Down the ramp comes a man with a business suit, sunglasses and a cigar. As he walks down the ramp he is carrying 1 of the tag-team and six man belts on each shoulder. In the ring stands C4 announcer Mean Gene Okerwick

Mean Gene: You called it about the money and the gold  
Director X!

Director X: This is just the beginning Mean Gene. My plans are for us to control every single and team title we can get ahold of including special events ran by the commissioner.

Mean Gene: What do you think of the other stables in the  
GWL?

Director X: They will all fall. 1 at a time or all at once. It doesn't matter Mean Gene. We are here because I want it all. The smallest to the largest of money and gold the GWL has to offer.

Mean Gene: Tell me about Condors finisher. It looks so painful. I wouldn't want it put on me.

Director X: Condor is my Technical Wrestler. Submission is his mission in the ring. The Crossface Claw is similar to the Crippler Crossface. Instead of both hands locked at the chin. The left hand crossfaces the opponent towards the right hand. In which he applies an Iron Claw until he submits.

Mean Gene: No thank you. I like my head the way it is sir.

"Director X hands Mean Gene the microphone and exits the ring. He walks up the ramp as the C4 security whistle echoes throughout the arena."

**Big Cat:** Looks like you held up your end of the bargain. You made sure that we at least kept us in the title hunt. But that makes me feel hungrier to get back on track

**Action:** You got the whole GWL nation behind you so, you know you will get back on track. The question isn't how. The question is when.

**Big Cat:** That means back in that weight room, Back in that footage session.  
**(Camera fades to black.)**

The GWL sure hadn't let me down yet great competitors and great commissioners they never let us down with competition!

When it's my turn the World Championship of the IWA will be around my waist, I don't care who the champion is when it's time I will be the IWA  
**WORLD CHAMPION!**

No politics will stop me and no one will stop me, I've beaten thr odds before and I have beaten so called Chosen Ones and they went packing doubt me and you will lose I am Eric Fontaine and I am real!
