Rejuvenation PPV: Daytona Beach, FL

In the Imperial Tag Team Title Match, Firebrand Elijah Thorne and “The Menace” Eli Richter retained over Flathead Rob and Happy Anderson in a Ring of Fire bout that left the Daytona Beach crowd openly disgusted. Though Thorne and Richter continue to blur the line between ruthless opportunists and outright villains, there was no mistaking who the fans wanted to see win, as Flathead Rob’s growing popularity carried the challengers’ side while the dangerously unpredictable Happy Anderson brought his usual brand of chaos. That chaos, however, proved costly, as Anderson’s unhinged approach threw his own team off balance at the worst possible moments, allowing the cold, calculating brothers to take control and finish the match in decisive fashion. It was a frustrating outcome for the crowd, who watched a golden opportunity go up in smoke as Thorne and Richter once again walked away with the titles. Winners... Richter and Thorne!

The Spring Break Beach Free For All delivered the exact kind of wild spectacle Rejuvenation promised in Daytona Beach, with the action constantly threatening to spill out of the ring and onto the sand. Bobby Monsoon stood out as the class of the field, staying composed while chaos broke out all around him, while The Teaming Thing 2, Justin Vickers, and “Rebel Angel” Jack Carter each had strong moments that made them look like possible winners. Battlin Jack Brosious, Haakon Aluugie, and “Mad Dog” Tommy Zulu brought plenty of toughness and unpredictability, and Gargantuan Machine used his sheer size to dominate stretches of the match before the numbers caught up with him. “Lugubrious” Loren Ordure and Galim Tursambayov never seemed able to gain much traction as the pace intensified, and one of the bout’s most memorable moments came when Justin Vickers was blinded by sand kicked into his eyes during a brawl at ringside. In the end, Monsoon outlasted the field with the best instincts and the strongest finish, winning a bizarre, energetic, and crowd-pleasing free-for-all. Your winner... **Bobby Monsoon!**

In the Imperial Heavyweight Championship Match, it became clear from the opening moments that whatever the Lone Wolf League may have hoped, the Daytona Beach crowd had made up its mind long before the bell rang. Stan “The Mullet” Malitowski entered as the supposed fan favorite, with the announcers doing all they could to frame him as the man the people had come to see, but that illusion was shattered the instant Flathead Rob made his entrance to a deafening ovation. To his credit, Malitowski seemed to sense the tide turning and worked hard to win the crowd back, but the fans never wavered, and the rejection appeared to rattle him badly. What followed was a surprisingly one-sided and lackluster title bout, as The Mullet looked less like a champion in control and more like a fading veteran unable to keep pace, while Flathead Rob thoroughly mopped the canvas with him from start to finish. By the end, the crowd’s support looked entirely justified, as Rob turned in the far sharper performance and left Malitowski looking every bit like a has-been.

Your winner.... **FLATHEAD ROB!** He will face “Rebel Angel” Jack Carter in the next PPV!

Me! or Eliot Richter

[**Elijah Thorne** sits on a table tucked into a corner of the room. **Firebrand** appears somewhat disheveled and lost in thought. **Eli Richter** is aggressively pacing the floor. All of a sudden, he throws down his bottle of water and steps up to the camera.]

Eli Richter: “What the he!! is happening in **Lone Wolf**? They’re really scraping the bottom of the talent pool. Although, I will say that I look forward to **BOBBY MONSOON**’s promos. He seems like the type who’s really got something to say. But **THE TEAMING THING 2**? Is knowing how to rhyme a thing? And where’s **The Teaming Thing 1**? Shouldn’t he be here too? It doesn’t matter as you’re looking at the only serious tag-team in **Lone Wolf**. Right, Elijah?”

[**Thorne** lets out a low groan of agreement.]

Eli Richter: “Yeah. So, **FLATHEAD ROB** is the hideous new face of **Lone Wolf**? That’s who we’re relying on along with his bestie, **HAPPY ANDERSON**. I guess it’s them and us and **‘MAD DOG’ TOMMY ZULU** repping **LWL** against the rag tag likes of **‘REBEL ANGEL’ JACK CARTER**, so-called Wrestler of the Year, **JUSTIN VICKERS**, and that behemoth, **GARGANTUAN MACHINE**. We’ll see how the rest of you shake out in the coming months.”

[**Commissioner Fries** hurries in with a flyer in his hand.]

