# GAL Commissioner's Report

April 2026 Edition  
(GAL #111)

Interim Commish  
Badger Brookens

“First, **Takoda Reznik** made us all proud by winning the **Ladies US Title!** We’ve all known how good she is for a long time, but now the rest of the IWA knows as well!”

“Congrats to **Spring Break Beach Bash** winner **Jean Greene!** That’s a big win and is a great kickoff to the nice wether and our round the **Hot GAL Summer!** This year at Hot GAL summer, we are going to have **Pandora’s Box** again! So if you know anyone from another league that you want to call out, set it up for this summer!”

“In other league news, **The Arrow Club** has won the **Rose Gold Tag Titles.** Now what I really want to see is them take on **Eva Nescence and Sophie O’Sullivan** in some sort of series, as they have separated themselves from the pack here in the GAL- or maybe there is someone they have in mind for HGS?”

“This tour, **Lynda Prince** makes her first **Queen of the Amazon** defense against **Candy Starr.** Candy has been doing her best to get out the shadow of her sister in the PDL. Will she win the Title, or will **Lynda** continue **LA Express’s** hot 2026? We will see this tour! Remember to keep that Trash Talking coming and if you have ideas, let us know!”

TL;dr: Takoda wins US title, leads WotY standings, & retains Boom Boom. Jean wins Spring Break. Keep TTING and let us know ideas you have for Pandora’s Box II

# Trash Talk Review with Alyssa Blaze

“Ugh! Milt took vacation right before taxes were due. Let me get through the TT review after that all-nighter. And this McDonalds in Willowick is horrible.”

**The Arrow Club** called their shot and delivered in taking the **Rose Gold** titles from **Candy K**. They still said they wanted to beat the **WAI** ladies for the Tag Titles. **Takoda** said she will continue to beat everyone to retain the **Boom Boom Belt**, including **Nookie**, while **Margaux** said **The Wrath** looked deranged.

**Angelina Romanov** recounted her ascent back to the top of the league, remind us of her past championship in 2021.

**Tany Roja** reiterated their goal to get as much gold as possible and saying that she was ready to face the jealous **Carissa Owens** at anytime in any place.

**The E&M Express (Marsha Ello & Elva Dean)** said that they are not content with their current achievements and they want more belts, saying the competition in the GAL is top notch, but they will be successful.

**Nookie's** swimsuit feature article said how Fallon and Awilda help her and that she still wants the Boom Boom belt from Takoda

**Fallon & Awilda** get ready for Sprig Break and both talk about stepping it up against the likes of **the Wrath** and **LA Express**.

# HR Updates with Milt Hunter

For the **Boom Boom Belt Qualifiers**, I told Badger to put in people who had been TTING, but remember if you win the belt you need to TT to keep it. I need another Margarita with no salt!”

**ROSE • GOLD  
CHAMPIONS**  
**TAG TEAM**

"Shadow Mare" Takoda Reznik

"Wildheart" Margaux Nizhoni

**ARROW CLUB**

**Takoda Reznik:** “As I said a few weeks ago, I beat them all anyway... and this Women’s U.S. title is all the proof I need.”

**Margaux Nizhoni:** “My friend, you’ve got nothing to prove... but we, as a tag-team, do. Even though we defeated Candy K for these very beautiful Rose Gold Tag-Team titles, we weren’t able to pry the GAL Tag-Team titles away from Eva Nescence & Sophie O’Sullivan.”

**Takoda Reznik:** “I don’t know how our match with them devolved into such chaos so quickly. I mean, a double-disqualification in less than 2 minutes... how does that even happen?”

**Margaux Nizhoni:** “I don’t know, but it did, and it was such a missed opportunity for us. We can’t let that happen again.”

**Takoda Reznik:** “I say we make this one winner take all. We either take the belts... or we tip our hats to the better team.”

**Margaux Nizhoni:** “That sounds like the way to play it, but let’s make sure that history never forgets the name... **Arrow Club**.”

**Takoda Reznik:** “Definitely. **All Day and All the Way!**”

**Margaux Nizhoni:** “Tell ‘em about the **Boom Boom**.”

**Takoda Reznik:** “Ah, the **Boom Boom**. Everybody wants the **Boom Boom**. Nookie is the latest to declare her desire for the **Boom Boom**, but, of course, she failed to take it. She should have deployed that Secreter Weapon she’s always going on about. **Boom Boom** is mine, and that’s the bottom line... because ‘**Shadow Mare**’...”

**Margaux Nizhoni:** “Let’s not go there.”

**“Wildheart”**  
**Margaux Nizhoni**

**“Shadow Mare”**  
**Takoda Reznik**

(easy grin, adjusting the hat) "Now Fallon Luna... I gotta hand it to you, you've collected more gold than a bad poker game on a Saturday night. Queen of the Amazon...titles stacked up like fence posts... and you wear 'em like they're supposed to impress folks.

