## Commissioner's Report Vol. 45!

Greetings National Patriots League Managers! FLASHBACK 2024 was incredible! We had 3 titles change hands!!! Some storylines concluded. Some are starting! Please read the PPV Results I have enclosed this cycle! I tried my best to get you all involved as much as I could. Now if you feel like I didn't get you involved OR want to be seen in a different light. PLEASE give me an idea of your wrestler(s) and what they are. This way I can properly tell your story.

So, I ask you Managers to give me your best Trash Talk or Promos so I can better detail your participation in the PPVs. I want all active wrestlers to have a place in the PPV shows in some capacity. So do not worry if you are not listed in the PPV poster.

Also, our next PPV is taking place in Arizona, Boiling Point. It takes place during cycle #69 SUMMER. Plenty of time to build on the PPV. Here are the results from Flashback 2024...

## National Patriots League

Ambrose, perhaps I misjudged you. Oh, how the mighty do fall... from a three-time consecutive league champion to being wiped from the front page save for being one third of a team of crutches. It appears that you need each other to amount to anything... which is still a whole lot of nothing to me.

There are those in this league that are obsessed by what, sadly, personifies human behavior... greed, money, and ego. **T-Money**, you are the epitome of these wretched traits. These things make you strangely predictable. As it turns out, money does, indeed, lie. It lied to **Malcolm Mack** and continues to lie to **Justice Mack**. Neither your greed, money, or ego can save your everlasting soul or that of those that choose to follow you like headless children. **T-Money**, you are the lie... but, the bell eventually tolls for everyone, including you.

When it is the darkest, that is when the brightest light will appear. The Dragon will be that light. All these new wrestlers, many with no honor. I'm here to keep that honor. Imua Hawaii!

## FLASHBACK

**Live from Detroit, Michigan**

### **PPV Song: “Into the Fire” by Asking Alexandria**

*(The cameras start rolling with a shot of the full moon in Detroit. As the cameras pan down, you see the back of a 1967 Ford Shelby Mustang GT500. A lean guy in a leather jacket jingles his keys and enters the car. He revs up the car and shoots down the street. He drifts around the corner and the cameras see the beautiful car drive up to Ford Field. He drives through the back hallways and through the entrance where the 80,000 fans are screaming! Asking Alexandria begins to play “Into the Fire”. Flamming pyro shoots out of the stage. The man gets out of the car and runs up to the stage. It’s Denis Stoff, the lead singer of Asking Alexandria. The fans cheer as the band plays on. As the song ends, we hear Dane “the Dragon” Kealoha’s music hit and out walks Dane. He sees the band and embraces them. Dane then walks back to the entranceway and blows fire from his mouth! The fans eat it up and the band cheer for Dane. The cameras then cut to the announce team.)*

**Jim Jones:** Hello everyone at home and HELLO Detroit! 80,000...that’s right 80,000 fans have packed Ford Field in Detroit! This is Flashback! I’m joined by my guys, Juice Robinson and the one and only, Bob Sapp. Say hi Bob.

**Bob Sapp:** Say hi Bob! *(Team chuckles)* No seriously we are here in the Motor City! A huge night is ahead of us. All titles on the line. I guarantee you all watching at home and in this LOUD arena, we have so many surprises in store.

**Juice Robinson:** You know it, Bobby. The first surprise is the first match. I thought this was the main event, but the Dragon is shooting fire from his mouth all the way to the ring! Six-Men Tag action for Bragging Rights. The floor is yours Aldo! *(Juice points at Aldo, the NPL Ring Announcer.)*

**Aldo Montoya:** The following contest is scheduled for 1 fall. Introducing first, he is the fire-breathing Dragon from Hawaii, he is Dane “The Dragon” Kealoha!!!

*(Dane hops on the top rope from the apron and blows fire one more time! The fans love it! He backflips off the top rope and then bows to the crowd. The give respect back.)*

**Aldo:** And his partner, the former NPL All-American Champion, he is one third of the Andersons, he is Huxley Anderson!!!