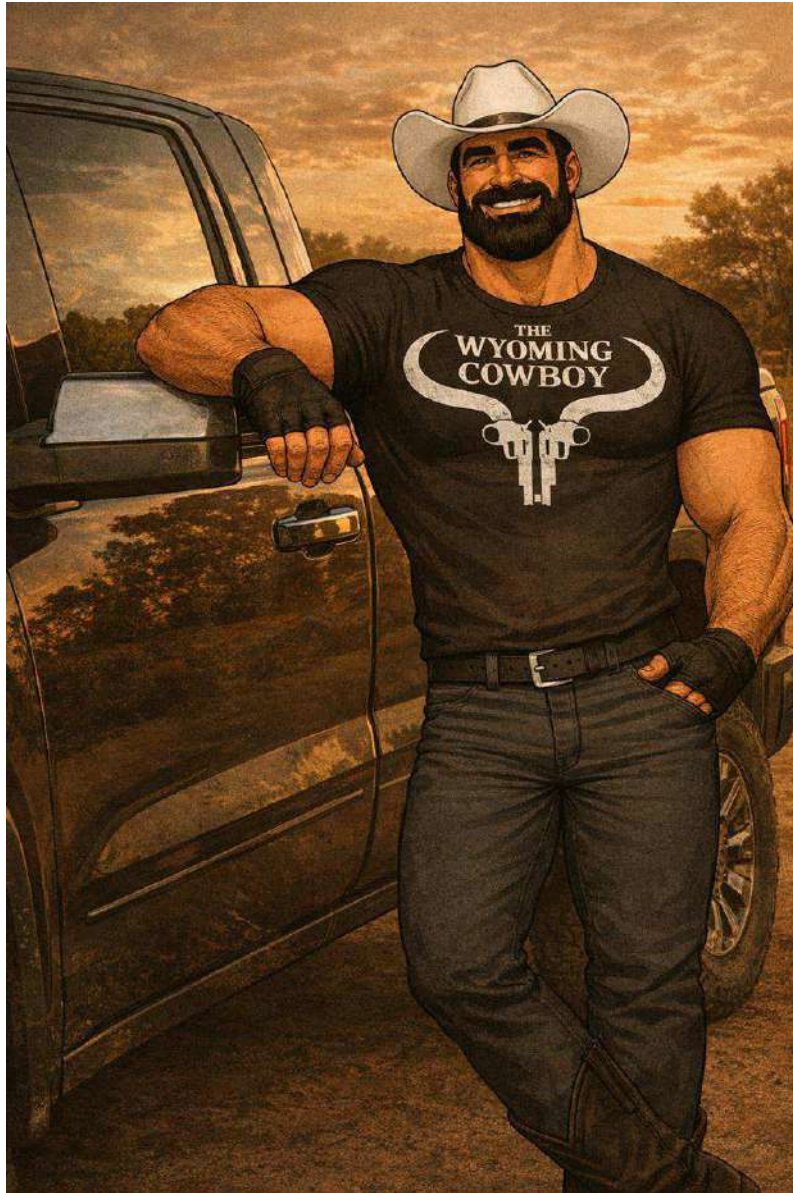

J.J. Fries: “Richter, look at this. I can’t have these flyers being posted all over the place. Talk to him, will you? He can get in trouble posting this crap... I can get in trouble. And look at this, he ain’t 29... and he’s not that big either.”

Eli Richter: “Just relax... he puts a\$\$e\$ in the seats, doesn’t he? We all but own this league.”

[**Jack Carter** storms in and lunges at **Richter** catching him with a right cross before being grabbed from behind by **Elijah Thorne**. **‘The Menace’** fires back, and the **‘Rebel Angel’** is being pummeled by both men yet continues to fight back. **Fries** calls for help to break it up.]

“THE MENACE”

(Boots hit the dirt... engine still ticking behind him... hat brim low, eyes forward) "Lone Wolf territory, huh? Looks like wide open country... just the way I like it. I ain't ridin' in here with a posse. Don't need backup, don't need numbers, don't need nobody watchin' my back. I handle my business face-to-face, same way every time. You boys been runnin' this place your way... that's fine. Now you're gonna see it done mine. Um, **Jack Carter** doesn't even

know that his ring music is Pink Floyd, not Roger Waters. Ha-that is a real knee slapper, Roger...ahaha....Waters, sure pal. He may have wrote the song, but it was Pink Floyd who played it. No nonsense is what y'all will get from me. No excuses. Just results. Y'all will see soon enough...This ain't luck... it's Wyoming."

Happy Anderson.

I am happy to be in a tag team with Justen vikers and Fat head roberts. We make a good tag team and I like being in the middle of the threesome.

But shareing a hotel room with those guys is annoing because Justen Vikers uses up all the hot water by taking long showers with his friends.and Fat Head robertson Smells funny and sonores.And I do not like Justen Vikers borish behavior when we are traveling and he needs to learn how to be a team player.

I do not know what JJ fries wants from me and he is always confusing the Issue. I am a happy guy, I like milkshaks and pizza.I like apple pie. apple pie is made with apples.

