Greetings, and welcome to this edition of the Blaze Report. I'm your Commissioner, Valerie Phoenix, and I'm looking forward to what's in store here in the Lovely Ladies League!

EMPEROR SERPENTOR RESPONDS TO TOMMY ZULU'S ARROGANT DIARY

The camera opens on Serpentor, arms crossed, his cobra-hood headdress framing his face like a throne. He speaks slowly and with absolute contempt.

SERPENTOR: I have read your diary, Tommy Zulu. Every word of it. And I will give you this much -- you write with the confidence of a man who has never once been truly humbled. That will change.

He begins to pace.

SERPENTOR: You looked at BURN and you saw a sub-stable. A curiosity. An unexpected party guest who wandered into your renaissance and did not belong. You pitied us, Tommy. You actually pitied us. And you dressed that pity up in the language of a disappointed nobleman -- what a shame, you said. All that wasted potential.

He stops.

SERPENTOR: Let me tell you something about potential, Tommy Zulu. I am built from the genetic material of the greatest conquerors, commanders, and emperors this world has ever produced. Julius Caesar. Napoleon. Hannibal. Attila. Their brilliance, their ruthlessness, their absolute refusal to accept any outcome other than total domination -- that is not something I aspire to. That is what I am made of. Literally. So when a man who calls himself an emperor looks at me and sees a sub-stable, I do not feel insulted. I feel curious. Because that tells me everything I need to know about the limits of his imagination.

SERPENTOR: You say BURN has relegated itself. You say our top manager has not deemed us worthy of his full attention. This is the Arrogant Empire, Tommy -- you name yourself after your greatest flaw and then wonder why no one takes the threat seriously. You are so consumed with the idea of your own legacy that you cannot see what is standing directly in front of you.

He leans toward the camera.

SERPENTOR: You said it yourself, Tommy. It is either a blatant attempt to overcome you, or it is a complete and utter disregard for respectable game play. I will answer that question for you plainly, so there is no confusion in those pages of yours. It is neither. What COBRA brings to the Snake Venom League, what BURN carries across this entire IWA, is something your Arrogant Empire has not faced before -- and that is an opponent who is not impressed. Not by your history. Not by your positioning. Not by your 75 percent. Not by any of it.

SERPENTOR: You have won before. Congratulations. So has every empire that no longer exists.

He straightens up, chin raised.

SERPENTOR: Keep writing in your diary, Tommy. Document everything. Because when this is over, those pages will be the most complete record available of the last days of the Arrogant Empire. And historians will find them very useful.

THIS I COMMAND.

The camera holds on Serpentor for a long moment before cutting to black.

LILLI LOLLI
Lovely Ladies Mafia / BURN

[The camera catches soft pink light. Lilli Lolli steps into frame, all shimmer and mischief, her short pink hair catching the glow like something out of a storybook gone sideways.]

"You look at me and you see a fairy princess. That's fine. That's exactly what I want you to see."

[She tilts her head. The smile doesn't reach her eyes.]

"Because fairy tales don't always end the way you expect. Sometimes the princess isn't waiting to be saved. Sometimes... she's the one you should've been afraid of the whole time."

[She smooths the front of her ring gear, unhurried.]

"The Lovely Ladies Mafia doesn't recruit just anybody. They don't send for you unless they see something in you. Something real. Something that lasts."

[A beat.]

"They sent for me."

[The pink light fades.]

"Sweet dreams."

MYLA MATEER
BURN / Lovely Ladies League

[Cold lighting. Myla Mateer stands with her arms folded, blonde hair pulled back, expression flat and unreadable.]

"I didn't come to the Lovely Ladies League to make friends. I didn't come to put on a show. I came because BURN needed someone in this division who understands what the word ruthless actually means."

[She takes a slow step toward the camera.]

"Back home, they'll tell you I'm a nice girl. Quiet. Polite. Mannerly."

[The corner of her mouth curls.]

"Back home, they haven't seen me in a ring."

[She lets the silence breathe.]

"BURN doesn't carry passengers. Every woman in that stable earns her place, every single night. I intend to earn mine. Loudly. At somebody else's expense."

[She holds the camera's gaze without blinking.]

"The Lovely Ladies League just got a problem it doesn't know it has yet."

[She walks out of frame. The light cuts.]
