BATTLE ROYAL TO DETERMINE #1 CONTENDER FOR WORLD TITLE

EDGE/ROT: BIG RYE, EDGE/ROT: DISCIPLE OF RYE 2, AE: COVEN BLACK, AE: CHAOS,
SOS/WAI: JAYMZ SPLATTERHOUSE, SOS/WAI: THE ICON JUSTIN VICKERS, BURN:
SEBASTIAN BLACK, BURN: KAOS KNIGHT, EDGE/FF: " THE SPLASH CAFE" CHOWDA
CRUSH, EDGE/FF: CHEESEBURGER DIPPED

We started off Power and Glory with all 10 participants in the ring. Each pair had picked a corner with the representatives for AE in middle of the ring. The bell rings and everyone rushes to the center. The members of AE began fighting for their lives but were quickly dumped out the floor bringing us to a total of 8 participants. **Coven Black** yells something at **Sebastian Black** and **Sebastian** leans over the top rope to say something to him **Big Rye** took the opportunity to dump him to the outside. **Kaos Knight** saw what transpired and went after **Rye** for being opportunistic and sending his partner to the floor. **Kaos** had **Rye** on the ropes and almost had him over but **Disciple of Rye #2** lived up to his name and saved **Rye** from being eliminated. On the opposite side of the ring **Chowda Crush** and **Justin Vickers** were trading chops as **Jaymz Splatterhouse** had paired off with **Cheesburger Dipped** in exchange of right and lefts. The action continues with the 7 remaining participants in 3 opposing corners with the **Big Rye** and his **Disciple** trading off with putting boots to the **Kaos Knight** whom is laying in the corner. **Knight** begins to fight back and gets to his feet. He is putting knuckles to noggins as he switches between **Disciple** and **Big Rye**. A spinning clothesline sends **Rye** to the grown in a hurry and **Knight** begins to focus more on the **Disciple**. **Rye** crawls over to an empty corner and begins to clear the cobwebs and gather his senses. **Chowda Crush** has **Justin Vickers** in trouble and on the verge of elimination when **Big Rye** rushes from the opposing corner and hits **Chowda** from behind sending **Vickers** to the floor and **Rye** grabs the legs of **Chowda** and sends him to the floor before he has a moment to gather himself and we are down to 5. **Rye** rushes the opposite corner trying to get **Kaos Knight** from behind but **Kaos** sees him coming and back drops him over the top rope into the arms of the **Disciple** who cant hang onto him and **Rye** falls to the floor. **Disciple** holds his hands to his head realizing his mistake and **Kaos** uses it as an opportunity to drop kick the **Disciple** from behind and send him to the arena floor...we are down to 3, **Kaos Knight** begins to jaw jack **Big Rye** who is pointing at him from the arena floor. **Kaos** gives him the finger and turns around just in time to take a clothesline over the top rope from **Jaymz Splatterhouse** and we are down to 2. The 2 remaining participants traded punches, kicks as well as chops and suplexes for several minutes with both men having their opponents on the verge of elimination before their opponents fought back. In the end **Splatterhouse** gained the upper hand and the elimination with a backdrop over the top rope to eliminate **Cheesburger Dipped** and score the victory after 44 minutes of in ring action

WWL U.S. Champlonship

AE: "THE SHADOW" SHANE CROSS (498)

VS

**EDGE/FF: "THE LOUISIANA POPEYE" BLACKENED RANCH
(491)**

Both men start of the contest with a run of reversals, hip tosses, back drops, punches and chops. Cross gets the upper hand momentarily and takes full advantage. Ranch spends several minutes on the canvas getting fed punches and boots to the face. He gets to his knees momentarily before Cross delivers a kick to the mid section which sends Ranch back to the canvas writhing in pain. Cross taunts the fans who are clearly cheering for Ranch and the crowd gets louder with boos as Cross has to dodge a full beer that was thrown from the middle of the second row at ring side. While he was distracted by the fans Ranch delivers a poke in the eye that blinds Cross and gives Ranch a brief advantage which he uses to deliver a short arm clothesline which sends Cross to the canvas. Ryan Hunter and Casey Sparks show up at ringside to help cheer on Cross and provide any help they can. Tyler Ham and Cheeseburger Dipped arrive on the opposite side of the ring through the crowd to even the odds and keep AE in line. Soon the men find themselves in a battle on the outside and as the referee is distracted Cross pulls a pair of Brass Knuckles from his trunks and unloads on Blackened Ranch. The referee sees the cover and makes the

The Main Event

WWL World Championship

SOS/WAI: THE ALMIGHTY CAIN (490)

VS

EDGE/ROT: MASTA MIND (493)

The Almighty Cain used his size to his advantage in the opening minutes of this contest and dominated for several minutes before Masta Mind began to use his ring smarts to turn the tides into his advantage, but every time he started to get the best of his opponent Cain would use a burst of speed and strength to keep the advantage in his favor. Cain would hit several big moves and make the cover for the win but every time Masta Mind would kick out. Cain began to get frustrated with his inability to put the tough challenger away. Cain tossed Masta Mind into the corner and charged after him with a boot to the face, but Masta Mind ducked under it causing Cain to get his foot stuck in the turnbuckles. Mind kicked Cain in the left knee and the big man fell to the canvas. Masta Mind waited no time to put boots to the big man and gain a huge advantage. Mind began using his aerial ability and his ring smarts to keep the Champ on his heels. A miscalculation allows the Champ to turn the momentum in his favor as Mind misses a missile drop kick and hits the canvas hard. Cain reaches down to pick the challenger up off the canvas and Mind uses this opportunity to roll the champ up in a small package. 1...2...3

WINNER AND NEW WWL WORLD CHAMPION

EDGE/ROT: MASTA MIND

[Scene: Cheeseburger Dipped & The Ripper are still standing outside Rutt's Hutt, laughing. Suddenly—car door slam. Headlights hit. Taylor Ham "Egg & Cheese" steps out, everything bagel in hand, calm but deadly.]

Taylor Ham "Egg & Cheese":
"...you two done?"

[They turn. Slight tension.]

Cheeseburger Dipped:
"Oh look who showed up... breakfast boy."

The Ripper:
"Little early for you, ain't it?"

Taylor Ham:
"Nah. This ain't breakfast... this is business."

[Takes a bite of the sandwich. Doesn't break eye contact.]

"You got grease. You got fryers. You got noise.
But where I'm from? We keep it simple."

[Holds up the sandwich]
"Taylor ham. Egg. Cheese. Everything bagel.
Salt. Pepper."

[Steps closer]
"No ketchup."

Cheeseburger Dipped (smirking):
"You really think that little sandwich stacks up to us?"

Taylor Ham:
"I don't gotta stack up. I show up... and I finish."

The Ripper:
"You don't got the heat for this."

Taylor Ham:
"I don't need heat."

[Beat. He steps right between them.]

"I'm what you eat before the fight...
and what you wish you had after you lose."

[Wipes his hands slowly.]

"You two rip. You dip. That's cute.
But I'm the one that keeps Jersey runnin'."

[Looks dead into camera]

"Fish Fam ain't just dinner...
I'm the reason you wake up."
