# UCW INFORMER

WINTER 2024

## **Prof. Pigskin investigation continues**

UCW Board of Trustees have reported that the investigation into Prof. Pigskins abduction continues and that investigators are looking for any tips from the public. They haven't stated they have hit a dead end, but they are looking at all possible leads.

The UCW Board of Trustee's hope to have an update to an interim UCW soon. Please keep Prof. Pigskin and his family (if he actually has any) in your thoughts.

## **UCW Tag Team division on the rise**

It looks as if US Tag Champions, Lords of War have been looking for some competition and The UCW Board of Trustee's have heard them loud and clear. There continues to be a rise in the UCW Tag Team Division with new additions like The Machines, The Good Ole Boys, Indian Assassins and MeanDogs.

Can the Lords of War continue their domination over the Tag Team Division or will one of these teams be able to dethrone the champions? The Lords of War say they will have no problem with their continued domination.

# Garrett Travels America

## Episode #4:

### **New Orleans, LA!**

“Hey everyone! My plane is taking off in Baltimore and touching down on Bourbon Street! I’m about to go see what Nawlins, as the locals call it, has to offer!”

*Scene cuts to Garrett at a Cajun restaurant*

“Wow they sure do have a bunch of good food here! I like these mini lobster things, yeah crawdaddies, and these doughnut things for dessert are pretty good too! Now I met these two ladies, Nakita and Destyni and they said that I should march in a parade with them, cuz I guess that is what they do here? Let’s Go!”

*Garrett ends up marching in a parade*

“Well, those ladies said they had to go to a swamp, but I met outside the Rising Sun so may as well still march in this parade. Even though it’s Mardi Gras, they say they have parades all of the time here! They told me I just have to throw these beads at I walk...”

Producer (off camera): “Garrett, we can’t air you doing that! If you offer women beads...”

“They’re just beads, relax! Here Ladies, how about some beads! Ooohh Geee!”

*The camera quickly cuts and Garrett makes it visit a Voodoo Priestess*

“Hey, so now I’m with Mama Juju and I just wanted to ask her some questions and she didn’t let me record all of it, but she did say that there was some spirits and stuff, which scared me a bit, I’m not gonna lie, but she gave me this chicken foot necklace to help protect me! I got some for the other guys back in Maryland! Well I guess that is about all I have time for, see all of you back in Maryland and on tour!”

# MARYLAND

# BLUE BLOODS

Fredrick Charles Harford, Cecil Howard Calvert, Johnathan Hopkin, Garrett Washington Allegany, & Prince George Montgomery

Johnathan: “Yes we are back this time, well at least Garrett should be back soon enough from his visit to the gulf. Well we see that there are a few new faces, and we did not excel to our usual levels on the last tour, but rest assured, we are ready to again make our way to the top of the UCW mountain, much like the Appalacains by Garrett’s home.”

Cecil: “And we will start off with me capturing the league title! Garrett could not get it done and now he is distracted trying to become some sort of salt of the earth hero to the working class plebeians. No matter. I will bring the league title back to the Blue Bloods!”

*Garrett comes into the scene*

Garrett: “Hey, guys. I just landed! I got you guys these cool Chicken Foot necklaces that Mama Juju said would help us ward off evil spirits, and give us good luck! Here!”

Johnathan: “Evil Spirits and curses? We are from Maryland, not Plymouth Garrett.”

Fredrick: “And I hope that you did not bring any of those inferior Gulf crabs back, they cannot compare to the sweet jumbos that we pull out of the Chesapeake. ”

Prince George: “While you were traveling, we were earning titles. You need to watch your back, people like the **Warlord** are planning to take your US Title.”

Garrett: “That guy seems okay, just a big strong guy. He can have a shot.”

Cecil: “How you got that title is beyond me; your lack of acumen is nauseating.”

Jonathan: “Gentlemen! It is time for afternoon tea! UCW, you may live and breathe for this, you may spill blood for this, but you will never be a Blueblood!”

***The scene cuts in as the House of Fiji members are standing backstage. The Meandogs are sitting in chairs gnawing on their bones as Mr. Fiji and Don Miracle stand with Sue Plex, who looks at the Meandogs in disgust.***

**Plex:** Gentlemen, You've been in the UCW for a short time and you're already making some waves. What are you're plans going forward?

***Fiji goes to talk but Miracle grabs the microphone.***

**Miracle:** The plans are simple. I'm coming for that U.S. Championship. Garrett can take his little tour of the country and visit the cesspool that is Americana, but soon I will bring greatness to that U.S. Championship. There's nothing he can do about that.

**Fiji:** I will not only take Don to the US singles championship, I will take the Meandogs through the Lords of War. I know that team better than they want to admit. Trust me, my dogs need new bones to chew on, why not those bones belong to the Lords of War?

***Miracle and Fiji start laughing as the Meandogs get up from their chairs and start growling at Sue Plex, who quickly leaves the scene.***

**PROFESSOR VITALI MEDVED:** As we approach the new year, the **Masked Demolishers** seem strangely silent. It seems they wanted to use me as partner but now don't even want to address my challenge! So I will be more specific: Will you two face my two partners, the Rugged One and the Masked Patriot, so you can see what a real tag team looks like?

