Trash Talk Time with IWA Hall of Fame Legend, Jacquo Music Man Marco

IWA Hall of Fame Legend, Jacquo Music Man Marco comes out through the curtain and stands on the stage. His long blue and white robe and his IWA King of the Ring Crown shine brightly from the lights and blinds the fans in the front ten rows closest to him. He opens his arms and shows off his blue and white guitar as his music begins to play. Fran Drescher and Yoko Ono sing "Gens du pays" the unofficial National Anthem of Quebec. Fans cover their ears and their eyes as his pyro goes off and almost burns the front row. He slowly makes his way down the ramp as fans boo and try to get their signs seen on national tv. He stops a few times when the fans booing gets louder than his theme song. He argues with a heavy set bearded man in the front row who is wearing an american flag wife beater. The fans drops his replica IWA World Championship title when Marco holds his guitar up and fake swings at him. Marco laughs as fans boo louder. He slowly walks around the ring, ignoring the fans in the front row who are screaming at the top of their lungs and holding their ears because the theme song gets louder. He slowly walks up the steps and wipes his white wrestling boots on the mat before slowly entering the ring. He walks to the center of the ring and holds his guitar up in the air with one hand while he holds the mic to his mouth. He is about to speak when the fans boo even louder. He waits a few minutes but they don't get quieter. He smirks and begins to talk, holding his guitar down by his side.

Jacquo Music Man Marco: Ladies and gentlemen! I demand all your gratitude for I am thee I.W.A. Hall of Fame Legend, and Roi du Ring, Jacquo Music Man Marco!!!

He stands looking at the crowd as the booing gets even louder. He looks abruptly to his right when a "You Suck" chant starts.

Jacquo Music Man Marco: I said, I demand your gratitude...

The fans boo even louder and Marco closes his eyes and scrunches up his face in anger. Fans get even louder.

Jacquo Music Man Marco: I am a professional! What!?! Do you punks think this is my first rodeo? What?! I know how to shut you people up! What?! Look at me, I paid 50 bucks to say what all night, dur urrr. Idiots!

The fans boo louder and start to chant "you suck" again.

Jacquo Music Man Marco: There are two things you need to know about me! I have the mic! And... I don't need you to be here in order to do what I do! I get paid no matter what the crowd looks like! Why do you think I am the commissioner of every dead league in the IWA?!?! I don't get paid for activity or the best league bull[BEEEP]! I get paid no matter what happens! So shut up and listen to the greatest wrestler to ever fight in the I.W.A!!! I am the King of the Ring!!!

Fans laugh as he walks over to corner of the ring and puts his guitar down against the second turnbuckle.

Jacquo Music Man Marco: I was going to sing for you tonight but you don't deserve to hear me sing! You people make me sick! I see you all at the airport, begging for me to sign your pictures so you can sell them online and do you boo me then? No! You just make me late for my flight! Do I come to your street corner and tell you to get a job?!?! NO! So shut your mouths! I am the greatest wrestler to ever enter the I.W.A. Hall of Fame and then return to action! Now play my theme song for these people to hear it one more time and if they are too loud, I demand you put it on repeat so they can enjoy it with their WHAT?!?!?! HA! Put that in your replica championship belt and smoke it! Idiots! What?! What?! HA!

Fans boo loudly which makes him makes him very angry. This time he turns around and kicks the bottom rope which makes his guitar fall over, and his crown almost falls of his head, which makes him even angrier. fans laugh and cheer again. Marco grabs his guitar, dusts it off and leaves the ring. Fans boo when his theme song of Fran Drescher and Yoko Ono singing "Gens du pays" starts over and plays louder. Marco comes back out onto the ramp and stands at attention while his theme song plays to the end, which makes fans scream in agony. They cheer loudly when it stops and he leaves through the curtain.
