

KNUCKLE DUSTER NIGHT 2!!

PRE-SHOW

The following is taking place from a CCL live event across town from where tonight's Knuckle Duster Night 2 PPV will take place.

IWA STEEL INTERFED WORLD TITLE!

KAOS KNIGHT (CHAMPION) VS KABUKI DRAGON

Kaos representing STW, and Kabuki representing CCL make their respective entrances as they each receive a warm reception from the crowd. **Brock the Pulverizer**, then makes his way to ringside as the special guest enforcer. He is here to make sure there is no outside interference by either Kaos, or Kabuki's enemies. Also given the nature of his friendship with Kaos Knight, to make Interfed officials happy Brock has agreed in writing that he would not get physically involved in this match or his contract will be terminated! This is a rematch fans have been waiting for after their thrilling encounter at STW Painless last year. It is also worth noting that both Kaos Knight and Kabuki Dragon are pulling double duty today, as following this match up - both will be heading to STW Knuckle Duster Night 2 where Kaos Knight is set to face Lance Rave in a Last Man Standing match, and Kabuki squares off against Drake Roberts! The bell sounds as Kaos and Kabuki shake hands. This is a much different Kaos Knight than we saw the last time he faced Kabuki as he has become more of the man we all knew when he first arrived in CCL. They tie up, as Kaos gets the early advantage with a side headlock. Kabuki counters with elbow shots before pushing Kaos into the ropes and connecting with a dropkick as he comes off. Kabuki goes for the quick cover. 1...NO! Kaos kicks out. Kabuki quickly goes back to work on Kaos as he hits a snap suplex. He goes to the top rope, and comes off with a frog splash but Kaos counters as he puts up his knees. Kaos quickly picks Kabuki up, and drills him with the Kaos Valley Driver, and goes for the cover! 1....2....NO! Kaos went for his finisher early,

but Kabuki kicked out! Kaos doesn't waste any time though as he picks Kabuki back up and whips him into the turnbuckle. The impact sends Kabuki backflipping over the ropes as he amazingly lands on his feet on the ring apron. Kaos charges at Kabuki with a closeline, but gets kicked in the face. Kabuki then grabs Kaos by the head as he suplexes him to the outside of the ring! As Kabuki stands up he is standing face to face with Brock the Pulverizer! However, Brock throws his hands up as he quickly backs away. Kabuki picks Kaos up and rams him head first onto the spanish announce table. He then places him onto the table, before sliding back into the ring, and going to the top rope. Kabuki measures off, and comes off the top rope with a flying elbow drop onto Kaos through the announce table! That move appeared to have hurt Kabuki as much as it did Kaos as the referee is now administering a count. 1....2....3...4....5. Both men Kabuki and Kaos appear to be moving now, as Kabuki slides into the ring at 6. 7....8....9. Kaos is up and limping now, and he slides into the ring just before the referee counts to 10. A count out loss would have resulted in Kaos retaining his championship, but he doesn't want to do it that way which is a true testament to his newfound character! Kaos Knight is a fighting champion! Kabuki is in the corner, as he is still trying to stand up straight using the ring ropes with Kaos doing the same in the opposite corner. Kabuki is up as he charges at Kaos with a Stinger splash but misses and lands face first onto the top turnbuckle post. The impact sends Kabuki falling backwards onto the canvas as Kaos falls back down as well, but manages to drape his arm over Kabuki! 1....2....NO! Kabuki somehow, somehow manages to find the strength to kick out! Kaos sets up breathing heavily, as he wipes the sweat from his forehead. He slowly sets up as he grabs Kabuki up, and slowly hoists him over his shoulder in position for the Kaos Valley Driver, but Kabuki slips out. Kabuki positions Kaos for the Kabuki Driver, but as he backs up the referee catches one of Kaos's boots right in the face, and goes down! Kabuki connects with the Kabuki Driver and goes for the cover, but there is no referee. Meanwhile, Brock is on the outside unbuttoning his shirt to reveal a referee shirt! He slides into the ring and makes the count. 1....2....NO! Kaos Knight kicks out! Both men are exhausted as Brock hovers over them, apparently now making himself the referee in this match. I guess this is legal but remember he cannot touch anyone or he will be fired! Kabuki is the first to his feet as he picks Kaos up and tosses him into the ropes. He goes for a back body drop, but Kaos counters with a knee lift followed up by series of knife edge chops. Kaos continues to chop away at Kabuki, now in the corner of the ring. He whips Kabuki into the opposite corner, before making a charge at him. Kaos misses the Stinger splash just as Kabuki did earlier, which sends him staggering backward right in to the Dragon Sleeper hold! Kabuki has the hold locked in good, as Kaos goes down to one knee. Brock then begins to raise Kaos's arm as it falls. 1....2...NO! Kaos seemingly gets a jolt of energy as he begins fighting his way back to his feet, and he does! However, Kabuki still has the hold locked in. Kaos makes it toward the ropes as he kicks his feet up against them, sending himself falling down to the canvas onto Kabuki in a pinning position. 1...2...NO! Kabuki kicks out as he rolls over Kaos still with the Sleeper hold locked in. Kaos is fading now as Brock once again raises his arm up and it falls. 1....2....NO! Kaos Knight still has fight left in him! Kabuki rolls over Kaos again, seemingly locking in the hold deeper. Kaos Knight is out of it! Brock raises his arm up again. 1.....2....3!!! We have a **NEW IWA Steel Inferfed World Champion!** Brock cannot believe it as he signals for the bell, and kudos to him for actually calling it down the middle! He grabs the Inferfed title from the time keeper before

