### SHL Towers

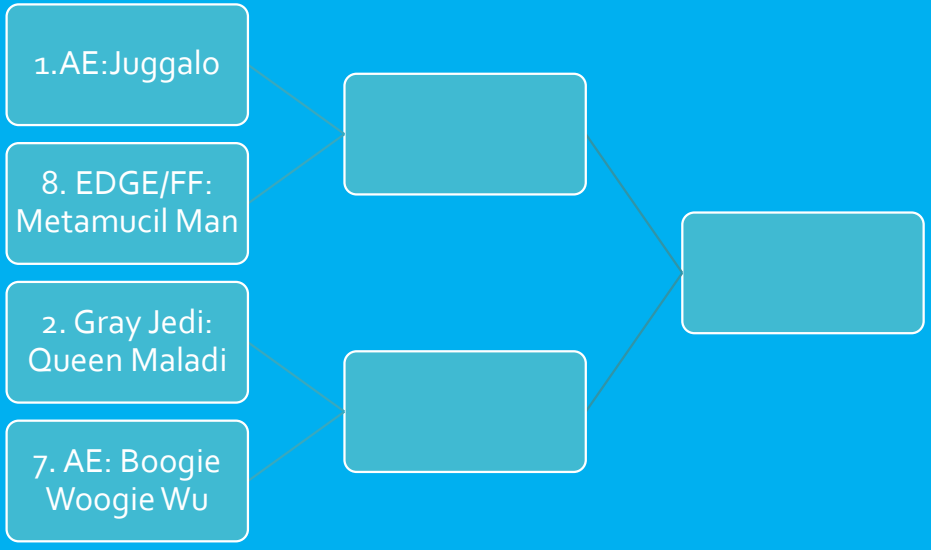

• I caught up with Captain Jones and had a huge question about the SHL overall rankings. How is it that the Jade Champ and SHL Global champ did not hold the number one ranking. The thinking was that Terrfic did not defeat Freedom in the ring. Freedom defeated every IWA TV champ in each Fed to capture the US title. It will be interesting who wins the rematch. Thanks to our sister network below we have the results of the Lethal Ladies. I also have the details of the Mr/Ms. SHL contest, which the SHL team will keep an eye on.

Mr/Ms. SHL contest is here 8 wrestlers in Florida. 8 wrestlers relaxing in California. They will battle to reach the Finals. Each top seed pay for the match and list it as Mr/Ms SHL Contest. The IWA has worked with Cap Jones and stated that if we pay a total of 18 matches for this the winner will receive a plaque celebrating their accomplishment as part of the SHL 500. The winner also gets 10 free matches and 100,026 imaginary money. Each top seed put that money where your mouth is. Pay for the match. We are in a league that has former IWA World Champs. Feel free to step to the challenge. Cap Jones has set this in a NBA playoff type tourney so that the SHL reaches the IWA rules. Start paying for these matches so that they can run in cycles 487. Thanks

—Cut.

Doctor Mindbender stands in front of the Championship Committee. No rush in his posture. No urgency in his voice. Just control. “La Chica Loca... a most unfortunate development.” He folds his hands behind his back, pacing once... slow... deliberate.

“Found unresponsive. Breathing, yes... but in no condition to compete.” A slight glance toward the officials. Measuring them.

“A tragedy for her... an inconvenience for us.” He lets that sit. No apology. No sympathy. Just reality.

“The Money Makers Championship... is not a trinket to be delayed over spilled snacks and

playground brutality.

His eyes narrow slightly.

“This event was built on expectation. On investment. On outcome.” He steps closer now.

Not aggressive. Certain. “The show must proceed.” A pause.

Then, “And I, gentlemen... have already accounted for that.”

He reaches into his coat... not pulling anything out... just letting the implication hang.

“A suitable replacement stands ready.” The room shifts. Not agreement. Not rejection. Tension.

Mindbender straightens. “You may deliberate, of course.”

A faint smirk creeps in. “But time... is not on your side.”

He turns to leave... then stops at the door. Just enough to look back. “Progress... rarely waits for the wounded.”

He exits. The door closes. The committee says nothing.

Cut back to the hallway. The locker room door. Still open. Still quiet.

The sock hasn’t moved. The Doritos bag crinkles slightly... as if something unseen just brushed past it. Fade out.

#### OPENING

The cameras come alive over Pittsburgh... but the energy feels off. No sweeping music. No big explosion of hype. Just a slow pan of the arena.

Katie Quinn: “Welcome everyone to Pittsburgh... a huge night ahead for the Money Makers Championship—

Chris P. Bacon: “Huge... assuming we actually have a main event.” Jim

Nasium: “We should. Someone made sure of that.”

A quick cut flashes on screen—Locker Room 3. The taped door. Then gone.

Katie Quinn: “We can confirm that earlier tonight, La Chica Loca was found backstage... unresponsive. She is breathing, and medical personnel are with her, but she will not be competing tonight.”

The crowd noise dips. A murmur rolling through the arena.

Chris P. Bacon: “Unfortunate timing. You hate to see it... especially on a night like this.” Jim

Nasium: “Timing like that doesn’t happen by accident.”

Katie Quinn: “Doctor Mindbender has already met with the Championship Committee regarding a possible replacement, but as of right now—no official decision has been announced.”

Chris P. Bacon: “Oh, I think a decision’s coming. The question is—who benefits when it does?” Jim

Nasium: “You don’t take someone out like that unless you already know the answer.”

Katie tries to bring it back. Katie Quinn: “Regardless of what happens in that situation, we do have a full night of action scheduled here in Pittsburgh—”

Jim Nasium (quiet, firm): “Nothing about tonight is ‘scheduled’ anymore.” The

camera cuts to the crowd. Excited... but uneasy.

Katie Quinn: “We’re going to get things started... right now.” Fade into the first match graphic.

Baroness Vestara (SHL) verses Baroness Anastasia Cisarovna (SVL)

Katie Quinn: “Alright, we are getting things started here in Pittsburgh, and this one could have major implications in the Money Makers Division!”

