Badger Brookens

"GAL Climax has come! The tournament got underway - **Rika, Takoda, & Carissa** have gotten off to great starts. After the blocks are finished, the top two point scorers in each block will go to the semi-finals next cycle, with the winners heading to **Hot GAL Summer** and a chance at 25, wait, I'm being told the folks from Initech have upped that to **50 Free GAL matches!**

"**Rika Roberts** looks to stay hot by taking on **Roseanne** this tour for the Queen of the Amazon title. Remember, whoever leaves as the Queen will defend the title against **Carissa Owens** and maybe others at **Hot GAL Summer**. Like I've said before, the only thing better than two girls at once is three!

"**Takoda Reznik** again defended the Boom Boom Belt and held onto the Deadly Divas title with **Margaux**. Oh, she also took home an additional \$15K for winning the Jackpot. The Arrow Club keeps on winning - maybe they do run the GAL?

"Thanks for the uptick in TT - it makes everything more fun. Remember to make your challenges for **Hot GAL Summer**. The office is hoping we can get **Tany Roja and any other newcomers or former 'franchise' players** all set for our big event. Remember to stay cool with all the hot GAL Action!"

tl;dr: Climax has started. Roseanne vs Rika for the QotA. Again, Takoda wins the jackpot - AC retains DD. Hot GAL Summer update. Tany Roja on her way.

3. The commissioner will not sign matches for this belt and there is no additional prize for winning the titles. The titles will *a/ways* be up for grabs at the **GA**lentine's Day PPV, with the previous year's tournament winners getting a bye into the second round.

Takoda Reznik: “Hey, **GAL** fans, I’m still your **Boom Boom Champion**, and I took home the jackpot again. Margaux and I are still undefeated as your **Deadly Divas Tag-Team Champions**. Who says the **Arrow Club** doesn’t run this place?”

Margaux Nizhoni: “It certainly ain’t the **BOOZE GRRRLZ**. You already took out **FALLON LUNA** in the **Climax Tournament**. And, **AWILDA KLEINSTEINER** can’t even decide on a tag-team partner.”

Takoda Reznik: “Not gettin’ anywhere with a lack of team chemistry like that. Now, let me just say congratulations on winning back-to-back Battle Royals. No simple feat.”

Margaux Nizhoni: “Thank you, and, while we’re at it, we should give a shout out to **WILD CACTUS** for joining us in a **GAL TV Six-Woman** title match. She really held her own in the ring.”

Takoda Reznik: “She sure did. Now, as for my next Boom Boom title match, **BIG MAMA MAE**, I hope it is you because that match’ll be over easy... then you can retire a **Big Pile of Rotten Eggs**. You already stink up the locker room.”

Margaux Nizhoni: “Is that what that was? I thought you let one go. That’s why I didn’t say anything.”

Takoda Reznik: “That was kind of you. Thank you.”

Margaux Nizhoni: “I’ll tell you one thing, I’m getting tired of beating on the **ROSE SISTERS**, the **JAMES**’s were never anything anyway, and the **VAN CHAOS** girls have given up on tag-team wrestling altogether. **GAL** needs some new blood... some real **Pryme Tyme Playerz** who can bring a serious challenge.”

Takoda Reznik: “I just don’t see it happening. We gotta face it, there’s no serious challenges on the horizon. We’ll have to make do with the **BOUVIER SISTERS**. I won’t even mention the **WINTER GREEN** team.”

# BOOOO GRRRLZ

## Fallon Luna

“Feel like we are still in a rut, maybe it’s time to change up the look a little bit. **Takoda**, you had my number in the Climax Tournament, but now I need you to take out Rika and win so I can make the semi-finals. I’ll be in the **Boom Boom Belt six-way match**, but I think if I get you knocked out, I’m going to let my girl **Awilda** take that belt - I still have my eyes on the Queen of the Amazon, but my auro right now isn’t at a level to challenge for that.”

## Awilda Kleinsteiner

“Now is the time for me to go after the **Arrow Club!** Ve are ready to take you out for the **Deadly Divas** titles! I know that I can take you on for the **Boom Boom Belt** too, yeah? Having some belts going into the summer would be great.”

“Speaking of the summer I don’t have a dancing partner is that how you say it, for the Hot GAL event. I see a lot of newcomers here, maybe one wants to test themselves against me? Are you verrückt enough to take me on? Take on me? I have some shot to win more championships, I need to win to help us get back to the top.”

## Sara Stone

“**Big Mama Mae**, I see you accepted my challenge. I have been in the gym doing my different strength exercises - but first we will meet in the ring! But the rest of you don’t worry, I’ll have my girls back - we are ready to be on top of the league once again.”

