THE RINGER REPORT

WITH IWI REPORTER JERRY RINGER

501 CLUB GROWING EARLY

Apollo joins Uncle Slow Moe in the 2026 RTL 501 club claiming the IWA Pacific Northwest Championship. With the growing list of IWA report appearances by the RTL we look to set personal league records and establish a new bar of excellence.

MILITIA'S DEBUT EPIC

Well the draft proves to be a tremendous success for the Rolling Thunder League once again as The Maryland Militia finally make their long awaited debut in epic fashion. Not only did they pull off possibly the ruse of the century in the Flash Flood match itself becoming the # 1 contenders for both the True Impact Heavyweight Championship and True Impact Blockbuster Championship but under the masks became the next challengers for the True Impact Tag Team Championships.

PAPACITO - CORVETTE - MONEY

The "Headline" wins Money's vacated Heavyweight title on the same night the "Uncut GEM" returns to extract an ounce of revenge on the Maryland Militia and The "Heartthrob" finally gets a one on one True Impact title match and shows why he was the 2025 RTL wrestler of the year. At Tropic Thunder the Militia challenge for both Corvette and Papacito's gold while Money will look to find a path back to the Championship he never lost.

My final thoughts, Flash Flood was amazing PPV if only the viewers at home got to enjoy the same experience as the live crowd what a botched broadcast. - Jerry Ringer -

THE ROLLING RECAP

WITH KENNEDY MON-EH'

Papacito let us know how happy he was to be out New Orleans and looking forward to landing in Jamaica. Warns everyone that if they want to step to him they better be prepared to bring a lil' extra cause he is at the top of his game and the mountain !! . The Maryland Blue Bloods of the WTL sent a message to the Maryland Militia regarding the Marano memorial telling them they still are not refined enough to topple them. The "Great Entertainer" Brian Clothier reminded everyone in both the NWL and RTL that they ain't safe and whether you dreamt about it or prayed it would never happen he and Morris have arrived and the landscape has changed. "G-Force" Garrie Morris shed some insight on how the Militia engineered the outcome not simply fooling everyone, and admitted to not being in the masks thw whole time as the Masked Militia. Niether Morris or Clothier gave us any indication on which man would face who at Tropic Thunder. The Maquina's wonder where Chaos Machine is until Gigante arrives and calls them out for speaking english. A cat seemed to have got the tongues of some of our superstars including New Money Inc. , The Bullseye Syndicate and Dan Corvette most noticeably last cycle but expect that to not carry over. We still are waiting to hear from many members of the roster going into Tropic Thunder, hopefully we here from the voiceless soon !!

#Rolling Thunder League #Thunder Thursday #Tropic Thunder #Real Mon-Eh'

The MARYLAND MILITIA just defeat CARNAGE DODGE & JELLO DUCKINS in an old school house show squash match and are taunting the crowd holding their NWL GOLD proudly. "UNCUT G.E.M" GREG E. MONEY appears on the jumbotron.

GREG E. MONEY : You two must be on cloud nine eh !

CLOTHIER & MORRIS turn their attention to screen and tauntingly hold the NWL NATIONAL & TAG TEAM CHAMPIONSHIPS once again facing the tron to be in clear sight of MONEY.

