

**We don't want no stinkin IWA Credits.
We want Ca\$h! We spoke and the IWA
listened!**

**Ladies and Gentlemen of the IWA, I
present to you, the...**

High Rollers League!

**IWA's FIRST TRUE CASH*
LEAGUE HAS FINALLY ARRIVED!**

***If you do not choose IWA credit as your prize, then you will receive a personal check from me, *not* from the IWA. The IWA is not responsible for failed payouts.**

The innovative HRL is a game changer! HRL will feature a \$5 League Shot Special. For \$5, any wrestler can challenge the League Champion for the Cash Prize!!!

Your wrestler does not need to hold a regional title or be in the top 5 when taking the \$5 League Shot Special, but a wrestler winning the title this way will not be eligible for the IWA World Championship.

The High Rollers League will pay out \$1 for every 2 cards of matches and \$1 for every 4 battle royal entries.

This is currently the highest payout rate in the IWA.

The HRL will also reward 15 free matches to the TV Champion every cycle.

League Tag and Six Champs will be rewarded 10 free matches every cycle.

TV Tag and Six Champs will be rewarded 5 free matches every cycle.

HRL will have the highest payout rate in the IWA and over 50 Free matches given out every cycle. This is truly history in the making!

The High Rollers League will be featured in the Bronze Federation. It is a new wrestlers only league, no transfers!

Limit of 20 wrestlers per manager, and at least 20 matches (\$12) must be purchased each cycle in order to be active. Special league shots (\$5) and Battle Royal entries (\$1) are not included in the \$12 minimum.

**The HRL will be opening up
this Monday March 5, 2018.**

**We are expecting a huge turnout, space
will be limited. So, if you are interested
in joining, send those emails to:
Kimberly@playiwa.com**

**Special Thanks to Kimberly and the IWA
for being innovative and embracing
change. I applaud the IWA for this
customer appreciation act. These are
exciting times. Do not miss this
opportunity!**

Your HRL Commissioner,

**Al Saputra