helping both Kaos, and Kabuki to their feet. Kaos snatches the title away from Brock, as he turns his back walking away to the corner while Kabuki is still shaking off the cobwebs. Kaos holds the title in his hands staring at it almost in a trance like state. He turns toward Kabuki still with the title in his arms, still looking down. The arena has come to a hush silence, not knowing what Kaos Knight is going to do. Is he going to hit Kabuki with the belt? Finally, Kaos looks up at Kabuki and hands him the belt, and they embrace with a hug. Kaos then raises Kabuki's arm in victory while wiping a tear from his eye. Kabuki turns around as he now finds himself face to face with Brock, who is staring him down menacingly. Brock then extends his hand and Kabuki accepts. He then raises Kabuki's arm in victory as he is officially announced as the new champion! Kaos and Brock then exit the ring as Kabuki continues to celebrate quite possibly the biggest win of his career! Let's not forget either, that later tonight Kaos Knight, and Kabuki Dragon will be competing at **STW Knuckle Duster, Night 2!**

Kaos Knight and Brock the Pulverizer are backstage conversing following Kaos's gruelling match against Kabuki Dragon. Kaos is visibly exhausted but surprisingly upbeat despite losing the Interfed title.

Kaos Knight: I just want to thank you, for stepping up tonight and doing the right thing by calling my match down the middle. I needed to know who the better man was, and now I do.

Brock: I know you will bounce back. You are still the STW Champion!

Kaos Knight: Yeah, I still have my match tonight against Lance tonight. I don't know where his head is right now, because I haven't talked to him all day. Bischoff he is trying to create a rift between us.

Brock the Pulverizer: Yeah, he tried to get to me already. Offered me a lot of money to betray you tonight. I told him to stick it!

Kaos Knight: (shakes his head) Typical Bischoff! Brock, you are a true brother. I'm glad you got my back. It's time for leadership change in STW. Bischoff has got to go!

Brock the Pulverizer: Your right, me, you, and Lance. We will stomp out Bischoff, and all his little cock roaches friends if he has any!

Kaos Knight: I see you, brother! (Kaos and Brock do a fist bump and go their separate ways.)

