The New Freebirds: “The Golden One” Potvin’s theme is booming over the speakers. The New Freebirds: “The Golden One” Potvin rides a golden motorcycle into the building. Potvin makes his way down to ringside. As the fans boo, Potvin gets off his motorcycle and enters with a microphone.

Potvin: “When last month “500” dropped, all elite company’s first two official events, double or nothing and fighter fest – both took place within our previous evaluation period, the GCL was a month away from the premiere of its flagship weekly TV program, Dynamite. Over the last 12 weeks, the GCL has been seen as perhaps the most legitimate competition the IWA has seen since the era of the Thursday Night Thunder Wars. The IWA responded in kind by moving its pre-taped GCL broadcasts to the USA network, where they aired live, opposite of Dynamite. Of course, in the era of COVID-19, both shows now typically tape in advance, but the spirit of competition has led to the advent of a new rating war on Wednesday nights. Most weeks, the GCL has won those ratings battles. Much of the credit goes to its two biggest...both of whom appear in the top five of this year’s “500”.”
