1. WORLD DIAMOND DROP CHAMPION vs PACIFIC NORTHWEST CHAMPION

2. GFORCE CHAMPION vs JR. HEAVYWEIGHT CHAMPION

3. GOTS CHAMPION vs WORLD TV CHAMPION

4. GATORBAIT CHAMPION vs AMERICAN CHAMPION

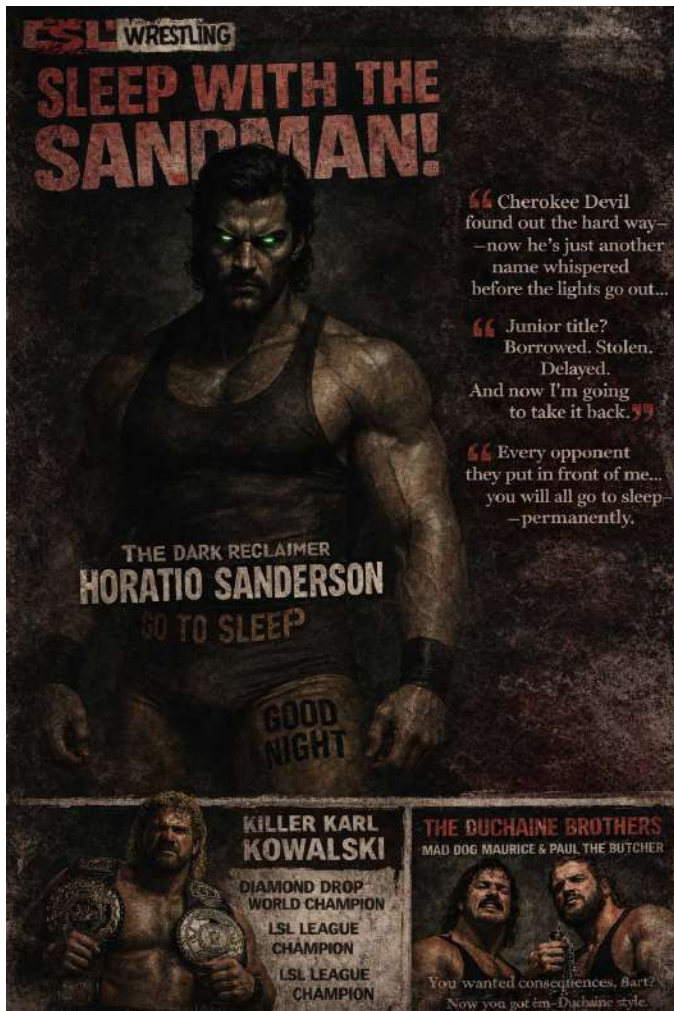

They say your roots you go back to when you need to rediscover yourself and what your passion is, years ago I was on top of the mountain my ego and attitude got the best of me, I let money, fame, and people control who I was made me into this fake, poser, and fraud of a wrestler I was called myself Hardrock, they do what's good for business and I did but hit rock bottom nobody wanted me in the LSL anymore.

I went back to my hometown keeping busy with my home and invested with my own GYM becoming a personal trainer, when I was training out of the blue this beautiful woman comes into my gym and hires me to train her, during training she recognized me from wrestling and we talked, she said she is the Commissioner of the LSL! I was supposed, she and I talked about Tim Clark and Rob Ratliff, how things have changed in the Swamp, she asked if I was ever going to wrestle again.

I told her I really hadn't thought about it because I was busy with my gym and clients, plus I didn't want to become what I was in the past, she said that I could do things my way this time, so i agreed and I signed a new contract!

Now I have trained for months wrestled in the minors now I am back with a purpose to become the LSW WORLD DIAMOND DROP CHAMPION! My Brother Eric Fontaine has done it, my sister Julie Fontaine is close to it but i am not proud of the way she has flashed money to get titles, I don't care who the champion is and every title out there I am Gunning for, so look out for OLD SCHOOL HORTON!

□ Killer Karl Kowalski

Diamond Drop World Champion • LSL League Champion

“You see these belts? They ain’t decorations... they’re warnings.