**THE MASKED PATRIOT:** Ronnie and I are a great team. While the Professor teaches anatomy in the ring, we just come in here and stomp a mudhole in you... until you sulk away with your arm hanging limp from your broken shoulder.

**RUGGED RON GORMAN:** Me and Bob – er, the **Masked Patriot** are coming for what's rightfully ours. Even though the Machines are our buddies, we're former IWA World Tag Champs and we want to get there again!

***The Machines thank you for your hospitality and will be retaining their Tag Team titles this tour. Once again, So-So Machine will showcase his individual skill.***

# The Lords of War

**Warlord Agony:** Hahahaha, the Commish keeps bringing new teams in to challenge us for these US Tag titles and we just keep knocking them down!

**Warlord Pain:** That's right, I mean the Good Ole Boys??? Bratwurst was a singles star but that Peacock guy... I don't know.

**Warlord Agony:** Yeah, the guy brought a bucket of fried chicken to the ring with him for their first tag match!

**Warlord Pain:** Commish, how about getting us some real competition and that doesn't include the Meh Machines or any of those yellow bellied sap-suckers from Maryland.

**Warlord Agony:** The Lords of War, our business is pain and business is good!

# The Good Ole Boys

**Billy Bratwurst:** Peacock, now ah told you not to bring that d\*mn bucket of chicken to the ring with ya. Ya had so much grease on your hands ya couldn't get a hold of anyone.

**Tim Peacock:** Hey, I was hungry and they had a special down at KFC. You buy a bucket you get one free!

**Bratwurst:** So where was the other bucket?

**Peacock:** I had that as a pre-match snack.

**Billy Bratwurst**

**Tim Peacock**

# The Indian Assassins

**The Indian Assassins walk to the center of the ring...**

**Bhaults Diep: Hey brudda... Who was the man guy we were partying with last night?**

**K'nie Diep: I think he said his name was Gary.**

**Vijay: Hahaha! For a guy who lives in a van, he has the best gonja!**

**Knle: He creeped me out a bit though. That randabad kept trying to get me to go into his van with him.**

**Vijay: Yah, yah and on top of that he was weezin all the bud. He was like the Donkey-Boy Commander in Chief!**

***2x IWA World Tag Champions (Jan, Summer 2023)***

***#8 Ranked Tag Team (Fall 2021)***

***#11 Ranked Tag Team (May 2021)***

***#14 Ranked Tag Team (June 2020)***

***#21 Ranked Tag Team (Winter 2023)***

# Barbarian King

**<The camera zooms in on Barbarian King laying on an enormous bearskin rug while his wenches rub lotion on his loin cloth>**

**Aaaaahh, that Garrett boy is travelling all over the country. He's is losing sight of what is most importants... holding on-to that US title.**

**He will get distracted, get sloppy and that when I will pin his shoulders to the mat.**

**He is not used to the adulation of the masses and it will be his downfall.**

**Me? I've been surrounded by wenches since birth, it is nothing new.**

# Leviathan

*I'm seeing a lot of new blood here. The UCW keeps on growing....*

*That's good! I get tired of beating on the same guys over and over.*

*Now, I gotta put my work in to climb the ranks and get my shot at GWA and his US title.*

# **Warlord**

# **Wade Reinhard**

**I'll tell you what. When I first came to this league, I looked at the U.S. Champion, Garrett Washington Allegany and I thought to myself "This guys a meat-ball."**

**I mean, c'mon, he's got that 80's mullet and the dad bod. He's gotta be soft, right?**

**Well, let me tell you. I've been studying him and he's not the strongest, the most physically gifted or the most technically sound guy out there.**

**But, you know what? That dude has the biggest heart. He goes up against the best of the best and when that US title is on the line, he doesn't lose.**

**GWA, you've earned my respect.**

*"Well, here we are. You clowns messed around and now I'm league champ. What we learned here today is that Stan Malitowski is the type of wrestler people pay to see. What we learned here today is that hard work and skill will take home the gold every time."*

*Stan "The Mullet" Malitowski*

# UCW NEWS

**Biscuits and Gravy** have started their “Comeback Tour” by enlisting the coaching of several IWA greats from the past, trying to find a way to win to win a tag title for the first time since joining UCW several tours ago.

The first stop on their “Comeback Tour” was Biscuit’s hometown of Hershey, PA.

**The Man Who Laughs Alone** has been a little quieter of late. Ever since threw out **Ronnie Gorman** during the battle royal last cycle he seems to be internally brewing something. When asked about it in the corridor between matches, TMWLA was quoted to say “Bingo bananas chase the fire away,” which is about as much coherence as the interviewer should have expected at that time.

**The Big Guys Who Like to Eat Asparagus** have been soaking up a lot of extra attention recently, with **Ed**’s success winning the TV title and their TV sixman title. The trio was the subject of a special segment about their origins during the UCW broadcast between matches.
