, smirking as she watches her partner soften up the challenger.)

Ava: Gina Colada is letting Payne do all the dirty work!

Sasha: Patience, Ava.

(Referees and security force their way under the half-lowered cage, pulling Payne off Aria. Payne tries to shove them away, screaming that she's not done. Payne reluctantly backs off, but stays right outside the cage, pacing like a guard dog. The cage locks. Aria is battered, barely standing. Gina Colada steps in confidently, circling her like a shark. Gina grabs Aria by the hair and slams her face into the steel mesh. Aria bounces off and collapses. Gina follows with a running knee to the ribs, then a snap suplex into the corner.)

Ava: Aria is running on fumes! She's already wrestled twice tonight!

Sasha: Da. She is running on fumes... but sometimes fumes explode.

(Gina tries to whip Aria into the cage again. Aria reverses and sends Gina face-first into the steel instead. Aria follows with a springboard dropkick off the ropes, knocking Gina down. She climbs the cage wall, trying to escape, but Payne reaches up from the outside and grabs her ankle. Aria kicks at Payne desperately.)

Ava: Payne is trying to steal this match for Gina!

Sasha: In Russia, we call this 'helping friend cheat.' Very common.

(Aria finally boots Payne in the face, sending her stumbling back. But Gina climbs up behind Aria and grabs her around the waist. Gina pulls Aria off the cage wall. Aria twists mid-air and both women CRASH down into the ring with a super back-suplex from halfway up the cage. Both women lie motionless.)

Ava: GOOD LORD! They might have broken each other in half!

Sasha: Da. That was fall of doom. Even Payne looks concerned... maybe.

(Aria crawls toward the ropes. Gina crawls toward the door. Payne screams at Gina to move faster. Gina reaches the door. Aria grabs her ankle. Gina kicks at her.

(Aria rolls through, pops to her feet, and hits a desperation superkick that drops Gina flat. Aria collapses on top of her, but Gina kicks out at two. Both women stagger up. Gina eye pokes Aria, and rams Aria's face into the steel cage. And again. And again. Blood trickles down Aria's face. Gina laughs.)

Ava: Aria is busted open!

Sasha: Da! Blood is shed!

(Gina charges for a running knee, Aria ducks, grabs Gina's head, and slams her face into the cage wall. Gina bounces off, dazed. Aria, bleeding heavily now, wipes her face, looks at her own blood, and snarls. She hits a spinning back kick to Gina's ribs. Then a jumping knee to the jaw. Then a springboard enzuigiri but Gina ducks in the nick of time. Gina hits a Burning Hammer. 1...2....Kickout!)

Ava: Aria Gunpowder is fighting through the blood! Through the pain! Through EVERYTHING!

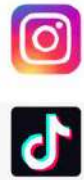

Sasha: "Da! She is like firecracker dipped in gasoline!"

(Gina cannot believe Aria kicked out. Gina picks her up again on her shoulders. Aria fights with elbows. Aria slides off, Aria leaps onto the middle rope, springs off the cage wall, twists mid-air, and hits a cage-assisted Gunpowder n' Lead, smashing Gina face-first into the mat. 1...2...3!)

Ava: Aria Gunpowder has done the impossible! She's bleeding, she's exhausted, but she is the NEW IWAR Women's World Champion!

