Matt Y. Speaks:

To the one who calls himself "The Game", you blanked? We had to look at page 2 of the MUL just to see if you were even active. You were active, alright. How did this even happen? 88 and 83 hitting? One of the very weak 27's dropping? The weak 29 dropping? You were just about handed a 501. Yet, instead of getting it, you blanked? Please note, our totals weren't even that great, and we still managed three titles. How on Earth is someone this bad? Oh wait, you're just coming back, and you need some time to figure out the trends, right? Obviously, spending a little time studying the holds is a bit hard for you, isn't it?

You'll always remember the past, when your 38th singles wrestler got a 501. But what about now? You're a shadow of your former self. Like in 2015, when we were kicking your butt before you quit. You remember those days, don't you? Be prepared, because more beatings are on the way, courtesy of us!

Hi NDL!!! It's your pal Elrod Elrodson...and today...Dan Gilbert would be proud of my Comic Sans. What better way to sayFuManChu to the ungrateful than with goofy font. Thought I'd write some "trash talk" this cycle...(Elrod is handed a note) Really? I can't say trash anymore? It offends Canadians? It reminds them of that time after the Revolutionary War where they inherited a bunch of British trash from America. Everything offends Canadians...like watch this...hockey sucks. Your football fields are waaaaaaaay too wide. Like wider than Lena Dunham's lady shack. ck. Know what offends me? They call ham...bacon. The plural of meese is not meese. Wait, I said "They" is that a triggering event? Maybe when Elrod the Wall Builder gets done on the Arizona border we can start on the Northern wall. Maybe we can breed a gator that can survive a Lake Erie winter. We could bomb them I guess, but that would cause billions of dollars worth of improvements.

Well it's been a while, what did we miss?

-the floods have rescinded to pre 2016 levels...apparently global IWA warming is another global warming falsehood. Everything always returns back to normal and the flood waters rise and fall.

-we had no bottom 20 jobbers which I thought was cool but someone needed 20 easy wins....didn't want to earn their wins....milenials

-oh...someone tried to turn the NDL into an eFed Comic Book....who knew people wanting to play the IWA for free would get their knickers in a pinch

But my fav moment....is welcome back my play by mail (play by pdf?) bestie Tony!!!!!! Woohoo....

Now Tony, I know you an Matty may not get along but let's do an icebreaker....It's been a long time since we have broke bread. Afterall, many come and go in the NDL few stay....Whenever a bestie, a 'neighbor' of mine comes along well, that makes me happy....krunk even....My icebreaker....I call it 3 positives 1 negative....I'll start....

Matty....You're really good at the IWA. I hope you win the IWA manager of the year award. You make my laugh cause all the uppities with whitey tighy's soil their Sears Husky jeans for you just being you.....I appreciate you as a person Matty. That's called tolerance. They preach it but dont practice it....Now 1 negative....just 1 Tony follow me let me demonstrate....Matty, I don't like your KDSN gimmick but that's ok.....!!!! I'm not a KDSN Sympathizer but that's fine...It doesn't hurt my feelings. I can live in a world where people can do whatever they want short of violence. Matty you are my Play By PDF Bestie and you #standwiththeNDL.

Tony....You're good at not crashing objects. You're my favorite Mexican. You've won alot of National titles in the IWA....now the negative....just 1...just1.....you're wrestlers are not sporting IMT initials....and that's ok....I am an IMT Sympathizer....Kevin Elrod's America sympathizes with IMT. If IMT was an object, I'd give it a huge hug and pay money to watch it twerk on the Internet. I would do a clean job in the center of the ring 1,2,3 for IMT. Like if this was France and IMT invaded I would put my French rifles down and surrender. If IMT invaded Sweden I would say here IMT Invaders....take our women and do as you please all in the name of tolerance....If IMT did illegal things on the south side of Chicago I would tell them you can have that part of the city.....Laws? We dont have them anymore.....Ok, Yes, we have Selfish Don in the group...but I am Mr. 1991, put the first wrestler in the IWA Hall....I'm what they call a legacy. But Eaves wins Fed titles and Jerry is.....Jerry.....

So guys, next cycle....write some Tra....no I can't say that. Write some Happy Dialogue Chit Chat....don't offend anyone and keep to Happy Dialogue Chit Chat....throw stuff back and forth to each other. Remember....3 positives 1 negative. I know between the two of you, it's gonna be greeeaaat....beeeeeeeelive me. No microaggressions guys. Be nice....and as always...remember to cross your t's.....and dot the i's.....use Comic Sans or if you got one, go Unabomber and get the typewriter out. That would be a blast....

And any of the holdovers that came here for the eFed....well cmon gents....kick it out wide for the NDL and contribute....I'm sorry you're not going for the Anime-Octopus regional title (the Atlantic will have to do...sorry) but sign those Math Book On A Pole matches. I highly reccommend you use utensils as, well this is America we don't eat with sticks. Please, all I ask is you give me a bottle of Teriyaki sauce and donate any pics you have of chicks doing anime cosplay.....just doing research for a friend....you can do it.....and for that....I thank you....