GREG E. MONEY : Your real proud of those NWL TITLES and walk around talking and acting like everything you accomplished in your time down there was dominant. You're just the best of a class full of maybe's , flash in the pans and never going to be's. We went toe to toe with stars like KAMAKAZE, SKAPEGOT & the rest of AI . Hall of famers in the making MONGO, FUTURE MAN, NORM "LOON" KEVCUS, RACHEL YAMAZAKI, TSUYOSHI MAZOKU, DOUG MCMASTER & DOUBLE D. CHRISTOPH. You two are what A.J HAMMER could have been if NEW MONEY INC. & the aforementioned NWL alum never existed while he was there. I almost forgot the "REPROBATE" LANNY TEAGUE, TEAGUE was the first rookie to win the JOHNNY B. CUP & a lot of people forget that i was in that final too but I digress my point is your representation of those titles truly is a formality because there was no one else to put them on. I'll give you credit hell of a debut you split through my fingers and pulled off the victory in the first ever FLASH FLOOD !! IMPRESIVE !. This is the big leagues now boys your here full time no in and out no masks, BRIAN CLOTHER... the conductor of the money train (GREG chuckles) the ROLLING THUNDER LEAGUE is NEW MONEY INC. country which means I own the tracks it runs on and i promise you will be DERAILED !. And you GARRIE MORRIS I can't wait till get you in that ring one on one cause I'm going to beat the feathers off you and teach you that G-MONEY is the only G-FORCE in the RTL. I wish you both the best of luck at TROPIC THUNDER honestly because as much as I would love to take MY TRUE IMPACT HEAVYWEIGHT CHAMPIONSHIP !! back from "DA PLACEHOLDER" PAPACITO he has fallen to third on my hit list behind the two of you. Those NWL TAG TITLES your holding would still be around the waists of the PROFITS OF PAIN if they weren't forced to vacate them when we graduated, they proved that when they whooped your a\$\$e\$ to win the BADD CO. CUP and they will do it again at TROPIC THUNDER. I think I'm going to talk to JACK TOONIE & LUTHOR ALEXANDER.... PROFITS OF PAIN vs MARYLAND MILITIA tag team unification.. Yes that has a nice ring to it... MONEY OVER EVERYTHING !!

CLOTHIER & MORRIS are left standing in the ring irate kicking the ropes and yelling at the screen now just playing their reactions inside the ring angering them even further. As the show ends both MORRIS & CLOTHER can be heard screaming "NEVER" & "HE'S A DEAD MAN" .

The Blades Of Steel just defeated the Project Prodigy and are backstage when they run into Automatic Slim & The Texan cutting a promo. Ginsu & Hanzo ambush the pair with twin Slap Chops dropping them were they stood, Mr. Boujee steps in front of the camera " I told you we would cut through the locker room until we get chance at gold " He looks over off camera and grins as Oonagi steps into the frame carrying T-Bird on his shoulder. Oonagi stacks all three members of BURN and squashes them with a standing bombzai, Boujee steps back up to the camera " Toonie this is just the begining I warned you and the roster.... this is on you now "

"PRICELESS" SARAH B. MONEY : SPEAKING ABOUT NEVER LOSING TITLES... MY MAN THE "UNCUT G.E.M" NEVER LOST THE TRUE IMPACT HEAVYWEIGHT CHAMPIONSHIP AND ONE WAY OR ANOTHER HE WILL BE THE CHAMPION AGAIN THAT IS THE "HEADLINE"..... MONEY OVER EVERYTHING !!!

[The camera is live inside the RTL arena. The crowd buzzes as an undercard match is in progress. In the ring, **GERALD SIMPSON** and **WHOBORG** are sloppily trading punches, each blow more awkward than the last.]

JIM RAWES

Well folks... we've got ourselves a... uh... spirited contest here.

BOBBY DU'BRAIN

Raws, I've seen better punches thrown in a pillow fight at a daycare.

JIM RAWES

Now that's not fair—

BOBBY DU'BRAIN

No, what's not fair is making these people watch this!

[Simpson throws a wild swing and misses completely. Whoberg stumbles into the ropes.]

BOBBY DU'BRAIN

Look at this! This is not wrestling, this is a cry for help!

[Suddenly—The lights cut out. The arena goes black. The crowd gasps. A low rumble of thunder rolls through the speakers.]

JIM RAWES

Wait a minute... what the—

[The Thundertron flickers to life.]

I'M THE PROBLEM

[The opening of Anti-Hero hits.]

"It's me. Hi."

[The crowd ERUPTS.]

BOBBY DU'BRAIN

It's him! It's The Great Entertainer!

JIM RAWES

Oh no. Not again!