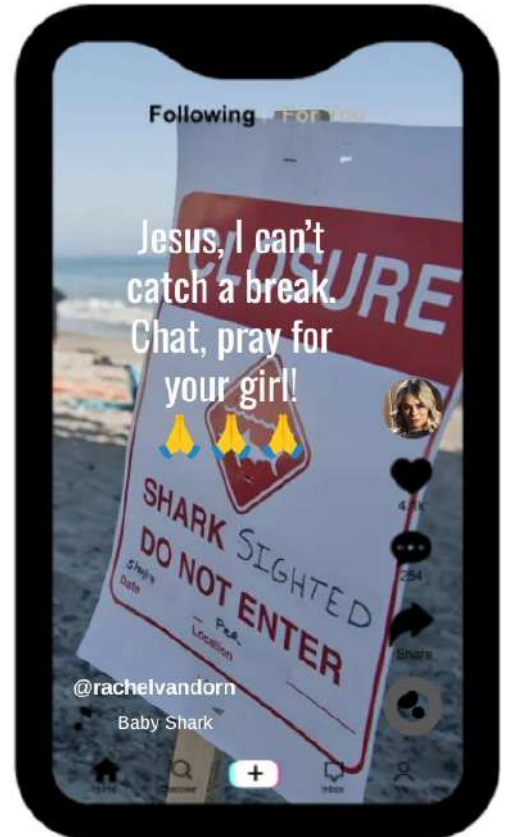

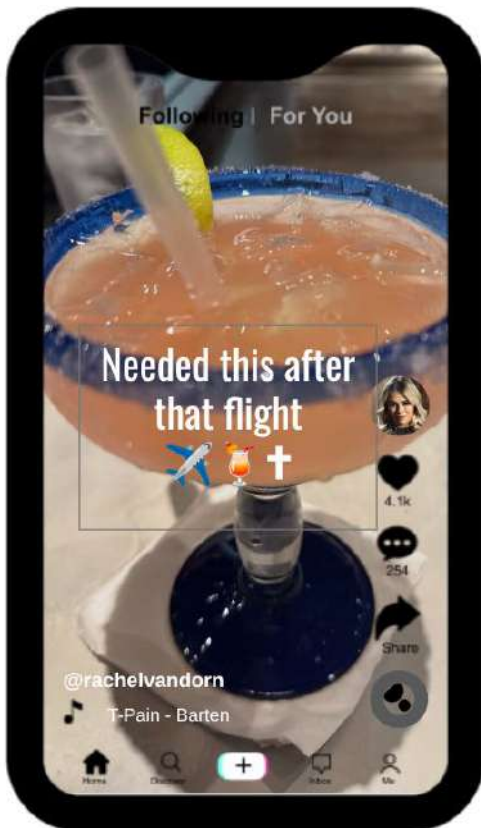

Sasha: Da! Tonight she is not just champion... she is warrior forged in steel and blood!

**Winner and NEW IWAR Women's World Champion:

REPRESENTING THE GUN COLLECTION

Things weren't looking too good for me when I limped into Caged Fury 4. Doctors advised me to sit out the show and let my ankle heal, but that's not who I am. I had three matches that had high stakes. Titles on the line. And our medical staff thought I was going to just sit on the sidelines and watch those title opportunities, Hell no! I showed up and I showed out, and left with three titles!

But for anyone that knows me or knows why I do this knows that I'm a fighter and have been since I stepped into the squared circle. They keep trying to chew me up... but I bite back harder, and I ain't ever gonna stop!

*Most Sin City Championship wins in BWL history*

Hello fans.

Well, it is unfortunate that I did not win the **Wildfire Betty Red Memorial Tournament**, but it was a great accomplishment to make it to the Block A finals. I hope to make next year's tournament a lot different.

Congratulations to **Veruca Salt** for her win at Caged Fury 4 for the Triple Threat No. 1 Contender Title. That is a loss in the Mother Dee record, but I assure you, Veruca knows she was in a fight.

I am very pleased to be in the finals of the **Death Matches Tournament**. This is a great opportunity and part of my plan to show all in the IWA women's division what I am capable of.

Tag and six-woman titles are something I will be planning to investigate more. This will be a good way to see who I can compete with and overall trust in the BWL. Nothing says respect and loyalty, at least for a short bit of time, like sharing some gold.

Fallon Donovan: You know, for now I feel pretty good about how I took on the wrestlers I did this week, and I look forward to finally taking on the ones at the top. I got to see just how I will do against them. They talk a good game of hate, and that's real sad, we should all just look at it as a sport, not a blood sport. I admit I like to slap on a submission hold, but I don't hold on to a real hate grudge.

However, I would not mind having a steel cage match against that Case Walker. That guy is a real clown. Of course, I think Eva Rodriguez is a real clown, but that's for another time. Until next time, God's speed, all of you.
