CAGE OF HONOR NEWS BRIEF

A MIKE JOHNSON PROJECT

COH NETWORK V:1

I:6

Welcome back to another exciting cycle of Cage of Honor action! Last cycle we welcomed EEL into the COH Network. We started off COH Extreme Existence and Defy with a bang booking the opening rounds of the COH Affliction Championship tournament as well as the Tag title tournament. Within the next two cycles both of those tournaments will be wrapped up and EEL will have their first two COH Champions crowned. After that we will begin the tournament for the Extreme Existence Championship, which should finish around the end of the year or possibly the beginning of 2018. All I will say is I'm happy to have EEL in the mix and have plenty planned for the remainder of the year and the beginning of the next year so stay tuned!

Last cycle I mentioned was a historical one as we began the King Of The Deathmatch tournament featuring talent from at the time all three COH leagues but at the last minute I was able to enter a representative from EEL into the tournament. Sixteen wrestlers were entered and 4 won and will continue while 4 lost and are out. This cycle we have the final 4 matches of round one and then from here on will have complete rounds of matches booked each cycle.

Now this cycle we continue our tournament ways and have the opening round of the King Of COH set. Sixteen wrestlers, 4 from each league, in a double elimination tournament battling it out for \$500K and a shot and the COH World Championship! All 8 first round matches are booked this cycle COH wide so keep an eye out in your bulletins!

In HWL, we are down to the semifinals in the Survival of the Fittest. There are actually only three wrestlers left so someone will receive a bye this cycle. The world Championship Contender's Grand Prix is down to the finals, either Ohno vs Krasner for a contract to face the World Champion on a future COH show is on the line. Speaking of Krasner, he made his 8th successful title defense this past cycle, definitely an impressive streak!

In HLL, we are now down to the finals of the Deadly Duo. The winning team will then face off next cycle for an additional \$100k and a contract to face the COH Hero Champion. Dash Fan#3 successfully defended the Extreme Championship in what was a difficult cycle for the Kardashians crew. We shall see if they join us this cycle or not as there have been rumors swirling that it may be time to go for a while.

In MEL, there are actually two tournaments going on. The Deadly Duo began last cycle and I have to say I was excited to see the results. This tournament gives many wrestlers a chance at a title opportunity they might not normally receive. Last cycle we also had the final qualifying matches for the Survival of the Fittest and the actual tournament will begin this cycle. The Bound By Gold tournament has come to an end with Landell and Douglas becoming the first COH Ironman Tag Team Champions. There has been a challenge already issued and its one I didn't see coming but you will all see further in the report.

So last cycle we had 10 cards booked and 51 matches, not bad for a non-Gold federation network. I know I mentioned it last cycle but I'll say it again, my styles not the best, I know that but not many commissioners

book a show each cycle let alone 10 cards with 51 matches. Still all I'm trying to do is to build competition within the leagues and try to do something somewhat interesting. There's still more that happened during the cycle and a plenty planned for this cycle but before we go too far let's fully recap last cycle's shows.

EEL~ COH Extreme Existence #1

1. Affliction: Abraham Petrov defeated Aegon The Conqueror
2. Affliction: Dragic Kasun defeated Eaves
3. Affliction: Drake Danger defeated Gargantuan

5. KOTDM: EL Hades Royal defeated HWL John Legend

EEL~ Defy #1

1. Pete Dunne, Trent Sven defeated Hollywood Platinum, Gargantuan
2. Ser Jorah Mormont, Tyrion Lannister defeated Slapped Fate, Reginald Raines
3. Bat Flu, Henta Flu defeated American Made Johnny Blade, USA Buddy Ray
4. Masters Of Whispers & Coin defeated Hollywood Chuck Hogan, Frankie The Thumper
5. Main Event- \$25K: Plague defeated Union Jack

**matches 1-4 on COH EEL #1 were the opening round of the tournament to determine the first COH Affliction Champion. The four winners will face off this cycle.

**Hades Royal is EEL's lone rep in the KOTDM tournament and will continue on after an impressive win over John Legend.

**Defy #1 matches 1-4 were the opening round matches for the new COH Extreme Existence Tag Team Championship.

**As I've mentioned, with EEL we are at the time right now where I want to get champions established and then we are going to start 2018 on the same tournament schedule as HWL, MEL, and HLL. Further in the report there will be more on upcoming tournaments and somewhat of a schedule for the beginning of 2018.

**In our EEL main event, Plague picked up the win and the \$25k prize

**In the series pitting VIRUS vs IMT, looks like this one goes to VIRUS as Drake picked up win #4 for the Infection and \$100k to a rep

**IMT vs KDSN is going somewhat better for the old timers. They are up 3-0 but there is a horrendous rumor that the 400 Kardashian man might be stepping away. We shall see because this departure would be a big loss for the league and its activity. And yes even though I think the Kardashian stable is, well I was going to say dumb but let's be polite and say not my cup of tea, and yes 400 wrestlers in the WEAKEST era in IWA history and not pulling off the big one each cycle, wait stop: We'd hate to see The Eunick leave but it is what it is.

