

FRM-16: FAMILLE ROYALE MARCHAND 4 LIFE

From the 11/03/2018 episode of TTL Championship Wrestling on Pop! TV

“Metal Superb” by Illa Ghee signals the entrance of the insane... the almighty... the FRM-16 accompanied by the high chief Big Marchand and his platonic sidekick Lil’ Pierre. On their way to the ring, every man in the crowd wets their pants and every woman in the crowd just gets wet. While Lil’ Pierre cleans the microphone with 91% isopropyl alcohol, Big lights his magic doobie and shadow boxes...

Big Marchand: “Ayyo... listen here. Listen clear. This league... this league is my *****. And no one but me smashes for free. I’m an opportunist. I saw an opportunity here... and I took it. We <he motions to the ten FRM-16’s> took it. This is gang ****, boy.”

Big slowly extends his right arm and drops the microphone directly onto the TTL logo on the mat.

The FRM-16 display their collection of championship gold for the benefit of those in the crowd for about 10-15 seconds before “Metal Superb” hits the speakers again and the screen fades into a promo video for the reigning and defending TTL League Champion: Infamous Mobb Deep King Vulture Grappler (IMDKV) Grappler #1!!!
