## **EWL TELEVISION INTRO — "CLAN MAC DHÙGHAILL ARRIVES"**

The arena lights dim into a deep steel-blue gloom. A low, rolling drone of bagpipes begins to swell, not cheerful, but heavy... like a procession marching through fog.

On the big screen: wind over Scottish highlands. Stone walls. A clan crest forming slowly: CMD.

COMMENTARY (off mic, urgent tone)

"They said the European Wrestling League would welcome the best from across the world... but nobody said anything about this."

"Yeah... and I don't think that's a welcome party coming through the curtain."

The music shifts. The bagpipes sharpen. A war drum begins underneath it.

## **FERGUS MAC DHÙGHAILL ENTERS FIRST**

Fergus Mac Dhùghaill steps out first.

No rush. No theatrics.

Just presence.

The kind of man the crowd doesn't cheer or boo at first... they just quiet down without realizing it.

He stops at the top of the ramp and looks over the arena like it's territory being assessed, not a stage being entered.

COMMENTARY

"That's Fergus Mac Dhùghaill... I've heard whispers about him in European circuits. They said he didn't retire... he just stopped needing to prove anything."

## **ALASDAIR MAC DHÙGHAILL FOLLOWS**

Alasdair follows a step behind. Not subordinate. Not equal. Something more complicated.

A veteran's posture. A man who has seen too many wars to be impressed by noise.

He doesn't look at the crowd.

He looks at weaknesses.

COMMENTARY

"And that's Alasdair Mac Dhùghaill... Fergus' younger brother. If Fergus is the law... Alasdair is what happens when the law gets enforced."

## **SECOND GENERATION ARRIVES — THE BLOODLINE**

The tone shifts again. Younger energy. Controlled. Focused.

## **ANDREW MAC DHÙGHAILL**

Andrew steps out first of the second generation.

Not loud.

Not showy.

But the crowd reacts anyway.

There's something about him that feels like the beginning of something that won't be stopped once it starts.

## **DAVID MAC DHÙGHAILL**

David follows, slightly behind, scanning the arena like it once tried to break him... and failed.

There's grit in every step. Not polish. Not perfection. Survival.

## **MALCOLM MAC DHÙGHAILL**

Malcolm steps out with a different kind of silence. Not absence of sound. Control over it.

The crowd noise feels like it belongs to him, not the other way around.

## **MAGNUS MAC DHÙGHAILL**

Magnus appears... and the temperature of the arena changes.

Not metaphorically. Visibly. Heads tilt up. Cameras struggle to frame him. He doesn't pose. He arrives.

## **CALUM & EWAN GREGOR — THE TAG TEAM**

Calum and Ewan Gregor walk together.

One scans the crowd like it's math.

The other reads it like a strategy board.

No wasted motion. No wasted attention.

They don't look like they're entering a fight.

They look like they've already solved it.

COMMENTARY (lower, serious now)

"...This isn't a debut."

"This is a declaration."

"They didn't send a team to EWL..."

"They sent a clan."

FINAL SHOT

Fergus raises a hand slightly.

Not a wave.

A signal.

The entire family stops at the top of the ramp beneath the CMD crest burning on the screen.

FINAL LINE (COMMENTARY)

**"Clan Mac Dhùghail... in the European Wrestling League."**

**"...And I don't think EWL is ready for what 'bloodline' really means."**