Chris P. Bacon: "No question about it. With everything up in the air tonight, this is the kind of opportunity people wait for... or take."

Jim Nasium: "With a contender already removed from the board... the climb just got shorter."

The camera pans the ring as the competitors make their way out. Focused. Intense. No wasted motion. Katie Quinn: "Every woman in this match knows what's at stake—this isn't just about a win, this is about momentum. A surge up the rankings, and putting yourself right in the conversation for the Money Makers Championship."

Chris P. Bacon: "Let's not dance around it, there's an opening now. Whether it stays open or not... that's still being decided. Smart competitors don't wait."

Jim Nasium: "They shouldn't have to. That spot was earned by someone else." A brief pause. Then—The bell rings.

Katie Quinn: "Here we go!"

Baroness Vestara doesn't rush. She circles, measured, eyes locked on Baroness Anastasia Cisarovna, who steps in with cold confidence. They tie up, Vestara slips behind, waistlock, Anastasia spins, breaks it, snaps Vestara down with a sharp arm drag.

Katie Quinn: "Two very different styles here, both dangerous!"

Anastasia slows it, grabs the wrist, twists, drives a knee into the shoulder. Vestara grimaces, rolls, kips up—fires a forearm that snaps Anastasia's head back.

Chris P. Bacon: "There's your answer. Vestara doesn't play the long game."

Vestara presses, backs Anastasia into the corner, drives a shoulder into the midsection—

Again. Again. Ref steps in, break. Vestara doesn't argue—just steps back, focused. Anastasia explodes out of the corner, Big boot, Vestara ducks, Hooks, Snap suplex. Floats over,  
1... Kickout.

Jim Nasium: "No panic. Both of them know what's at stake."

Anastasia rolls to the ropes, pulls herself up, Vestara charges, Anastasia sidesteps, Vestara hits the turnbuckle hard. Anastasia capitalizes—Spinning backbreaker.Cover.

1....

2, Kickout.

Katie Quinn: "That was close!"

Anastasia stays on her, pulls Vestara up, Goes for another, Vestara blocks, Elbow to the jaw, Breaks free, Kick to the midsection,

Chris P. Bacon: "Here it comes..."

Vestara plants her with her finisher. Center of the ring. Hook of the leg. 1...

3.

The bell rings.

WINNER: Baroness Vestara

Katie Quinn: "Baroness Vestara with a huge win!"

Chris P. Bacon: "Right place. Right moment. That's how you climb." Jim

Nasium: "And another spot just got taken."

Vestara rises, composed, no celebration. A quick glance toward the entrance. Then she exits. Business handled.

Backstage segment

Several female contenders crowd around Doctor Mindbender, voices raised, talking over one another.

Tammy Lahren (SVL) "You can't just hand that opportunity to someone!"

Roxy - (SVL) "We've earned our spots!" Liv Moore

(LNL) "This whole thing stinks!"

Mindbender stands in the middle of it, calm... almost amused. Hands behind his back, listening... not reacting.

"Ladies... please. You mistake urgency for injustice." That only makes it worse.

Assassin Atroxa (SHL) "No, we see exactly what this is!"

Mindbender tilts his head slightly, about to respond, Then everything changes. The room goes quiet. Not slowly. Immediately. Serpentor steps into frame. No announcement. No buildup. Just presence. The contenders freeze... glance at one another... and without another word, they begin to back away.

One by one. No arguments now. No protests. Just distance. In seconds, the hallway is clear. Mindbender doesn't turn right away. He already knows. Serpentor steps beside him. They don't speak. Just a brief look exchanged. Understanding. Control. Mindbender gives the slightest nod. Serpentor says nothing. He doesn't need to.

Cut to commentary.

Katie Quinn: "Well... that situation just changed in a hurry..."

Chris P. Bacon: "Funny how that works. A lot of strong opinions... until the right person walks in the room."

Jim Nasium: "That wasn't respect. That was fear."

Katie Quinn: "You have to wonder what that means for the rest of the night..." Chris P.

Bacon: "It means the board just got smaller."

Jim Nasium: "No... it means someone's already moving the pieces."

Vanity, Tammy Lahren (SVL) Verses Ms. Juicy (SVL), Tatiana-Leyte (LLL)

The bell rings, and it breaks down fast. Vanity and Tammy Lahren lock eyes for a split second, then both turn and go right after Ms. Juicy. Double team from the start, forearms and kicks backing her into the corner.

Katie Quinn: "Vanity and Tammy wasting no time here!"

Chris P. Bacon: "They don't trust each other, but they trust opportunity."

Across the ring, Tatiana-Leyte steps in, pulling Vanity away, firing off sharp strikes, snapping her back with a quick takedown. Tammy cuts her off with a running knee, breaking it up.

Jim Nasium: "Temporary alliances... nothing more."

Ms. Juicy fights out of the corner, driving both Vanity and Tammy back with heavy shots, then catches Tatiana-Leyte with a spinning slam. Quick cover.

....

2...Broken up.

Katie Quinn: "Ms. Juicy almost stole it there!"

The pace picks up. Tatiana-Leyte goes high, crossbody into Tammy, both down. Vanity slips in, grabs Ms. Juicy, pulls her into position, goes for the cover, Tammy dives in, shoves Vanity off.

Chris P. Bacon: "Here we go..."

Vanity pops up, furious, shouting at Tammy. Tammy fires back, pointing at herself. Both arguing, inches apart.

Katie Quinn: "This is falling apart!"

Behind them, Ms. Juicy starts to stir. Tatiana-Leyte is down, recovering in the corner. Vanity and Tammy still jawing...

Jim Nasium: "Wrong focus..."

They finally turn at the same time, see Ms. Juicy rising. No words now. Both move. Double kick to the midsection. They look at each other again. One beat. Then together, They drop Ms. Juicy hard. Vanity dives for the cover. Tammy drops with her, both hooking the leg.

3.

The bell rings.

Winners: Vanity & Tammy Lahren

Both women pop up immediately, pointing at themselves. Katie Quinn:

"Who got it?!"