**Before I go any further, IMT if a representative from your stable win the World Championship, IWA World , let's work on the write up. Just coming from a level headed 7X, yes 7X IWA World Champion sunshine ;)

**In the World Championship Grand Prix, we are down to Ohno vs Krasner. The winner will receive a COH World Championship match either before or after Final Battle ;)

In another series match, CM Punk defeated Finn Balor to go up 3-2.

**HWL hosted two King Of The Deathmatch tournament matches this past cycle. HWL rep Small Pox will continue on after defeating MEL's Jerry Henry. Unfortunately, Dragon Sound Tom fell victim to HLL's Dash Fan 3. Plenty more KOTDM action to come so keep an eye out!

**Norman Krasner made Hardcore title defense #8. Krasner has been champion for well over a year now after winning the title at COH #137.

**The Survival Of the Fittest is down to the final 3, Kassius Ohno, Million Dollar Man Slick Rick, and King Dingaling. Due to the draw we are going to give MDMSR the bye into the finals and do Kassius vs King this cycle.

**Bloodshed Bob defeated yet another former Hardcore Champion and will receive the next Hardcore title shot. The match will be on COH 163.

**Chris Hero and STD both had big wins and will face off this cycle for the number #1 contender's for the National title

**In a battle of champions, ICW World Champion Duke Ken defeated World Television Champion Brucey Boy. This cycle Brucey defends his title and next cycle the ICW World Championship is on the line as Duke travels to HLL to defend against Hawkeye Science!

**Jessica Havok retained the COH Women's World Championship. Here next defense will be in HWL vs Queen B.

HLL~COH Hero#6

1. Low Ki defeated Kanye
2. Nori West defeated Kapanen

5. EEL vs HLL: EEL: Cyborg defeated HLL: DC Drake

**Low Ki vs Joe Ice is going to be booked this cycle after each won their respective matches. That winner will receive the next Extreme title shot.

**Dash Fan #3 was able to retain the Extreme Championship with an impressive win over Dionysus. That match could've went either way and both really showed me the type of competitors they are.

**Damon Thos retained the COH Iron Federation Heritage Championship with an impressive win over Matty Y. Again I need to see what Mr Eunick does this cycle but Thomas will be defending his title this cycle and other defenses of Dash title holders will follow if Mr. Eunick did decide to take a break. I'm confident though and he'll be here.

**We are down to the finals of the Deadly Duo: Punk, Matty Y vs Aesculpius, Robert Kardashian. That winner receives \$100k and then the winners will battle it out the following cycle for an additional \$100k and a shot to face Hawkeye Science at HLL's first COH Final Battle.

**Latino Lover Boy vs Fatt Williams are entered into the Hero Cup after their wins. I will announce the 6 other entrants later in the report.

EEL vs HLL is tied at 1-1. This is going to be an exciting battle!

MEL~ COH Main Event #30

** George Erlewein, Black Beard, Turtle, and Donny Stratball are the last four to qualify for the SOTF. The tournament will now begin this cycle. \$250k and a Main Event Championship match to the winner.

**Douglas and Landell are the 1st COH Ironman Tag Team Champions and 3rd Bound By Gold Tournament winners. Congrats! Big news on a challenge that was tossed out there by another COH team later in the report.

**MEL's Deadly Duo is now down to 4 teams. One team will win \$100k and then battle it out in a singles match for another \$100k.

**In a KOTDM, HLL's Nick Gage continues on after defeating George Erlewein.

So as I mentioned we had 10 cards and 51 matches. This cycle we have huge tournament matches set, championship matches, and series matches. We'll have another 10 cards and at least 50 matches. Let's see what we have booked.

3. Aeogon The Conqueror vs Mike Vicious
4. \$25K Scramble: Gargantun vs Quinn Guzzy vs Starfire vs Timothy The 23rd
5. MEL vs EEL- MEL up 1-0: Plague vs MEL Johnny Blood

**matches 1-2 are the semifinals for the COH Extreme Existence Tag Team Championship. The winners of the finals will become the 1st champions and win \$100k each

**matches 3-4 are the semifinals of the COH Affliction Championship tournament. The tournament winner will receive \$150k for becoming the 1st champion.

**The main event of is a \$25k scramble. Scrambles are booked in tag or 6-man matches and the wrestler on the winning team with the star * by their name receives the cash.

**matches 1-3 on Defy #2 is just a preview on some wrestlers I can see being entered into the Extreme Existence title tournament. I'll be keeping an eye on those matches.

**match 4 is another scramble, so again the wrestler on the winning team with the star receives the cash.

**Our main event on Defy is an interleague match between MEL and EEL. They are in the midst of series with \$105k going to a league rep from the winning league.

