X **REPORT**

X07 5-Spring26

“This weekend is **Elite X**. What can I say that hasn’t been talked about to death? Probably nothing. I will talk about the milestone represented here though. I’m not one to celebrate meaningless milestones, but it’s important to note that having gotten here is a strong indication of a bright future for **X Wrestling**. We’ve seen some great action in the last 5 months, and there’s a whole lot more to come.”

“Our doors are certainly open to the vast talent pool of the **IWA**, and any infusion of fresh blood can only enhance the **X Wrestling** experience. Most directly, increasing our house shows to 50 plus each tour will certainly pay higher dividends... not to mention increased media exposure. Well, enough of the boring behind the scenes details.”

“I can let you know that, in just a few weeks, the **World X Tag-Team Tournament** begins. It’ll be a round robin event with the top two performing teams squaring off for the titles on pay-per-view. **XWA Official Tag-Team Rankings** are now up, so you can see how your team currently stacks up. Only teams who have held **X Wrestling** tag-team gold and/or impressed with a **516** performance are ranked. Check the rankings for more info.”

“Before I wrap things up, I want to mention the two big signings in recent weeks... ‘**The Foundation**’ **Chris Adams** and **Colossal Machine** are set to shake things up in **X Wrestling** in a big way. I’ll also acknowledge **Misthios**’s **Nicolai Jarrah, Phoenix Alastor & Markos Spyridon**, **BURN**’s **Muffman, Jr.**, **Insane Hairbag & ‘Stunning’ Steve Eaton** as well as ‘**Hard Luck**’ **Jackie Devlin** for bringing added renown to **XWA** and **X Wrestling** with their successes in the larger **IWA** environs... specifically and respectively the **World Six-Man** champions, the **U.S. Six-Man** champions and the **IWA-wide Mid-Atlantic** champion. And, congratulations to them all.”

Matthias Xenakis Elias Lysander

Nicolai Jarrah Phoenix Alastor Markos Spyridon

Nicolai Jarrah: “Tonight, it’s just me and Stunning Steve Eaton. The loser will be just a footnote in the history of **X Wrestling**... but the winner will be the first ever **World X Champion**... and the standard to which all **X Wrestlers** will be held going forward. I will be that. I will be that for **Misthios**... for my partners... for **Miss Tzavaras**... and for **X Wrestling**.”

Kassandra Tzavaras: “With **Elite X** here, and a **World X Champion** to be crowned, I remind everyone that it was my influence that set all this in motion while others said **X Wrestling** wouldn’t make it. And now, my **Misthios** is making its mark on **X Wrestling** just as **XWA** is making its mark on the **IWA**.”

“I see the fear... it’s in the eyes... it’s always in the eyes. Those who sought to dominate that next big thing in wrestling, factions like **BURN**... **VIRUS**... **COT**... and **Ash (Æ)**... or whatever they fancy to be called... they’re all realizing the rules of the game have changed. The old guard is just that... old. Might as well be dead and gone.”

“**Misthios** is the future.”

Kassandra Tzavaras

Matthias Xenakis: “Ever since **X Wrestling** started, we’ve been its best tag-team, but one team has stood in the way of getting the recognition we deserve.”

Elias Lysander: “**Brick City Brawler** and **Pearl City Pitbull**. Those two have kept us from the **Tag-Team X** titles more than once. At **Elite X**, the world will see just who the better team is.”

Matthias Xenakis: “We’re not only gonna beat them, we’re gonna see to it that they don’t even sniff the **World X Tag-Team** tournament.”

Elias Lysander: “Either way, **Misthios** will dominate the tournament and bring more **World X** gold back to **Miss Tzavaras**. She is **X Wrestling**, and **Misthios** is her.”

Markos Spyridon: “Looks like we’re getting a day off from dominating the **X Wrestling** six-man division.”

Phoenix Alastor: “But not a day off entirely. We’re gonna show off the versatility of **Misthios**.”

Markos Spyridon: “**Rainbow Dawn** and **Colossal Machine** get to be the unwitting victims. They have no idea what they’ve gotten into.”

Phoenix Alastor: “All I know is, they better bring the **Tag-Team X** titles because we’re walking out of **Elite X** as the new champions.”

Markos Spyridon: “We’re gonna make it a clean sweep for **Misthios**.”

XWA MAGAZINE FEATURE

“The Missing Piece Returns: Curtis Adams Completes Structural Integrity”

There are stories in professional wrestling that feel written in pencil—easy to erase, easy to forget.

And then there are stories like the Adams family... carved in stone, waiting years for the final piece to fall into place.

For decades, fans have known **“The Foundation” Chris Adams** and **“The Cornerstone” Chad Adams** as two of the most reliable men to ever lace a pair of boots. Together, they built reputations not on flash, but on function—quiet professionals who turned chaos into craftsmanship.

But now, in the ever-expanding world of the **XWA**, that structure has become something more. Because the third Adams brother... is back.

The Ghost of 2005

Curtis Adams is not a name most fans remember. And those who do likely never expected to hear it again.

In 2005, at just 18 years old, Curtis burst onto the scene like a comet—bright, fast, and gone before anyone could make sense of it. In a single year, he captured the **IWA National Championship**, showcasing a natural instinct that many spend a lifetime chasing.

And then... he walked away.