*The fans cheer, as the former NPL All-American Champion Huxley Anderson’s music hits. He shoots out the curtain to a roar from the crowd. With rib tape on, he runs over and high fives the fans at ringside. He enters the ring, poses to the crowd and then shakes Dane’s hand. Suddenly the lights go out.)*

**Aldo:** (Stammers) Uh...their final partner...San La Muerte!

*(A spotlight shoots out of the entranceway, grim music plays, and a chilly fog rolls down the entranceway. A silhouette figure walks into the dim light. He looks up and reaches for the camera. As he gets close, the light goes off. In 6 seconds, the lights come on as thunder rocks the arena. The fans groan as San La Muerte appears between both Huxley and Dane. They stumbled back. Aldo Montoya falls back into the corner in fear. As he pulls back his hood, pyro shoots from the turnbuckles! The fans give a mixed, but impressive reaction to the new NPL talent. The impressive Muerte disrobes. With his hair in his face, he stands ready.)*

**Justice Mack:** Shut the hell up Detroit! (*Fans Boo*) I'm tired of being in the middle of these fools! All my life I looked after Malcolm. Fought ALL his battles for him. Took care of him. I'm done. As for T-Money. Hey! T you are unconscious, but when you wake... I'M THE ONE THAT DESTROYED THE CLUB, homie!!! I stole the Micheal Jordan basketball. Bought me a new ride with it. But that's the point. It's all about money with you fools. I have the power now! Justice Mack is the future of this League. Not you T and definitely not you baby brother! This match is over.

*(Justice slides back in the ring. The ref yells at Justice. He smiles at the ref and tosses the ref into the steel cage. Justice then bashes Malcolm in the stomach more with the pipe. Then once in the face. T-Money stumbles up and is hit with "Hard Justice". Justice is cold faced now. Rags2Riches Security comes down and escorts Justice out of the building by handcuffing him away.)*

**Bob:** I thought T-Money was bad. I have never seen a more selfish and vindictive act in all my 30+ years in the wrestling business. And they are family!

**Juice:** Disgusting to say the least...

**Jim:** Never would I of though Justice would have been capable of this. The match was already intense enough. Medical personnel are in the ring helping these men onto a gurney.

**Juice:** Malcolm could have busted ribs, internal bleeding, and T...

**Bob:** Who cares! T-Money is scum. His family is all scum...well Malcolm is turning a corner, but T and Justice shouldn't be in the NPL if you ask me. But hey, it's not my company.

**Jim:** Thank God for that. Let's go to the back Katie Quinn is with our Commissioner Jaxx.

*(Cameras cut to the back where Katie is speaking to Jaxx.)*

**Katie:** I'm with National Patriots League Commissioner Jaxx to get a word from him on tonight's events. Commissioner it's been a wild night. What's the status of Justice after his actions tonight?

**Jaxx:** Katie I'm blown away by what just happened. I never would have thought this would happen. I have some tough decisions to make. That will happen in due time...

*(Jake Duval enters the picture to speak to the Commissioner. Jaxx takes his shades off and looks at Jake with patience.)*

**Jake:** Enjoying your night Commissioner? (*Short pause*) Well I'm Not! You changed your participants in our 6-Man Match, and did you see that neanderthal San La Muerte attack Jun-ho Mok backstage?! I saw the dead in his eyes. He should be 6 feet under! In a coffin! So, what are YOU Going to do about this?

**Jaxx:** We have a little PPV taking place in Arizona during the month of July, Boiling Point. You mention...coffin. I see no alternative than to have Jun-ho Mok take on San La Muerte in a Casket Match!

**Jake:** You didn't win tonight. I want a rematch. You'll give me this league, all I have to do is wait you out, Commissioner. An Asian League this will be.