In the parking lot, **Brock the Pulverizer** is making his way toward his vehicle as he prepares to make his way across town for **Knuckle Duster Night 2**. He briefly looks up at the sky as we see a helicopter taking off presumably with **Kaos Knight** in it. However, as Brock enters his vehicle and shuts the door we hear the screeching of tires and a **black hummer** speeding towards him as it crashes right into the driver side door! The hummer backs which has all black tinted windows backs up and slams into the driverside again, before backing a third time and peeling out out the parking lot! The camera quickly cuts to black as EMT's rush to Brock's aid.

STW PRESENTS KNUCKLE DUSTER NIGHT 2!

The show begins as we see Kaos Knight entering the backstage area having just arrived the arena from the other CCL live event that just took place across town, in which he was defeated

by Kabuki Dragon for the Interfed title. Lance Rave is there, pacing back and forth. He immediately informs Kaos what happen to Brock to which point Kaos asks where Bischoff is, because he knows he's behind it and now is "going to kill him". However, an STW producer interrupts them and tells Kaos, and Rave that their match is up first! Kaos says "Are you f----- kidding me?" before walking off.

In the arena, Kaos Knight and Lance Rave make their respective entrances but neither one appear to be in any kind of mood for a wrestling match. Kaos grabs the microphone and apologizes to the fans because this match is not happening! He then calls out Terrance Bischoff for a fight instead. He'll even put his STW title on the line! Bischoff eventually appears on the STW Tron. He (in a somewhat sarcastic tone) apologizes for what happened to Brock, and understands why Kaos might be angry. But he will not set back, be called names, and have his life threatened! Bischoff says as much as he would like to come down there right now and kick both their asses he is going save that for Super Clash because he is going to win it all tonight! Bischoff then questions himself which one he will be facing at Super Clash because this last man standing match is now for the STW Championship! He smiles as he tells the referee to ring the damn bell!

LAST MAN STANDING MATCH FOR THE STW CHAMPIONSHIP! KAOS KNIGHT (STW CHAMPION) VS. LANCE RAVE

The bell sounds. Well this is certainly an unexpected turn of events. Not only is this match kicking off the show, but now the STW Championship is on the line! We already knew beforehand that if Kaos Knight was to win it all tonight he would get to chose his own opponent at Super Clash. Now, we can only assume the same if Lance Rave wins it all as well. Kaos and Rave reluctantly stare each other down, while looking over their shoulders. Let's not forget either, that Kaos Knight has already competed in one match today, as he is less than two hours removed from his match against Kabuki Dragon! However just before they lock up an image appears on the STW tron. It appears that the Black Hummer used in the attack on Brock is sitting outside in the parking lot! Kaos, and Rave immediately bolt from the ring as they make their way to the parking lot together. However, once they get there, there is no Hummer! Instead we see five security guards wielding night sticks! It looks like this was a set up as they are eying both Kaos and Rave! Before Kaos can even react, Lance Rave pulls out a taser gun and jams it right into his back! Rave quickly grabs Kaos by the neck, and yells into his ear. "Surprise mother f-----!" He then shoves Kaos face down onto the pavement as the security guards begins beating the living shit out of him! Rave coldly turns his back, and walks away. He then makes his way back toward the ring, as he leans up in the corner of the ring. Terrance Bischoff then makes his way to the ring, and begins scolding the referee to begin counting Kaos down! The shot cuts back to the parking lot where Kaos is just lying there, quivering on the pavement with his eyes glazed back and blood spewing out of his mouth. Those guards really did a number on him! 6....7....8....9...10! Bischoff grabs the STW title, and hands to Rave to which he quickly catches out of his hands and abruptly exits the ring. What in the hell is going on here? Finally, it is announced. The winner of this match....and NEW STW CHAMPION...LANCE RAVE!!! Rave

stops on the entrance stage, turns his head to the camera, and with a smirky grin poses with his newly won STW title as the crowd showers him with boos!