Chris P. Bacon: "They're both claiming it!"

Vanity shoves Tammy. Tammy shoves back. Neither backing down.

Jim Nasium: "Doesn't matter who thinks they won...Ms. Juicy's the one who lost." Vanity and Tammy continue arguing as officials step in, trying to separate them.

No resolution. Just tension left behind.

*Backstage, the tone shifts.*

Bright lights. Polished set. Mimi Mandate stands perfectly composed, arms folded, eyes locked on Finn Gallows. No smile. No warmth.

"Let me make something exquisitely clear, darling..."

Finn shifts his weight, trying to play it off, but Mimi does not give him the space.

She steps closer. "You will not embarrass the Femme Fatale League tonight." A slight tilt of her head, measured, controlled.

"Not with your antics, not with your shortcuts, and certainly not on a stage that I oversee." Finn opens her mouth to respond, Mimi raises a finger. That's enough.

"I already have to deal with 'loaded knee pad gate' later this evening..." A brief pause, eyes narrowing just a touch.

"I will not have you adding to my evening."

She straightens his collar, almost polite... almost.

"Do try to be presentable, Finn. It's the least you can manage."

Mimi turns, already done with the conversation. Finn watches her go, jaw tight, no comeback.

Cut to commentary.

Katie Quinn: "Mimi Mandate not in the mood tonight..."

Chris P. Bacon: "Can you blame her? 'Loaded knee pad gate' isn't exactly a small issue." Jim

Nasium: "It changed outcomes."

Katie Quinn: "At the FFL's Nuit d'ENFER a La Grande-Motte, Hell Night in La Grande-Motte, multiple matches were thrown into question after the illegal use of loaded knee pads."

Chris P. Bacon: "We're not talking about one incident either. That thing kept popping up all night." Jim

Nasium: "And every time it did, someone got dropped."

Katie Quinn: "Officials missed it in real time, but the footage told a different story. Now Mimi Mandate has to sort through the fallout..."

Chris P. Bacon: "Titles, rankings, reputations... all of it up in the air." Jim

Nasium: "And tonight might not be the end of it."

#### Scarlett (SVL) verses Arisia Rrah (SHL)

The bell rings, Scarlett steps forward with confidence, no hesitation, while Arisia Rrah keeps her distance, measuring. They circle, quick lock-up, Arisia slips free, snaps off a clean arm drag, follows with another, trying to keep Scarlett grounded.

Katie Quinn: "Arisia Rrah trying to control the pace early!"

Scarlett rises slowly, smirk creeping in, shakes it off. Arisia charges, Scarlett sidesteps, hooks her, Russian leg sweep, smooth, deliberate. Scarlett doesn't go for the cover, she stays on her, grabbing the arm, twisting, pulling Arisia down to the mat.

Chris P. Bacon: "There it is, Scarlett slowing this down exactly where she wants it."

Arisia fights up, drives a forearm into Scarlett's jaw, breaks free, hits the ropes, Running crossbody, connects.

Cover. 1...

2...Kickout.

Jim Nasium: "Not enough."

Arisia pulls Scarlett up, goes for a suplex, Blocked. Scarlett shifts her weight, drops low, grabs the leg, Trips her down hard. Scarlett wastes no time. She rolls through, hooks the arm, grapevines the leg, Cloverleaf locked in, sitting deep.

Katie Quinn: "Scarlett has it in tight!"

Arisia claws at the mat, reaches for the ropes, trying to drag herself forward. Scarlett leans back, torque increasing, no rush, no panic.

Chris P. Bacon: "Nowhere to go... she's trapped."

Arisia stretches, fingertips inches away, Scarlett pulls her back to center. Sits deeper. Jim

Nasium: "That's it."

Arisia taps.

Winner: Scarlett

The bell rings.

Katie Quinn: "Scarlett forces the submission!"

Chris P. Bacon: "Methodical. Controlled. Exactly what you expect." Jim

Nasium: "She didn't just win... she made her quit."

Scarlett releases the hold slowly, rises, composed, no wasted motion. A quick look toward the entrance. Then she exits, already thinking ahead. The crowd is on their feet cheering and chanting "GO JOE!"

Finn Gallows (FFL) verses Wanda Cabrini-Green (BHL)

The bell rings, Wanda Cabrini-Green comes in swinging, heavy hands, no hesitation, forcing Finn Gallows to give ground early. Wanda corners her, drives a shoulder in, follows with a short lariat that nearly takes Finn off her feet.

Katie Quinn: "Wanda bringing the fight right away!"

Finn rolls to the outside, regroups, slower now, thinking. Wanda follows, reaches for her, Finn snaps her throat first across the top rope on the way back in.

Chris P. Bacon: "There it is... that edge Mimi was warning about."

Finn slides in, grabs control, pulls Wanda down by the arm, stomps to the back of the knee, taking away the base. Wanda tries to rise, Finn cuts her off again, sharp, targeted.

Jim Nasium: "She's not stronger... so she's breaking her down."

Wanda fires back with a burst, catches Finn with a rising knee, then a hard slam that rattles the ring. Cover.

Finn kicks out.

Katie Quinn: "Wanda almost had her!"

Wanda pulls her up again, goes for another power move, Finn slips behind, shoves her forward into the ropes, On the rebound, Finn hooks the arms, twists, Plants her with a sudden cradle driver.

The bell rings.

Winner: Finn Gallows (FFL)

Katie Quinn: "Finn Gallows gets the win!" Chris P.

Bacon: "Not pretty... effective."

Jim Nasium: "And Mimi Mandate is watching every second of it."

Finn rises, quick glance toward the camera, no celebration. Just a small, knowing look...

Backstage Segment

Backstage, the camera finds Doctor Mindbender standing outside a closed locker-room door. Calm. Still.

Waiting. The nameplate cannot be seen.

Mimi Mandate steps into frame, heels clicking, posture perfect, expression already set. She doesn't waste time.

"Doctor Mindbender... we need to have a very quick, very important conversation."