But here's the part that makes me smile...For somebody with that many crowns, you sure do spend a lot of time not talkin' about the one thing that still clearly bugs you.

That **Undead Bride**.

And while you're busy actin' like you've got it all handled, she's still sittin' up there rent free in your head, probably kicked back, feet up, smilin' like she ain't goin' nowhere.

Now don't worry... I ain't here to haunt you. I'm just pointin' out you've got **Lynda Prince** standin' right in front of you, another fight, another chance, and instead of facin' her head-on, you're busy lookin' over your shoulder at ghosts. Queen of the Amazon... or not... you can't rule a thing if your mind's already been claimed by somethin' you ain't finished with.

Me? I just came to see if Fallon Luna can deal with what's in front of her... or if she's still stuck fightin' what's behind her."

*(From the Graveyard League) The Undead Bride, “Fallon...tsk, tsk, tsk, still making excuses, I see. Worried about Lynda Prince, while convincing yourself I’m off somewhere getting “fixed.” How precious. Focus on your match, dear... you’ll need what little strength you have left. Toodles.”*

# DOD: Tany Roja

It is time to simplify things for myself and others in the GAL. From this point going forward, I want to let **Elva “Nightmare” Dean** and **Marsha “Deranged” Ello** know that they are ready to go on their own in the GAL. This means we will always be a family, but we all three need to do our own thing and head down our own roads, so be it tag or singles, whatever feels right will be what we should pursue individually.

I need to concentrate on my singles career, and I feel good saying this because **Elva and Marsha** have shown they no longer need my daily training. However, I will always be there for them, but I am going to concentrate on singles. That said, I now need to speak to the one and only, who is probably very lonely, **Carissa Owens**.

A PPV is coming up called **Spring Break**, and I think Carissa and I need to have a match that is just us, no one else, maybe in a cage or a jail cell, because I know someone who had one of those before, and it was fairly cool. This way, we can share our mutual disdain, and it will be just her and me, and the beating and destruction we definitely want to put on one another will be a one-on-one situation. So, how about an **I Quit match** just so everyone, by that I mean all Carissa’s fans, can hear the loser give up, and there is no question as to who is the better senorita.

*(The arena lights shift to a deep violet. A thunderous drumbeat echoes as three towering silhouettes step forward — Hyrrokkin, Hel, and Angrboda — each radiating raw, mythic power. The crowd quiets as their voices cut through the haze.)*

**Hyrrokkin:** “You’re looking at the giants of this league — the women who shake the earth when we walk. We don’t just dominate... we redefine domination. Every team that’s dared to face us has crumbled under our strength.”

**Hel:** “Life, death, victory — all of it bends to our will. We don’t need luck, we don’t need mercy, and we certainly don’t need permission. We are the Gorgeous Amazon League’s past, present, and future. Three warriors... with the force of six.”

**Angrboda:** “You think you’ve seen power? You’ve seen *nothing*. We are the storm that breaks your confidence, the nightmare you can’t outfight, the wall you can’t climb. We don’t just win — we overwhelm, we outlast, and we outclass.”

*(They step forward together, shoulders squared, eyes blazing.)* **All Three:** “We are the dominant six-woman team in the Gorgeous Amazon League — because each of us fights with the strength of two. Challenge us... and watch your hopes fall.”

Backstage, the camera catches Carissa Owens pacing, fired up, while Belle James stands leaning casually against a production crate, completely unfazed.

Carissa jabs a finger toward her. “You walked out. You and Alexa just *left*—and I’m still here, still winning, still carrying myself without you.”

Belle smirks. “Winning? That’s cute. We’ll see about that.”

Carissa scoffs. “No, we’re seeing it *right now*. You abandoned me and I didn’t fall apart—I got better.”

Belle pushes off the crate, stepping closer. “Meanwhile, Alexa’s winning more with the Elo girls than she ever did with you. Funny how that works.”

That lands. Carissa’s expression tightens.

“Maybe,” Carissa fires back, “it says more about you than it does about me. Maybe it’s time for you to hang it up, Belle. Stop pretending you’re still what you used to be.”

Belle’s smile fades just a bit—not hurt, but sharper now.

“... We’ll see about that.”

They stare each other down for a long beat, neither blinking, neither backing up, the tension thick enough to cut.

Carissa finally mutters, “Yeah. We will.”

As the girls stare at each other, the tension smoldering, Byambasuren Biligbataar wanders into the frame. His eyes widen. He casually backs out of the frame.

