

# The Deluxe Xtreme Report...

**By F. B. III**

THEE F.B.III: Our PPV was canceled last week; perhaps there was a power outage or something. There have been some severe storms lately. Wild reports have even come in that Super Ballz was seen riding a tornado to the land of OZ. Tonight we will attempt too get it played! In other news the Butcher really laid it into the Great Lady Lust and delivered his first loss! Also it looks like that whole round was owned by the Infection! In fact there is only one EDGE member left and he has 4 opponents to defeat in order to take first place and win a plaque! Can he do it? H\*ll if I know but it will be fun too watch! As soon as this Tournament is over we will start another one with all our champions fighting it out to become our first Hardcore Champion!
