The Imperial March cues up as the lights in the arena dim. A lone spot light shines on the entrance way as The Immortals step out of the backstage area, The all stand shoulder in shoulder as a man steps out from the curtain and in front of the group. The man is dressed in a EXILE T-shirt and blue jeans. His red hair is combed neatly and sunglasses cover his eyes. In his right hand is a iPad, He pulls it up and taps on the screen a few times before he heads down the ramp, towards the ring. The Immortals follow him. As they get in the ring the Immortals all stand as the man produces a microphone as the lights come up.

Les Mac: Hello New Blood League. My men have been here for some time now, but they and myself have been quite silent. That is until now. You see, We see what the NBL is about. We see the competition. We did not come here to walk through the ranks of this league, while we sat quiet. The NBL is not on notice, You have seen what my Immortals can do with light guidance, now think what will happen now that I am putting forth an effort. My Immortals will rule over the NBL until the day I see fit and there's nothing any of you can do about it. That includes the Commissioner Mayhem.

Now X-Nation. We were not here for your last go around. Realize, If you step into the paths of my Immortals, You will face the same fate others have. Total Destruction. Do not look towards us as allies, we are not interested in being in your Resistance. You and the rest of the New Blood League have been put on notice, The Immortals will reign over the New Blood League. Learn to deal with it.

The lights in the arena go out and when they come back on, There is nobody in the ring.

Well, well, well....it looks like our esteemed "commissioner" has decided to bail on the league once again. For months, he has been promising that he would be back better than ever, after consistently missing work. I really don't see him coming back this time, and a lot of talent has already called it quits. The greatest faction to ever compete here will remain....for now. However, our contracts expire very soon, and we are not ruling out taking our talent...and ratings.....elsewhere. We currently own the world, brother's keepers tag, unholy trinity six man, and ladies world titles. If we go, those titles will either go with us...or be thrown in the trash! For now, keep those eyes open, because the Hillbillies are all about what's best for business right now!!
