## CAGE OF HONOR NEWS BRIEF

### A MIKE JOHNSON PROJECT

EST. 2008

=====

Welcome back to another cycle of Cage Of Honor action. Last cycle I had a chance to reflect on what COH means to me, where COH has come from, where it's at now on the eve of the 10 year anniversary and I came to a realization that it was time for a change. I've always tried to manage multiple leagues and keep the network going but when it becomes work or feels like a chore then something has to change.

With that said, effective immediately I will no longer be the commissioner of CSL or EEL. However talent in both leagues will be eligible to still appear on COH events. The plan going forward will just be to run HWL and HLL and hopefully begin to have fun again. Again next cycle is 10 years of COH and I'd like to continue running COH for the foreseeable future but again it needs to mean something and it needs to be fun.

My plan going forward is to keep five COH shows going- COH, Combat Zone, Full Impact Pro, COH Hero, and COH Main Event.

The Main Event Championship is vacant and Hades Royal has been stripped of the title. Two singles matches have been booked to determine a new champion and the title will now be part of HLL.

The Ironman Championship will now be part of ICW and Ironman tags will now be in HLL. The Ultra-Violent Championship will be in HLL, though HWL's Bloodshed Bob won the title last cycle. The 3-way against Nick Gage and Justice Pain will unify the Ultra-violent and Extreme titles but will still be title for title with the King Of The Deathmatch Championship being on the line as well.

Before I get into the results, I just want to congratulate GNL's Prince Lee on winning the 2018 COH Invitational. Lee will receive the \$1,000,000 prize and a contract to face both COH and ICW World Champions. The ICW World Championship match will be at Final Battle.

#### HLL~ COH Hero #23

1. Solomon Crow defeated Running Scared
2. Dionysus defeated Zach Sabre Jr
3. DC Drake defeated Mr Gift
4. Walker 4 defeated Kenny Omega, Nightstalker, Dungeon Master

#### HLL~ COH Freelance # 23

1. TML Reilly defeated Weng The Impossible
2. Mr Lucky defeated Botchmania
3. Biological Warfare defeated TML Anderson
4. BOF Finals/Freelance title: Deathlok defeated Aesculpius

\*\*So Deathlok not only won the Freelance Championship during the tournament by defeating Sami Calihan, who was on his 9<sup>th</sup> defense. But then came back to win the tournament defending the title in the finals. Well done and \$150,000 will be coming his way.

\*\*In all honesty, the rest of the cards were tossed together. No reason, just matches. Again I was in a bad place IWA wise last cycle and will look to turn the corner and start a new chapter this cycle going forward.

HWL ~ COH #179

1. BOTB: Messiah (3-0) defeated Big Blank (1-2 eliminated)
2. BOTB: Million Dollar Man Slick Rick (2-1) defeated Secret Player (2-1)
  3. GNL Timothy Clark defeated Roach
  4. Mike Drake defeated Hired Assassin
  5. Zuesilla defeated Buttermilk Barry

HWL ~ Combat Zone #92

1. Seth Rollins defeated Creeper
2. Dragon Sound Jim defeated Red Hot Chilly Pepper
  3. Aaron Mims defeated CM Punk
  4. Finn Balor defeated David Mims
5. COH Invitational: GNL Prince Lee defeated Nasty Norman Krasner

HWL ~ Full Impact Pro #69

1. Titan defeated Money Mike
2. National Tag: The Mims [c] defeated Hired Assassins
3. COH Invitational: HLL Hawkeye Science vs HWL Million Dollar Man Slick Rick went to a draw, both eliminated

\*\*The Best Of The Best is now down to 3- Messiah who is undefeated, Million Dollar Man Slick Rick and Secret Player. This cycle Million Dollar Man Slick Rick has the bye

\*\*Semifinal #1 of the COH Invitational went to a draw eliminating both wrestlers. With that, the Prince Lee-Krasner match was the finals and Prince Lee is your 2018 COH Invitational winner. He will face the ICW World Champion at Final Battle and have a future COH World Championship match. He will also receive \$1,000,000

\*\*The Mims made their first National Tag defense defeating the Hired Assassins. Big win for the most decorated tag team in COH history

This cycle we're just going to have 5 cards and will bring Main Event back the following cycle.

COH Hero #24

1. Zack Sabre Jr vs Walker 2
2. Adam Cole vs Terror Warrior
3. Bio Hazard vs TML Anderson
4. Kenny Omega vs Botchmania
5. Hero Tag: Dionysus, Amalgam [c] vs Walker 1&3

COH Progress #24

1. Cody Rhodes vs Blue Chipper
2. M/E : DC Drake vs TML Reilly
3. M/E: Night Stalker vs Almagam
4. Ironman Tag: EEL The Raines [c] vs Young Bucks
5. Title For Title- COH Ultraviolent-COH Extreme-ICW King Of The Deathmatch- Nick Gage vs Bloodshed Bob vs Justice Pain

\*\*So the winners of the first 4 on Hero is a contenders series for a shot at the Hero Championship. All winners will face off next cycle.

