Down the ramp walks Director X to the C4 security and the crowd whistling the C4 whistle and it echoes throughout the arena. He is carrying 1 of the six-man belts on his shoulder. In the ring ,stands C4 announcer Mean Gene Okerwick

Mean Gene: You called it about the money and the gold Director X!

Director X: This is just the beginning Mean Gene. My plans are for us to control every single and team title we can get ahold of including special events ran by the commissioner. My moveset matrix is lethal in team competition. No team title is safe while I am here.

Mean Gene: What do you think of the other stables in the league ?

Director X: They will all fall. 1 at a time or all at once. It doesn't matter Mean Gene. We are here because I want it all. The smallest to the largest of money and gold the league has to offer.

Mean Gene: Tell me about Condor's finisher. It looks so painful. I wouldn't want it put on me.

Director X: Condor is my technical wrestler . Submission is his mission in the ring. The Crossface Claw is similar to the Crippler Crossface. Instead of both hands locked at the chin. The left hand crossfaces the opponent's face towards the right hand. In which he applies an Iron Claw until the opponent submits.

Mean Gene: No thank you. I like my head the way it is sir.

"Director X hands Mean Gene the microphone and exits the ring. He walks up the ramp as the C4 security and crowd whistle echoes throughout the arena."