Mindbender turns slightly, just enough to acknowledge her. No smile. "Commissioner Mandate... I was expecting you."

Mimi folds her arms, unimpressed. "Of course you were. You always seem to be a step ahead when chaos appears. Let's not pretend this is anything but what it is. That main event slot is open, and I will not have the Femme Fatale League overlooked."

Mindbender says nothing, just listening.

"If my contender, The Spider, wins tonight... then she is the entry. No debate. No delay. No... creative adjustments."

A slight emphasis on the last words. Mindbender tilts his head, considering. "A bold position."

Mimi steps closer. "A correct one."

Silence. Just for a moment. Mindbender gives a small nod. Not agreement. Acknowledgment. "We shall see how events unfold."

Mimi studies him, not satisfied, but not backing down. "See that you do."

She turns and walks off, composed as ever. Mindbender watches her go... then turns back to the door. No hesitation now. He opens it and steps inside. The door swings shut, leaving only the nameplate in frame.

Dreadnoks.

Cut to commentary.

Katie Quinn: "Mimi Mandate making her position very clear!"

Chris P. Bacon: "Everyone's making claims tonight... not everyone's going to get what they want." Jim Nasium: "He didn't say no. That's the problem."

The ring fills... one by one, the field grows. No wasted time, no ceremony... just bodies and tension. The bell sounds and it explodes.

Katie Quinn: "This is chaos right from the start!"

Early surge, Brutal Betty Breaker storms through the middle, tossing Gigi over the top rope in seconds. Brandy Dirt follows soon after, dumped out by Bea Aggressive, who barely celebrates before getting blindsided by Veronica Sky and sent out right behind her.

Chris P. Bacon: "All-Star or not... you blink, you're gone."

Ms. Juicy tries to impose her will, driving Hooligan C. Bass into the ropes and muscling her out, but turns straight into a double effort from Tammy Lahren and Vanity, who lift and spill Ms. Juicy to the floor.

Jim Nasium: "Numbers matter... until they don't."

Fantasy and Nurse Delirium double team Becky Davis, sending her over, but their partnership ends immediately as Liv Moore charges in, knocking both off balance, leading to Delirium being dumped out and Fantasy barely hanging on. Moments later, Storm sweeps in and eliminates Fantasy with a running strike that sends her over the top. The ring tightens. Jean Grey shows control, using quick movement to send Roxy over, then catches Linda Von Eric off guard and eliminates her clean.

Katie Quinn: "Jean Grey is picking her spots perfectly!"

That ends when Scarlett steps in, grabs Jean from behind, and with no wasted motion sends her over the top rope.

Chris P. Bacon: "And just like that... gone."

Veronica Sky and Tammy Lahren battle near the ropes, both teetering, until Vanity rushes in and dumps them both out in one motion. Vanity turns, proud of it... Only to be grabbed and thrown out moments later by Storm.

Jim Nasium: "That's the risk... you celebrate, you're finished."

Storm's run ends quickly as The Spider uses the momentum against her, pulling the ropes down and sending Storm crashing to the outside. Now it narrows. Scarlett, Vanity, Tammy Lahren, The Spider, Liv Moore, Mimi Mix, Liv charges Scarlett, gets caught, spun, and thrown over. Mimi Mix tries to sneak Scarlett from

behind, but Scarlett blocks it, lifts, and sends Mimi out as well.

Katie Quinn: "Scarlett is taking control!"

Tammy and Vanity try to double up again, but miscommunication hits, Tammy swings, Vanity ducks, and the opening allows The Spider to strike, sending Tammy out. Vanity turns into The Spider next, and after a brief struggle, is lifted and dumped over.

Chris P. Bacon: "And then there were two."

Final two. Scarlett and The Spider. They circle, no rush now, both knowing what's on the line. Jim

Masium: "This is what it comes down to."

They collide, back and forth, neither giving ground. Scarlett tries to force her over, Spider hangs on. Spider counters, nearly sending Scarlett out, but Scarlett skins back in. The fight moves to the ropes. Both teetering.

Both seconds away. Then, Distraction. Dreadnok Monkeywrench and Road Pig appear

at ringside. Shouting. Banging the apron. Drawing The Spider's attention for just a second.

Katie Quinn: "Wait, what are they doing out here?!"

That's all it takes. Scarlett surges forward, grabs The Spider, and with one clean motion sends her over the top rope. The bell rings.

Winner: Scarlett

Katie Quinn: "Scarlett wins it!"

Chris P. Bacon: "Took advantage of the moment... that's how you survive this." Jim

Masium: "She didn't hesitate."

Scarlett stands alone in the ring, composed, focused. No celebration. Just a look forward. Her hand is raised. The path is clear.

Backstage, the lighting drops low.

Shadows stretch across the walls as Mike Nolan stands with a microphone in hand, visibly measured. Beside him... Queen Maladi, Lady Lumiya, and Assassin Atroxa. Still. Silent. Watching.

Mike Nolan: "Ladies, earlier tonight we've seen chaos in the Money Makers Division... opportunities opening, contenders rising. Where do each of you see yourselves in that picture?"

A pause. No one rushes to speak.

Then... Queen Maladi says, "You speak of opportunity... as if it were something given." Her voice is calm... bold. "We do not wait for doors to open. We remove them."

Lady Lumiya tilts her head slightly, eyes fixed ahead. "While others argue... we advance."

A faint, almost amused expression crosses her face. "While they beg committees... we decide outcomes."

Assassin Atroxa says nothing at first. She leans steps closer... just enough to shift the air. "One by one... they will fall. Not by chance... not by mistake... but by design."

Mike Nolan swallows, trying to hold composure. "And the Money Makers Championship...?" Queen

Maladi answers without hesitation. "Inevitable."

Silence follows. Heavy. Uncomfortable.

Lady Lumiya leans in slightly. "Tonight was a disruption." A faint

smirk. "We are the correction."

Atroxa's eyes never leave the camera. "Remember their names while you can."

The three stand together... unmoving... unshaken. Mike Nolan lowers the microphone just slightly. No follow-up. None needed.

