Greetings, mein Fren! I hope this finds you well, and all of your household pets accounted for!

Congratulations on your 2024 Ambulance Specialty Title! I, like some of our silent squadron here in NDL-Abama, went 0-fer. But it's really about the gibs, innit? The free 40 wins. I mean, seriously, in this economy, who could pass up that return-on-investment ratio, amirite?

I must confess that reading last month's bulletin had me chuckle out loud, when reading about your NDL sitcom. A passerby would've thought I was plus or minus a chromosome, and probably deserving of a support possum in our trailer park!

May your scratch offs pay off!

*Masked Fren*

**Become Ungovernable**

Greetings my Masked Fren.....or as they say in Springfield, OH.....**Here kitty kitty.....Grab a goose and lets go down to the park and have ourselves a Goose Bake Haitian Style.**

**What they forget to tell you....the cats and geese are free.**

May your 15 leg parlay with the 50% profit boost in the form of a bottom 40 free find you well. Forever Always Gold.

Congrats on Regional Bussy. Now finna time to smash some sweet moist raw dog league hole. I got mouth!!!!

IMT Board Meeting : Well we lost 1 in the UWL. (Psssst dont tell anyone I'm just picking the holds off the back of the bulletin.) IMT will join the TCW and I have entered the PKW. Why? I dunno...ask me later.

They have rolled out the election flu early this year. If you only would have gotten your 8<sup>th</sup> booster.

Kamala got ELM'd the questions and for a first gave up the 'Pearl Necklace' for some lowkey Get Smart Pearl Earrings. Such bravery and tolerance.

Another Specialty Championship has come and passed us by. It should be called the "Who Can Put High Value Holds At Dumb Spots Nationals" .....wait, I won one!!! At least give me a fist bump atta' boi it was with a tag team wrestler. The good ole AM-BAA-LANCE title. Now I 'axe' you is that just the coolest title?

No...actually. I was really hoping that Close The Borders would win a Steel Cage title or the PKW's Resident Geigh Bartender Papa Razzo would win the Soul Survivor tournament. But hey who am I to complain about it? A 2 at 10 and a 10 at 2...40 free wins is 40 free wins. And I need them because well, I just once again did to well in the UWL. Eliminated early. But there's still 1 hanging around. But back to our Specs.....

Nothing but the smartest players winning "Specialty" titles. All hailing from IWAR leagues. Well there was a win or so by some Doints Doi Donny. Even Fren of the Cause Marky D got himself some sweet Spec Bussy. I guess next time I'll remember to put 45's at 14 and 30's at 8.

I wonder what the emails to the IWAR Queen....there I go again with another new nickname just slipped in there no fanfare.....look like?

**Dear IWAR Queen, I'm the new First Blood champion. My wrestler is on PREP and is a candidate for your DEI titles. Please consider me. Hail Biden. P.S. I am not a Doints Doi.**

Oooops I did it again.

That's alot of spam emails to read. Thoughts and prayers.

Masked Fren.....that's all I got this time..... Inflation has my b-hole hurting and I must put some ice on it.

I hope it's inflation.....It's inflation.....RIGHT?
