## UCW Pro Wrestler Stan “the Mullet” Malitowski Arrested for Stalking Ex-Girlfriend

**Mobile, Ala. (AP)** — Stan “the Mullet” Malitowski, a professional wrestler currently signed with United Championship Wrestling (UCW), was arrested late Tuesday on charges of stalking his ex-girlfriend, Muriel Puddings, according to the Mobile Police Department.

Sources within the department reported that Malitowski, 37, was found with a blood alcohol level nearly three times the legal limit when officers detained him near Puddings' home. Witnesses claimed Malitowski had been seen circling the neighborhood for hours before police were called.

Malitowski's arrest comes just five months after his release from rehab, where he had reportedly made significant progress in his struggle with addiction. The wrestler had recently been involved as a spokesperson for Mugs Not Drugs, a program aimed at steering at-risk youth away from substance abuse. His role in the program is now in question following his latest legal troubles.

“This is a difficult situation for everyone involved,” a spokesperson for Mugs Not Drugs stated. “Stan was doing so well, and we were proud to have him as part of our outreach efforts. Our thoughts are with all parties as this situation unfolds.”

Malitowski, known for his high-energy performances and his signature mullet hairstyle, is a popular figure in UCW, where he recently returned to the ring after his stint in rehab. The arrest has cast a shadow over his wrestling career, which had been on an upswing following his comeback.

United Championship Wrestling has not yet released a statement regarding Malitowski's arrest. His future with the organization remains unclear as he faces charges of stalking and public intoxication. Malitowski is currently being held in Mobile County Jail on a \$10,000 bond.

Attempts to reach representatives for both Malitowski and Puddings were unsuccessful. The investigation is ongoing.

**BOB STARR:** Johnathan Hopkin, you tried your hardest to defeat the Masked Patriot, but you couldn't get the job done. I'd like to thank him for his hard work defending my honor... maybe he'll show up in the Nonstop Action League again this year, or maybe he'll become the permanent Local Worker in the ZZL, but he put in his time and he made sure that I was able to return to UCW. Now, **Hopkin**, if you think we still have beef, you can take it up with the Professor, but I'm done with the likes of you. Now it's on to getting rid of the **Masked Demolishers**.

**PROFESSOR VITALI MEDVED:** That's right, **Hopkins!** Bob Starr has settled his score with the Blue Bloods, but I think you need to be shown a lesson! Come to the Professor's classroom and I will teach all of you how to wrestle.

**RUGGED RON GORMAN:** **Demolishers**, we're going to take you out! This month is the first match of our series, and the losers are going to have to leave the UCW! Remember that whoever loses this month is responsible for having their manager sign the next match, and we're going to make sure the Professor doesn't have to do any more administrative BS.

**LOW QUALITY MACHINE:** Hey, Professor, is it all singles this time?

**MEDVED:** Yes yes, we will be having the singles matches except that Starr and Gorman are having to be tag team this time because I wrote myself into a corner.

**SO-SO MACHINE:** Oh, man, I'm going to have to fight all the regional champs again?

**MEDVED:** Well, not the Central Plains in case you get the perfect point flow so you might contend.

**SO-SO:** What?

**MEDVED:** Nothing, ask the Rachel to explain.