Cut back to the announce desk, the arena noise hums underneath, yet the mood feels colder. Katie

Quinn: "I... I don't even know what to say after that..."

Chris P. Bacon: "Say they're right where they want to be. No panic, no noise... just waiting." Jim

Nasium: "That wasn't a warning. That was a statement."

Katie Quinn: "The Money Makers Division is already on edge tonight, and now you add Queen Maladi, Lady Lumiya, and Assassin Atroxa into the mix..."

Chris P. Bacon: "Not add... elevate. They don't chase the top, they take it."

Jim Nasium: "Everyone else is reacting to what happened earlier... They're planning what happens next."

Katie Quinn: "And with Scarlett now securing her spot for the next PPV, you have to wonder how all of this is going to collide moving forward..."

Chris P. Bacon: "Simple. It's going to get worse." Jim

Nasium: "For someone, yes."

Angelic Kitty Cat (FFL) verses "Little Lost Puppy" Toni Adad (FFL)

The bell rings, and both Angelic Kitty Cat and "Little Lost Puppy" Toni Adad hesitate... just for a moment. Then, almost in unison, both reach down. Hands go to the knee pads. No subtlety. No attempt to hide it. They adjust... press... secure something inside.

Katie Quinn: "Wait... no, they can't—" Chris P.

Bacon: "Oh, they absolutely can." Jim Nasium:

"They just did."

They circle now, slower, more deliberate, eyes locked. Both know exactly what the other is carrying. First strike, Toni lunges, Kitty sidesteps, both testing distance. A quick exchange, sharp, controlled, neither overcommitting.

Katie Quinn: "This feels different... they're both waiting for one moment!"

They collide, forearm for forearm, neither backing down, the crowd starting to react as the tension builds. Toni fires a kick, Kitty catches it, shoves her back. Both reset. Both glance down for half a second.

Chris P. Bacon: "They're thinking the same thing."

They charge at the same time. Double knee strike. Impact. Clean. Brutal. Both collapse instantly. Flat on the mat. No movement. The crowd gasps.

Katie Quinn: "They hit it at the same time!"

The referee looks stunned... then begins the count. 1...

No movement. 2...

Still down.

Jim Nasium: "That's what those pads do." 3...

4...

5...

Neither stirs.

Chris P. Bacon: "No winner here... just damage." 6...

7...

8...

A slight twitch from Toni... nothing from Kitty. 9...

The referee looks between them. The bell rings.

Katie Quinn: "They're both out!"

Chris P. Bacon: "You wanted an answer to 'Loaded Knee Pad Gate'... there it is." Jim

Nasium: "Nobody wins when that's allowed to happen."

Officials rush the ring as both women remain down, neither able to continue. The match is ruled a draw.

The fallout... just beginning.

Angelic Kitty Cat (FFL) drew "Little Lost Puppy" Toni Adad (FFL)

Backstage, the camera catches chaos already in progress. Mimi Mandate is pacing, furious, composure gone, eyes locked on "Fright Night" Fionna Franklin.

"I thought this was going to be the end of this nonsense!"

Fionna stands still, saying nothing, taking it. Mimi steps closer, pointing directly at her. "You... you!"

Her voice sharp, cutting.

"Fionna will not embarrass the Femme Fatale League, is that understood?!"

Fionna gives the slightest nod. No smile. No reaction. Mimi exhales, trying to regain control, smoothing her jacket, but the frustration is still there.

"I will handle this... personally."

She turns and storms off, heels striking hard against the floor. Fionna remains, watching her leave, expression unreadable.

Cut to commentary.

Katie Quinn: "Mimi Mandate has absolutely had enough of this 'Loaded Knee Pad' situation!" Chris P.

Bacon: "She wanted it handled... and somehow it just got worse."

Jim Nasium: "It's not contained. It's spreading."

Katie Quinn: "And now you have to wonder what actions Mimi Mandate is going to take moving forward..."

Chris P. Bacon: "Whatever it is, someone's not going to like it." Jim

Nasium: "Good."

Queen Maladi, Lady Lumiya, Assassin Atroxa (SHL) verses Sharon is Karen, Bad Bad Leigh Roy Brown, Tara Bull (SVL)

The bell rings, and the tone is set immediately. Queen Maladi, Lady Lumiya, and Assassin Atroxa do not rush... they advance. Across from them, Sharon is Karen, Bad Bad Leigh Roy Brown, and Tara Bull try to meet them head on, but the moment collapses fast.

Katie Quinn: "There's something unsettling about this team..."

Tara Bull charges first, swinging heavy, but Atroxa slips inside, drives a sharp strike to the ribs, then another to the jaw, dropping her to a knee. Leigh Roy Brown steps in, grabs Atroxa, tries to overpower her, but Maladi reaches in, hooks the arm, twists, and sends her down hard to the mat.

Chris P. Bacon: "They're not stronger... they're just faster to the moment."

Sharon is Karen tries to rally, shouting, pulling Tara back up, pointing, trying to organize something. Lumiya cuts her off mid-sentence with a sudden strike that stops her cold.

Jim Nasium: "They don't allow structure."

The SHL trio isolates Tara Bull, quick tags, clean transitions, no wasted motion. Atroxa pulls her in, Maladi follows with a precise strike, Lumiya steps through and plants her with a decisive finisher.

The bell rings.

Winners: Queen Maladi, Lady Lumiya, Assassin Atroxa (SHL)

Katie Quinn: "That was... dominant."

Chris P. Bacon: "Not dominant... inevitable."

Jim Nasium: "They chose the target... and ended it."

Maladi, Lumiya, and Atroxa stand together in the ring. No celebration. No gestures. Just presence. The message is clear. They are not climbing. They are arriving.

Katie Quinn: Now we have a very special announcement for WAR GAMES 5 from the high Khan himself, Serpentor.