*[An old barn door creaks open to the warm Tennessee dusk. **Belinda James** stands alone under the rafters, the light catching dust in the air. She's in denim, her knuckles taped. There's no crowd, no music—just her and the silence she's earned.]*

**Belinda James** (soft but steady): “Y’know, I never figured it’d come to this. You and me, **Peggy**... We came up the hard way. State fairs, muddy lots, and tin-roof gyms with no A/C. We took the long road. We earned everything. And now... it ends like this?”

*[She leans on the ropes of an old ring, jaw set.]*

“You didn’t just swing a fist full of nickels at me—you swung it at everything we built. At the respect, the sweat, the bond we had. And you know what burns most? It ain’t the bruise you left on my cheek... it’s the one you left on my name. I ain’t fightin’ for revenge, **Peg**. I’m fightin’ for who I am—what I still believe this business can be. And when we step into that ring at **Hot GAL Summer**, there won’t be no bells or whistles. No tricks up sleeves. Just you... and me... and the truth.”

*[She points to the dirt-stained mat.]*

“One of us leaves the GAL for good. And I don’t plan on packin’ my bags. *[Pause.]* So come loaded, sweetheart. Bring all the hate you can carry. But don’t forget—I was born in this mud, too. And I fight just fine with both boots planted in the dirt.”

*[Office of Interim Commissioner **Badger Brookens**. Fluorescent light hums overhead. The walls are lined with old GAL posters. Badger sits behind a scratched-up desk, arms crossed, watching as **Peggy Paycheck** storms in, fists clenched, boots thudding on linoleum.]*

**Peggy Paycheck** (snarling): "You gonna just sit there with your arms crossed like some gas station Buddha, or are you gonna do your job?"

*[She slams both fists down on the desk—papers scatter like leaves.]* "**Badger**, I built the **Mudboggin' Honeys**! I carried **Belinda James** from the bingo halls to the big stage. And now she's runnin' around actin' like I'm the problem? No. No, sir. That ain't how this plays out."

*[She leans in, nose to nose with the commissioner.]*

"She wants to cry victim? Let her. But I ain't gonna let her drag my name through the red clay without answerin' for it."

*[She pulls a match contract from her coat, slaps it on the desk.]*

"I ain't askin' you. I'm tellin' you. Make it official—Loser Leaves GAL. **Hot GAL Summer**. One night. One match. One of us walks away... the other don't come back."

*[**Brookens** stays quiet. **Peggy** glares, then pulls off her sunglasses, fire in her eyes.]* "You give her a chance to play the hero. I'll give her a reason to regret it. And when it's done, when I send her cryin' back to that nowhere town with her tail between her legs? You remember who put this place on the damn map."

*[She turns to leave, then glances back, smirking just enough to cut glass.]* "You want drama, Commissioner? Well... congratulations. You just got yourself the main event."

*[Dim locker room. One lone bulb swings overhead. **Big Mama Mae** stands in front of a row of dented lockers, hands on her hips, her **Mudboggin' Honeys** jacket slung over her shoulder. She's not dressed to wrestle—just boots, denim, and a scowl that could split oak.]*

**Big Mama Mae** (low and steady):  
“Peggy and **Belinda** ain't the only ones lookin' to settle things at **Hot GAL Summer**.”

*[She steps forward, eyes like steel under brimstone.]*

“**Sara Stone**... You've been flappin' your gums about bein' the strongest woman in the GAL. Walkin' tall, talkin' louder. And now you wanna test yourself against **Big Mama Mae**?”

*[Mae cracks her neck slowly, then smiles—not warm, but earned.]*

“Darlin', I been liftin' hay bales since before you could spell protein powder. I built this frame on cornbread, hard work, and a stubborn streak a mile wide. You may be muscle, but I'm grit. And grit don't quit.”

*[She takes off the jacket and folds it gently on the bench.]*

“You want a throwdown? You got it. But when it's done—and your shoulders are pressed to that mat with all 250 pounds of Tennessee truth holdin' you down—don't you dare act surprised.”

*[Pause. She points to the camera like she's pointing through it.]*

“You thought steppin' over me would make your name louder. But all you did was give me a reason to shut you up.”

COMING SOON TO THE GAL

CASEY

*(Late afternoon in Chillicothe, a small Ohio town. Main Street is quiet. An old bench sits outside the corner diner. The American flag flutters gently in the breeze. **Casey** sits, former U.S. Six Woman title across her lap, sipping lemonade from a mason jar. Her boots are dusty, her smile kind but steady)*

**Casey** *(sweet and steady)*: “Ain’t that the sweetest thing... Watchin’ the fire and fury of GAL from right here in the shade, feelin’ the wind change. See, I’ve been keepin’ my eyes on it all—every match, every feud, every last moment that makes this place

what it is. And sugar, I gotta say...”

