Anyway, I got this cash out of the ATM, time to go to the Casino!" - Lee Litroom

Lone Wolves, you must always fear the Reaper. Do you have what it takes? You need to know that fear is the true standard of COMBAT. If you do not respect the true means of fear, you will not survive in the ring. You must learn that true meaning the only way possible, and that is by proving yourself to the Arsenal right here, right now. LWL, now you know the true face of fear. LWL, now you know the Arsenal.
