## CAGE OF HONOR NEWS BRIEF

A MIKE JOHNSON PROJECT

COH EST. 2008

---

Welcome back to another exciting cycle of Cage Of Honor action. Before I begin I'd like to apologize for the last two cycles. The cycle before last I had an opportunity to participate in something that took a great deal of my time and the report was simply the matches booked for the cycle. Then last cycle I took a family trip to Greece and made it back Monday morning and there was no chance at a report but I did send in matches. I know I have a responsibility as commish but I also have a life. I'm sorry there was no report but life happens.

Even though there was no report, last cycle each league was scheduled and still had booked a Great American Bash card. There were some huge matches booked but the most talked about was featured on EEL as GNL's Doragon was set to defend the COH Ironman Championship against former champion Mike Drake. Both men were in the ring, we had the introductions and we were set. After about 10 minutes of action there was some type of commotion in the crowd and three masked men appeared ring side. Doragon looked over at them quick and continued with the match, while Drake was curious who these men were as he'd made remarks about other Lucha Brothers of Doragon showing up but these simply looked like men wearing Lucha masks. This brought out Main Event Champion Hades Royal along with Haskins and Kasun to stand in Drake's corner. After a few more minutes the three masked men hopped onto the apron which brought Royal, Haskins and Kasun over to them to pull them down. One of the masked men shoved Royal and as Royal swung he was met by a superkick from one of the other men, another blew green mist into Kasun's face who was met by a superkick as well. Finally Drake went over and jumped onto one of the men and there was just an all out brawl between the VIRUS crew and the masked men on the floor. Doragon looked confused and ended up taking everyone out with a springboard corkscrew plancha and the ref had no choice but to throw the match out.

So with this GNL still controls the Ironman Championship, we don't know who these masked men were though I have my feelings on this that I'll keep personal for now, and already signed for GNL's Aftermath will be Drake vs Doragon III. If Drake doesn't win the championship back then someone else will try.

Moving forward, the previous cycle I mentioned points and a system to track everything with. This is something I've been against as its never been about points in COH its wins and losses, tournaments, contender's series, and fun. The fun is what you the manager make it and its not fun for me to do the points. There was an attempt to be pressured into this by that Franchise turd but through the rumor mill I've been told he's been kicked out of yet another league for being the mutt we all know him to be. So with that said, no points system, just be active and get involved if you want.

Continuing along, as mentioned there were matches set up last cycle and I have those results as well as what's set for this coming cycle. Then to follow we'll discuss EEL vs GNL and HWL-QPL, but first let's check some results.

## Around The Network

**\*\*Tag Series:** So all leagues have started a tag series. This event is to basically set up a tag tournament in each league where the winner receives a future title shot, \$200k i-cash. Then the 4 winners will face off in interleague play for a future ICW World Tag title contract and another \$100k

**\*\*Title contracts:** HWL~ Drake 3 from tournament wins, RVD (next cycle), Seth Rollins CSL~ Million Dollar Miler (this cycle), EEL~ Drake (EE), Aeogon (EE), Hands Of The King (Affliction) HLL~ Linoge (Hero), Dionysus (Extreme)

**\*\*Upcoming tournaments:** In CSL, HLL, and EEL all three leagues next cycle will begin their Battle of Pride, Battle of Affliction, and Battle of Freelance. Each tournament will feature 8 wrestlers and the prize will be \$150k and a contract to face Pride, Affliction, and Freelance Champions. Those 3 winners will then face off for a contract to face the COH Ironman Champion.

In HWL, next cycle the Best Of The Best and COH Invitational will begin. The Best Of The Best will feature 8 HWL wrestlers in double elimination action: Mike Drake, Million Dollar Man Slick Rick, Big Blank, Nasty Norman Krasner, Duke Ken, King Dingaling, Secret Player, and The Messiah

The COH Invitational will feature 8 wrestlers from HWL, 1 from GNL, 1 from QPL, 2 from CSL, 2 from EEL, and 2 from HLL:

- |                              |                                       |
|------------------------------|---------------------------------------|
| 1. GNL: Prince Lee           | 9. HWL: Million Dollar Man Slick Rick |
| 2. QPL: Rory McGregor        | 10. HWL: Big Blank                    |
| 3. CSL: Million Dollar Miler | 11. HWL: Nasty Norman Krasner         |
| 4. CSL: FTO                  | 12. HWL: The Messiah                  |
| 5. EEL: Hades Royal          | 13. HWL: Justin Credible              |
| 6. EEL: Slapped Fate         | 14. HWL: Dr. Kilpatient               |
| 7. HLL: Hawkeye Science      | 15. HWL: Creeper                      |
| 8. HLL: Deathlok             | 16. HWL: Finn Balor                   |

The prize is \$500,000 and a shot at the COH World Championship. So next cycle COH HWL cards Combat Zone will feature the BOTB, COH and FIP will feature 4 and 4 the opening round of the COH Invitation.

**\*\*In September, the King Of COH will begin.** 16 wrestlers, 4 from each league in double elimination action. Winner receives a contract to face both the COH and ICW World Champions as well as \$750,000. The participants will be named next cycle.

**\*\*EEL vs GNL:** So at the great American Bash we had some interference by some masked men. My theory is these were GNL wrestlers under a mask. Now there is going to be a show booked soon featuring talent from both leagues. Ricky The Fox Steamboat in EEL has stepped up and wants a piece of one of the Realm members. The match will be discussed with GNL management but I'd like to see the match happen as well. I'm going to select the top talent from EEL to participate and I'm sure GNL will do the same, so if you want in let me know.

**\*\*HWL vs QPL:** So the 4:20 show is coming up soon and I feel like top talent from HWL were selected. Now we have the potential of an ICW World tag match if Brock and BSB MD win the titles this cycle so that's an exciting possibility. Duke Ken has been out spoken on the entire card and he's not even booked so that shows his heart and feelings for COH. QPL's Gorilla Joe and crew have had some strong words towards Duke and HWL, same with McGregor's crew. Besides the 4:20 show there will be another event so I need some participation or I'll simply select who I want in.

**\*\*Bloodshed bob** has stated next cycle he has an open challenge and will face anyone in the league for the Hardcore title. Well I believe he'll face his old nemesis Justice Pain!

Besides that, that basically wraps up this cycles COH news and results. I'm hoping we can get some involvement with the GNL and QPL events but if not I can do what's needed. Until next cycle, good luck in Iron and I'll see you all in the bulletins!