**SOTF semifinal match is set, Kassius vs King Dingnaling with the winner facing Million Dollar Man Slick Rick in the finals

** We do have one KOTDM on HWL, Bloodshed Bob faces HLL's Mudcrutch. Should be an exciting match for these two brawlers.

**The COH Iron Federation Heritage Championship has been out of HWL for over 6 cycles now. Can Secret Player bring it back or will HLL's Damon Thomas continue to keep the title out of HWL?

**Creepster has been patiently waiting for his title match and this cycle he gets it. Big Blank has been big with 4 successful defenses since the Spring. Big match for both men, especially with Final Battle being a few cycles away. Good luck to both.

**The SOTF is booked and ready to go. The winner of the SOTF will go to Final Battle challenging the Main Event Champion, and also win \$250k

**Ari Gold vs Mobster Nick Santilla is a #1 contenders match for next cycles Main Event title match.

**Drake Younger is set to defend the COH Violence Championship vs Dynamite Kid. These two have traded wins back and forth but now the titles on the line. Who will come up big this cycle?

Around The Network

** ***The King Of COH Tournament*** is here! As promised, this double elimination tournaments features 16 wrestlers from EEL, HLL, HWL, and MEL. Each wrestler has a chance to win \$500k and have a shot at both COH and ICW world Championships! This tournament is double elimination and a draw, double dq counts as a loss.

This tournament usually lasts several cycles so buckle up and enjoy the ride! Booked this cycle:

- Hawkeye Science vs Mobster Nick Santilla
- Kardashian Kan 3 vs Ari Gold
- Guillo Tina vs George Erlewein
- Nick Gage vs Rembrandt Halsted
- Michael Mayhem vs Million Dollar Man Slick Rick
- Hades Royal vs Big Blank
- Union Jack vs Mike Drake
- S-Ser Arthur Dayne vs Brain Guy

**The King Of The Deathmatch Tournament has had four winners advance so far: HWL Smallpox, HLL Nick Gage, EEL Hades Royal, HLL Dash Fan 3. This cycle booked:

- Bloodshed Bob vs Mudcrutch
 - CM Punk vs Brain Guy
 - Aesculpius vs El Diablo Blanco
 - Norman Krasner vs Eddie Gilbert
- \$500k and a chance to become the 1st COH/ICW KOTDM Champion!

**In ELL, once the Affliction Championship tournament is over, we will begin the Extreme Existence Championship tournament. There is a good chance that the tournament finals won't be in time for Final Battle so the COH Affliction Championship might be the defended in the main event and this would be the 1st time a top championship didn't have the main event at a Final Battle. That's a big boost for the Affliction Championship if this happens.

**After this cycle, all league series will be played out during the KOCOH. That will make it easier on me and one less interleague match I have to pay for.

**ICW- I've discussed this with a few managers and they feel there is no need for an ICW Super Show. We now have 10 shows and they feel like that is enough booking by me and I do appreciate the thought. I then mentioned just booking ICW matches on COH shows marking them COH and that seems to be the idea that will work.

**A challenge tossed out and accepted: HWL's Young Bucks have challenge MEL's Landell & Douglas to a title vs title match. Both COH National Tag and COH Ironman Tag will be on the line next cycle in the main event of COH 164.

**CTI-looks like not much of a presence after all. A shame too, no commitment, no drive by that crew, besides the VIRUS/CTI.

**Tournaments- The 1st tournaments of 2018 for each league will be as follows:

- EEL: Tournament Of Torment
- HLL: Tournament Of Extreme
- HWL: Tournament Of Havok
- MEL: Tournament Of Violence

Each tournament will feature 8 wrestlers, the winner will receive \$150k. Then the league winners will face off till we have one winner and that winner will receive an additional \$150k

After that each league will start their Deadly Duo and Survival Of The Fittest at the same time so those winners can do the same thing. So we'll have a Hardcore tournament, Deadly Duo, SOTF where winners battle it out. Then we'll have the COH Invitational and King Of COH as our main interleague events.

**HLL- as I mentioned, I'm going to set up an HLL Cup, and end of the year event for the league. Eight wrestlers battling strictly for \$150k. Entered will be Fatt Williams, Latino Lover Boy, Hawkeye Science, Dionysus, Matty Y, Damon Thomas, DC Drake, Guillo Tina. This tournament begins next cycle.

**This cycle I will again send notice, a final notice to the XWL commissioner. If I don't hear something back then it's a dead issue. All I will say is don't bark your Hardcore talk when your league is ducking COH and HWL.

**HWL wrestlers, I suggest sending some reps into the King Of Hardcore tournament. This will be another way we can shut them up.

**IMT keeps adding numbers almost at the same pace of floody mc floods KDSN, lame and lamer, seriously. This was worth adding again...400 and nothing to show. IMT floods IWA wide = 1st World title, sweet!

FYI- ALL COH leagues are accepting free transfers of **6 wrestlers or less as long as you play a match deal the cycle you transfer in

**Now that the King of COH and King Of The Deathmatch is going on, besides the Hero Cup, there will be no new tournaments starting till 2018.