[Purple and light blue strobes sweep the arena. Smoke floods the stage. The beat drops. FULL STAGE PYRO ERUPTS. Standing at the top of the ramp— **"THE GREAT ENTERTAINER" BRIAN CLOTHIER**". His robe flowing in purple, light blue, and white. Lightning bolt painted down the right side of his face. The NWL National Championship over his shoulder and the NWL Tag Team Championship around his waist. He stands still for a moment... soaking in the reaction. Boos rain down.]

BOBBY DU'BRAIN

Business just picked up, Raws!

JIM RAWES

Or business just got shut down for these two in the ring!

[Clothier begins his walk. Slow. Confident. Swagger dripping. Intense. Arrogant. Inside the ring, Simpson and Whoberg stop fighting completely, confused. They look toward the ramp.]

BOBBY DU'BRAIN

Uh oh... they just realized they're in the wrong segment!

JIM RAWES

I don't think these two know what's about to happen!

[Clothier reaches ringside. He climbs the steps without breaking stride. He steps through the ropes. Simpson cautiously approaches. BIG mistake. Clothier grabs WHOBERG and hurls him over the top rope to the floor.]

JIM RAWES

Good Lord!

BOBBY DU'BRAIN

One-way flight to ouchville!

[Simpson freezes. Clothier turns, steps forward— AND KICKS SIMPSON SQUARE IN THE BACKSIDE. Simpson yelps and skips under the bottom rope, fleeing the ring.]

BOBBY DU'BRAIN

The kick is up and IT. IS. GOOD!

JIM RAWES

He just cleared the ring!

[Clothier walks to the ropes and points up the ramp.]

CLOTHIER

Get the hell out of my ring!

[Both men scatter up the ramp. Clothier turns back to the center of the ring. His music fades. He removes his robe and tosses it aside. Clothier takes a microphone. Again, the boos begin to rain down. "The Great Entertainer" takes a long pause. Then—]

CLOTHIER

Now that the children have cleared out... we can talk like grown men.

[Mixed reaction.]

CLOTHIER

I've been hearin' things. Rumors. Whispers.

[He paces slowly.]

CLOTHIER

About an IWAR super card. About a certain match. About a certain name...

[He stops and looks directly into the hard cam.]

CLOTHIER

Kamikaze.

[The crowd reacts.]

BOBBY DU'BRAIN

Oh boy...

JIM RAWES

These two have a history!

CLOTHIER

Now let me get this straight. This is the same Kamikaze who was supposed to face me at Homecoming. The same Kamikaze who looked at the biggest fight of his career and decided— "No thanks." [He smirks.]

CLOTHIER

Vacated the title. Walked away. Ran from the moment. Ran from me.

[Boos and murmurs.]

CLOTHIER

But now I'm supposed to believe he patched himself up. Licked his wounds. Heh, rubbed a little dirt on it. Maybe even found his courage? News flash... He never had any courage! He is who I thought he was!

[Clothier laughs.]

BOBBY DU'BRAIN

He's got a point, Raws!

JIM RAWES

Kamikaze may have something to prove!

CLOTHIER

Oh, I believe it. I believe the rumors. I believe the match might happen. And if it does?

[He steps forward. Intensity rising.]

Then Kamikaze, you better understand exactly what you're signing up for.

[He points to himself.]

CLOTHIER

Because you didn't avoid a fight. You delayed a beating.

[The crowd reacts loudly.]

CLOTHIER

And when that bell rings... when there's nowhere left to run... when there's no title to vacate... no exit to slip through...

[He leans into the camera.]

CLOTHIER

Your worst nightmare is gonna be standin' across the ring from you.

[Clothier shakes his head in affirmation.]

CLOTHIER

And his name is "The Great Entertainer."

[The crowd erupts. He drops the mic slightly, then catches it again.]

CLOTHIER

So Kamikaze... if you've found your nerve— bring it. Because I've been right here the whole time. Believe it, SUCKER!

[He drops the microphone. Anti-Hero hits again. Purple pyro erupts from the ring posts. Clothier raises the NWL National Championship high.]