The screen cuts to black. A low hum... then the COBRA insignia burns onto the screen. Serpentor stands before it, still, eyes forward, voice steady... absolute. "War... is not chaos. War... is design." He takes a step forward, hands clasped behind his back. "In May... from San Diego, California... we bring you... WAR GAMES 5." A faint, controlled smile. "A double cage. No escape. No excuses." His eyes narrow slightly. "Former Triple Crown Champions... once kings... now reduced to memory... will step inside and fight for one thing...Relevance." He tilts

his head. "Victory will not crown them." Another step forward. "Victory will grant them the right... to reclaim what they lost." The COBRA symbol pulses behind him. "A shot at the Triple Crown Championship... at Patriot Day... Washington, D.C... July 4th." His voice lowers. "Where legacy is not given... it is taken back." A brief pause. "And in the main event...Scarlett." A slight nod. "Has secured her place. She will face the Money Makers Champion."

No emotion. Just certainty. "Another opportunity... another outcome already in motion." Serpentor stands tall, unmoving. "Stay tuned to COBRA TV..." A faint smirk. "For future announcements." The screen cuts to black. The COBRA insignia lingers... then fades.

Cut back to the announce desk, the arena buzzing after the message.

Katie Quinn: "WAR GAMES 5... a double cage, former Triple Crown Champions, and everything leading to Patriot Day in Washington, D.C... that is going to be huge!"

Chris P. Bacon: "Huge... and dangerous. You heard Serpentor, this isn't about earning anything, it's about taking it back."

Jim Nasium: "Names are already lining up. Queen Maladi."

Katie Quinn: "After what we saw earlier tonight, you have to believe she's right in the middle of that picture."

Chris P. Bacon: "And don't forget Black Falcon... that's someone who thrives in that kind of environment."

Jim Nasium: "Joe Tusa won't hesitate either."

Katie Quinn: "And that's just the beginning... former champions, all fighting for one shot at reclaiming the Triple Crown Championship on July 4th."

Chris P. Bacon: "You put all of them inside a double cage... something's not coming out the same." Jim

Nasium: "That's the point."

Katie Quinn: "And don't forget, Scarlett is now set for the Money Makers Championship in the main event of that show..."

Chris P. Bacon: "One night... two very different wars." Jim

Nasium: "Same result. Someone loses everything."

Swine Flu (FFL) verses "Fright Night" Fiona Franklin (FFL) (Street Fight)

The bell never really matters in a Street Fight...Swine Flu and "Fright Night" Fiona Franklin collide before it can even settle. Straight to fists.

Katie Quinn: "This is already out of control!"

Fionna drives Flu back with wild shots, then grabs a trash can, swings, connects across the side, the echo ringing through the arena. Flu stumbles, Fionna follows, smashing the can down again, pressing the advantage.

Chris P. Bacon: "That's not wrestling... that's payback."

Flu fires back, a hard shot to the midsection, then grabs a frying pan from under the ring. Swings. Crack. Fionna drops to a knee.

Turn Nasium: "Everything's legal. Nothing's controlled."

Flu drags her up, tries to slam her into the barricade, Fiona blocks, shoves her off, grabs a toaster from the pile, and hurls it into Flu's shoulder. Flu staggers, Fiona charges, tackles her down. They spill across the floor, trading shots. Fiona pulls Flu up, but Flu catches her, lifts, and drives her back first into the ring apron. Fiona rolls inside, trying to regroup. Flu follows. Fiona rises... but Flu meets her with a brutal strike that splits her open. Blood starts to run.

Katie Quinn: "Fionna is busted open!"

Fionna swings back through it, reckless now, grabs the trash can lid, cracks Flu across the head. Flu barely moves.

Chris P. Bacon: "She's still standing..."

Fionna goes for another shot, Flu steps in, catches her arm, twists, drives a knee into the ribs, then pulls her down hard to the mat. Flu reaches under the ring... pulls out a kendo stick.

Jim Nasium: "This is going to end it."

Fionna tries to rise, blood on her face, swinging blindly. Flu steps behind her, wraps the kendo stick across the throat... drops down, locking it in tight. Fionna struggles... clawing at the stick... trying to get free. No leverage. No escape.

Katie Quinn: "She's trapped!"

Flu leans back, tightening the choke. Fionna fades... arms slowing... then dropping. The referee checks...No response. The bell rings.

Winner: Swine Flu (FFL)

Katie Quinn: "That's it... it's over!"

Chris P. Bacon: "That wasn't a win... that was a message." Jim

Nasium: "She didn't beat her... she shut her down."

Flu releases the hold slowly, rising to her feet, breathing heavy. Fionna remains down, bloodied, unmoving. Officials rush the ring. Flu doesn't look back. Just walks out. Business finished.

Jim Nasium: "She had the bill, cashed the receipts and walked away with a hard fought victory." At the top of the ramp FFL Commissioner Mimi Mandate appears and congratulates Swine Flu. Katie Quinn: "Guess all is forgiven tonight."

Suddenly out of the back "Scary" Kerry Harlowe & Malice Mae Monroe attack Flu. Its short and sweet as they make quick work of the exhausted Flu and stand over her fallen body.

Chris P. Bacon: "What the -?"

Jim Nasium: "I guess all isn't as forgiven as we thought!"

Duchess Talon (SHL) verses Mimi Minx (SVL)

The bell rings, Duchess Talon stands tall, composed, while Mimi Minx circles with a confident smile, trying to draw her in. Mimi steps first, quick slap to the face, then backs off, almost daring a reaction. Katie Quinn: "Mimi Minx trying to get under her skin early!"

Talon doesn't bite. She steps forward, catches Mimi's wrist, twists, pulls her in close, then drops her hard with a controlled hip toss. Mimi rolls through, back up, charges again. Talon meets her with a sharp knee to the midsection.

Chris P. Bacon: "That didn't take long... Talon's not playing games."

Mimi shakes it off, changes approach, ducks behind, grabs the waist, tries to take control, Talon plants her feet, blocks, then snaps Mimi over with a quick suplex. No cover. Talon pulls her right back up. Jim Nasium: "She's not here to edge it out... she's here to end it."

