After soundly defeating Stacy Warner and Samantha Stewart, Amazon and Valkyrie Machines held on to their tag team belts. The two will face new challengers Scorpia and Hellcat during the next PPV this summer.

## **CORI CHAOS HAS BEEN FINED FOR HER DAMAGE OF PDL PROPERTY**

We here at the PDL are committed to ensuring the safety of our fans and our employees. While the former might enjoy watching all of you ladies go crazy once in awhile, the latter will most definitely sue me for allowing their property to be damaged, and if I lose money, you lose money, plain and simple. Next cycle you will see a new list of PDL staff, including our new staff psychiatrist, Dr. Norman Kevcus, who I'm told has impeccable references.

## **ROYAL FAMILY OF DOOM**

**Lady Tyranna:** "Just so everyone is up on all the latest goings-on: my Starry Knight captured the Commissioner's championship, and I have twisted her into just the kind of wrestling machine that could do so."

**Starry Knight:** "My total thanks to Lady T! Love this belt."

**Lady Tyranna:** "And, at the April Fools show, Starry teamed with her sister Stormy and our wild card, Scorch, to defeat the Sugar, Spice and Everything Nice Machines!"

**Stormy Knight:** "A beautiful victory for the Fam of Doom!"

**Scorch:** "I think it's pronounced DOOOOOM! But close enough."

**Lady Tyranna:** "The SECOND most imposing woman in the RFD--"

**Brutal Brandy Hollywood:** "Watch it, Ty. 'Second,' my butt. And what you were going to say was that *I* won the Big Cage Free For All. And I think we all saw that coming." (Big flex.)

**Lady Tyranna:** "Hmph. Well, anyway, our greatest moment was our lovely Purgatory becoming the new Vegas Gold champion, vanquishing Dominant Factor Love by showing what Dominance is really all about."

**Purgatory:** "It was one the closest contests I have ever had. And when I stood over Love with MY belt in my hands, that challenge just made it that much sweeter." (Kisses the title belt.)

**Lady Tyranna:** "Of course it did! Oh, and lest we forget, *I* defeated Heaven O'Connor to become the West Coast champion. I thought I would save that for last. So, now that everyone's up to speed, you know that when the Family of Doom is in town, no championship--and no woman holding--is safe."

# DYNASTY

**The camera pans backstage, revealing the aftermath of the April Fools pay-per-view. Polaris, defeated and exhausted, sits slumped against a wall. A small cut on her cheek trickles blood as she catches her breath...Scorpia enters the room and approaches her comrade...**

**Scorpia:** Polaris! Are you ok? Your loss doesn't diminish your strength as a wrestler. It's time to reset and focus that fire on Princess Starwrestler! She just called you out!

**Polaris, still catching her breath, nods in agreement with Scorpia's advice...**

**Polaris:** You're absolutely right, Scorpia! I owe it to you and the rest of DYNASTY for pushing me to my limits and demonstrating the true strength of our team by triumphing in the inaugural PDL War Games....

**Polaris turns to the camera...**

Oh Princess Starwrestler, you dare to call me out when I'm at my lowest? You think a loss will break me? Think again! You've awakened a fire within me that burns hotter than a supernova. I may have fallen in battle, but mark my words, I will rise again! With each drop of sweat and every drop of blood, I will come back stronger, fiercer, and more determined than ever before. You think you can take me down? Ha! You have no idea what you've unleashed. So, Princess Starwrestler, prepare yourself, for the storm is coming!

# コノハナ咲耶

*(Konohana Sakuya)*

The scene opens to a bustling noodle bar in Tokyo... The sounds of clinking bowls and slurping customers, but amidst the chaos, one figure stands out, Konohana Sakuya, known for her fierce fighting style and unyielding determination. As she sits at the bar, a steaming bowl in front of her, Konohana Sakuya reflects on her recent victory in the tournament that has earned her the number one contendership for the prestigious Vegas Gold championship. She has fought tooth and nail to get to this point, and she is always ready to take on anyone who stands in her way.

"I'm not intimidated by Purgatory and her Royal Family of Doom, I've trained hard for this moment, and I won't let anyone stand in the way of my goal."

As she slurps up a mouthful of noodles, Konohana Sakuya turns her attention to another rival, Lady Nightingale. The two had clashed in the ring before, and the tension between them is rising.

"I know Lady Nightingale is angry about me throwing her out of the battle royal, But she needs to take a good look at herself before pointing fingers. It could have been anyone who eliminated her, but she's choosing to blame me. That's her problem, not mine."

With a determined glint in her eye, Konohana Sakuya sets down her chopsticks and finishes off her bowl of broth. She welcomes the challenge of facing Lady Nightingale in the ring once again, knowing that she is ready to prove herself as a true champion.

