EVIL EYE LEAGUE

COMMISH REPORT

THE STORM REPORT w/ the Mysterious Benefactor

The Mysterious Benefactor began his career in 2006 as a Commissioner/Wrestler in the MBL - named for him, the Mysterious Benefactor League. He later focused full-time on his wrestling career and earned his way into the IWA Hall of Fame in 2024. He now serves proudly as the Commissioner of the Evil Eye League.

Greetings, and welcome to this edition of the Storm Report. I am your Commissioner, the Mysterious Benefactor, and I look forward to working with and blessing you here in the EEL.

Each cycle, I will give the Storm Award to the wrestler that has earned the highest singles strategy in the cycle before and that wrestler will have 5 free scrub matches signed on his behalf.

The winner of the award this cycle is non-other than the cleverly-named **AE: Red Raines** who won the TV Title with a 500 score.

There is also the Evil Eye jackpot. Every cycle 5 matches and \$25,000 is added to the jackpot (if we hit 50 cards, this is doubled).

If someone wins the IWA Hardcore Title, they get 25% of the pot. They win Iron Fed, they get 50% of the pot. If they win the IWA World Title, they will take home the entire prize.

That is all for now. Until next time, EEL, blessings and farewell.

STORM AWARD

5 free scrub matches are signed to:
AE: Red Raines
for having the highest score last cycle.
