Ladies and gentlemen, Dr. Pain Mark Duchaine here, and tonight, I stand before you not as the victor, but as the warrior who fought with all his might and came up just short. In the Best of the Best Tournament, I clashed with Derek Tuttle, and though he emerged victorious, I extend my hand in respect and congratulate him on his triumph. Tuttle, you bested me tonight, but mark my words, our paths will cross again, and the outcome may be different.

To my brothers in COT, I say this: the journey doesn't end here. While I may not be the one to bring home the trophy this year, I know that one of you will. Go forth and conquer, for the glory of COT!

I came so close to tasting victory, but it slipped through my grasp. However, this setback only fuels my fire. I will channel this disappointment into something greater. Titles will be won, and money will be earned. The pain I deliver will be felt in the ring and beyond.

And to all you fans out there, especially you masochists who enjoy a good beating from Dr. Pain, Kim has set up a GoFundMe to help ease the pain of my defeat. I expect each and every one of you to donate generously. Your support means everything to me, and together, we will rise! Let's make the NAL great again!