Backstage, STW correspondent Shawn Rockford is standing by with newly crowned Steel Interfed Champion, Kabuki Dragon. He is feeling a mix of emotions right now. For one, it was one of the biggest moments of his career and the respect he received from Kaos Knight, and Brock the Pulverizer made it all the much better. But then after what happen to Brock afterward, and what just happened to Kaos he can't help but feel a sickening knot in his stomach. Kabuki says Bischoff, and Rave are nothing but backstabbing pieces of garbage. The focus then shifts to his match against Drake "the Snake" Roberts, a quarter final match in the North American title tournament. Kabuki says he is still sore from his match against Kaos Knight, but he is determined as ever. He says is prying for the well being of Brock, and Kaos and is dedicating this match to them!

NORTH AMERICAN CHAMPIONSHIP QUARTER-FINAL MATCH! BRENT FOXX VS "WHITE TRASH WARRIOR" RONNIE WAGONER

Brent Foxx makes his way to the ring accompanied by Morbius, and Johnny Dastardly. The music of Ronnie Wagoner then hits up, but he doesn't come out! Finally after a few minutes the music stops. The shot cuts backstage where we see Ronnie laid out in the locker room! Did someone take him out? In the ring, Brent Foxx "appears upset", while Johnny Dastardly is turning his head and covering his mouth trying not to laugh. That pretty much tells us, they must've had something to do with this! Finally, after some conversation between officials at ringside Brent Foxx is announced the winner via forfeit!

Brent Foxx is "not happy" as he grabs the microphone. He calls Ronnie Wagoner a coward for "faking an injury" to get out of facing him. As he crowd boos Foxx, he tells them to shut up. He came here tonight to wrestle, and showcase why he is the greatest wrestler on the planet! Luckily, because somehow he knew Ronnie Wagoner would chicken out, Johnny Dastardly has a back up opponent lined up for him. Brent then hoists up his HBW Championship, and announces he will be defending it against this said opponent! Johnny Dastardly grabs the microphone, as a group of about eight unknowns decked out in HBW t-shirts make their way around the ring. They are actually changing out the ring aprons and replacing them with ones with the HBW logo on them! Meanwhile, Johnny Dastardly is hyping up Brent Foxx's opponent. He is...MACK N. CHEEZ!! Really? Are you f----- kidding us? Oh yeah, Morbius is apparently the special guest referee!

SINGLES MATCH FOR THE HBW CHAMPIONSHIP! BRENT FOXX (HBW CHAMPION) VS MACK N CHEEZ (GUEST REFEREE: MORBIUS)

Johnny Dastardly joins the commentary table for this match. He hypes Mack N. Cheez to the moon. The bell sounds as Mack throws a punch at Brent Foxx. Brent catches it and takes Mack down to the canvas with an armbar to which Mack immediately taps out! However, Brent is

refusing to break the hold! Tony Stone, Ronnie Ellis, and Sony Rose run down to try and save Mack only to be Chokeslammed by Morbius for their efforts! Finally, Brent breaks the hold as Johnny Dastardly rejoins him in the ring. Brent, Morbius, and Dastardly then pose to a chorus of boos!

NORTH AMERICAN CHAMPIONSHIP QUARTER-FINAL MATCH! KABUKI DRAGON VS DRAKE "THE SNAKE" ROBERTS

STW officials have removed the HBW ring aprons from the previous match, and replaced them back. Roberts makes his way out first, followed by Kabuki Dragon. Kabuki isn't wasting any time either as he slides into the ring and engages Roberts in fistifuffs! Roberts gets the upper hand with a quick knee to the groin, followed by his finisher the DDT! 1...2...NO! Kabuki kicks out! Roberts can't believe it as he begins arguing with the referee over the count. Kabuki rolls Roberts up. 1....2...3!!! Kabuki Dragon has defeated Drake Roberts! Roberts jumps to his feet and argues with the referee again. Kabuki spins him around and nails him with a roundhouse kick to the side of the head! He then picks Drake up and tosses him to the outside of the ring, where he begins uncovering the protective padding at ringside. What is Kabuki thinking here? This is a side to him we are not used to seeing! Kabuki Driver onto the concrete floor! Kabuki then stands up, and poses to the crowd. No sympathy for Drake either, as they feel he got exactly what he deserved! Kabuki makes his way up toward the ramp, and turns toward the camera as he continues to celebrate, while saying into the camera that was for Kaos Knight, and Brock the Pulverizer! He has a fire in his eyes as well. A fire that Brent Foxx should be afraid of as that's who he will now face in the semi finals!