“Byamba, what you thinking?” shouts Professor Medved. “I just told you to carry luggage for Belle! You not under contract here!”

## **L.A. EXPRESS -- ANGELINA ROMANOV AND LYNDA PRINCE**

*GAL reporter Alyssa Blaze, microphone in hand, approaches Angelina Romanov and Lynda Prince in the interview area. Angelina is holding a small American flag, waving it lightly at her side. Lynda stands tall beside her, arms folded, composed and regal.*

**ALYSSA BLAZE:** Angelina, I have to ask — what is with the flag?

**ANGELINA ROMANOV:** I will tell you exactly what it is about. My BURN brother Hacksaw Jed Duggan just won the Steel Federation championship. He went through every league champion they put in front of him and he did not stop until that belt was around his waist. Jed waves his flag for America every single time he walks to that ring. So today I wave mine for him. He earned it. Congratulations, Hacksaw. BURN is proud of you.

*She gives the flag one firm wave and then tucks it under her arm, her expression shifting to something sharper and more focused.*

**ANGELINA ROMANOV:** Now. To our business here in the GAL.

**LYNDA PRINCE:** Eva Nescence and Sophie O'Sullivan. We want those tag-team championships. I want to make sure that is perfectly clear, because sometimes in this league people talk around what they want and leave things vague. There is nothing vague about where Angelina and I stand. We are coming for the titles and we are coming for the two of you.

**ANGELINA ROMANOV:** I have competed at the highest level in the world. Olympic competition. The kind of pressure that breaks most people before they ever step onto the floor. I have stood in front of judges and crowds and performed when everything was on the line and I delivered. Every time. That does not go away when I step into a wrestling ring. That only gets sharper.

**LYNDA PRINCE:** And I have been in battles in this league that would have finished lesser women. What Eva and Sophie have built as a team is real. I am not going to stand here and pretend otherwise. They are champions for a reason.

She pauses, and when she continues her voice is measured but absolute.

**LYNDA PRINCE:** But a reason is not a guarantee. Championships change hands. And when L.A. Express decides it wants something, we do not stop until we have it. Ask anyone in BURN. Ask anyone in this league who has stood across the ring from us and walked away knowing they were in a fight.

**ANGELINA ROMANOV:** Eva. Sophie. You have been very good champions. We respect what you have done with those belts. But Angelina Romanov and Lynda Prince are coming, and when we get our match, we will show this entire league exactly what L.A. Express is capable of.

*She glances down at the small flag and then back at the camera, a slight smile crossing her face.*

**ANGELINA ROMANOV:** Hacksaw waved his flag all the way to a championship. Maybe this one is good luck for us too.

**Attendance: 15,170**

**GORGEOUS AMAZON LEAGUE PERFECT CHAMPIONSHIP MATCH**

**BURN/LAE: Lisa Lamborghini vs. BURN/LAE: Angelina Romanov (c)**

Pre-Match Promo - Angelina Romanov

The Impact Zone is buzzing when Angelina Romanov steps through the curtain, the GAL Perfect Championship draped over one shoulder like a queen wearing her crown. She walks slowly down the aisle, letting every person in the building get a good look at what she carries, because she knows - she has always known - that this is exactly where she belongs.

She takes the microphone at ringside and pauses. The crowd is mixed. Some of them love her. Some of them are still waiting to see what happens tonight.

**Angelina:** Detroit. Farmington. Baton Rouge.

*She lets that sink in.*

**Angelina:** Three cities. Three opponents. Three women who walked into my ring convinced they had what it takes to take this championship from me. Rainbow Rika Roberts. Lady K. Candy Starr. All of them stepped up, and all of them went home the same way - looking up at the lights, listening to the referee count, wondering where it all went wrong.

*She lifts the belt off her shoulder and holds it out in front of her with both hands.*

**Angelina:** It went wrong the moment they stood across from me.

*She brings it back to her chest.*

**Angelina:** I earned this championship through work. Through sacrifice. Through a standard of excellence that this league had never seen before I arrived. And tonight, they put me in the ring with my own partner. My own teammate. Lisa Lamborghini - a woman I have trained beside, traveled beside, bled beside. A woman I respect as much as I respect anyone in that locker room.

*A pause.*

**Angelina:** And when that bell rings, none of that will matter.

*She turns and walks toward the ring steps.*

**Angelina:** Because this championship does not care about partnerships. It does not care about history or friendship or what we have built together. It only cares about who is better. Tonight. In this ring. And I have already proven, three times over, that I am the answer to that question.