JIM RAWES

He just hijacked this entire match!

BOBBY DU'BRAIN

And called out a ghost from his past while he was at it!

[Clothier exits the ring, never looking back. The camera follows him up the ramp as the crowd roars. Fade to black.]

The scene opens up to a harbor, where Papacito's luxurious yacht is docked. The sun is beginning to set, casting a warm glow over the water. Papacito lounges comfortably on the deck, surrounded by an array of seafood and bottles of the finest champagne. Josue, his trusted bodyguard, stands at the entrance of the yacht where Bandida is standing. The camera pans to her as she steps onto the yacht, her Global Championship glimmering around her waist.

Josue: Bienvenido!

He steps aside, allowing her to enter as Papacito rises to greet her with a wide smile.

Papacito: Mi hermana! Thank you for coming! Papa-SEE-to! wants to take a momento to thank you for de help at de Flash Flood. Your presence made all de difference, Papa-SEE-to couldn't have done it without you! You know, you work so hard all de time. You deserve to let loose a little! Dis life we've built? It's meant to be enjoyed! Relax with Papa-SEE-to, have a drink!

He gestures to the table set with their respective championships, the RTL True Impact Heavyweight Championship and the BWL Global Championship, gleaming proudly among luxurious bottles of champagne and an extravagant seafood spread.

Look at dis! These championships represent not just our victories, but everything we've fought for. From de streets of Mexico, battling for survival, to dis... de luxury, success, and de recognition we deserve. It's a testament to our strength and determination!

He pauses to take in the moment, glancing at the setting sun over the horizon...

We've come a long way, but dis isn't just about championships. It's about familia. Family has each other's backs, and together we must continue to fight for every success that comes our way!

As Papacito finishes his toast, Bandida raises an eyebrow...

Bandida: I think I'd prefer tequila...

Papacito: Ah yes of course! Joe-Sway, can you grab de tequila!

Josue nods, immediately stepping away from the deck to fetch Bandida's favorite liquor... He returns and places the bottle down, opens it and fills a glass...

Papacito: As de sun sets over de ocean tonight, let it remind us that every end is just a new beginning. De journey ahead is ours for de taking, and our legacy is just beginning! Salud por la familia, por nuestro trabajo duro y por todas las batallas que aún están por venir!

They clink their glasses together in a toast, the camera panning out to capture the breathtaking sunset, illuminating the ocean with hues of orange and pink, as both champions sit back, enjoying the moment.

Papacito

HYDRO

Konnichiwa, RTL! It is not all good in the hood, though, as my youthful friends like to state. My Flash Flood opportunity was stolen from me before the match even started and for this each of the men responsible shall pay. I don't care who it is, but I beg of the Commissioner to sign a match against any of these scoundrels! Sayonara, DOD!

[Scene opens in the RTL backstage interview area. Jerry Ringer stands with microphone in hand. The camera widens to reveal The Maryland Militia—G-Force Garrie Morris and The Great Entertainer Brian Clothier, the NWL National Heavyweight championship around his waist. The Random Baltimore Vagrant lingers in the background.]

JERRY RINGER: Gentlemen, I appreciate you taking the time. The biggest question circulating RTL right now is simple— Who challenges for the **True Impact Heavyweight Championship**, and who goes after the **True Impact Blockbuster Championship**?

[Clothier adjusts his sunglasses, stepping slightly forward.]

BRIAN CLOTHIER: No decisions have been made yet, Jerry. I've stated my case... and Morris has stated his.

[He pats the title on his shoulder.]

Personally... I think that **RTL True Impact Heavyweight Championship** will pair quite nicely... with the **NWL National Heavyweight Championship** already around my waist.

[Morris slowly turns his head toward Clothier, expression calm but intense.]

G-FORCE GARRIE MORRIS: And wouldn't it just be fitting... that after **New Money Inc** cost me the **NWL Grand Prix Championship**... I end up wearing the belt that **we forced Greg E Money to vacate?**

[The two men lock eyes. Silence. Tension. Neither man backing down.]

