# CAGE OF HONOR NEWS BRIEF

## A MIKE JOHNSON PROJECT

### COH 2019~ PROJECT IRON

Welcome back to another cycle of Cage of Honor Action! Before I go too far I'd like to address the status of COH. The last few months have been a trying one for the COH offices, a lot going on and we we're at one point a week ago looking to sell off our interest in COH and halt operations. Then I thought about Project Iron, I thought about the 10 years COH has plugged along through tough times and opted to keep things going. So what I want to say is what you see is what you get, we'll have a tour of 4-6 cards, 20-30 matches and we'll keep the tournaments going. We will continue to work with GNL and look to produce some of the best action Iron Federation has. No flash, no fluff, just a killer tour and some great action.

So last cycle we kicked off our 2019 tournaments off with the Tournament Of Havoc, a tag tournament to determine the #1 contenders, as well as the King Of Hero's. This cycle we kick off the interleague tournaments with the Massacre of Honor featuring HWL, GNL and HLL. As I mentioned the entrants were kept a secret and this cycle the matches will be revealed. Before we go to the results I will say that after having some communication with CSL talent, we will bring back CSL and a per cycle basis, so all I'll say is we'll see how it goes and push forward. Now let's check out what went down on the first COH Tour of 2019.

#### COH Main Event #48

1. GNL Moe Greenhouse defeated HWL Maniac Randy Blaze
2. HLL Nightstalker defeated GNL Sexton Hardcastle
3. KOCOH: HWL Duke Ken defeated Biohazard
4. Main Event Championship: HLL Amalgam defeated HWL Creeper

\*\*As promised, we had more GNL talent booked this cycle. Two debuts on Main event and you'll see a few more on the other cards on the tour

\*\*GNL had two wrestlers make their COH debut last cycle. Moe Greenhouse took out the debuting Randy Blaze and Nightstalker defeated Sexton Hardcastle. Both hard fought matches and something tells me we'll see plenty more of both men.

\*\*Duke Ken defeated Biohazard and now advances to the finals of the King of COH tournament facing off longtime rival/friend Mike Drake

\*\*Amalgam made his first successful Main Event Championship defense over a former COH World Champion. His next defense will be in two cycles.

#### COH Progress #25- King Of Hero's

1. CM Punk defeated Walker 5
2. Amalgam defeated Walker 6
3. HWL Bloodshed Bob defeated Deathlok
4. GNL's Roderick Rampage defeated GNL's Mike Vendetta

\*\*All four matches were part of the King of Hero's tournament, featuring champions from HLL. The winners advance to the next round.

### Combat Zone #96

1. THAV: Hired Assassin defeated Killer kangaroo
2. THAV: Starvin Marvin defeated Big Blank
3. THAV: Bloodshed Bob defeated Big Chuck Wagon
4. THAV: Justice Pain defeated Justin Sane

\*\*All four matches were the opening round of the Tournament of Havok. The winners advance to the next round.

### Full Impact Pro # 71

1. Young Bucks defeated Hired Guns
2. The Mims defeated Smokey, Squishy
3. Hired Assassin's defeated Dragon Sound Jim and Jack
4. Queen Walker defeated Queen Zombie

\*\*the first 3 matches were part of a contender's series to determine the #1 contender for the tag titles. GNL's Da Goonz are also in this tournament.

\*\*Queen Walker will now face GNL's Maria Jane at Main Event 350 for the COH Women's World Championship

### COH Hero #27

1. GNL's Million Dollar Miler defeated Botchmania
2. Terror Warrior defeated Hated ONE
3. CS- Aesculapius defeated Kenny Omega
4. CS- Nightstalker defeated Avian Flu
5. Non-title: CM Punk defeated Deathlok

\*\*Million Dollar Miler made a successful COH debut. We'll look to bring him back in the following cycle and try to have him as a regular in HLL.

\*\*Nightstalker v Aesculapius this cycle and the winner faces Punk on Hero #30

### COH #182

1. Justin Famous defeated Secret Player
2. HC/C: Justice Pain defeated Matt Tremont
3. HC/C: Bird Flu defeated Pinky
4. CS: Finn Balor defeated Grin Reaper
5. CS: Daniel Mims defeated Nasty Norman Krasner

\*\*Justin Pain v Bird Flu, winner faces Bloodshed Bob at COH 184

\*\*Finn Balor v Daniel Mims, winner faces Mike Drake at COH 184

This past cycle we had 6 cards on the COH tour featuring 26 matches. This cycle we are adding one more card as Center Stage will be back with one show on the tour. Let's see what we have set for this coming tour.

### COH Center Stage #19

1. Drake Danger vs Smooth Tyrant
2. Buster Blood vs Homicidal Harry
3. Masked Grappler vs Elrod The Musical
4. GNL Prince Lee vs Iceman Jason McGrew

\*\*These four matches are matches to establish a new champion for CSL. As of now there is no name for the championship. The 4 winners will continue and the overall winner will become the new champion and win \$100,000 i-cash

\*\*And yes, there still is the issue with Million Dollar Miler continuing to defend the Center Stage Championship in GNL. Maybe this can lead to something once Miler and Douglas have their unification match.