Mimi fires back, desperation now, lands a quick strike, then another, finally staggering Talon. She runs the ropes, comes back with speed, but Talon steps in, cuts her off mid-run with a crushing strike that stops her cold.

Katie Quinn: "What a shot!"

Mimi stumbles, Talon hooks her, lifts, then drives her down hard with a decisive finisher. Center of the ring.

3.

The bell rings.

Winner: Duchess Talon

Katie Quinn: "Duchess Talon with a big win heading into the main event!" Chris P.

Bacon: "That wasn't close... that was controlled from start to finish." Jim Nasium: "Statement made."

Talon rises, calm, focused, no celebration, the crowd reacts with disdain. The main event is next. And the tone has been set.

Backstage

The camera catches Doctor Mindbender moving down the hallway, composed as ever. Mike Nolan steps in quickly, microphone ready.

Mike Nolan: "Doctor Mindbender, we're moments away from the Money Makers Main Event, the question everyone is asking... who replaces La Chica Loca in the Ladder Match?"

Mindbender stops. Slowly turns. No rush.

"Ah, Mr. Nolan... always arriving just before the answer." Mike leans in slightly.

Mike Nolan: "The Championship Committee... have they made a decision?"

A faint smile. "The Committee has done exactly what it was meant to do..." A slight pause. "Deliberate."

Mike presses. Mike Nolan: "With all due respect, Doctor, time is running out." Mindbender's expression doesn't change. "Time is... a flexible concept."

Another pause. "What matters is that the integrity of the main event remains intact." Mike tries again. Mike Nolan: "So there will be a replacement?"

Mindbender steps closer, just enough to control the space. "Oh, there will be a participant. Whether that individual is a replacement... or something more appropriate..."

He lets that hang. "Is a matter of perspective."

Mike blinks, trying to process. Mike Nolan: "Can you give us a name?"

Mindbender straightens, already finished. "You will have your answer... when it becomes unavoidable." He steps past Mike, continuing down the hallway. "Enjoy the anticipation." Mindbender exits frame. Mike lowers the microphone, still without an answer.

Cut back to the announce desk, the crowd buzzing, tension hanging over everything.

Katie Quinn: "We are moments away from the Money Makers Main Event... and we still don't have a clear answer."

Chris P. Bacon: "Oh, we have an answer... he just isn't saying it yet." Jim

Nasium: "He already decided."

Katie Quinn: "That's what worries me... this isn't how a main event is supposed to come together." Chris

P. Bacon: "Supposed to... doesn't mean anything tonight. This whole show's been one adjustment after another."

Jim Nasium: "Not adjustments. Moves."

Katie Quinn: "And whoever ends up in that Ladder Match, they're walking into a situation that's been anything but normal."

Chris P. Bacon: "Normal doesn't get you to the top of the Money Makers Division." Jim

Nasium: "Neither does fairness."

Katie Quinn: "One way or another, we are about to find out who steps into that spot... and what it means for the championship."

The three exchange looks. No one comfortable.

Chris P. Bacon: "This is where it pays off... or falls apart." Jim

Nasium: "For someone, it already has."

MAIN EVENT: Money Makers Champion – Lady Jaye verses Succubus (LNL), Soranik Natu (SHL), ??? (SVL)

(JIP) The ladder stands tall in the center of the ring, the Money Makers Championship hanging above it. Lady Jaye, Succubus, and Soranik Natu are already worn down... the damage of the match written across all three.

Katie Quinn: "This has been everything we expected and more!"

Soranik drives Succubus into the ladder, then turns and catches Lady Jaye with a hard strike that sends her to the mat. An opening. Soranik pulls the ladder upright, positions it perfectly, and starts the climb.

Chris P. Bacon: "This is it... she's got it!"

Step by step, Soranik rises. Hands reaching. Fingers inches away from the championship. Katie

Quinn: "We are about to have a new champion!"

Suddenly... Movement at the top of the ramp. Doctor Mindbender.

He raises a hand. The referee hesitates. Then calls for the bell. The match stops. Katie Quinn: "Wait... what?!"

Chris P. Bacon: "No, no, no... not now!"

Soranik is frozen on the ladder, looking down in disbelief. Lady Jaye and Succubus stir, confused. Mindbender's voice carries.

"An oversight... has been corrected." A pause. "There is... one more entry." The crowd erupts in boos.

Jim Nasium: "Of course there is."

From the crowd...Dreadnok Zarana appears. No music. No announcement. Just chaos. She hits the ring fast. Pulls Soranik off the ladder, sends her crashing down.

Turns, blasts Succubus, then drops Lady Jaye before she can even rise.

Katie Quinn: "This can't be happening!" Chris P. Bacon: "This is a takeover!"

Zarana doesn't waste a second. She sets the ladder, climbs, no hesitation. No resistance left. Jim Nasium: "It was always going to end like this."

Zarana reaches the top...Unhooks the championship. The bell rings.

### WINNER AND NEW MONEY MAKERS CHAMPION: Dreadnok Zarana

Katie Quinn: "No! No, this is wrong!"

Chris P. Bacon: "They just stole the main event!" Jim Nasium: "They finished it."

The crowd is livid, raining boos down as Zarana holds the Money Makers Championship high. Mindbender stands at the top of the ramp, calm, satisfied.

Katie Quinn: "This is unbelievable! Soranik Natu had it won!"

Chris P. Bacon: "Lady Jaye never even got a fair chance to recover!" Jim Nasium: "Fair wasn't part of the plan."

Zarana stands on the ladder, championship raised. The image of control. Of takeover. Katie Quinn: "We are out of time... we will see you in

San Diego!"

The screen fades as the crowd continues to roar in anger. The last image...Zarana... and the

championship.

### POST PPV PRESS CONFERENCE

A long table. Flashbulbs popping. Voices overlapping. A banner behind them reads Money Makers Championship Press Conference. At the center, the Money Makers Championship rests on the table... now in front of Dreadnok Zarana. To her left, Doctor Mindbender. To her right, Zartan. Zarana leans back, relaxed, boots up on the table, not a care in the world.