**Jaxx:** *(Gets in Jake's face.)* Over my dead body Sweet Boy...

*(Jake leaves and Jaxx speaks to Quinn.)*

**Jaxx:** You were saying...

**Katie:** I...that's a huge announcement. Do you...

*(Jaxx gestures for the Mud Diggers to come over. Big S and C. Ford enter the camera shot with ice on their necks and shoulders.)*

**Jaxx:** Mud Diggers, that match was beyond impressive, fam.

**Both:** Thank You...

**Jaxx:** I think that match is what the NPL is all about. Let's run it back. The Killswitch guys Vs the Mud Diggers one more time. What do you say boys?

*(Cameras cut back to the commentary team.)*

**Bob:** Did he just say Casket Match?

**Juice:** Tag Team Championship Match Run It Back? One More Time! One More Time! *(Fans continue to chant "one more time"!)*

**Jim:** You have to love our commissioner. Boiling Point in Arizona is going to be a hot show. No pun intended. Let's switch gears and talk about the NPL All-American Championship Triple Threat Match. The Dominating Gaspar Mohammadi systematically destroyed NPL Legend Huxley Anderson to become NPL All-American Champion. The Anderson Brothers, Karsyn Anderson took a real exception to this.

**Bob:** Right. He went to commissioner Jaxx and demanded he get Mohammadi here at Flashback. The wild card in this is the former League champion Ambrose. See he won a huge match at Holy Grail that made him the #1 Contender for the NPL All-American Championship.

**Juice:** Now here we are. 3 men wanting to be champion. But I'm positive Karsyn just wants revenge. He said as much to me earlier. So, let's get this one started. Aldo... *(Cameras cut to Aldo in the ring.)*

**Aldo:** Our next match is a Triple Threat Match for the National Patriots League All-American Championship!!! *(Fans Cheer)* The rules are simple...No Disqualification, pinfall or submission is the only way to win. Introducing first representing the Hounds of Justice he is Ambrose!!!

Duke calmly mouths, "Why are you even out here? You know what...save it. This is your fight." Duke walks away in disgust. Dane points at the Deadeyes and yells at them. Cameras cut to the announcers.)*

**Jim:** Who would have seen this coming? Ulysses Deadeye is the new NPL World Heavyweight Champion.

**Bob:** Duke is right. If Dane left it alone then Duke might have retained. The goody two shoes both fell on their face tonight.

**Juice:** How can you say that? Ulysses and the Deadeyes have been after Dane for weeks. Ulysses nearly cost Dane the match earlier. Nearly cost our commissioner that match. And now the Deadeyes have our League's biggest prize.

**Bob:** You're young Juice. So, let me explain something to you my naïve friend. Actions have consequences. If the hot-headed Dragon stayed in the back, then Maybe the champ would possibly be champion right now. But his choice led to the unfortunate consequence. *(Bob turns to the camera.)* Learn to let go Dragon. If you play with fire, then you get burned.

**Jim:** Bob, Duke Ken Jr could have won that match despite the inadvertent distraction. But give credit to Ulysses. He brought it tonight. He won two matches. He was hungry and now he's champion. How's it going to shake out with Dane, the Deadeyes, and is Duke going to want a rematch? So many more questions now. Next time we are on PPV we will be in Arizona. Boiling Point! For Bob, Juice, and myself so long from Detroit.

*(Cameras catch up to Duke Ken Jr walking down the hallway. He is walking with his head down. He is obviously in a state of frustration. He then stops and the cameras pan over to reveal...an injured "Arch Villian" Marcus Scurll. He speaks.)*

**Marcus:** *(Pauses and gives a beer to Duke.)* Looks like you have a mountain to climb, brother. Well...the Texas Outlaw I know will get back on top again. It's just a matter of time. Now let's get some beers and party in Detroit!

**Duke:** *(Finally smiles)* Detroit won't know what hit them. Where to?

*(Marcus puts his arm around his long-time buddy, they cling their beer bottles and drink as they leave the arena.)*