((((("STAND ALONE" BY GODSMACK HITS THE ARENA LOUD, AND THE LETTERS COT EXPLODE IN FIREWORKS OVER THE RING. WALKING OUT SLOW UNDER THE LWL TRON ARE IWA ICON GILBERT ARROYO AND THE TOUGH RUGGED RONNIE DAMAGE. BOTH MEN PAUSE FOR A MOMENT, LOOKING OUT AT THE CROWD, LETTING THE ENERGY BUILD. AT FIRST, THE FANS DON'T KNOW HOW TO REACT, BUT THEN THE CHEERS START TO GROW LOUDER AND LOUDER. ARROYO AND RONNIE KEEP WALKING TO THE RING, COOL AND CONFIDENT. ONCE INSIDE, THEY TAKE THEIR TIME, STEPPING TO THE CENTER OF THE RING LIKE THEY OWN IT. A MIC IS HANDED TO ARROYO, AND THE CROWD GETS EVEN LOUDER, READY FOR WHATEVER COMES NEXT. ARROYO SLOWLY LOOKS THROUGHOUT THE ARENA TAKING IT ALL IN ONCE AGAIN, HE LOOKS INTO THE CAMERA AND BEGINS.)))))

Arroyo: It's been a long time since I set foot in the LWL, matter of fact the last time I was standing in this ring, it was with the undefeated 19-year-old league champion Gillaxes the Great. This was a time the LWL was considered one of the best if not the best league in the IWA. Have times changed... Today's version of the LWL is much to be desired, but do I have a treat for all of you. I've been enjoying retirement for almost two years now and one day Ronnie comes to the mansion with a look on his face that I haven't seen in years. I figured he was going to pitch a return to the IWA for myself and my entire roster and although I always entertain a pitch for the IWA. I have been busy enjoying everything that comes with a comfortable retirement, but this was different, Ronnie was different. It wasn't the pitch I was thinking of, it was totally different... Let me tell you a little bit about Rugged Ronnie Damage... Ronnie began his wrestling career at the age of 16 as a member of the most brutal family to ever grace the IWA, the Damage Family!!! From day one Ronnie has always been a no nonsense competitor, he has never had a match against a scrub to pad his record, all his matches were championship matches! During his career he has won 6 different IWA wide titles, World Six-man and US Six-man, countless in-league titles, overall a very successful career. But when you came to the house you told me there was something missing for you, a longing for the legacy you want to leave behind, a Hall of Fame legacy!!! I couldn't agree more, this is your treat LWL, all of you get to witness a true grit legend like Rugged Ronnie Damage chase his Hall of Fame dream!!! As it stands Ronnie you are 799 wins away from the Hall, get ready for the fast track my brother as it starts tonight. I pre-booked you a match with that scrub Happy Anderson, you're going to be a busy man from here on out, so I wanted you to start out with an easy win.

(ARROYO AND RONNIE SHAKE HANDS AND GIVES EACH OTHER A CHEST BUMP, ARROYO HANDS THE MIC TO RONNIE AND STEPS BACK. RONNIE STANDS IN THE MIDDLE OF THE RING LOOKING OUT TO THE CROWD. THE CROWD BEGINS TO CHANT "COT, COT, COT" RONNIE SMILES AND NODS HIS HEAD)

Ronnie: That's right LWL, a true Tyrant of the ring is here!!!!... Gilbert Arroyo, first and foremost, I want to thank you for believing in me and helping me put this dream of mine together. I always felt content with my career until recently, not only did the itch for competition come back, I wanted to be remembered for the commitment to excellence I have always embraced throughout my career. I fought with this for a while, I struggled with the vanity of my dream of being inducted in the IWA Hall of Fame, but like you told me, I've earned it through the years. My mind is right, my body is right, the time is now... LWL, you all have officially been put on notice, this is my league now, as I chase my place in the Hall of Fame I will leave a path of destruction the LWL has never seen!!! Every cycle I will challenge every title regardless of any title I hold, I want the best every cycle! I've already got a list of faces I want to smash and it starts with you Eli Richter! You have one of those punch-able faces and because you're the TV Champ I can't challenge you this cycle so you are toying my list of victims. Next is you, Jack Carter! All the bull\$hit that came out of your mouth last cycle put a giant bullseye on your back for me. Shine up that title little man cause I'm coming for it! Flathead Rob, it looks like you're the man to beat around here, I look forward to competing against you. Tommy Zulu, it is always an honor to compete against the best the game has to offer. I'm glad to hear you have your focus back, when we meet in the ring I want you at your best. We are going to have some epic battles for sure! To my COT brothers!!! It's a personal privilege to dominate a league with you guys!!! Over the years I've been a part of some of the best stable the game has ever seen, yet no stable has ever compared to the brethren we share in COT. When it's all said and done and I decide to call it a career for good, it will be as a proud member of the Circle of Tyrants!!! Commissioner Fries, I am the Alpha Wolf, use my talents accordingly, enter me in all the upcoming events, I don't care what it is, I'm game for anything!!! Hit the music!!!