*[She leans forward, gentle but serious now.]*

“...the GAL’s got some mighty fine talent. But there’s somethin’ missin’. A little heart. A little hope. A champion that don’t just raise a title—but raises the people watchin’ at home.”

*[She gently taps her own championship belt.]*

“I earned this with kindness, backbone, and a whole lotta faith in the folks that believed in me. Now I’m bringin’ all that and more to the GAL. Not to step on toes—but to step up. And if the timing’s right after Hot GAL Summer, well...” *[She stands up, soft wind brushing through her hair.]*

“...I might just be the breath of fresh air this place’s been waitin’ for. So keep your eyes open, y’all. ‘Cause **Casey**’s comin’—and I’m bringin’ sunshine with me.”

DOD ladies

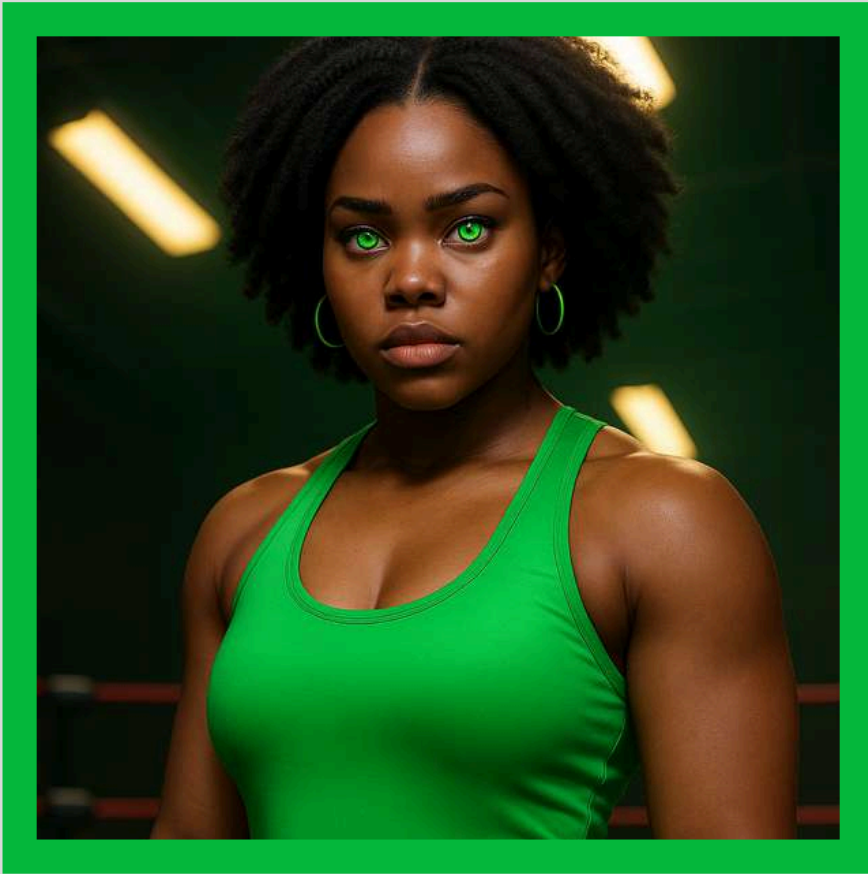

### DOD Ladies

“Hi ladies, it DOD: Selene Bloodrose here saying I will represent DOD in GAL Climax this time, so wish me luck, DOD fans.”

“The Roses-Sunny and Sky are here saying we have only tagged together for a short while. We have already had some good luck in winning some Tag Team gold here in the GAL and IWA too.

“We have the GAL Deadly Divas Tag titles right now, and we have won the GAL front page Tag titles too. Also, we have won in the IWA to where we won IWA US Women's Tag titles too. That's two of our goals that we have met, but we still have a few more to get too.”

“Sunny here saying I'm not going to be a Tag wrestler all the time, for I have some Singles goals too. I still want to be an IWA Women's US or World Champion too and maybe an IWA World Tag Team Champion also one day. I want to thank both the GAL and DOD fans for hanging with us DOD ladies. We love you all.”

*mean*  
*jean*  
GREENE

Sup, GAL. Mean Jean here again. Still mean, still not big on all the lights and drama, but I get it — you all want a little noise with your fights. So here I am.

Let's talk about these **Horse Girls**. Yeah, I know they call themselves the **Arrow Club** but I do not care. They have belts, they run their mouths about quests and kingdoms or whatever, and everyone claps along. Good for them. I do not really have a reason to hate them but I figure I need to pick a fight somewhere. May as well be the loudest stable in the room.

Me and **Alexa Winters** are not here to pose for posters. We are here to win matches and stack up gold. She fights clean, I fight mean, and together we will shut these Horse Girls up when we feel like taking those tag belts.