NORTH AMERICAN CHAMPIONSHIP QUARTER-FINAL MATCH! Killer Karl Kowalski Vs. "Flagbearer" Trip Morgan

We have a solid source that says that Trip Morgan has a MAJOR happening in the Trash Talk section! I for one, am VERY excited to see what he has to say or do! Maybe we will get a sneak preview in this Quarter-Final match for the North American championship, tonight against the Grizzly veteran, Killer Karl Kowalski! Kowalski and Morgan with an basic collar and elbow tie up in the middle of the ring. Morgan sends Kowalski into the ropes and they both end up butting shoulders together, with neither man budging an inch. The match goes evenly back and forth and is a classic mat wrestling match, until they both find themselves against the ropes and the leverage takes them both up and over the top rope and onto the floor. As both men fight on the floor, a very pissed off Drake "The Snake" Roberts comes back down to ringside. As Kowalski and Morgan are fighting on the outside, Roberts pushes Morgan away and grabs Killer Karl! Roberts jabs Kowalski in the jaw, follows up with a kick in the gut and then DELIVERS A DDT TO KOWALSKI ON THE FLOOR!!! Drake Roberts drags Kowalski up and rolls him into the ring. Trip Morgan is now on his feet and slithers himself in to the ring. He looks around and takes advantage of his golden opportunity. He grabs and pulls up Kowalski and DELIVERS HIS OWN VERSION OF THE DDT!!! Morgan covers Kowalski and the ref counts....1...2...3!!!! Trip

Morgan advances to the next round and we could very well be looking at the NEXT CCL North American Champion!!!

Backstage, Drake Roberts grabs Shawn Rockford, an STW interviewer

Drake Roberts: You and your clan think you can just get rid of me to your own devices? Let me tell you something, my friend! NOBODY and I mean NOBODY directs me in an exact place nor space that I just don't want to gravitate towards? You hear me, brother? Kabuki Dragon, you may want to use your championship status as a shield, but you have to know my friend, I never give up! Killer Karl Kowalski...I guess I am going to have to make YOUR LIFE MISERABLE....for the time being. You want to file a complaint? File it right here, my man! Right here!!!

“Blood Diamond” Nina Schmitt Vs. Mighty Schmitt (Strap Match)

Both Nina and Mighty Schmitt make their way down to the ring. Terrance Bischoff has made it clear that if EITHER ONE of these two “Throw” the match, they are both fired! They stand in front of each other as the referee straps them in...each locked in to one end of the never forgiving leather strap. The bell sounds and here we go! As in instinct, Mighty Schmitt turns his back to Nina and instructs her to lash him! She raises the strap up, ready to strike him, BUT THEN HOPS UP ON HIS SHOULDER AND WRAPS THE STRAP AROUND HIS THROAT!!! Mighty Schmitt flails his arms as the man IS CHOKING TO DEATH! He may be thinking Nina may pull off, BUT SHE ISN'T!!! Finally, Mighty Schmitt grabs her and tosses her over his head. She is taken over but gets right back up. This time, Mighty Schmitt is up as well! The cameras can't pick up what they are saying, but Nina then goes in for a slap to the face! Mighty Schmitt blocks it and lifts Nina up into an airplane spin lift up! He airplane spins her to every corner and she is able to touch each and EVERY one of the corners! The bell rings and the ring announcer declares that “Blood Diamond” Nina Schmitt has advanced to the Knuckle Duster Battle Royal!!!

