BELOVED SPEAKS

I've been quiet for a few cycles, but it seems I have to address an itch I can't seem to get rid of, by name of CHLAMYDIA RUE! I don't know what the obsession is, but it appears you're either a stalker or you have some type of abandonment issues and have directed them towards me. I've swept the ring with your face several time already, you would think you would get the hint and have a seat by now. Move on already, I'm not interested in playing in your infectious sandbox!

Camera shows a black luxury car parked back stage . ROOKER Z: ' Yo dawg, that's the same car we seen pull away last week.' JOEY MYLES: ' That means the attackers are here.'

The crowd goes wild when Aya Rathmoore, Lady Fang Gogh, Miss Chimera Rue and the Bunny King are standing under the Titantron and one by one they walk down to the ring.

ROOKER Z: ' I'm not gonna lie, that Bunny King thing is freaking me out.' JOEY MYLES: ' some crazy stuff is going down in the MML with that Golem and now this Bunny King.' Aya stares at the announcers as she walks by, chants of the Bunny King echo in the arena as AYA enters the ring last and grabs a mic.

AYA: 'ladies and gentlemen, I've waited so many years for this moment, the moment that we can all celebrate the rebirth of my grandfather Nixon Rathmoore, you all know him as the golem and now the real REVOLUTION starts... last week we gave notice to the RWL when we attacked those pathetic girls... This league belongs to us and there's nothing you can do about it...your masters won't even let you talk... you all are a bunch of slaves so if you wanna do something about it, you know where to find us.'

AYA, Gogh, Chimera and the Bunny King leave the ring and head into the stands with the fans.

ROOKER Z: ' There is no doubt about it, these women are a legit threat.'

JOEY MYLES: ' I'm just glad they didn't pay us a visit that the did to Kory Braves.'