## Lady K.:

When I was a little girl, my momma caught me playing with matches and she whooped me so bad I can still feel it today. Now the PDL has a little fire bug of its own, and I guess it's on me to teach her a lesson.

Cori Chaos, I challenge you to a lumberjack match. Loser has to buy the winner a new truck. I'll wait for your response before I sign the match.

## Crazy Jenny:

And just because we're distracted, don't think we've forgotten about Felicity Daniels or that green haired freak Polaris and her freaky friends! Bring it all, anyone, because my crew stands on our own!

## REPRESENTING THE GUN COLLECTION

I put all my focus and attention on Polaris and that cost me a match against Heaven O'Connor in Joliet.

I've done quite well for myself in PDL, but I always crave to have more. More championships, more money, more attention to myself.

And for my next target, Lady Tyranna. You won the West Coast championship, a title that I have surprisingly not won yet. But I will soon. Very soon!

# **"CORRUPT" CORI CHAOS**

## **Representing The Gun Collection**

Cori Chaos is sitting on a bench. She just got finished with a match against Helen Dog, who had won the match. Helen Dog walks into the locker room.

Helen Dog: Tough match out there, Cori.

CC: Yeah. Real tough. Losing to a dog...

HD: Hey, it's a part of the job. Losing sucks, but someone has to.

CC: You think this is over? Chaos never forgets. I've gotta little surprise for you. I see you sipping on your protein shake.

HD: Yeah? So?

CC: I hope you enjoy the taste of grided up dog treats. Revenge, my dear Helen. Enjoy your dog treat protein shake!

**Helen Dog spits out the protein shake and throws the container at Cori Chaos, who dodges it, and laughs as she leaves the room.**

HD: You're insane, Cori!

CC: I'll see you again, Dog.

REPRESENTING THE GUN COLLECTION

I've been known to win a few battle royals in my time here in PDL, and last cycle I was one of the last three inside that ring. Unfortunately, Chimera tossed me out.

However, because I was one of the last three, I left with the Pacific Northwest championship.

That's all find and well, but I am still pissed off that I was tossed out. Chimera cost me \$30,000 dollars.

And no one, and I mean no one, gets in the way of me making money.

# Lady Nightingale

## **REPRESENTING THE GUN COLLECTION**

**I won the East Coast championship last cycle after I defeated Konohana Sakuya in Vienna in front of over 21,000 fans.**

**And I plan to use this championship to catapult myself back into League champion like I did once before.**

**There's heavy competition here in PDL and that will make it all so much sweeter when I stand high on the mountain once again as PDL Champion.**

# **Blair Noir**

## **Representing The Gun Collection**

**Sometimes when a case is presented to you it seems like an easy shut case. I thought I would have the League championship again, but things can have a way of changing on you**

**when you least expect it.**

**That's what happened last cycle, but I will get back in contention this time around.**

## REPRESENTING THE GUN COLLECTION

I faced off  
against “Rebel”  
Angel Misfit in  
Talladega last  
time around, and  
she pinned me,  
fair and square in  
the middle of the  
ring.

And in that very  
cycle, she  
captured the League championship.  
A title that I hope one day I will win.

## DOMINANT FACTOR LOVE

Oh, hell's to the no. The April Fool's pay-per-view event done gone 'n' went. That puppy was loaded from top to bottom and everything looked damn straight right up there until the end when somebody other than me walked outta there with MY Vegas Gold title! Purgatory..... girl, I gotta say, nuthin' but respect for you 'n' the way that you handled business. But, bitch, please. You may have gotten me that night, but you and I both know you sure as hell ain't better than the DF Love and I'm gonna prove that soon as I get the opportunity. Believe you me. But, it looks like that ain't how this one stacks up. They want me to win a league championship to get back in contention. Okay. That's the way it is, then that's the way it is 'n' that's what I'm gon' do, then. In the meantime, though, I got Konohana Sakuya on the docket and you know what's 'bout to happen in that one. I gotta gets me a lil' redemption from the PPV and that's gonna come at your expense. DF Love out.

“Sweetness” Stacy Warner  
“Sensational” Samantha Stewart

**WARNER:** “First, let me just say hat’s off to the Commissioner for making the only decision that makes sense and that’s to give me ‘n’ Sis here another crack at the Machines for those tag team titles. The last time we got in there....

*Samantha schooches her way past Stacy’s arm and commandeers the interview segment.*

**STEWART:** “I got this. For starters, the Commish didn’t have any option other than to make this right, so sure – hat’s off to you for doing your job. Whatever. Now, as for the Machines, your days as champs are numbered. We’re hungry for those titles and that means bad news for you because that means that there’s sharks in the water and we’re coming for blood.”

*Samantha storms out of the locker room as a bewildered Stacy Warner watches her go.*
