

“Dapper” Dan: Welcome back everyone to the BBL Arena! This...is...TERROR TUESDAY! We are live on the BBL Network!

“Hardcore” Hank: Don’t forget, give half to the BBL, half to me - my PayPal e-mail address is...

“Dapper” Dan: Would you stop it!

“Hardcore” Hank: Tell that to my bill collectors!

“Dapper” Dan: Unbelievable! Anyways folks, we are charging straight ahead towards Sunday Bloody Sunday and we have got some amazing matches on that show - but tonight, we have some tremendous action as well!

“Hardcore” Hank: He’s right - we have WARBEAST in tag-team action to warm up for their Terror Tag Title shot at the pay-per-view, we will see Looney Knutzz in singles action, and finally, in our main event for the Three Way Dance Title - we’ll see three members of the dominant KID Family, as champion Cobra Kid defends against Mamba Kid and Rattler Kid!

“Dapper” Dan: The KID family certainly has been THE force in the Blood Bath League! However, this dominance leads to a very, very busy night at Sunday Bloody Sunday. Depending on the result of tonight’s main event, we could be seeing one of the KID family members in THREE matches - that could be very, very difficult!

“Hardcore” Hank: Let’s get down to the ring...

WARBEAST (The Almighty Sheik and “The Samoan Nightmare” Manuia) vs. The Missing Link and The Masked Target

WARBEAST comes to the ring dripping in Gold - Sheik with the Western Championship, Joe Brody with the Pacific title, and newly crowned BBL League Champ, Manuia, wearing the Gold around his waist. The commentators speak about Sheik substituting himself for Joe Brody - Brody is at ringside, supportive, yet seems to smirk a little bit when the Sheik gets hit. The end comes when Sheik knocks Missing Link off of the apron, allowing Manuia to hit an impressive Samoan Drop to pick up the victory. Lil Bruce Scoop enters the ring to interview the winners...

“Lil” Bruce Scoop: Convincing victory, to say the least. Gentlemen, how are you feeling entering Sunday Bloody Sunday?

Sheik: Bruce, it is clear that the new and IMPROVED *sneaks a glare at Brody* WARBEAST tag team is ready for anything! Sunday Bloody Sunday is an appropriate name - KID Family! You're grip on those Terror Tag Titles is slowly loosening. WAR IS COMING!

Sheik and Manuia walk off with Joe Brody slowly following behind with sly grin

“Lil” Bruce Scoop: WARBEAST vs. The KID Family for the Terror Tag Titles, next monday, live on the BBL Network! Back to you Dan and Hank!

“Dapper” Dan: Thank you, Bruce. Momentum is picking up around here - this tag title match is going to be a wild one, that's for sure!

“Hardcore” Hank: And another champion will be crowned at Sunday Bloody Sunday - as the BIGGEST victor will be our first Beat The Champ title holder. Our Commissioner Derek Tuttle will be keeping a close eye on results across the Blood Bath League, and we will see that title awarded at Sunday Bloody Sunday!

“Dapper” Dan: Speaking of titles, former League Champion Looney Knutzz will be challenging Terror Champ Rattler Kid - Mr. Knutzz is in the ring and ready for action.

Looney Knutzz vs. Rocket Monroe

The bell rings and Rocket Monroe comes out firing with a series of fast and furious dropkicks! Monroe has Knutzz rocking and reeling - Knutzz grabs on to the top rope to pull himself to his feet. While Knutzz was leaning up against the ropes, Monroe charged for an attack. Knutzz, the wily veteran, pulled down the top rope, sending Rocket Monroe crashing to the floor. Knutzz hit the opposite rope and then leapt, flying through the top and middle ropes onto Monroe. From there, Knutzz retained control of the match, hitting a DDT to pick up the victory.

“Lil” Bruce Scoop: Looney Knutzz - you have your sights set on capturing the Terror Title at Sunday Bloody Sunday, any words for your opponent, Rattler Kid?

Looney Knutzz: They say the definition of insanity is doing the same thing over and over again and expecting a different result - I may be a little wild and a little crazy, but I know Rattler Kid is tough. Something has taken over my body and spirit - I've never dove out of the ring like that before, but something is driving me to push my boundaries. Rattler Kid, be prepared, we're going to the edge at Sunday Bloody Sunday!

“Lil” Bruce Scoop: I cannot wait to see this match at the big event - Sunday Bloody Sunday, live on the BBL Network!

“Hardcore” Hank: Don’t be afraid to tell them they can leave me a tip on my Patreon account...

“Dapper” Dan: Well, if you’d stop drinking so much maybe you’d have money to...wait, we’re back on the air? Oh sorry folks, we were just talking about how much we are looking forward to the HUGE event, Sunday Bloody Sunday, live on the BBL Network, only \$5.55, an amazing deal considering the archives!

“Hardcore” Hank: If you really wanna thank Hank, you can check out my Patreon page right now it’s...

“Dapper” Dan: Seriously man, get a grip on yourself! We’ve seen all sorts of action tonight, but it’s finally time for our main event! For The Three Way Dance Championship, Cobra Kid defends against fellow KID Family members, Rattler Kid and Mamba Kid! It looks like winner of this match will be defending against Dash Bennett and Daron Smythe, the Premiere Players at Sunday Bloody Sunday!

THREE WAY DANCE CHAMPIONSHIP - Cobra Kid © vs. Rattler Kid vs. Mamba Kid

The KID Family start off trading holds - much like their match at the last Terror Tuesday, no one taking too big of a risk. This is a highly competitive, fast paced, wrestling match, with each man trading near falls by roll ups, cradles, and various techniques. The end picks up when Mamba Kid dropkicks Rattler Kid and Rattler Kid rolls under the bottom rope and onto the apron. Cobra tries to clothesline Mamba Kid, but Mamba ducks and jumps on Cobra’s shoulders for what looks like a victory roll. Rattler Kid, who has recovered on the apron, springboards and dropkicks Mamba Kid off of Cobra’s shoulders. Mamba Kid lands hard and falls out of the ring through the middle and bottom ropes. Cobra Kid is back up first, Rattler Kid charges him with a clothesline, but Cobra ducks. Rattler Kid hooks Cobra Kid with an inside cradles - but both men’s shoulders are on the mat. The referee counts three - the match is declared a draw and Cobra Kid retains the title. Rattler Kid is sure he has won and has his hand raised, but the referee takes the belt away from Rattler Kid and hands it to Cobra Kid. Rattler and Cobra are nose to nose in the ring when Dash Bennett, Daron Smythe, and Tim Haught slide into the ring and start putting the boots to Rattler and Cobra. Mamba Kid slides back in the ring, but the numbers game is too much. Gaboon Kid rushes the ring with a steel chair to even the sides - but then WARBEAST runs out and the chaos continues. Now, Looney Knutzz and the M.J.’s rush the ring to get their licks in. Suddenly, the lights go out....when they come back on, two men are standing tall in the ring...

“Hardcore” Hank: OH MY GOD! EVERYONE IS DOWN AND ONLY TWO MEN ARE ON THEIR FEET!

“Dapper” Dan: Representing EDGE, it’s The Demon! Representing The OUTLAWS, it’s The Undertaker! These two men are BBL stalwarts who apparently have something to say about all this chaos. What could this mean for Sunday Bloody Sunday?! Tune in next cycle to find out!!!

“Hardcore” Hank: VENMO ME!