#### COH Progress #26 Hero's & Havok

1. KH: CM Punk vs Amalgam
2. KH: HWL Bloodshed Bob vs GNL Roderick Rampage
3. MHAV: GNL Dr Savage vs HWL Messiah
4. MHAV: HLL Dionysus vs HWL Maniac Randy Blaze

\*\*matches 1 and 2 are the semifinals of the King Of Hero's tournament. Winner receives \$250,000 and a future title shot. If the champion wins then he receives a title shot of his choosing

\*\*matches 3 and 4 are the first of 8 Massacre Of Havok matches this cycle. Winner receives \$250,000 and a shot at the ICW King Of The Deathmatch Championship

#### Combat Zone #97

\*\*We have two more Massacre of Honor matches on Combat Zone with matches 1 and 2

\*\*matches 3 and 4 are the semifinals of the Tournament of Havok, \$250,000 and a hardcore title shot on the line

\*\*Million Dollar Man Slick Rick looks to make his 3<sup>rd</sup> defense. This cycle he has Soultaker

#### Full Impact Pro #72

1. Young Bucks vs Hired Assassins
2. The Mims vs GNL's Da Goonz
3. MHAV: GNL Sexton Hardcastle vs HWL Creeper
4. MHAV: GNL Platinum Prince Anthony Hodges vs HWL Justice Pain

\*\*matches 1 and 2 are the semifinals for the #1 contender to the World Tag team Championship

\*\*matches 3 and 4 are two more Massacre of Havok matches

#### Main Event #49

1. CS! Drake Danger v s HLL Hawkeye Science
2. HWL Venomous Snake vs HLL Kenny Omega
3. George Foreman Grills vs Mr. Rogers
4. MHAV: HLL Nightstalker vs HWL Fedor

#### COH Hero #28

1. MHAV: HLL Sans vs HWL Seth Rollins
2. Guz's Parrot vs Hawkeye Science
3. Kassius Ohno vs Adam Cole
4. CS- Nightstalker vs Aesculapius
5. Freelance Championship: Deathlok [c] vs Amalgam

\*\*we have the final Massacre of Havok match on this card. So we ended up with 4 from GNL, 4 from HLL and 8 from HWL in this tournament.

\*\*winner of the Nightstalker-Aesculapius match will face Punk at Hero #30

\*\*Deathlok looks to make his 1<sup>st</sup> defense of his 2<sup>nd</sup> reign as Freelance Champion. Amalgam has been on a role as of late so this should be one heck of a match.

\*\*the winner of the contender's series will face Mike Drake at COH #184

\*\*he winner of the King Of COH receives \$500,000 and a contract to face the COH World Champion

#### Around COH

Drake Douglas and Million Dollar Miler of GNL have been involved in what has become an intense feud. Douglas the Ironman Champion and Miler the Center Stage Champion are set for a unification match at the next GNL PPV. The new championship, the COH Next generation Championship (name subject to change) will be awarded to the winner.

Speaking of the ironman Championship, it will be on the line before the GNL PPV on Main Event 50. Also on the line will be the Ironman Tag, COH Women's World, and world 6 man titles. Main Event 350 is set to be one of the biggest cards in COH History.

Maria Jane is set to defend the COH Women's World Championship against HWL Queen Walker. Douglas is set to defend the Ironman Championship against Hated ONE. Rampage and Vendetta will be defending the Ironman Tag titles against The Realm. And the World 6 man championship will be defended against a mystery team from HLL.

The ICW World Championship currently held by GNL's Prince Lee will be on the line on Main Event 51 against HWL's Big Blank.

This is a big opportunity for Lee to establish his championship reign and defend against a former HWL Champion.

The Heritage and National Championships are set to be defended on progress 27. The World Tag and National Tag will be up for grabs on FIP #73. I'm in discussions with the GNL commish to have the ICW World Tag Team Championship on the line on the GNL PPV but it depends who the challenging team is because as of right now COH officials see two teams up for a shot.

Next tournament up for HLL is the tournament of Extreme. Should be 8 wrestlers, \$100,000 prize and a shot at the COH Extreme Championship

HWL should be starting the GR\* next. Same concept, 8 wrestlers, \$100,000 prize but winner receives Heritage title shot. These tournaments should begin within 2-3 cycles.

Project iron talks continue with GNL and COH officials. Currently we are working on a structure for this venture and want to make sure we have a plan and don't jump into things. This is why we are now seeing more of a GNL involvement on COH events since last November.

Other than that, I don't really have much more to add to this cycle. As mentioned, CSL is back on in a per cycle role and can be dropped at any time. I'd like to try to maintain the 3 league network but we shall see what happens. We have several cards booked this cycle, several tournament matches and plenty of title matches coming up. Stay active and good luck to all signed on for the tour!