Reporter: "Zarana, many are calling this one of the most controversial outcomes in Money Makers history. Your response?"

Zarana smirks, taps the title with her knuckles. "Looks real to me." A few scattered reactions from the room.

Reporter: "Doctor Mindbender, did you manipulate the main event by inserting Zarana at the last possible moment?"

Mindbender folds his hands, calm. "Manipulate is such an emotional word. I prefer... orchestrate." Murmurs grow louder.

Reporter: "Zartan, where does this leave the rest of the division?"

Zartan leans forward, voice low, steady. "Behind." A beat. "Exactly where they belong."

More questions start flying. Voices rise. Then....the doors slam open. Mimi Mandate storms in. No hesitation. No announcement.

"Absolutely not!"

The room goes quiet. She points directly at Zarana.

"You parade around with that championship like it was earned... like this wasn't a complete disgrace to this entire division!"

Zarana slowly lowers her feet from the table, grin widening. "You done?"

Mimi steps closer, furious. "I am far from done! This will be reviewed, this will be challenged, and I will not allow the Femme Fatale League to be dragged through this kind of..."

Zartan stands. Slow. Deliberate. "Careful." The word cuts the room. Mimi doesn't back down. "No. You be careful."

Mindbender rises now, stepping between them, calm as ever. "Commissioner Mandate... your passion is admirable." A faint smile. "Your timing... less so."

Mimi shoves past him, knocking the table. The championship tilts. Zarana catches it before it falls. Reporters scatter as security rushes in. Voices explode. Shouting. Pushing. Chaos.

Mimi Mandate: "This is not over!"

Zarana: "It just started!"

Zartan steps forward, Mindbender watching it all unfold, unmoved. The scene dissolves into noise, bodies, flashing cameras, and rising tension. No resolution. Only escalation. Fade out.

**Good Luck everyone!!**

:

"The Super Hero League... has lost its way. Once upon a time, this place stood for something. Truth. Strength. Heroes rising when the world needed them most. Now? Now it's crawling with chaos. **Grey Jedi** walking the line like they don't have to choose. **Juggalos** running wild like this is their playground.

That doesn't sit right with **Black Vulcan**.

See, a Super Friend doesn't wait for the storm... a Super Friend becomes the storm. Power with purpose. Strength with direction. No half-measures, no confusion, no sideshows.

Now **Black Vulcan** hears the noise. He sees the paint, the tricks, the smoke... he sees the ones who forgot what this league was built on. Let him make it real simple...

The SHL doesn't belong to chaos. It doesn't belong to fence-sitters. It belongs to heroes who step forward, who stand tall, who take control when everything starts to fall apart.

So here's what's coming next.

A reset.

A reckoning.

The Super Friends rise up. Not tomorrow, not someday... right now. And when that happens, every **Grey Jedi** trying to play both sides... every **Juggalo** hiding behind madness... they're all going to find out exactly what happens when real power steps into the ring.

Because when **Black Vulcan** brings the thunder... there's no confusion... there's no question... there's no escape. The SHL is getting its heroes back."

In the Super Hero League, we take a moment to honor a man who never needed a cape to stand among legends—Chuck Norris. From the quiet strength and unwavering justice, he brought to Walker, Texas Ranger, to the larger-than-life heroics of Chuck Norris: Karate Kommandos, Norris has always represented the kind of hero who stands firm when others fall. His influence even reached the comic page, where his myth grew beyond reality into something timeless. Tough, disciplined, and unshakably principled, Chuck Norris didn't just play heroes, he defined them.

## EMPEROR SERPENTOR RESPONDS TO TOMMY ZULU'S ARROGANT DIARY

*The camera opens on Serpentor, arms crossed, his cobra-hood headdress framing his face like a throne. He speaks slowly and with absolute contempt.*

**SERPENTOR:** I have read your diary, Tommy Zulu. Every word of it. And I will give you this much -- you write with the confidence of a man who has never once been truly humbled. That will change.

*He begins to pace.*

**SERPENTOR:** You looked at BURN and you saw a sub-stable. A curiosity. An unexpected party guest who wandered into your renaissance and did not belong. You pitied us, Tommy. You actually pitied us. And you dressed that pity up in the language of a disappointed nobleman -- what a shame, you said. All that wasted potential.

*He stops.*

**SERPENTOR:** Let me tell you something about potential, Tommy Zulu. I am built from the genetic material of the greatest conquerors, commanders, and emperors this world has ever produced. Julius Caesar. Napoleon. Hannibal. Attila. Their brilliance, their ruthlessness, their absolute refusal to accept any outcome other than total domination -- that is not something I aspire to. That is what I am made of. Literally. So when a man who calls himself an emperor looks at me and sees a sub-stable, I do not feel insulted. I feel curious. Because that tells me everything I need to know about the limits of his imagination.

**SERPENTOR:** You say BURN has relegated itself. You say our top manager has not deemed us worthy of his full attention. This is the Arrogant Empire, Tommy -- you name yourself after your greatest flaw and then wonder why no one takes the threat seriously. You are so consumed with the idea of your own legacy that you cannot see what is standing directly in front of you.

*He leans toward the camera.*

**SERPENTOR:** You said it yourself, Tommy. It is either a blatant attempt to overcome you, or it is a complete and utter disregard for respectable game play. I will answer that question for you plainly, so there is no confusion in those pages of yours. It is neither. What COBRA brings to the Snake Venom League, what BURN carries across this entire IWA, is something your Arrogant Empire has not faced before -- and that is an opponent who is not impressed. Not by your history. Not by your positioning. Not by your 75 percent. Not by any of it.

**SERPENTOR:** You have won before. Congratulations. So has every empire that no longer exists.

*He straightens up, chin raised.*

**SERPENTOR:** Keep writing in your diary, Tommy. Document everything. Because when this is over, those pages will be the most complete record available of the last days of the Arrogant Empire. And historians will find them very useful.

THIS I COMMAND.

*The camera holds on Serpentor for a long moment before cutting to black.*