****I'm Back” begins to blare up, as Terrance Bischoff** comes down to the ring! He looks at Nina, who has a hungry like a wolf look in her eyes, and then he sees Mighty Schmitt, who has red, bloody red strap marks covering his back and is still trying to gasp for air! Bischoff knows they put on a show, but he claps! Sick bastard!!! He gets in the ring and grabs the mic*

Terrance Bischoff: Damn! Was that a show or a show! I was NEVER going to FIRE them, but I just had to PROVE why I am in charge in this gutter dump company! I mean, if I let everybody do what they wanted, this whole dynasty would be a damn state fair full of Mad Unicorns and **WETZEL'S PRETZELS!!!!** Nina and Schmitt, you're not fired...Damn...who do you think I am...some sort of tyrant or something?! Now, onto more important matters at hand, in a matter of minutes, I am going to FINALLY kick JAZZMAN'S ASS in a PURE HATRED MATCH! Then, I will go on to win Knuckle Duster! Come on, Jazzman....YOU KNOW I DON'T LIKE TO BE KEPT WAITING!

Finally Jazzman walks his way down to the ring!

TERRANCE BISCHOFF Vs. JAZZMAN (PURE HATRED MATCH!)

Jazzman enters the ring and locks eyes with Terrance Bischoff. Bischoff smirks at Jazzman and says, "It's finally time for me to KICK YOUR ASS!!!" Jazzman smiles as the bell rings! As the two begin to lock up, Jazzman pulls a taser out and SHOCKS BISCHOFF!!!! The ref calls for a quick DQ!!! Bischoff is laid out cold! Jazzman then stands over Terrance Bischoff and,....NO...WOW!!!! Jazzman is PISSING ON THE FALLEN TERRANCE BISCHOFF! The camera scrolls down and we can see Jazzman is wearing Black Leather gloves! At least he didn't get his hands dirty!!

WINNER BY DQ: TERRANCE BISCHOFF

***King Butcher (CCL)** is walking around backstage at **Knuckle Duster, Night 2**, when all of a sudden, he comes **FACE TO FACE with King Butcher (AWL)**! The two get face to face and look at each other straight in the eyes.

King Butcher (CCL): So we FINALLY come face to face, eyes to eyes.

King Butcher (AWL):

King Butcher (CCL): Since we are twins, how about a shot of vodka? Or perhaps....a shot of whiskey? Or even better...a full cup of HOT COFFEE??!!

Butcher CCL throws the hot cup of coffee on the face of Butcher AWL! The plastic man made mask begins to melt away!!! Suddenly, after the mask has melted, it is revealed that the **AWL King Butcher is....DAVID MANN!!!!**

King Butcher: I SHOULD HAVE KNOWN IT WAS YOU!!! You never could accept the fact....

David Mann: SHUT UP! You DON'T UNDERSTAND!

King Butcher: I don't have to understand ANYTHING! You portrayed yourself as ME!! Why?!

David Mann: It's true! You don't have to understand ANYTHING! You're Sexy and You KNOW IT!!

Suddenly, King Butcher is attacked from behind! It's **SEXY MANN!!!** That is where all the SEXY and I KNOW IT promos came from, especially at Starrcade!!! Sexy Mann and David Mann then begin to hammer away on King Butcher! They leave him down and broken as they celebrate to the crowd! I guess the answers to the two King Butchers has finally been answered, but what next?!

STW Sheer-Harcove Title!

"Blood Diamond" Nina Schmitt Vs. "Panama City Playboy" Shane Cole

The bell rings And as Nina and Shane begin to lock up, Mighty Schmitty enters the ring and clotheslines Shane Cole from behind! Nina just stands back in the corner and laughs, as Mighty Schmitty just beats the holy hell out of Shane Cole! Shane Cole's Riot Squatters and Rousey

come running out, but they back down as Nina's tigers are unleashed! Back in the ring, Mighty Schmitty delivers a Mighty Schmitty Splash to Shane Cole! Nina follows up with a leg drop to Shane Cole and covers him! The ref counts, ONE, TWO, THREE!!!! Nina Schmitt is STILL THE STW Sheer-Hardcore Champion!!!! Shane Cole stumbles back up to his feet. Mighty Schmitty runs towards him and delivers ONE MORE RUNNING CLOTHESLINE FROM HELL!