I don’t out-wrestle people. I don’t outthink ‘em. I walk into that ring, I look a man dead in the eyes... and I break him with my fists. Simple as that.

Everybody in LSL keeps talkin’ about strategy, rankings, opportunities—meanwhile I’m out here rearranging faces and stacking bodies.

You want a title shot? Good. Step up. But understand something real clear...

I don’t just beat contenders—I ruin careers.

So line ‘em up. Every last one.

Because at the end of the night... you’re all just another punch waiting to happen.”

□ Sandman Horatio Sanderson

The Dark Reclaimer

“You hear that?

...No?

Exactly.

That’s the sound of hope... fading.

Cherokee Devil found that out the hard way. Dropped him down the ranks like he was nothing—because to me, he *is* nothing. Just another name whispered before the lights go out.

That Junior title? It was never theirs to hold... it was mine. Borrowed. Stolen. Delayed.

And now I’m coming to take it back.

Every opponent they put in front of me... every ‘rising star’... every so-called contender...

You will all go to sleep.

Not peacefully. Not gently.

But permanently.

So keep your eyes open while you still can... because once I step in that ring—

...the Sandman comes. And when I do... you don't wake up."

□ **The Duchaine Brothers**

Mad Dog Maurice & Paul the Butcher

Mad Dog Maurice:

"Bart Sawyer... ohhh Bart... you really stuck your nose where it don't belong, didn't ya? You wanted a piece of the Duchaines?"

Paul the Butcher:

"Well congratulations, pretty boy—you got it. And this month? I'm sendin' you straight down the rankings... courtesy of pain, blood, and a little Butcher's touch."

Mad Dog Maurice:

"See, Bart... we ain't just fighters. We're a *lifestyle*. The danger, the violence... the raw, untamed masculinity."

Paul the Butcher (smirking):

"And let's not forget... the ladies can't get enough."

Mad Dog Maurice:

"Oh yeah... they line up for the Duchaines. Must be the muscles... or maybe..."

Both (laughing):

"...the sexy back hair."

Paul the Butcher:

"You hear that, Bart? That's not fear... that's jealousy."

Mad Dog Maurice (getting serious):

"But when that bell rings? There ain't nothin' sexy about what we do to you."

Paul the Butcher:

"You wanted consequences?"

Mad Dog Maurice:

"Now you got 'em."

Both:

"Duchaine style."

Becky Boobie is back in Billy Blunt's smoke filled locker room and we are introduced to a newcomer to the LSL
Billy Blunt: "Hey Becky! Long time no see!? So I left the ASL and decided to get dirty in the swamp Becky!"

Becky: "Well I can't say I expected to see you here, so why are you here?"

Billy: "Why? You think I have some sort of grand plan? I just wanted to hang out with some buds in the Budline as the super chief."

Becky: "I don't follow Billy. You usually don't make sense, but..."

Billy: "Anyway, here are my new associates, I ordered some pizzas and now here they are - Che & Kyra!"

Che Churro and Kyra Thictolm come into the room. Che is smiling!

Billy Blunt: "Let be be blunt, the Budline is here to smoke the competition."

Che Churro: "Oye, tienes razón, Billy. Becky es un bombón."

Kyra: "Che, I've only seen you drool like this over pizza."

Billy: "Pizza? Are we getting some pizza? That would be great!"

Kyra: "I don't work at a pizza place, remember we left to come to thai swamp. Which is fine; someone has to shut **Julie Fontaine's** mouth."

Becky: "That is quite a bold challenge right out of the gates! Billy and Che what kind of impact do you hope to make here in the LSL?"

Billy Blunt: "I think Che and I have some other joints to hit tonight, So we will catch you later Becks. Hey Che, maybe we can go get some tacos afterwards."

Becky & Kyra shakes their heads

Grave Dust came in confident... maybe too confident.

He reached for the powder.

The crowd groaned.

Al:

Stayed calm.

Cold.

Calculated.

SLEEPER CHOKE LOCKED IN.

Cherokee fought... clawed... staggered...

...and slowly faded.

The ref checked once...

Twice...

OUT.

After the bell, Sandman grabbed a mic.