*She rolls under the bottom rope and stands in the center of the ring, staring back up the aisle.*

**Angelina:** Come on, Lisa. Let's find out what you are made of.

**Pre-Match Promo - Lisa Lamborghini**

The music hits and Lisa Lamborghini emerges to a massive ovation from the Orlando crowd. She is all business - no posturing, no extra theatrics. She walks straight down the aisle with purpose, her eyes locked on Angelina standing in the ring. She stops at the bottom of the ramp and takes a microphone from the timekeeper.

**Lisa:** I am not going to stand here and tell you that this is easy for me. It is not easy. Angelina is my partner. She is my teammate. She is one of the best wrestlers alive today, and I know that better than anybody, because I have watched her work up close since the day we joined this league together.

*She starts walking up the steps.*

**Lisa:** Detroit. She was brilliant. Farmington. She was unreal. Baton Rouge. Forty-three minutes and thirty-four seconds, and she still

had enough left to finish the job. I watched every single one of those matches, Angelina. I studied every single one of them.

*She steps through the ropes.*

**Lisa:** And what I saw was a champion who is at the absolute peak of her ability. A champion who has beaten everyone this league has put in front of her. A champion who deserves every bit of the respect she has earned.

She is standing just a few feet away from Angelina now. The two women look at each other without blinking.

**Lisa:** And I am going to beat her anyway.

*The crowd explodes.*

**Lisa:** Because that is what this is. That is what the GAL Perfect Championship is supposed to mean. Not a coronation. Not a ceremony. A fight. The best fight this company can give you. And you want to talk about what I am made of? Angelina, you already know. You have been in the gym with me. You have seen me work. You have seen me push and grind and refuse to quit when everything in my body said to stop.

*She extends her hand.*

**Lisa:** I love you like a sister. And I am coming for that belt.

*Angelina looks at the hand for a long moment. Then she shakes it. The crowd roars.*

*The referee calls for the bell.*

### **Match Result**

At 29:28 of a hard-fought, physical main event, Lisa Lamborghini planted Angelina Romanov with the Lamborghini Crash and covered her for the three count. The Impact Zone erupted as the referee raised Lisa's hand and signaled for the championship to be brought to the ring.

Post-Match - New GAL Perfect Champion Lisa Lamborghini

The belt is placed around Lisa Lamborghini's waist for the first time. She stands in the center of the ring breathing hard, sweat on her face, looking out at the crowd like she is trying to process what just happened. The Orlando crowd is giving her everything they have got.

Angelina Romanov sits in the corner of the ring against the turnbuckles. She is not moving quickly. Twenty-nine minutes against a woman like Lisa Lamborghini takes something out of you. She watches Lisa receive the championship and does not look away.

*Lisa takes the microphone.*

**Lisa:** I want to say something to you right now, Angelina. Look at me.

*Angelina slowly raises her head.*

**Lisa:** You gave me everything you had tonight. Everything. And I want this whole building to know - that woman right there is the reason this championship means what it means. Detroit. Farmington. Baton Rouge. She carried this title like it was the most important thing in the world, because to her, it was. And she made it important to me too.

*She extends her hand again.*

Angelina stares at it. Then she grabs the ropes and pulls herself to her feet. She takes a long look at the championship around Lisa's waist. Something crosses her face - not bitterness, not defeat - something more complicated than that. Respect, maybe. And something else underneath it.

*She takes Lisa's hand. The crowd cheers.*

Then Angelina releases it, rolls out of the ring, and walks back up the aisle alone. No music. No fanfare. She does not look back. Lisa watches her go. Then she turns back to the crowd and raises the GAL Perfect Championship over her head with both hands.

**Lisa:** BURN. L.A. Express. This is ours.

**The Impact Zone is on its feet as GAL Spring 2026 Card 4 goes off the air.**

BOOOOOO GRRRLZ

**Fallon, Awilda & Nookie are hanging out at a VIP Cabana after Beach Bash**

**Fallon:** “Whelp, we did not win the **Spring Break Beach Bash**. I’m more disappointed that no one else wants to join us poolside. Shout out to **Jean Greene** with the big W. At least **LA Express** did not win. Those b\*\*\*\* seem to be winning everything. Don’t worry **Lynda**, I’ll get the **Queen of the Amazon** title back when the time is right. Also, **Lisa Lanbourghini**, please don’t give us another history lesson like **Angelina**; we already know you got your nickname for what you do for dudes in the back of **Lamborghinis**.”

**Awilda:** “I am still waiting for my big win. Maybe it comes now? Maybe at **Hot GAL Summer**? We don’t have nice place like this in April in Germany.”

**Fallon:** “Speaking of **Hot GAL Summer** - I wonder who will come here?”

**Nookie:** “I do not know. I feel like we need to settle who za best in za GAL is first. But I will do what I can to help us out. I have work visa to visit other places?”

**Fallon** “Everyone could use some extra Nookie. We will see next tour.”