~Axeman Vs. Mike Pizzaz (I-Quit Match!)

Mike Pizzaz and Axeman are in the ring. Mike Pizzaz looks at Axeman as the bell sounds. Mike Pizzaz then grabs a mic. "There are big things happening around here, and you know what? "I QUIT!" Pizzaz then pulls out a CPW contract! That's right! Screw YOU, STW! I am now signed with Canadian PRIDE Wrestling!!!

~MAIN EVENT! KNUCKLE DUSTER BATTLE ROYAL FEATURING AXEMAN, NINA SCHMITT, TERRANCE BISCHOFF, AND STW CHAMPION LANCE RAVE

Lance Rave makes his way out first to no entrance music for whatever reason. He takes his time walking quite slower than usual, while looking around the capacity crowd with a Cold, sinister look in his eyes, and the STW title draped over his shoulder. They are furious to say the least for what he did earlier, betraying his supposed best friend to win the STW championship. He finally steps into the ring where he just casually leans up against the corner turnbuckle. Chants of "F--- You Rave" begin radiating throughout the arena, and Rave doesn't even bat an eye! Axeman then makes his entrance, followed by **Nina Schmitt**. Finally, **Terrance Bischoff** makes his way out, and after what happen a while ago he doesn't look to happy! The bell sounds, as Bischoff quickly exits the ring between the ropes. Remember this is a battle royal, the only way to be eliminated is to go over to top rope! It looks like Bischoff is taking a seat at the announce table, while Rave is just standing in the corner like a statue. Axeman, and Nina both have their eyes locked on him, but still it's almost like Rave has gone into a catatonic, and somewhat psychotic like state! **Axeman** sees the opportunity, and nails Nina with a double axe handle! He continues to pound her in the canvas. He picks her up by the hair but she responds with a hook punch that rocks Axeman! She hits him again, and rocks him against the ropes. Nina steps back and charges at Axeman with a closeline, but he responds with a huge lariat! Meanwhile, things are starting to get borderline creepy with Lance Rave in the corner, and Bischoff has not said a damn word on commentary either! Axeman picks Nina up and hits a scoop slam. He now has his eyes locked dead on Lance Rave, and begins to make his approach. However, Nina hits Axeman with a low blow and he falls down in a heap. Now she has her eyes set on Rave, who is finally showing signs of life, "somewhat"! He makes his approach, but suddenly decides to back off, as he steps over the top rope and to the outside floor. What the hell?! Lance Rave just eliminated himself? Why?! Well, he is already the STW Champion with a guaranteed Main event spot at Super Clash. So really, he really has nothing to gain here, besides now he doesn't get to choose his own opponent! Perhaps, he just doesn't care who he faces! As Rave is walking to the back in the same manner he came out, Axeman hits Nina from behind! He is trying to dunk her over the top rope now, but here comes Bischoff for the save! Why did Terrence Bischoff just save Nina from being eliminated? Axeman turns