Until then, keep watching. Keep talking. I will be right here, dropping people on their heads and cashing the checks. If the Horse Girls want to neigh about it, let them. I will still be standing when the bell rings.

# Ursula van Chaos

Listen up, GAL. It is **Ursula Van Chaos** and I am not here to play nice. Last cycle was supposed to end with gold around my waist but instead I got nothing but excuses and bad calls. So now I am angry and someone is going to pay for it.

I see that **Rainbow Rika Roberts** thinks she is safe behind that French Quarter belt. She is not. I am coming for it and I do not care whose block I have to smash through to get it. Same goes for **Sultry Selma** and that little Femmes Fatales trinket she hides behind. You two better sleep light because I am going to tear through this roster until you hand me what is mine.

This league loves a villain and I am more than happy to be exactly what you fear at night. Keep your heads down if you want to stay in one piece. I am in a bad mood and it is going to get worse before I am done.

# Evi van Chaos

Hey GAL. It is **Evi Van Chaos** checking in. Now, I know my sister Ursula is on a tear and I love her for it. Me? I prefer a smile and a handshake — until you give me a reason not to. I fight clean when I can and I fight dirty when I must. Fair is fair, but winning is better. So bring your best, bring your tricks, bring your big words. I will do what I do and walk out with more gold than I walked in with. See you soon.

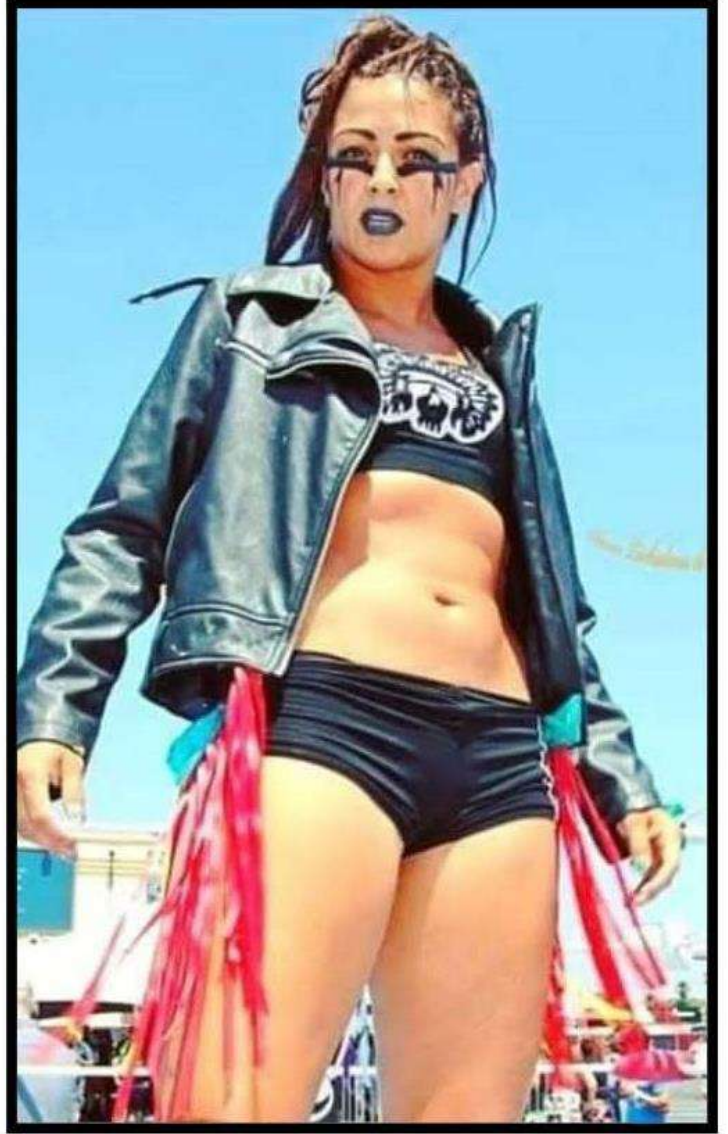

# Deadly Divas

## **TIM CLARK MEMORIAL TAG-TEAM TOURNAMENT**

The Commissioner of the Action Packed League, Carter Matthews, Ph.D. is holding a special event to honor the memory of our late, great friend and fellow IWA player, manager and commissioner, Timothy L. Clark who passed away earlier this year.

The Tim Clark Memorial Tag-Team Tournament will be held in the APL of the Diamond Federation starting July, 2025. It is open to all IWA tag-teams whether currently in APL, newly formed for APL, or transferring into APL.

The winning team will receive an engraved plaque, 50 Free Matches and \$100,000 in Imaginary Money. All other teams will also receive prizes based on when they are eliminated.

Note: APL Trash Talkers also receive 3 Free Matches each cycle that they submit Trash Talk... and Trash Talk for this event is strongly encouraged.