No farewell tour. No dramatic sendoff. Just a quiet exit from a business his brothers never left. While Chris and Chad were grinding through towns and territories, Curtis took a different road—one that led far from the ring and into the corporate world. Under the umbrella of **Brutality, Inc.**, working alongside **BRL** superstar **Brutal Brian Welch**, Curtis built a life defined by structure of a different kind: boardrooms instead of backdrops, strategy instead of suplexes.

It was stable. Predictable. Successful.

But something was missing.

The Spark Returns

When Chris and Chad resurfaced on the big stage... then Welch himself stepped back into the fight... something shifted.

The noise came back.

The pull.

The unfinished business.

Curtis returned to training—not as the wide-eyed teenager of 2005, but as a man with purpose. The raw talent was still there, but now it was sharpened. Refined. Focused. Leaner. Stronger. Hungrier. And when the XWA came calling—with its deep pockets and bold vision—it wasn't just another offer.

It was the right one.

The Blueprint Revealed

Now, Curtis Adams steps back into the spotlight with a name that says everything about his place in this story:

“The Blueprint.”

Because while a Foundation supports...
and a Cornerstone anchors...
A Blueprint defines what the structure becomes.
For the first time, **Structural Integrity** is whole.
Not just a team. Not just a brotherhood.

A complete design.

What Comes Next

The XWA has made no secret of its ambitions. It is a promotion looking to build something lasting, something dominant—something that doesn't just rise quickly, but stands. And in Curtis Adams, they've acquired more than a returning talent. They've secured the final piece of a legacy decades in the making. Three brothers. Three roles. One vision. In a business where so much is temporary, Structural Integrity now feels inevitable—like a structure that was always meant to exist, finally assembled at the perfect moment.

The Foundation.
The Cornerstone.
The Blueprint.
The plans are no longer theoretical.

Now... they're being built.

"Hard Luck" Jackie Devlin

"This weekend, I have a match with 'The Cornerstone' Chad Adams, but all I think about is Wiseau Sirius. The man may be psychotic, but that precision rap on the head may just have changed my luck for the better. Soon after, I won the Great Lakes Champion X title, then I won the IWA-wide Mid-Atlantic title. No way it's a coincidence, but the ultimate test will be at Elite X, and, if I'm right, Chad Adams doesn't stand a chance."

IWA-wide Mid-Atlantic Champion

CALVIN'S CORNER -- X WRESTLING ASSOCIATION

XWA (3/26) "**X Wrestling** is all about their **Elite X** pay-per-view event which is just days away. We're finally gonna get the first **World X** champion! It's come down to **Stunning Steve Eaton** and **Misthios Nicolai Jarrah**, two of the most talented grapplers in the league. My money's on **Eaton**, but, honestly, it could go either way.

"That's just one of **17** matches on the card. For me, the match I'm looking forward to... is **Hacksaw Jim Rogan** against **Syrian Assassin**. They're both tremendous workers who always get the crowd fired up... and I love that. Of course, I know a lot of fans can't wait to see the two top ranked go at it. That's **Mike Drake** and **Notice**. It's actually a rematch from a past **Ultimate X** match which was won by **Mike Drake**.

"Another top matchup pits **Wiseau Sirius** against **Bruiser Buck Dewitt**. **Sirius** has already left a lasting mark on **X Wrestling**, and **Dewitt** is currently making his own in the short time he's been here. Then there's **Perfect Paul Frost** who has to be the breakout star of **XWA** consistently showing he's one of the best. His opponent is the young rookie who is **Bad to the Bone... Marowak Black**. That's sure to be a great one.

"In an intra-stable battle, **COT's Ace & Tenzin Biligbataar** take on the **Maquinas**. Which ones? You never know. **Gigante** has left, that leaves **Sombra, Fuerta** and **Fantasma**. Whichever one isn't in this match will go against **Jamaican Devil... maybe... who knows?**

"**Sweet Eddie Gold** and **Rocky Li** are sure to impress, as are '**The Cornerstone**' **Chris Adams** and '**Hard Luck**' **Jackie Devlin**. An underrated match sees **Malakai King** and **Insane Hairbag** going at it. **Hairbag** will undoubtedly draw his opponent into an insane brawl, but the **King** will play anyone's game and usually come out on top.

"Another good one will be **BURN's Brick City Brawler & Pearl City Pitbull** going up against **Misthios Matthias Xenakis & Misthios Elias Lysander**. There's also **Atticus Black vs Ryker Church** and much more.

"In other **X Wrestling** news, **Wiseau Sirius** confronted **Jackie Devlin** accusing him of stealing, or is it kidnapping, **Chicken Peter**. You just never know what you're gonna see in **X Wrestling**. Case in point: newcomer, if you believe that, **Colossal Machine** teamed up with **Rainbow Dawn** to capture the **Tag-Team X** championship while his identity was questioned by **Biligbataar** and **Ace**. Also, **Marowak Black** performed some kind of strange voodoo ritual. Why? I don't know, but I suspect it was to help him in his **Elite X** match with **Paul Frost**.

"Finally, **Rocky Li** declared his intention to **BURN** it all down at **Stablecade**. A tall order, that's for sure. Meanwhile, **Jim Rogan** made it clear that he's repping the **USA** and the **Brotherhood** at **Stablecade**. He also called out **COT** and **VIRUS**.

"That's all for now. Remember, **March 29th**, the **XWA** presents **Elite X**, an **X Wrestling** pay-per-view event. I wish I had tickets, but they're all sold out! You'd think I could, at least, get a media credential."
