# ZIG ZAG

## Volume 1

This cycle is the debut cycle of the Zig Zag League! As your commissioner I plan on giving you the best of the best for my championships, up to date stats all around the board, I'll have my very own version of who's hot and who's not, rankings ranging from divisions to tag teams. I can give you the basics you need to drive you to the next cycle! I won't however give you all the fashion and glame that a majority of league commissioners do! I'm an old school kind of guy from way back that doesn't believe in thirty flashy pages of pictures, podcasts or social media.

The Zig Zag League is OLD SCHOOL, as my report will be upon opening that white envelope not knowing who the champions are and what guy talked smack to you! Or spoil it and look at the website and take the excitement away if you want! What you see is what you get with me and what you get is me with less time consuming stuff and a bland report but at least it's something! I hope you enjoy it!

If not grab yourself some papers and fix that cause we have three different divisions that will be open to everyone until we get the ball rolling a little more...

(I want to see your writing. So I'll pay out big cash to those that do! Also in the rankings system (that I will post next cycle) your TT will count for almost as many points as a regional, so even if you don't win you'll still gain some stride if you just open up on some guy in the back! Also the best trash talk award will be rewarded more points than just contributing.)

### **Battle Royal Winner - \$25,000**

(I want to see everyone enter the Battle Royal, so there will be a bonus! Add up the total the IWA gives you with what I do and you're making money really fast! And, you could win some gold as well! The Battle Royal winner from each cycle will also gets a boost in the rankings!)

### **Commissioner Scheduled Matches**

(Every cycle I will sign five matches that I think the fans would like to see. From singles to six, it will be main event quality matches which may lead to match write ups in the near future.)

We'll also be throwing together a PPV soon where we will crown our first ever champs if the league grows big enough! I sure hope the buzz from the Zig Zag spreads to mass levels! Since this is going straight old school do include your wrestlers backstory with height, weight, etc. Who remembers the drawings from the 90's?! I'd like to see em'! Let's grow together! Any questions, concerns or anything related to the the Zig Zag League feel free to email me at [zigzagleague@yahoo.com](mailto:zigzagleague@yahoo.com). Until next time this is your Commissioner, Will Wick.
