**COMMENTS:**

LNL!!! I am really liking this league a lot. I came up with a new front page but the groundwork was already laid out by those before me and I hope I can just keep it going with the greatest roster in the IWA. They really do knock them "dead"!!!! Ha! Oh come on, I can't go a cycle without saying something about this league. Living or dead, it don't matter, LNL is a nightmare for the rest of the IWA! Now we just need to go dig up some more dead bodies!! Who has the shovels?

Thank you for playing, now get back to work!

COMMENTS:

Here are the Top 30 wrestlers in our leagues with their records dating back to when the league was brought into our system. Active wrestlers will now be tracked through this table to see who should be put into tournaments/contests in the future. Stay active and enter the battle royal as much as you can. Congratulations to all of the wrestlers in 6Z's leagues who hit the report this cycle.
