Let's Have Fun

Hi fans, it's your Wild Little Indian Gal here saying boy is this going to be a wild time here in the FIL with all these new wrestlers here now. Now don't get me wrong, I love that we have more wrestlers here, but it's going to be hard on all of us too.

Now we do need more women here in the FIL, if we are going to get a women's title for us to play for at this time. So I just want to have fun and see what these other wrestlers have and bring to the game of wrestling in the FIL.

Now I am not sure if we women need to mix with the guys or just stay with the ladies. But Paulina Little Feather is going to do what she has been doing all along, and that is just have fun. I will wrestle anyone, no matter how big or little they are, be it man or woman too.

I just want to give the FIL fans what they came to see – great matches.

Just Want to Have Fun

Hey guys, I am Tinkerbelle, the new woman in the FIL, and I am so happy to be here now. You see, I am a tag team wrestler, so to be here when they start a tag team part is awesome. I found a new guy to tag with for now, and boy is he a great guy too.

When the Dark Scorpion asked me to tag with him, it scared me, for I have only tagged with another woman before now. But we hit it off great and won the League Tag Team titles. It was awesome. Now I know that we put a bullseye on our backs by winning them belts. I just hope that if the FIL makes World Tag Team titles, we get a chance to win and wear them for the FIL fans.

We both want to win Tag titles of any kinds and just have fun while we are doing it. Also, we want to give the FIL fans some good matches to watch too.

A New Home

Well folks, I am the new guy in the FIL, Chief Moose Crossfox, but I'm not new to the IWA. I have been in four other leagues with mixed results, but I hope that I can make the FIL my home now. We will see.

Now I know that there are good wrestlers here, so it will be no walk in the park for me, which is what I am looking for here, and also titles. It's been a while since I have held a belt in my hands, and that's what I want most of all.

Now that FIL has new wrestlers in it, how about showing us the titles and the champions here now so we know what we are playing for. We all want to see the belts and what they look like. Thank you.

I hope we can see more women in the FIL soon, and I will see everyone in the ring soon.

The Real World Champ is Here Now FIL

Wow, look who is back running my big mouth here in the FIL now, that's right fans, Motormouth Brodie Piper. I get to run my mouth and make trouble to any and all wrestlers that I want to, and boy am I good doing that one.

Holy crap, there's lady wrestlers here in the FIL. Catfish Rob didn't tell me that one. They didn't have women in the FSL where I used to work, so this should be fun. I know two of these ladies, and they will kick your butt if you mess with them.

Now folks, I love to win titles when I'm not getting folks in trouble. Hell, I am an ex-IWA World Champion myself. I came here for one thing and that is the FIL World title and to cause trouble. Now fans, if you see me at shows, come up and talk to me, for I love to joke with you all at the shows.