\*\*Big tag defense for the NGAA crew, this is their 3<sup>rd</sup> defense against one of the best teams the league has.

\*\*matches 2 and 3 on Progress are for the vacant Main Event Championship. The winners will face off for the title next cycle. If there is a draw, the league champion will replace those wrestlers

\*\*The Young Bucks have a chance to bring the Ironman Tagb to HLL. If they don't win then someone else has the chance next cycle. It's that simple, eventually they will be here.

\*\*The title for title match will unify the Ultraviolet and Extreme titles, so one man will have a chance to leave with 2 championships...unless Justice Pain wins and then he'll be the COH King Of Hardcore as he'll have all Hardcore gold!

#### COH #180

1. Mike Drake vs Hired Gun
2. Creeper vs David Mims
3. Dragon Sound Mark vs Venomous Snake
4. Heritage Championship: Small Pox [c] vs Aaron Mims
5. COH National: Nasty Norman Krasner [c] vs King Jaffe Joffer

#### Combat Zone #93

1. GNL Timothy Clark vs Dr Mal Practice
2. Finn Balor vs Smokey
3. Brain Guy vs Starvin Marvin
4. BOTB: Secret Player (2-1) vs Messiah (3-0)
5. COH World Television Championship: Ultimate Male Troy Scott [c] vs Million Dollar man Slick Rick

#### Full Impact Pro #70

1. Aaron Mims vs Mike Nelson
2. Crow T Robot vs Zuesilla
3. World Tag: Bloodshed Brawler MD, Brick Rampage [c] vs Hired Assassins
4. Women's World: Jessica Havok [c] vs Queen Walker

\*\*The 8 winners from COH matches1-3, CZW 1-3, and FIP1-2 will continue in a contender's series for a future COH World title shot

\*\*Small Pox is scheduled for his 2<sup>nd</sup> defense of the Heritage title this cycle. Big match for Aaron Mims

\*\*Krasner is set for his 2<sup>nd</sup> defense of the National title. Shame its against a fellow IMT mutt

\*\*GNL's Timothy Clark is now 2-1 in COH. Can he become 3-1 and be entered into the contender's series for a World title shot.

\*\*BOTB- Messiah whose undefeated vs Secret Player. One loss by Secret Player and he's out. Can Messiah continue to be the only undefeated left?!

\*\*Million Dollar Man Slick Rick has a World TV title opportunity but Troy Scott wants to show MDMSR that's he's looking to continue his TV title reign. This should be a great match.

\*\*BSB MD & Brock look to make their 4<sup>th</sup> tag title defense against the Hired Assassins.

\*\*Can Jessica Havok hold onto the Women's title or will Queen Walker begin her 2<sup>nd</sup> reign? Winner faces EEL's Tessa Fox in 2 cycles

### Around The League

\*\*This cycle in GNL, the winner of the Vendetta/Rampage- TBABIT tag match will face the ICW World tag team champions next cycle.

\*\*GNL's Drake Douglas is petitioning to receive an Ironman title match against EEL's Ricky The Fox Steamboat. I'm intrigued about the potential in this match and might sign it on Main Event next cycle

\*\*Next cycle we will begin the 16 man King Of COH Tournament. 9 from HWL, 5 from HLL, 2 from GNL

GNL: Prince Lee, Doragon

HLL: DC Drake, Biohazard, Hawkeye Science, Almagam, TML Reilly

HWL: Million Dollar Man Slick Rick, Messiah, Secret Player, Nasty Norman Krasner, Mike Drake, Duke Ken, Daniel Mims, Creeper

Winner receives \$500,000 and a contract to face the COH World Champion

\*\*Final Battle is the last cycle of 2018. There will be two Final Battle cards and a Combat Zone card that cycle. Each card will be 7-10 matches

\*\*We will look to start the King Of Heroes tournament in 2 cycles. This tournament features the champions of the league. Winner receives \$250,000 and a future Hero title match

\*\*Going forward, the goal is to keep the relationship going with GNL. I'm not wasting time on the rest of the crappy leagues in Iron and the commissioners who have a vision they can't even see. GNL and COH have worked well together so far and we look to continue that relationship in 2019.

In closing, sorry to CSL and EEL but in all honesty the managers their didn't try to be part of COH, plus its about to be loaded with the Some One Special crew, SOS- what a friggin joke. Save us you dolts and your stupid points race. Also just an fyi, if I need to, HLL and HWL will be made into 10 wrestler limit leagues, just to screw over those who are so into the points race. SOS can take it deep, FOE can too, ditto for IMT, same with EDGE even though they collectively aren't a threat anymore. Other than that, play if you want, stay if you want, and screw the points race...COH

~MJ