((((("STAND ALONE" BY GODSMACK ROARS OVER THE PA SYSTEM AS THE CROWD ERUPTS, CHANTING "COT! COT! COT!" OVER AND OVER, THEIR VOICES SHAKING THE ARENA. GILBERT ARROYO AND RUGGED RONNIE DAMAGE STAND FACE TO FACE IN THE CENTER OF THE RING, BOTH MEN NODDING WITH RESPECT BEFORE FIRMLY SHAKING HANDS. THE ENERGY IN THE BUILDING IS ELECTRIC AS THE CROWD CONTINUES TO CHEER, SOME ON THEIR FEET, KNOWING THEY JUST WITNESSED SOMETHING BIG. ARROYO LOOKS OUT INTO THE CROWD WITH A CONFIDENT SMIRK WHILE RONNIE DAMAGE RAISES HIS HAND SLIGHTLY, SOAKING IN THE MOMENT. THE CAMERA ZOOMS IN ON THEIR HANDSHAKE ONE LAST TIME BEFORE SLOWLY FADING TO BLACK AS THE PROGRAM CUTS TO COMMERCIAL BREAK.)))))

UB GETTING' SKOOLED with Flathead Rob

I am:

Your Lone Wolf **League** Champion!

Your co-holder of the **TV Tag-Team** Championship!

Your Trio Partner of the **Six-Man** Championship!

All in one cycle and in the first issue of the LWL's new look!

Thank you all for your support and for helping me reach the level of supremacy I have achieved. Yes, I know the help of those who support me, team up with me, and get beaten by me have all contributed to my success, but this Flathead is the common denominator.

These fantastic accomplishments need to be directed skyward to my mentor, "**Catfish Rob**". He will always be my brother from another mother and a friend until the end. He told me I was good enough and skilled enough to be competitive in the LWL. Then he said, "If I am wrong, what the hell else is your dumb flathead going to do, go to the BBL hahahahahaha!" When I stopped crying, I knew he was the greatest mentor in the sport.

FlatFunFact:

Real men do cry, and that last piece of pizza or that last drink is the culprit.

I do not know what's going on with **Elijah Thorne** as self-proclaimed commissioner, but even though he does not seem to be bad at it, I cannot lose my disgust with him and **Eli Richter**. That said, with the recent success I had with my BFF **Happy Anderson**, who has skills but needs to be explained about it, we get a chance to go for the **Imperial Tag Team Titles** at the **Rejuvenation PPV** this Spring. Not speaking for my Unsmart friend, but we are ready to dethrone those two.

Keep your eyes on the **WOTY** (Wrestler Of The Year) and see who is close, if not in first place, come the end of March 2026.

LISTEN CLOSE, YOU TINY MAN! LISTEN, TIZZY, IF YOU CAN!
I AM THE TEAMING THING 2, IT'S TRUE,
AND I'VE COME TO BRING A BEATING SPECIFICALLY FOR YOU.
YOU WALK TO THE RING WITH A WIGGLE AND WAG,
WITH A LOOK ON YOUR FACE LIKE A WET PAPER BAG.
YOU THINK YOU ARE TOUGH? YOU THINK YOU ARE GRAND?
YOU'RE THE FLIMSIEST WRESTLER IN ALL OF THE LAND!

In a league of the lone and the solo and grim,
Where the lights shine on one and the odds are quite slim,
Where wolves prowl alone and don't travel in packs,
Came two noisy Things with their tricks and their hacks.

Now **The Teaming Thing 1** puffed his chest, said, "I belong in this ring!"
While **The Teaming Thing 2** chimed along, "Yes! We're quite the same Thing!"
But the crowd scratched their heads, and the rulebook just blinked,
For this was a place where no partners were linked.

"Oh what is this nonsense? What is this curious crew?
Why is one now a pair? Why is one now two?"
The officials all grumbled, the veterans stewed,
At the sight of these Things and their teamwork, so rude.

Tag team matches are for one, not two.
They will not like that teaming thing that you do.
They will not like The Teaming Thing 1 and they will not like The Teaming Thing 2.

"I would not like it in a match!
I would not like this double-attack!
I would not like it in this league!
I would not like this number's intrigue!"

But The Teaming Thing 1 just grinned with a glint in his eye,
And The Teaming Thing 2 gave a shrug like, "Well... we still will not comply."

For rules were suggestions, and order was thin.
When the Teaming Things plotted their next sneaky win.
So lone wolves may howl, and complain, and protest,
But chaos wears blue hair and never will rest.

And whether they like it or boo from the stands—The Teaming Things fight... with four helping hands.
