[The scene opens with *Wonderful Wally Brown* standing in front of an IWA backdrop, dressed in a shimmering, sequined robe adorned with golden stars. His signature sunglasses glint under the bright lights, and his confident smirk shows that the man hasn't lost an ounce of his ego.]

Wonderful Wally Brown:

“Ladies and gentlemen, *and all you wannabe stars in the back*, you're looking at the man who *built* the IWA. I'm the one who made the lights shine a little brighter, the crowds roar a little louder, and this ring... MY ring! *Wonderful Wally Brown*, the *greatest of all time*, the leader of men, the master of the spotlight!”

[Wally pulls off his sunglasses, his expression dead serious now.]

“When I walk through that curtain, this entire arena comes to life. But I've been hearing whispers—doubts, even—about whether *Wonderful Wally* still has it. Well, let me remind you clowns of one thing: you don't *lose* greatness. It's in my blood! And my *collection*? It ain't complete without the *IWA World Title* strapped around this waist! That's the crown jewel, baby, and I'm coming to take it! Just like i did multiple times in the PWA and the FWA!”

[He points directly into the camera.]

“Whoever's holding that title right now, I hope you're watching. I hope you're *praying*, because when Wally Brown steps back in that ring, there's no escape. I don't care if you're the new golden boy, the company's darling, or the so-called toughest man on the roster. You're just another star about to get eclipsed by the one and only *Wonderful Wally Brown!*”

[He spreads his arms wide, as if welcoming the adoration of the crowd.]

“I've *led* this company to heights it had never seen before, and now... it's time for me to do it again. I'll be the man who holds that gold high, not for the first time, but for the *last time*, because no one's going to take it from me once it's mine. The IWA World Title deserves a champion who represents *real* greatness, and that's me. Wally Brown isn't back for nostalgia; I'm back to show the world why I'm the man who still runs this business.”

[Wally steps closer to the camera, his voice dropping low.]

“So, to all of you in the locker room, and to whoever is foolish enough to stand in my way... get ready to watch the *Wonderful Era* rise again, because Wally Brown is coming to claim what's his. The IWA World Title will soon be *wonderful* once more.”

[With a cocky grin, Wally puts his sunglasses back on and walks off, leaving nothing but his legacy and a challenge in his wake.]