around, looking wide eyed at Bischoff and immediately Bischoff puts his hands up and begins backpedding all the way over the top rope! Terrance Bischoff just eliminated himself, but was that on purpose or by accident? What the hell is going on here?! From behind, Nina dunks Axeman over the top rope! **"BLOOD DIAMOND" NINA SCHMITT HAS WON THE KNUCKLE DUSTER BATTLE ROYAL!!!** Mighty Schmitty makes his way down to the ring (walking right past Lance Rave), to congratulate Nina with a hug! Meanwhile, on the outside Bischoff is smiling while clapping his hands?! Once again? What the f---?! Turn around Nina! Lance Rave is back in the ring! He and Nina are now standing nose to nose as Rave glares up at the Super Clash banner and finally cracks a smile, a sinister one at that! Bischoff jumps into the ring, still clapping his hands. Was this the plan the whole time? It's almost like you can literally see the dollar signs in Bischoff's eyes as Rave and Nina face off! He stands beside Rave, and finally they turn to face each other and shake hands. Rave and Bischoff were in cahoots this whole time! Suddenly Nina and Schmitty's celebration turns into a moment of uneasiness as they realize Lance Rave and Terrance Bischoff are up to no good. Are we about to see an impromptu tag team match? Rave pulls out the taser gun he used on Kaos Knight easier and begins wielding it at Mighty Schmitty and Nina! But here comes **Jazzman!** It looks like Bischoff was not expecting this as Jazzman stands in the ring beside Schmitty, and Nina. Rave and Bischoff are outnumbered 3 to 1 now, as Jazzman pulls out the taser gun he used on Bischoff easier now, and begins wielding it in front of Rave. What a strange coincidence that they both (Rave and Jazzman) brought taser guns with them tonight! What the...Jazzman turns to Mighty Schmitty and shocks him with the taser as Rave shocks Nina! The crowd is in utter disbelief now, as Bischoff has a huge grin on his face! Was his match against Jazzman just a ruse as well? **Why Jazzman why!?** Rave and Jazzman continue to shock Nina and Schmitty while Bischoff grabs the mic. and mockingly makes sounds into it as if he is getting shocked himself! The crowd has had enough as they are now actually throwing trash into the ring! Finally Rave, and Jazzman decided they have done enough damage. **Rave kneels down onto the canvas in Nina's face as says "See you at Super Clash, BITCH!" before standing back up and posing with the STW title. Bischoff gets on the mic and announces "Ladies and Gentlemen your STW Heavyweight Champion....LANCE F"N RAVE!!!" Bischoff drops the mic, as he and Jazzman now shake hands. This is definitely something that his going to need further explaining as Rave, Jazzman, and Bischoff exit the ring and head to the back.**

Apparently, we still have some air time left as cameras follow Rave, Jazzman, and Bischoff backstage. Shawn Rockford catches up with them.

Shawn Rockford: Terrance Bischoff! Hold up! What the hell did we just see out there?!

Lance Rave: (grabs Shawn by the throat) Is that a way to speak to your boss, mother f-----?! I'll tell you exactly what happen! We gave the fans what they wanted! An underdog winner in Nina Schmitt! You see, she is a role model to all the little brats around the world! Who are going to be begging their parents to buy the pay-per-view because they think she might actually have a chance to beat Lance F'N Rave! Not to mention all the news, and social media outlets are going to be eating this up as something revolutionary. Man vs Woman in the main event for the STW Heavyweight championship! But, the joke is on all them because I am going to be laughing all

the way to the bank with my cut of the profits! As far as Nina goes, she will get her fifteen minutes of fame, or less than that depending on how I feel because when the dust settles the Infamous one will be standing tall...still your STW Heavyweight champion!

Shawn Rockford: Lance, if you don't mind me asking. Why did you betray Kaos Knight?

Lance Rave: (shoves Rockford to the ground) F--- off! (Rave, Jazzman, and Bischoff walk away as they continue high fiving each other.)

They make their way to the parking lot.

Terrance Bischoff: Jazzman, I want to thank you. You are one of the boys now!

Lance Rave: That's right, drinks are on you tonight!

Jazzman: I say, let's go celebrate! (They approach Rave's car which is a two seater) Wait a minute, we can't all three fit in there!

Lance Rave: Well, let's take your car then!

Jazzman: Sure, whatever you say!

(They walk to the otherside of the parking lot toward a black hummer. Wait a damn minute? Is the same black hummer used in the attack against Brock? Jazzman gets in the driver seat, as Rave and Bischoff get in the back. The scene cuts to black as the Hummer drives off!)
