"Yes, I know you love me. I love all of you too. As for Professor Pompus, he will never wrestle me. Because he does not want to get beat by a girl. He also knows that I am a better wrestler than him. By the way, my new C.D. "Planet Hot" will be on sale soon, and my new hit single "Fire Me Up" will be on there. And yes, I will get naked in March. That is all I have to say for now." She blows everyone a kiss, and all seven leave the ring.