JERRY RINGER: So which one of you—

[Morris suddenly smirks, breaking the tension.]

G-FORCE: Jerry... Regardless of which one of us faces **Papacito**... and which one of us faces **Dan Corvette**... When **Tropic Thunder** ends...

[He steps closer to the camera.]

We will hold... **ALL. THE. GOLD.**

[He starts counting on his fingers.]

RTL True Impact Heavyweight Championship!

RTL True Impact Blockbuster Championship!

RTL True Impact Tag Team Championship!

NWL National Heavyweight Championship!

NWL Tag Team Championship!

[Morris lowers his hand, staring directly at Ringer.]

Got it, Jerry?

[Pause.]

You damn well better...

[Clothier smirks slightly. The two men walk off side by side—but not quite together. There's still tension lingering.]

JERRY RINGER: Well... that doesn't exactly answer—

[The Random Baltimore Vagrant suddenly steps into frame, holding out a cup.]

RANDOM BALTIMORE VAGRANT: Uh... hey... you got a dollar?

[Ringer freezes. Looks down at him. Long sigh.]

JERRY RINGER: ...Of course you're back.

[The Vagrant shakes the cup slightly.]

RANDOM BALTIMORE VAGRANT: Just a dollar...

[Ringer rubs his temples as the camera fades out.]

WHOOOP A\$\$ INC

PRESENTS

June 2025 Gold Fed Champion
June 2025 Elite Champion
3 X RTL League Champion
Thunder Cup 2 Champion
(Current) True Impact Blockbuster Champion

Dan Corvette: Hello RTL. Well I would love to be the one to say I told you so and so I will. I told all of you that I was walking out of Flash Flood the True Impact Blockbuster Champion and as you can see, much like Nostradamus my prediction came true and the second highest award in the RTL rests firmly on my shoulder and its not leaving there until I decide to slap the taste out of Papacito's mouth and take what's rightfully mine. Then you all can tussle over the scraps I leave behind.

Dan Corvette: Now I guess I have to address the Mafia or Militia or whatever you two pairs of clown shoes are calling yourselves. Congrats on your victories at Flash Flood and your impending Championship shots at me and Pap Smear. I don't give a single crap which one of you decides to take your shot at me, but understand that you only get one shot at greatness. So bring everything you have and understand that you aren't in the minor leagues anymore. You are in the big leagues now, the punches come faster, the kicks are harder and the lights on the marquee are brighter than ever. The name you see the most on that marquee is mine and I dont just put asses in seats boys I also put boots to asses and knuckles to teeth. So make sure you look over that benefit package and get the good dental plan, because coming after me is going to require a lot of staples, stitches and o - blood on reserve, but I am ready whenever you are boys...LETS DO IT

The Bullseye Syndicate

Double “D” Christoph / G.Unner & Mark Smen

Double “D” Christoph:

Well, we like to talk about our successes, but we also need to comment on our failures. The **Bullseye Syndicate** has lost the **True Impact Blockbuster and Tag-Team** titles, and it is my fault completely. Because I have a bad addiction, my actions related to that addiction have cost our team some nice titles. My addiction to ranch dressing caused massive weight gain that I worked hard to get rid of. I did not realize that after getting in the best physical shape of my life, I did not work on the mental aspect. After my close loss to **Dan Corvette**, all I could think of was getting knee deep in ranch dressing, and a double-dip incident caused a distraction to my team. I deeply apologize to Mark and G., one of the greatest tag teams. An addiction is bad, but that is no excuse for affecting others because of it.

Mark Smen:

Even though **G. Unner** and I are a cohesive tag-team machine, he is his own person, and I cannot speak for him. However, I want to say, even though the loss of the **True Impact Tag Team** titles was painful and lost by a terrible distraction, I must say I have no ill will toward Double D. More titles and success are needed for this team, but we are a team, and we all make mistakes. Getting above those mistakes is the key for us.

G. Unner:

Brother Mark, you are correct...you cannot speak for me. So, at this time, I have no comment.
